

Comments Received – Central Ave Park

- Indoor sports a must for the winter, indoor: street hockey, pickleball, track,
- Traffic could be a issue . Need a basketball court etc but in a different area.
- We have an abundance of ball fields. Alternative sports should be considered over more of the same.
- indoor tennis
- Want indoor tennis.
- Nine
- None
- Concept 2 would be great
- Concept 2!
- A dog park please!
- We are in a climate crisis. We must change our bias toward cutting down forest and building everywhere. Save all forest now! Every deforestation contributes to global warming. Build only in areas that are already developed. I'm sure you can find places
- Indoor sports like Tennis, pickle ball courts
- Preference for no additional development due to traffic congestion
- We need affordable INDOOR tennis and/or pickleball facilities please!
- Need more fields for lacrosse, field hockey we need turf
- Leave as is to reduce overcrowding and traffic in the area
- Concept 1. I suggest no baseball field (there are several around and not used frequently) Make it a natural area gardens etc.
- Indoor activities is helpful year round but I assume they will not be sustainable without extra tax dollars. Any kind of outdoor court/field seems to be lower cost to the taxpayers.
- Doing something with the land is a great idea and I certainly will use i
- Need indoor spaces for sports
- Great idea with the exception of left turning vehicles, look at the pit beef/ace traffic
- Definitely an indoor area for kids to play in the winter, indoor playground?
- More indoor facilities would be extremely helpful as we have kids practicing until 9pm sometimes on a school night.
- A splash pad please !
- None
- Na
- concept 1 is most desirable
- None
- These roads cannot handle any more traffic!
- Would love to see courts
- Need more
- Fields in the area!!
- ATV trail and amphitheater particularly opposed. All of the proposed alternatives except natural areas would involve removal of substantial amount of forested area and the benefits they provide with no compensatory planting provided.

- A splash pad of some kind would be great for
- Our hot summers.
- Please create an indoor field for lacrosse so we don't always have to travel for training!
- While all of these Anne tires would be an asset, it am most concerned about the traffic issues it would cause. Please consider the entrances and exits when designing this.
- Affordable/free for low income families indoor court sports is the highest need in our community. We need in door spaces for kids to go instead of being in the streets!
- Pickleball please
- We need to save Forests now! Any of the facilities above can be built in areas where there is already development. Please search for the abandoned, malls, etc.
- I have grandchildren and know that all ages need places for sports, etc. But they also ne
- Indoor tennis court
- N/a
- We need more lighted sports fields
- Make the skatepark have good proportions by asking skaters in the area or looking at other highly rated parks
- Hiking Trails, Mountain bike trails
- I love a park with trails! Similar to quiet waters
- Na
- There are parks with trails and lots of nature in the area and surroundings so it would be great to have court sports and playgrounds ..
- Recreation center needed in the area
- None
- None at this time
- As a senior citizen, I really don't have opinions on recreation use!
- Open space kept in natural condition helps the community more for our future of global warming than anything you can built or playing fields that need water & pesticides to maintain.
- Pickleball courts and inside facilities are great ideas
- Please just leave the trees alone. That will create so much traffic and so many accidents and Riva area park is right there.
- A paved walking trail that's longer than a mile would be nice.
- Indoor facilities. Volleyball is our sport & we would like open court times for drop In volleyball on Friday nights for the teens. Another night for adults. There are plenty of other outdoor fields nearby. Indoor playground and an indoor track. Rec classes
- South County needs indoor athletic buildings for it's residents.
- A mixture of all 3 options and an ice rink would be nice
- Don't make more impervious surfaces! Minimal changes, just make it a nice way for locals to get outdoors and enjoy nature.
- Of the 3 designs, option 2 optimizes value add and balances of the character of Davidsonville/South County. Davidsonville & Riva Parks provide abundant ball fields (and I say this of a parent of two children who USE those ball fields) and have paved walki
- More athletic fields would be wonderful.
- Athletic fields

- Some place for people to ride dirt bikes that isn't the streets would be nice.
- A turf baseball field would be ideal for avoiding rainouts.
- The most important aspect of this park is tennis courts, indoor preferably!
- Almost no public tennis courts in southern AA county.
- Indoor courts, specifically basketball and tennis would be fantastic as there is a shortage of publicly available indoor courts. I also applaud the idea of a skate park and adding walking trails to whichever plan is adopted.
- Indoor pool as well
- Need proper road n lights
- Add a playground to concept 1
- Use mall for indoor type facilities and keep outdoor space with as much greenery landscape as possible.
- None
- N/a
- We need more affordable indoor tennis courts.
- Great ideas and a good use to the space. Would love to see it with an entrance with a stop light to help with traffic congestion turning left
- An indoor facility to allow winter workouts for spring/ summer teams (like our baseball players) would be amazing. We would love to see a multi-sport indoor facility that could be used for football, batting cages, agility training, etc. think of API in Ga
- Important to provide recreation opportunities for all ages
- We desperately need indoor tennis courts!!!
- Prefer pickle ball courts, outdoor trails, ideally water access
- Community pool would be a massive addition and something Edgewater does not currently have.
- None
- A larger state of the art skate park at the facility would be welcome since there are no county owned skate parks except for the one by BWI airport, which is 20+ years old. This could be the beginning of the county getting right with their youth.
- Please add more indoor and outdoor pickleball courts with lighting
- Kids playground area please!!!! Tired of driving to quiet waters
- Our roads can't sustain more traffic. I
- Indoor tennis courts are badly needed in AA county. Tennis cannot be played in the rain like many other sports. There are several indoor pickle ball courts but no indoor tennis courts. I resort to driving PG and Howard counties to play indoor tennis.
- Would love to see ice skating, archery, baseball, dog park and some trails go in near by. We could really use some recreational opportunities i this area.
- Pickleball courts please!
- Outside and inside
- The indoor sports complexes will be exorbitantly expensive. What will the projected cost be?
- I'm in favor of an indoor tennis facility, but not as part of a track and pickleball courts. Note: The sound of indoor pickleball will drive others crazy (you'l
- None

- Things to entertain kids without having to plan or pack anything.
- Tennis courts are needed in mid county.
- I love this idea. We need something like this in our community for everyone to enjoy.
- Disc golf
- The park concepts would all add unnecessary traffic to the area and would result in congestion backing up on rt. 214 west bound beyond the intersection of 214 and rt 2. To avoid traffic concerns, additional road work would need to be planned and would als
- It would be very nice to have Pickleball court #2 .
- We have plenty of baseball fields basketball courts it's time we have a change.
- This proposed park is right below a dangerous intersection at RT. 214 and Pike Ridge Road. The increase in traffic will cause problems. Moreover, green space/ wildlife habitat is disappearing rapidly in Anne Arundel County and that loss is degrading t
- Tennis court please!
- Yea for a tennis court! There are zero public indoor tennis courts in AAC. A lone tennis court does not offer programming opportunities. 3 tennis courts inside the track would allow for recreational youth programing, events, social events. Give pickleball
- An ATV trail would render the park useless for any other purpose, however if there is nowhere else to ride ATV's or BMX's then perhaps, they should have a place. I think that needs to be evaluated. Concept 1 is my choice because it benefits the most peo
- Would love to see an expansion. We shall see.
- A skatepark would be awesome
- Great idea!
- We can help build!
- We need more playgrounds for young children in the area. Edgewater and Annapolis are severely lacking any activities for young children. We have to travel to other countries and spend out money to bring our children. We do not need basketball and football
- There's already Riva Park that has outdoor sports and minimal scenic walking trails.
- Leave entire park wooded/natural.
- Courts for youth baseball,basketball,soccer would be awesome!
- A community pool would be nice indoor and outdoor
- Leave as many trees as possible!
- A splash pad would be fantastic too
- Just consider traffic and how to avoid heavy back ups
- All three concept plans would likely require removal of a large number of trees. I believe this park should include trails and other amenities that limit the number of trees removed. Construct the athletic fields, facilities, and large parking lots in a
- I like Concept 1
- We do not need all that extra traffic on Central Ave. It's already a nightmare as is now and you want to make it worse. Please reconsider this.
- I think this is a wonderful idea, I especially love the idea of a skate park. We need more areas for kids in the area and i think it would be a lovely way to promote community building! Selfishly i'd love a paved trail similar to that of quiet waters.
- Nothing currently here, should beautify somehow.

- Need tennis courts everywhere!
- Indoor facilities for winter sports including wrestling, indoor track and field, indoor baseball cages and basketball courts would be so wonderful for the community!!!
- Facilities for indoor sports during extreme heat, and inclement winter weather. More Facilities needed that allow exercise in all weather conditions.
- Also useful: coastal natural resources preservation educational center.
- Indoor facilities for local rec/club practice and games would be a great addition
- The area has only two skate parks, Mayo (DIY and old and not upkept) and Truxton in Annapolis (basic but well used and loved). Skateboard parks are used by skaters, scooters, BMX, rollerblades and even parents with kids in strollers. Of all the investme
- note the current availability of school athletic amenities within the neighborhood; the new park should add additional or new ammenties.
- Atv trail is a waste
- Please study the traffic on 214, high volume and drivers ignore speed limits..
- Serious accidents occur regularly between 214 and 424 and the area of this proposed park.
- A recent serious accident occurred at my neighborhood where an elderly resident was hi
- n/a
- Would love another area for kids.
- The traffic is already awful there. It would need to be managed in a better way BEFORE adding a reason for more traffic.
- Concept 1
- NA
- N/a
- We desperately need multiple public indoor tennis courts in a couple of locations in AA County and also public outdoor courts also. I find it shameful that those are offered in virtually several adjoining counties but not by AA County. This should be a
- Picnic area/tables. SHADE! Green space for festivals, cultural events.
- Something unique for families
- Love this idea!
- The intersection will be extremely dangerous
- The traffic in this area is bad now. No more development that only adds more burden. Leave as is!
- Don't want any development, no parks. Traffic is bad enough without another entrance onto a main roadway to attempt to negotiate. Please no pickle ball courts~ it is so noisy & there are homes behind this park region.
- Entrance needs to be at a traffic light. The traffic around that area is already awful with the left into Ace hardware and traffic coming off of pike ridge. There needs to be some sort of crosswalk and traffic management.
- Indoor sports courts and an ice
- Would really like a playground added
- Indoor tennis courts are much needed considering it's colder more months than warm
- A place for holiday activities (Christmas lights) and pavilion rentals

- This would be a great use of land for an area that does not have a great option for these types of activities. Nearest area is south county, pip moyer and quiet waters, or over in crofton. Would be great for the Edgewater community. Having lived my first
- Too Much Traffic! Stop for gods sake!
- The ATV trail design option is the least desirable option for me. This appeals to only a small minority of AA county residents and I would think this would also attract people from outside of the county. I do have concerns about the entrance to the park n
- None
- Indoor space for all activities is needed in our Edgewater area. This whole community and surrounding counties travel 30 minutes to 45 minutes out of our way to take our business elsewhere. If these facilities were available to our community, they would b
- Park great idea!
- I think that the indoor facilities take too much forested land and make it impervious surface in this area. Concept 3 is preferable as fields are always in demand but water can still infiltrate.
- Concept 1 or 3. This county needs a indoor track and field. Stop giving another county our money and plus our local private schools can rent too.
- How about adding a couple of pickleballcourts? We don't have any in Edgewater and this is a fast growing sport.
- Concept 1 looks great.
- As a resident of this area I am very concerned about the impact on traffic safety at an intersection that already has many accidents. For that reason my preference would be to leave as is. All of the options would bring high traffic volume to an already c
- Anne Arundel county needs INDOOR, AFFORDABLE tennis courts!
- would love a splash pad
- indoor spaces are needed for area sports programs
- I think it sounds fun like quiet waters but better.
- Soccer fields?
- Indoor tennis courts and LIGHTED outdoor courts
- Indoor facilities would be awesome. We already have access to the other options close by.
- Walking trails, (dogs allowed) most desired,
- Very interested in concept 1, would love a good park to walk etc in that area of Edgewater
- Entrance should be at existing light. We don't need more traffic lights on 214.
- It seems we have enough baseball, soccer and basketball courts close enough to this space. We don't have any public tennis, music, and skate park in this area. And nature trails benefit ever city, so that is also a great contribution to any park.
- Anything to keep the local kids active.
- No development here, perfect place to relax and enjoy nature as is
- That intersection is already to dangerous. We have adequate parks for sports. It's just a waste of tax payers money on a park that is not necessary which will make a dangerous intersection more dangerous.
- Proposed Concept 1 would be an amazing asset to Edgewater! There are so many tennis and pickleball players in Edgew/Annap/Riva/Davids who would benefit from indoor courts and indoor track for exercising in the cold winter and hot summer months.This is SUC

- I think a walking running trail (not a track) no matter what else goes in would be great! I care less about the nature center and gardens. More about a trail for walking/running.
- Outdoor walking paths around sport fields like Riva Park would be beneficial to widest variety of people. Tennis courts and pickle ball courts are hard to find. If dogs are allowed, waste containers and waste pick up must be put in place.
- Skatepark
- None
- Recommend one of the multiuse fields be maintained for use as a croquet court. Croquet is an established national sport (as in golf, the National Croquet Assn. establishes handicaps, etc.). Croquet can be played by persons of all ages. It is particula
- We need indoor tennis courts badly, our county tennis association has over 3000 members, which doesn't include all the kids that play, yet tennis only has one indoor option in the county, at the Navy Brigade which requires military personnel on the cour
- Would love a nice playground.
- Closest rock wall gym is 40 minutes. Many people from Annapolis, Crofton, Edgewater, and even as far as Kent Island and Easton travel the insane distance for a quality rock gym and pay the 90\$/mo membership. It brings in great people all over, provides a
- would be great to have facilities more local for sports- indoor sports/ turf/ indoor pool
- Concept 1 - love this plan for more indoor facilities. We travel to Odenton for indoor field hockey now and would love something closer for practice and games. I think these fields will add to the property value and athletic pursuits in south AA county.
- There are enough spaces for youth sports in the area
- We need more indoor tennis court in Anne Arundel County
- Indoor Tennis/pickleball etc., would be great. With additional outdoor option. Baseball, football, soccer, etc. and a walking trail around the park.
- While it would be nice to have facilities in the area and not have to drive to Glen Burnie I think we should Utilize the parks we already have. It's a difficult intersection to add more volume on an already busy road. There are empty buildings on Rt 2 t
- Anne Arundel needs better playgrounds. We're severely lacking in quality playgrounds compared to our neighboring counties. Even playgrounds at Downs Park and Kinder Farm pale in comparison to even neighborhood parks in other counties.
- The County needs more lit tennis and pickleball courts.
- Keep it outdoors, no indoor stuff
- Turf for youth sports, and ice rink.
- N/a
- Concept one seems like the best bang for the buck and will benefit the most residents.
- We need indoor tennis courts that are affordable
- Lower impact/densities activities desired - NO ATV trail; YES skate park, basketball, field sports.
- Indoor soccer field, or Futsal courts would be highly desirable. Walking trails would be outstanding.
- Indoor soccer court would be nice.
- Na
- Na

- Indoor tennis courts and a beautiful, clean, outdoor walking path/trail would be amazing !!
- Nice playground, walking trails and maybe one sports field and skate track.
- I love the idea of a park that incorporates as much nature as possible. Playgrounds and pavilions would be great as long as trees aren't sacrificed. I would like to see minimal impervious space. I also like the idea of amphitheater. Wolf trap and Merri
- We would love some public indoor courts. My family all play tennis and it's hard to find a space to play for half the year!
- We have some really great parks in our area, but would still love another option for our daily exercise outings.
- Leave land undeveloped.
- So excited about this! We need more for children in this community, especially those who aren't in sports clubs.
- I am especially drawn to concept 3 with the hockey rink.
- Baseball, basketball, soccer outdoor and indoor courts would be fantastic.
- The High Schools are at capacity (South River/Crofton) and both have thriving sports programs - providing more athletic fields and arenas (Ice Hockey/Street Hockey/Running) will provide safe options for practice, strengthening and team building.
- Disc golf would be greatly appreciated.
- Please provide affordable indoor tennis court facilities for public use. Thank you.
- Prefer concept 1 for this location.
- Indoor soccer and indoor roller hockey is my most desired.
- Trails to walk please!
- we need an indoor playground style park somewhere in the County for when it's rainy, too hot or too cold. excellent idea. lots of parents with little kids would love this option
- Pickleball is the best
- Athletic fields would be a great addition. There are not enough of them in the area.
- No atvs or motor bikes
- An indoor pool would be great! Or outdoor with keeping little kids in mind.
- Indoor tennis court please
- Too much development in this area already. Fix the roads.
- None
- N/a
- Please include playground even if not the main attraction, publicly accessible playgrounds are lacking in this area.
- Roller skating area would be nice
- Indoor tennis
- It's frustrating that you require an email address to be able to submit comments. I don't want to opt into marketing emails.
- The Riva Park is within 2 miles of this site. No need for more tree destruction and wildlife habitat areas. No more development! Roads are unable to handle current traffic levels.
- How about trails and a real park without the nonsense. No one needs another football field, basketball court or skate park. Dog park, trails, lake, nature

- As much as I love the idea of encouraging recreation, the spot can and will cause a significant increase in the amount of traffic in the area as well as possible accidents.
- As an alternative suggestion, maybe one of the old grocery stores/retail stores
- Blend of field and courts sports. Playground, archery. And 1 Pavillion
- Would love more walking options on the Mayo peninsula.
- Concept 2 preferred
- none
- We are in such need of good soccer fields in the area!
- None
- Whatever you do, please keep it clean.
- This area is already congested.
- we need indoor facilities in south county
- Something quiet, useful for all ages and genders, and that supports nearby wildlife would be wonderful (limited noise and light pollution)
- We need pickle ball/multiuse courts inside and out.
- Provide what the taxpayers are needing to stay active and enjoy- pickle ball is a sport in need of courts.
- We truly need more indoor and outdoor tennis courts in this county! It's a growing sport and can be played for a lifetime but more people need access/teaching.
- Would really enjoy an indoor tennis facility !
- Tennis courts are needed!
- We need an indoor facility for youth sports. Option 1 only has one basketball court. There is a large indoor facility closer to Baltimore that offers 6 courts that can be raised for indoor soccer or other sports as well. Please don't limit the indoor fa
- Some indoor facilities for sports would be a nice addition during inclement weather and in winter
- Hi
- Concerned about traffic impact, this needs to be assessed and addressed. The area is prone to many car accidents. Access by sidewalk and trails to protect pedestrians is critical to this development there must be a connection to the surrounding communitie
- I like to play pickleball. But any additional public area to explore and enjoy is welcome!
- Tennis (indoor and/or out) please!!
- Turf fields would be a great addition to the area.
- Indoor complex is very much needed in our area as well for winter or indoor sports.
- Roller skate rink would be a great addition.
- I'd love a skate park for my boys!!!!
- Walking trails and a state of the art inddor facility.
- NA
- No left turn out of park onto Central Ave. without a light figured in.
- None
- Adding an ATV trail is an invitation for people from the surrounding areas to ride their ATVs and dirt bikes illegally through the woods. We already have an issue with both kids and adults from Londontowne riding their off road vehicles and golf carts thr

- None
- Existing parks have already increased traffic in a high density, and highly congested area, making it difficult for current residents to maneuver safely.
- The County needs affordable indoor courts.
- Indoor aquatic facility and/or fitness room and classes please please please!
- Lots of walking area. Dog park and nature trails. Water features. Benches.
- What about the fire station?
- A park in the Harwood/Lothian area would be nice. We have plenty of open land and no play grounds or places for our kids here. We do not need anymore basketball courts as they are already barely used at the riva park. A big play ground and Walking trails
- do not contribute traffic to that dangerous rt 2 and rt 214 intersection. Entrance and exit are concerning
- Love the concepts, especially concept 1.
- Any plans to add a playground?
- I know many families with kids of various ages would appreciate and utilize a playground for the little ones.
- Also, have a way for families to rent out pavilions and courts for parti
- None
- It would be great if there were additional fields at this site, but you'll wanna make sure that the traffic aligns with the existing stoplight near the Safeway and that parking design is such that it is not a one-way design which constricts traffic and,
- A quiet neighborhood park is
- Indoor tennis courts.
- An indoor walking track would be awesome.
- Please create more pickleball facilities.
- Ice hockey rink, soccer field, baseball, football
- Outdoor and indoor turf soccer fields would be great.
- INDOOR POOL BADLY NEEDED
- Would be nice to see a splash pad or a big creative playground like they have in PG county.
- None
- Concept 1 looks like a great plan for addressing the interests of many different groups.
- Love the idea of indoor sports/ activities for the community especially the kids that is close to home.
- Love the idea of a recreational park
- .
- I did not realize that park exists. This is an area that needs conservation more then construction.
- Pickleball
- This site looks like a great opportunity to situate amenities and parking for multiple activities. It can become a gathering place without negatively impacting a neighborhood.
- I would love to see a disc golf course in south aa county!
- Is there a public park with playgrounds in the Edgewater area?

- Disc golf course, small playground with picnic areas, nature trails all preserve trees, aren't impacted by small streams and can ea
- Concept 1
- Anne Arundel County should be EMBARRASSED at our lack of skateboard parks. One shitty asphalt park with ramps just don't cut it. Visit Prince George's sometime or even Baltimore city. We need a concrete park with round wall, a pump track mini ramp and Ver
- Indoor tennis please
- The amount of traffic any of theses proposed ideas will create would be detrimental to the community. Also there is not enough proposed parking that it would overflow to near shopping center. Which will hurt their business and lead to families crossing bu
- We greatly need affordable indoor tennis facilities. We currently have none in Anne Arundel County. Please consider this.
- Indoor pickleball please
- Area for children and dogs to play would be great in this location.
- Too much traffic at that intersection as it is, so if it is developed hopefully the amount of visitors and the added traffic needs to be looked at. It is a complete mess there already
- As a teacher, a volleyball court and skate park are two amenities for hobbies that my Edgewater students down have the space to practice/play. Think those are great ideas! Trials are also wonderful to have for all ages and dogs, etc.
- A close-by disc golf course would be a great benefit to a growing community of players.
- Anne Arundel needs field space for outdoor sports - football, lacrosse, field hockey, etc.
- Na
- n/a
- Open park for Community use
- Skate park is a must because it's considered a sport and the "skate park" by Lou's stop shop is very sad. People who skateboard deserve a better quality skate zone!
- We need a better basketball court, the one in loch haven turned into a graffiti z
- Rubber mulch for kids playground
- So excited to have a park at that location!
- Would really love to see more development in the community to give kids "an out" and be more active. I know it sounds judgemental but it is a concern of mine to think about increased drug activity with a skatepark. It wouldn't be the majority but it
- We really need a place for kids to ride dirt bikes, etc., to keep them off county roads. It's dangerous and there's no enforcement of laws against it.
- Indoor pickleball courts would be great.
- facilities for younger children (playground, rockclimbing wall, bicycle paths) will be most valuable
- It would be nice to have some trails to walk.
- Indoor ice rink is much needed in this area.
- The kids in south county and south of Annapolis need something to keep them busy to stay out of trouble and this park would be great in this area.

- I would like the entry/exit to be at a light preferably by the Vets office. I would like things we don't have nearby such as Rock Climbing walls, skate park and ice skating and Zipline. I would like indoor/outdoor options of skating and rock climbing, e
- Great spot for a public park!
- .
- There needs to be SERIOUS consideration about the traffic getting in and out of this proposed park area. People will not be able to turn left on 214/Central Avenue (heading west) leaving the park. It will become a nightmare for families traveling out of t
- Atv park
- Would love disc golf course, amphitheater, and playground.
- Trails and track for running
- Concept 1 and Concept 3 are the most desirable.
- None
- Great
- How will Edgewater handle this traffic in this area- it's already an accident waiting to happen. Find a better location!
- ATV trails and hiking trails sound amazing!
- I don't think this is the appropriate place for large indoor facilities. I support passive recreation and other forms of recreation that utilize the natural features of this park. Given the left turn restrictions on this section of road regarding access
- Anything without a playground and a bathroom.
- There is currently one skatepark in Anne Arundel county and zero pump tracks. Skateparks and pump tracks are fun for kids and adults alike and require no supervision, programming and very little expenditure after the initial build (unlike a ballfield of w
- This park offers a perfect opportunity to encourage community activities. Walking paths, playgrounds, skateboarding areas and dog parks are sporadic in the area. With the park's proximity to the South River schools cluster and commercial businesses, there
- This is awesome! Edgewater needs more kid/teen friendly areas! This would help keep kids occupied and safe!
- Our area needs more creative active programming in parks. Large destination playgrounds with skate park for older kids. Love the rock wall idea, bmx pump track, etc. Space for food trucks to service people.
- .
- Not Applicable
- N/A
- We against anything that involves cutting down trees!
- Entrance will cause too much traffic congestion
- None
- Indoor sports for kids would probably be great. It would be nice to have something that created a few jobs too.
- This is a no brainer. The area lacks quality youth athletic facilities.
- There would need to be some development to traffic control but if they can figure that out I say do it. Or put money into existing fields to upgrade and clean up, and maintenance.

- Thanks for asking!
- Basketball courts would be super nice !
- Na
- I think a nice compromise of unique sports like the hockey rink and the skate park, along with traditional stuff like mulit purpose field and basketball court, would make everyone happy.
- Please take into account traffic flow on 214 as it does well now as-is!
- Nature trails included no matter the chosen option.
- The county Admin has a goal of conserving 30,000 acres and destroying this exist forested land is counter to that goal. This further hurts our efforts to slow the extreme weather issues. This property should be minimally disrupted. Anything built there sh
- I think this is a great idea. Having 3 children active in sports, our family sees how little Edgewater offers our youth in terms of high quality facilities, and, the facilities that are offered are not impressive. Beyond more development, however, I thi
- More activities for people that live in edgewater
- Hiking trails
- I believe concept 2 will provide the most use for the community. As the mother of 3 (now grown) sons, I know they would have used this option the most. As will my husband and I, as local Sr. citizens.
- stop developing
- The traffic on Central Avenue is already a huge concern that was never addressed by county officials. This will only add to the current issue. Also I do not see a light at the entrance. I can't even imagine the amount of accidents.
- this is an appropriate spot for multipurpose fields - dual lane road infrastructure already in place. There are public natural areas close by for hiking and gardens.
- Add traffic signal
- Hands down concept 2!! We have enough ball fields! We need outdoor stuff for kids to do! This will get the dirt bikes off the roads and give a safe place for kids to learn to ride! Please! Concept 2! This Could bring so much money to the community! This c
- All the other things are already available in multiple places in the county.
- This area needs indoor tennis courts number 1.
- And indoor volleyball courts if can be multiple use
- Fix the county roads before you spend money on yet another park.
- So much need for a dog park in the area, and this would be perfect with a veterinary office in this same location - lots of people bringing dogs here anyway!! This would also be a good location for a skate park or BMX trails as well, as the noise would b
- We need more indoor tennis courts, no pickle ball
- There would need to be a serious traffic study done there and a possible light put in to allow traffic in and out.
- Would like to see indoor hockey rink
- Ensure adequate parking and traffic flow issues are well planned
- I would prefer to leave the land as it currently stands. There is already
- enough traffic on Central Ave. We continue to lose trees along this stretch.
- Land has been cleared in this area already and now it sits vacant.

- Indoor tennis courts
- Any change would be great!
- Will our taxes go up?
- Leave it woods
- Do not put car parking past baseball outfield.
- None
- As a youth sports commissioner in southern Anne Arundel County it would be great to have indoor space for teams to practice. Right now so many are waiting until 7:30 pm to start practice because that's the earliest we can get field access. Which is tough
- Traffic needs to be taken into consideration. Left turns onto Central Ave should be prohibited.
- Na
- No parks at all. Leave it the way it is!
- Please have something that all ages can enjoy.
- So exciting for those who live nearby.
- Concept 1 is most desirable for our area
- Indoor tennis is a priority.
- More disc golf courses make for a better community with the least impact on wildlife.
- None
- None
- Developing this would increase traffic to an already busy area. Also, there are vacant facilities and already paved land for parking (old Giant and Kmart) that could be utilized instead of developing more land here. Also the Riva Area Park is near and could
- Minigolf/batting cage
- N/a
- Need an Ice rink! Pickleball!
- Would love an indoor swimming pool and workout gym spaces.
- Interesting ideas. We surely have been lacking in Riva, Edgewater with tennis and pickleball courts. Please incorporate these in the plans. Other jurisdictions in the state and country are quite far ahead of our area!
- Thank you!!
- N/A
- N/a
- I think a park with lots of amenities is a great idea
- Indoor facilities can be used year round. Central Ave can be very busy, I hope a stoplight will be installed to help in traffic control for the park and the shopping center across the street.
- Disc golf
- How can you develop the area without increasing traffic? Central is already congested
- Pickleball is super popular & we don't have enough facilities. Please consider this!
- We need affordable INDOOR TENNIS COURTS
- Stop building parks. Leave nature alone. Spend this money on something else
- Area for roller skating

- Option 1 is my favorite by far. Having indoor facilities and more sports fields would benefit the local community. Especially the indoor track and fields. I would highly prefer not to see a skate park in the area or any more dog parks.
- I think this is GREAT! A Dog park is very much needed, as are basketball courts.
- I am opposed to developing this property. If it must be developed, I am most in support of natural surface trails with minimal tree clearing and impervious surfaces. It is part of a relatively large, contiguous forest. The area is identified as forest int
- None
- Yay park!
- Tennis courts, please and/or walking trails.
- Covered pickleball courts would be valuable to this area. There is currently a shortage of courts in general in the county for the current/increasing demand. Either covered or uncovered courts would be great. Cover would help provide a place to go when th
- I want the kids to have things but I'd like more individual use vs team sports only. Definitely not an ATV track. I would like some nature area especially a teaching garden s as bout native plants.
- N/A
- need a park close to south county!!!!
- The county has done nothing to ease traffic into/out of Edgewater yet you continue to allow higher density. Terrible planning.
- Park should have a skatepark or mountain biking trails or a combination of both. It should focus on those who actually participate in those sports and should include input from said individuals in their subsequent designs.
- Street hockey
- Use available funding for forest preservation and wetlands restoration instead.
- The land would best to leave in its current state for wildlife and current traffic problems.
- Concept 1 with indoor space to play sports when weather is bad would be amazing! Very unique for this area and a big need.
- Indoor field hockey
- Please ensure athletic fields who host fall athletic sports will have lights. Many times fields cannot be used in the fall because of no lights
- walking trails would be great
- Batting Cages next to baseball field.
- Consider a Public Pool
- Great initiative!
- NONE
- I love the idea of new sports courts. I hate the idea of ATV's.
- Put the park entrance/exit AT THE EXISTING LIGHT!!!!
- Any new areas with trails to run, walk and take dogs is great!
- PLEASE consider an indoor tennis court! We have no public indoor tennis courts in Anne Arundel County.
- Love this idea of turning the land into a park as long as it is maintained and traffic is accounted for. This area is kind of dangerous to drive through.
- A mix of hard surface sports that can be covered in winter and uncovered in summer.

- Indoor tennis
- no
- We have no tennis courts in Edgewater other than the high school, which can't be used during the school day. Having a tennis court would be awesome.
- A splash pad or something similar for small kids is missing in our area. I know a lot of parents who comment in the community page wishing we had something like this. There's not enough in our area for small children-toddler ages. We are losing it and n
- Indoor facility to accommodate lacrosse.
- Option 1 looks great and provides multigenerational activity support.
- Too much congestion in area already
- This will undoubtedly add to the traffic. If you must build a park, a skateboard park would be the best idea. There are not enough skate parks in the county.
- Would love Pball courts
- Most interested in indoor & outdoor tennis courts
- Entrance/exit too close to the light. I suggest exiting be right turn only as there will be many accidents. If not, I do not want anything there. Sell it and fix the drainage in front of the animal farm and put a left turn signal at Muddy Creek Rd east.
- Indoor tennis court
- Would love to see hiking trails & sports fields and courts
- Would LOVE a nice new dog park around here :)
- Sports fields are always a plus with all the sports organizations around us!!
- And nature trails for walking are always a hit for families, young adults, and elderly.
- Please leave as many trees/natural area as possible. I like the idea of the trails, but having it for ATVs would really limit the other ways it could be used (hiking, biking, etc). Also the noise may be disruptive.
- Fitness outdoor fitness equipment. Pullup bars.
- N/a
- Basketball,baseball,and soccer fields/courts would be great!
- None
- Anything but motorized activities
- Need more passive parks. Indoor facilities other than schools are really needed in the county.
- The more unaltered green space the better but flower gardens natuve plants are great! The pollinators and birds need them! Please consider less people and less noise. These spaces are all we have to get away from the "busy-ness" but yes indoor away fr
- Would love indoor activities for my kids to do!
- Definitely need more public playground areas
- We need an indoor tennis center in this county. We do not need an ATV course.
- Would like pickleball
- Love the idea of a park here!
- Having a new community park would be great if there are things everyone would enjoy. The skate park and a indoor recreation center are most appealing that way during cold weather youth and adults can enjoy the use of indoor courts and activities. Montgome

- Land south of 214 is supposed to remain protected. Not developed. Not destroying trees. This is just trying to make another money generating extortion of our land. The county will charge fees for the use of this property that should not be developed. Not
- We have enough field parks around a lot within 20 minutes of this , need different stuff definitely a dog park
- None
- Indoor sports arena would be amazing! Make it multi purpose so different sports can be played on the surface. Include indoor field hockey, volleyball, basketball, etc. check out the versatility of space at Spooky Nook in PA. So many of our county resi
- There are instances where noisier sports (ATV, STREET HOCKEY) are combined with more desirable alternatives. It also seems that too many sports are too close together. What are the local demographics? Who will use the park? Is this facility a sports f
- Less people would have interest in an atv park.
- .
- This would be a huge benefit for the people in this area to have outdoor/indoor facilities that aren't simply ball fields.
- A new skatepark would be great.
- Please keep this area natural
- N/a
- I think we have enough football and baseball fields around, between edgewater fields and the schools..
- It would be a good opportunity to add something unique.. Pavilions and Amphitheater for shows would add to the area in ways we currently have no availab
- Concept 1 has the most to offer, but is it all actually possible and manageable? Will there be a traffic light to moderate people accessing the park?
- Need tennis courts and nature trails. Do not need skate parks.
- INDOOR TENNIS 80%
- Indoor pickleball would be great. We don't have young children but the area could use a playground. Walkable/Bike trails.
- We have plenty of sports fields at HS, elementary schools, Riva Park. The adventure course would be fun for families and a beneficial addition to the community's needs.
- SKATEPARK!!!!
- nA
- Need more dedicated Pickleball courts in this area. Indoor & Outdoor
- Indoor sports facility needed in Edgewater
- Pickleball!
- Too much added traffic to rt214.
- Do something with the old Giant bld on rt 2 like an indoor ice rink or sports facility. Also the old Kmart is wasted space sitting empty. Don't build more. We need natural spaces like trails etc.
- Excited for something new
- Lax fields for club level tournaments
- Pickleball, indoor first, outdoor second is highest priority. Many local players with few affordable indoor sites nearby to Riva where I live.

- Indoor tennis needed
- PLEASE add tennis courts- the only indoor court requires membership and is not close (Sportfit Bowie in Bowie MD) and The brigade at the Naval Academy is only available for Navy and their guests.
- Even outdoor public tennis courts are limited. When public
- N/A
- Love a new park
- Indoor rec areas and batting cages would be huge for our area. Our children would really benefit from it.
- Pickleball both indoor and outdoor are needed in this area of Anne Arundel.
- Concept 1 and 3
- We desperately need designated pickleball courts as well as some tennis courts.
- A huge NO to Concept 2...The traffic congestion, noise and light pollution would be unbearable. We live in SRC in The Landings and would oppose this vigorously.
- Indoor facilities are desperately needed as is an ice rink. Develop a facility that can support itself financially via operational arrangements with youth sports programs rather than the county trying to program and operate it. Hire a consulting firm to
- Won't be used that much
- Provide a diverse offering for many ages. Pickleball is a high priority
- We need indoor tennis courts in Anne Arundel, please! I currently have to drive over 30 miles to PG County or DC to play in the cold season. PLEASE ~~do~~
- And please don't waste precious indoor space on pickleball - the fad is starting to wane and they a
- I would vote to leave it as-is, because our county needs undisturbed natural open space. However, if it does get developed, I sure as heck want a skatepark.
- There's a tremendous need for more volleyball courts in our county, both indoor and outdoor. In many cases, kids are turned away from playing simply because there's not enough gym space in this area to field more teams. Here's some quick numbers:
- -a
- We need affordable and accessible tennis courts in Davidsonville. There are no indoor tennis courts around here, and no convenient outdoor tennis courts either.
- Concept 1 seems to be the most versatile use of the space. Indoor courts would be well suited to students because of this park's proximity to the local schools. I imagine neighbors of this area would not appreciate the ATV trails. The sound carries! I hop
- I think the area needs some indoor facilities for winter time especially. Hope that includes open space for toddlers to run & play
- Indoor tennis
- Trails for equestrian or walking would be a nice change
- Would love to see pickle ball, tennis courts, basketball. BMX course would be amazing, a skatepark would be very nice for the community
- The neighborhood needs more tennis courts, which can be used as Pickle ball courts also.
- Pickleball courts please!!!! Indoor and outdoors

- Don't change the current state until you have a plan to accommodate the increased traffic on 214/Central Ave.
- Trying to put a park here in a very busy part of 214 in Edgewater after updating 3 parks already in Edgewater is just an awful idea
- Would love more trails even if just around sports fields or buildings.
- I'd prefer leaving the park wooded as-is. If you do move forward with plans for change, I'd prefer more adventure-type options while keeping as much natural green space as possible. Another consideration would be to include a community gym (similar to
- Thanks for the opportunity! I'll be waving across the street from the gas station
- Propose indoor and outdoor pickle ball courts with lights.
- We need indoor tennis
- Please don't remove the green space in this area. Why try to pack another park in there? Why cut down all those beautiful trees and displace more wild life? There are definitely better options! Just because the land is there does not mean it needs t
- Nothing
- Need to have a basketball court
- Please leave the forest alone! There is already so much development in the area. The road congestion from Pike Ridge to Central causes accident now due to the narrowing of 214 going south near Ace Hardware. Added fields will harm the environment and cau
- green space is best
- Really need pickle ball courts. Inside and outside
- Need more artificial turf fields for youth sports
- like concept #2 with indoor tennis and pickle ball courts and a track
- This stretch of Edgewater lacks basic public playgrounds outside of Riva Park - 1.5 miles from this location. If a water feature is added a timer-based splash pad would also be well utilized by the community to the limited access to public pools in the su
- Having mountain biking trails, similar to bacon ridge would be great. I similar quiet waters with a walking trail around the perimeter of the entire park would also be excellent.
- We've been looking for a good tennis court. Zip lining and archery are a cool idea. We have nothing like that in the area.
- Playground/tot lot is a must!!! Sand volleyball courts. Splash pad for kids.
- Please consider traffic when deciding. Edgewater has become very dense and traffic congestion is rapidly increasing. I would hope road / traffic management improvements would be made prior. Thank you, Kristina Govatos
- There is a significant lack of ice rinks in the area. Some teams are forced to share Ice Rinks for league ice hockey practice, and at odd times which conflicts with school times. Some rinks lose their ice over the summer months while others remain open
- We need more affordable and easily accesible in door facilities in AACO. There is a strong tennis community that has been asking to be heard and acknowledged. Please help support the tennis community and all the benefits, both physically and mentally th
- We need more fields!!
- Do absolutely NOTHING
- The idea of indoor facilities is exciting.

- Prefer open fields for various sports ,basketball courts and perhaps an indoor area .
- Thank you
- If the pictured 3 options are the only choices, I like option 3 with the addition of outdoor pickleball.
- I think a park is a great idea in that location. I would really like it to be family friendly, which would include playground areas and walking/bike path. A combination of Truxton and Quick Waters would be ideal.
- Important to have indoor/outdoor. Walking trails important as we have few here.
- Indoor/outdoor basketball would be great. It will be nice to see this land used
- More Pickleball please
- Looking for more indoor Pickleball, but the way it is set up, seems like a lot is going on around it.
- No need to develop open land.
- There just isn't enough playgrounds in AA co !!!! Big ones to accommodate all ages Howard/Montgomery have tons AA co has lots of little ones. Go BIG please I have lots of grandchildren and I've run a summer camp for K-5th graders for the past 25 yrs
- A walking trail around the athletic fields would be a nice addition to all the proposed sports field plans shown.
- Enough sports fields. Leave some nature please!
- Indoor sports facilities are lacking in this area
- We need more indoor tennis court options in AA county!
- Indoor area (for bad weather) in combination of outdoor fields - with ATV course
- Indoor tennis and pickleball
- This is amazing news! I love it.
- Need more indoor and outdoor tennis courts
- Additional active use parks in the area would be wonderful!
- Thanks!
- Love the adventure sports suggestion. A lot of kids ride dirt bikes in this area and don't have space. This would be great!
- Mainly want to see playgrounds, Pickleball courts, and nature trails
- Soccer fields and more soccer fields. Turf fields. We need to compete with Howard county beautiful Turf soccer fields like Troy Park. Make a Troy Park here.
- If decided to make indoors please provide enough parking. Or put in a crosswalk so people can park at the shopping center across the street and walk over
- the less development, the less concrete, etc, the better. We need to preserve natural space for wildlife for future generations to enjoy.
- For an indoor facility, charging a fee would hurt the community spirit. If it can be offered to residents for free, that would be ideal.
- It would be nice to have an area to do adventure sports. It seems like that is the hardest thing to find an area to do and to have one close would be really nice.
- N/a
- This should only be done if the exiting traffic from the park has a proper intersection. There is no way to make a left out the park onto central with out a traffic light or make it a right turn only!

- I worked for PG CO Parks for 35 years and the last thing that you want is an Outdoor Basketball Court.
- South County has a desperate need for additional spaces to support our large youth sports organizations. In addition, a skate park would be great for kids to utilize. We currently have to drive to Bowie.
- NO to ATVs. They're very loud.
- YES to trails and keeping trees.
- Yes to a swimming pool.
- (I was not aware there was even a park there so not sure about leaving it in its current state.)
- 2 indoor fields and 2 outdoor fields.
- Not a fan of killing off the current natural area. Minimal impact to the area is my choice
- Interesting playground equipment and trails for walking
- .
- There are no indoor tennis courts in this part of the county. That makes this an optimal location to draw tennis players from the Southern Part of the county.
- Love that Pickleball and we have no public facilities. Also think there should be spaces for group classes like yoga and Pilates. Could these be spaces that individual/ small business trainers could rent/ share at moderate prices? Not everyone wants t
- We need more activity options for children and older adults
- NAu
- This is a beautiful stretch of forest, and is surrounded by a large section of forest. This would be a great spot to add in amenities to help make exploring the forest more accessible while still enjoying the natural area. Maybe some trails, a bathroom fa
- More playgrounds meant for younger children/accessible and splash pads
- We want to leave the land undeveloped and natural, no park is needed or wanted here by Edgewater residents
- Will you only be able to access the park from Central Ave?
- Thank you for seeking community input on this. My young family of 6 and I live in south Davidsonville at least a 10 minute drive from all parks. It has been difficult for us to recreate. I am a runner and my children adore playgrounds, but it isn't always
- Pickleball courts, we need them!
- Please leave undeveloped
- None
- We do not need any more traffic in this area of Route 214.
- Along with where is the wildlife supposed to go. Too much development and we're going to ruin our local area and resources.
- No indoor space. Leave it natural!
- Would
- Love more green, nature, wooded walking trails.
- Would
- Love to see playgrounds be more dog friendly for people who have children and dogs.
- Would
- Love to see this space kept natural and green. Don't over construc

- Mixture of indoor and outdoor sports fields would be incredible.
- Youth athletics is a great option for this park.
- Should also consider a small playground with all the fields for all the younger siblings attending sporting events.
- Please move entrance down to the traffic light that is already there. Having the entrance before the traffic light will only contribute to the traffic probably we already have.
- Please just include a playground for little kids while their siblings are playing sports.
- We are one of the few counties without indoor tennis
- Courts. Please consider adding more of these in your plans
- Where else is there an ATV park? Awesome idea
- More natural
- We need indoor tennis courts in Anne Arundel County
- No more football fields we have plenty In local area within a mile of each other. I love the idea of indoor for hockey and ice skating and basketball because not many around our area and we have to travel further for those. If going to put something here
- This will add too much traffic at an already dangerous intersection and congested area.
- Thank you
- Makena soccer field
- Affordable indoor tennis facilities are definitely needed.
- no
- More fields needed in AACo
- This is a perfect location for nature trails.
- None
- Love the water feature concept
- walking / running trails
- The area needs a disc golf course. An ice rink would be nice also. There could be a great series of multi purpose trails in addition to the disc golf course that maintain the natural environment. There are plenty of sports field complexes locally.
- Would LOVE to see indoor sports facilities - there are simply not enough in this area! Inclement weather is often an issue. Thanks for the opportunity to comment.
- None
- Love the idea of a park there, Edgewater lacks a centralized green space
- Would love a sports complex for the kids
- This is a perfect site for indoor tennis. The only tennis courts in South County are in Galesville & Deale.
- Pickleball, Pickleball, Pickleball!
- x
- More equestrian-accessible trails!
- Indoor and outdoor tennis courts.
- Tennis
- I like all the options. Worry about the traffic flow

- ATVs are noisy, polluting and serve relatively few people. I personally want to see more pickleball availability in locations that are suitably apart from nearby housing. Glad to see more public parks and, ideally biking trails that connect parks and neig
- Ok?hjjjjjj
- A balanced nature and developed fields/court space would be beneficial to the community.
- N/a
- Love this idea. I support the park being used for outdoor natural areas
- indoor facilities PLEASE! that are accessible to south county. we have so few community resources relative to other areas of the county and we are in desperate need of sports outlets for the colder months. We also really need turf fields in south county,
- It would greatly benefit the community to have nature trails and playgrounds on the area for families to enjoy the outdoors
- Need ATV Trail
- Keep the natural forest as much as possible. Natural surface walking trails.
- We need more things like this for south county residents to have access to.
- I choose concept 1. Then concept 3.
- No more development with adequate traffic mitigation. County has done enough damage to Beverly Triton and Mayo. We don't need any more of that in Edgewater.
- Kids already come to Riva park on the walking trails with motorized vehicles even though they aren't supposed to and risk the safety of others. Unless Riva park plans on stepping up their park patrol safety to ensure the ATVS would only stay in the cours
- .
- We need options for families with young children! We would love to see a grouping with a great big playground, green space to run around, and a pavilion all together so that families can play together.
- I would also love to see the County add a splash pad
- This is an ideal spot for year round indoor recreation facilities. Nearby Beverly-Triton and other parks on the Mayo peninsula are better suited to staying more natural for outdoor enjoyment. There are few year round entertainment/recreation options in Ed
- Petting zoo or park area dedicated to smaller children
- Would love to see a nice dog park in the area. Not a mud pit like the one down Mayo.
- N/A
- Na
- Too much traffic and I can see major accidents happening turning on and off 214
- Do not put in a skate park. Dog park is a great idea. Put in walking trails as well.
- Walking/running trail as well as multi purpose fields would be a priority. Many people in the area have to drive to Davidsonville/quiet waters park to get a similar park experience. To have the opportunity to bring something similar to the Edgewater area
- I would love to see some gardens and outdoor activities
- It would be nice to have indoor tennis courts
- Here, I would most love access to a county-run gym. I think this park should complement the Riva Park since they're so near each other. Back when my kids were young, I noticed how hard it is to find spaces for team gatherings. I know the park wouldn't pro

- None
- Need trails. No more baseball/basketball/football fields. Maybe a community pool
- Indoor tennis
- Indoor facilities with basketball, volleyball, anything where the kids and or community can go in the winter, or when weather doesn't make it possible to do outside, this community has been begging for an indoor facility for years
- Please a skatepark!
- Currently our county does not have a single affordable option for indoor tennis while other court sports like basketball and pickleball have many options including the private sector.
- None
- Indoor tennis courts
- Skatepark!!
- Add more baseball fields, especially 90' field with lights. There are far too few 90' baseball fields in southern AA County.
- It would be cool if somehow the road could be tied to the traffic light so we don't have accidents with people trying to leave the park turning left. That area is kind of a traffic mess, what with people stopping short to go to ace or pull around people
- Pickleball and Disc Golf are the two fastest growing sports and all county planning should reflect that fact. These two in combination with traditional golf are the ONLY sports that are growing in youth participants. Courts and courses and natural green
- Indoor field hockey please!!!!
- Please build as many pickleball courts as possible.
- Anne Arundel county really lacks in the Skate Park department. Look at Baltimore county, look at DC, Aberdeen etc. So many parks have been built and updated in other counties while Anne Arundel has lacked to show support to the skate community every time
- We need more indoor tennis court facilities.
- Lack of Indoor facilities limit the number of children that can participate in activities. In addition, we have to travel to other counties for quality fields.
- I'd love to see something a bit different to add to the area!
- We would love a multi use park in this area with a bigger playground and updated sports fields. It would be nice to have a splash pad in the county as well! We visited Ann Arbor Michigan over the summer and it was amazing how many parks with water feature
- I made a mistake on my last survey. I want "NO" for leave park in current state! We need more indoor tennis courts!!
- Definitely no ATVs. Trails and outdoor sports best.
- Nature trails, indoor out door pickleball and tennis, a track and mixed use area. Dog park
- Add as many sport courts as possible for basketball (indoor), flag football, lacrosse, field hockey, soccer. It is very frustrating to play county sports for 8-10 yrs old and need to drive 20+ miles for games. (I would imagine for some families, the trans
- I'm all for using the land for some type of recreation area however the proposed exit/entrance on Central Ave across from the Safeway shopping center is not ideal. The traffic at the nearby intersection is already dangerous and adding another facility w
- It would be great to have indoor tennis courts.

- We already have a lot of trails in the area. I don't think another is necessary.
- Maintain as much mature forest as possible.
- None.
- Fg
- maximize baseball and softball fields
- A walking path on anything that is decided would be awesome.
- natural areas would be great for the area!
- My only concern is traffic. If this happens, I hope a traffic light is incorporated. That road is a nightmare as it is.
- THIS WOULD BE A GREAT ADDITION TO THE COMMUNITY
- None
- This would be a great asset
- Anne Arundel county does not have enough forest trails. The county is getting built up terribly, I feel as much green space should be saved as is possible.
- Multi purpose fields are very useful and would be enjoyed by the people of Edgewater
- Indoor tennis please!
- I like the Adventure Sports ideas listed, except for the ATV course. People without ATVs could not use it; it would also contribute to noise and air pollution.
- This is so exciting!!!! I think adding a new park to the Edgewater area is an absolutely excellent idea. I think it is a great way to build more community. I know some are concerned about the traffic, but I think given the scale it isn't something I'd b
- Would love for a pool . We live in the southern part of the country and th me closest public pool is 45 mins.
- Would love a close place to bring my kids for sports and a playground!
- There are currently very limited options for County Pickle Ball in this area. There are I believe only 2 indoor County Pickle Ball courts in this area. The demand is huge, and only growing.
- Most of if not all fields in AA County are by permit only. I think you show allow some fields in the county at be free and open for public use. I understand you don't want conflicts with field usage, but it has come to the point where I cannot take one
- No other comments or recommendations.
- Not sure why we can't just update the areas where building are already failing (ie kmart, giant) into indoor sports complex, but this area needs indoor sports facilities !!
- none
- Family
- Nature trials please! No indoor sports - we already have that on Spa Rd
- We need more softball fields in the area. We night now we have one lighted field at Edgewater park and one at Riva park. Baseball has multiple fields at multiple parks.
- Nothing
- If the land MUST be developed, not left as undisturbed land, then Concept 2 appears to have the least environmental impact/least impervious surface of the three concepts. If just down Central Avenue, ball fields are still proposed at the waste water plan
- thanks for requesting our input
- Indoor fields facilities are needed

- N/A
- ..
- Indoor courts would be great for winter time!
- Playground with jungle gym and community garden.
- It would be great to have a park with lots of open/green space (gardens, trails, wildlife habitat, some benches and areas accessible to anyone with physical limitations, etc). Note: the above does not allow to bypass "leave park in current state" and I on
- SKATE PARKS ARE NOT GOING TO HELP PROPERTY VALUE. I HAVE LIVED NEAR ONE AND NOTHING GOOD WILL HAPPEN THERE.
- N/A
- Fix roads and add lights in that area first very dangerous this will just make it worse
- I'm worried about the traffic as this area is already congested.
- There is no need for a park in that area. Riva park is near by. The schools are near for sports . The entrance /exit would make traffic on an already busy street worse . Leave the wooded area wooded- there isn't much left !
- Playground is essential! Good way to occupy siblings during games.
- None
- Bringing something more unique like hockey,bmx, skatepark etc..would be nice. Plus it doesn't bring huge amounts of traffic that court sports bring. Having a walking trail in addition would help bring people and recognition.
- Consider moving Cat south and/or central special to new facilities here to free up room for overcrowded SRHS campus. Coordinate improvements at Riva, Central Ave and Mayo WWTP Park. Community needs are indoor community Rec center, basketball and volleyb
- While I love the idea of a nature trip, place to walk and exercise, we TRULY do can not absorb more traffic in this area. Please do not make this a recreational facility location. Please keep it with the least impact to current natural state.
- N/A
- If approved what is the timeline
- I feel it's the most important task of County officials to maintain natural lands for our wildlife and for the health of our environment. Private properties are aloud to overdevelop, so we really need our leaders to protect vast amounts of natural land ar
- A park sounds nice, but the County would just over develop it and traffic in that area is already bad. Further, at some point Branch Electric will be there adding to the traffic
- Indoor tennis courts
- Only concern would be affect of park on current businesses as well as traffic congestion Love that another park is being considered in n this area!
- I would love a pool, either indoor or outdoor.
- Primarily for traffic purposes. The increase in traffic volume n addition to the precarious traffic situation of cars turning into Ace Hardware and other businesses would be unfavorable at best.
- This would be a great addition to the area with minimal disruption to existing infrastructure. I like the idea of indoor sports opportunities, but worry about the environmental impact.
- Would love an indoor track
- The county needs indoor tennis courts, great concept 1

- I'd oppose using this space for ATVs. The area needs more playground facilities for young kids.
- Indoor tennis courts.
- Anything to do to ease the accessibility of sport fields in this area, especially for girls sports. Available fields, especially turf, are only at the high school and local youth are relegated to practices ending at 830pm or later.
- Indoor athletic facilities are lacking for county residents. This would be a huge positive addition.
- We need a playground! For 5-10 year olds as part of this plan. As older siblings play sports, younger kids and parents can be occupied on the playground.
- We need softball facilities
- non
- Dedicated Pickleball courts with permanent nets
- Concept 1 and 3. Need a playground with high slides and lots of swings. Hanging from a tree or something strong. The flat kind, not standard. Older kids like playgrounds too, but need bigger and more exciting.
- nothing to add
- The southern portion of the county gets overlooked often for more green activities. Not all of us that live here desire sports fields.
- *
- Too much traffic and accidents in that area already
- Na
- N/A
- It would be great to have more indoor sport facilities in Southern AACo like basketball, indoor lacrosse, indoor soccer, etc.
- There seems to be a lot of vacant space in So County to do this.....what about the old KMart in Edgewater or the current Hallo
- No additional comments
- Please include outdoor children's park
- Concept 1!
- We need more natural land and trees for our wildlife.
- I really like concept 2 and would definitely take advantage of the facilities. Sports fields at that location would make traffic in this area really challenging.
- N/a
- outdoor pickleball courts
- Swimming pools
- Leave the woods.
- No more dog parks please!!
- I'm a frequent park user; often visit South River Farms Park, Davidsonville Park, ect.
- Hiking, zip line, cool playgrounds, and zip lines are my priorities.
- Don't underestimate the power of cool/unique playgrounds I have two young children and we sometim
- N/a

- Unless adequate traffic control is taken into consideration, an entrance/exit on Central Avenue will be a problem for everyone, especially area residents. The intersection and surrounding area at Central Avenue and Pike Ridge Road is dangerous as it curre
- Can use work
- Would love to see community sport and athletic facilities with walking/jogging trails interspersed.
- Plan for traffic please.
- So excited about any of these projects!
- Ice rink
- Indoor lacrosse facility please!!!
- If the entrance will be on 214, it cause traffic problems.
- I skate board and help with our local skate park which is home built by locals. And play disc golf. I know disc golf pros that could help design.
- None
- Indoor facilities for use would be good in that area. No more dog parks.
- Paved walking trails. Please!
- How about some outdoor Pickleball courts as well? And maybe some bike/walking trails?
- Indoor facilities will NEVER be funded to the level needed so i think they are unrealistic.
- Would love to have a rock climbing wall available to county residents!
- Pickle ball
- Basketball
- Its important for the teens and pre teens to have a park to ride their dirt bikes, ATV etc. Keep them off the streets. These sports are very very popular now and skateboarding. Not everyone plays soccer or baseball. Lets give the other kids some recre
- I didn't know there was a park here. Perhaps signage is in order?
- In Edgewater, the former Kmart has sat empty for several years. I would propose that this building be bought/long term rental for the indoor activities. I don't think the county should build new buildings that will cause stormwater runoff issues and oth
- Would like a place where the seniors/adults could play pickleball indoors and not have to worry about losing the courts when the children are out of school. The only indoor courts are at Pip Moyer and they are never available to us. Also, would like it to
- N/A
- Na
- Why no softball field??? We need more softball fields!! Riva has 2 baseball and 1 softball. Edgewater has only 1 softball and I believe 3 baseball.
- Edgewater is in need for better sport facilities. We have an excellent youth sports program which is hindered by the lack of proper fields and practice area and courts.
- The kids of Edgewater need an indoor space for cold weather to stay active. I would love to see an indoor basketball, soccer field, and all-purpose athletic field.
- Anne Arundel County really needs a real ,concrete skatepark
- Need more affordable indoor tennis courts
- Natural + minimal indoor sports like tennis, basketball etc.
- We need affordable INDOOR tennis facilities.

- Indoor ice skating would be a great option!!!
- Natural or nature oriented preferred
- Please include a dog park with a nature trail!
- Na
- Skate park!!!!
- None.
- Indoor space and trails would be great
- We're losing natural areas at an astonishing rate. Let's cut out some of the courts, ball fields, etc at some of these public lands.
- This site has SO much potential to have an amenity for all ages.
- I helped to plan the new Sparrows Point Park in Baltimore County and would be happy to help with this one as well (as a citizen advisor.) My contact info is below.
- The greatest and best use is to leave as many trees as possible.
- It would be nice to leave some trees for wildlife to live in. Not EVERYTHING has to be some sort of entertainment for children. I'm tired of all the damn parks that do nothing but draw in more damn traffic enough already!!!
- Indoor fields are a must for this area!
- We need affordable INDOOR tennis courts. Please adopt scenario #2
- xxx
- As long as the traffic patterns around this park are considered.
- Ok with changes as long as the traffic and road issues are addressed. The intersection at Pike Ridge Road is very dangerous and there are multiple accidents.
- We need an indoor facility. It is cold here for 6 months and I have to drive my kids to Arnold to go to the YMCA so we can play basketball, tennis, racquetball, and pickleball. We need this in Edgewater. thank you.
- If this goes through, this area I live NEXT too can't handle the traffic already. For the love of God, please have roadways/infrastructure BEFORE you plan this stupid thing. Not 10 years later like all of AACo bright ideas. We need more indoor and various
- Concept 1 looks amazing! Possible to add a walking path around concept 1?
- Family activities along with pickleball courts
- None
- Millennials with kids.
- Can't this be a mixture of spaces? can't there be nature trails and an indoor area/court and a skateboarding area?
- Course sports doesn't fulfill needs for as many people as athletic fields or indoor sports does but we don't have any course sports
- We need affordable indoor tennis facilities.
- Why doesn't annapolis do things right and follow the rules? Traffic studies should be done and would show this entrance must be at a stoplight. It should be natural trails with a dog park, at course. No one needs another skate park no one uses made of con
- Dog park would be great
- N/a
- Love the atv park idea

- Desperately need more in south county area
- Indoor football and track and field for elementary to high schools age kids is in a high demand now and no where local to participate- having to go to Baltimore. That arena would bring in commerce and expand activities for the youth! Hunting courses would
- Add bowling!
- Edgewater/Mayo does not need more traffic!! Quit putting citizens safety at risk so you can get a kickback!!!
- We need affordable INDOOR tennis and/or pickleball facilities please!
- Only develop this if there is a need!
- Skatepark
- Please do not continue to clear forest in this county! This is ridiculous. Anne Arundel County is losing forest faster than any other county in the state of Maryland! The county should be placing protective easements on this land! Plus this is FIDS habita
- Surveillance cameras for outdoor facilities. Some local parks (Edgewater Park) deals with vandalism occasionally.
- More baseball fields and/or indoor baseball/softball practice facilities.
- Another park isn't a terrible idea, but please leave it natural. Unlessâ€¦ and in all seriousness, why can't we have a pool facilityâ€”indoor for year-round use but with outdoor pools for summer? The Arundel Olympic Swim Center is wonderful but it's
- Mini golf?
- The county needs indoor tennis courts
- I have some other recommendations not on any of the concepts. Air hockey tables, Foosball tables, like soccer or football. Indoor or outdoor put put golf. Trampolines for indoor. Perhaps a VR station and switch or Xbox. Basically where friends can hang ou
- Least amount of build
- Please consider a community pool.
- Good idea
- Thanks for doing this!
- A park! With BmX skate park would be amazing
- Mini Golf, Batting Cages, multiple dog parks, trails,
- Love all the concepts!
- walking trail, Pickle ball and Volleyball!!!!!!
- None
- Natural areas are first desire.
- too much additional traffic for 214 and Rt 2 to handle
- I feel like the community would benefit from a mix of each of these; pickleball/hockey courts; some sort of indoor multi-use facility; a updated playground (thinking spine thing like kinder farm, not whatever you would all the playground at Beverly/triton
- I think this area is in need of additional indoor athletic spaces and additional field court spaces. For this reason, I think Concept 1 is the best fit for needs that are not currently met in this community.
- Definitely consider adding a splash pad. We moved from an area that had them at almost every park and can't believe that there are none in our town. Indoor fields/courts would be great too.

- NA
- Traffic will be deadly without a traffic light on 214!!!
- Indoor and outdoor tennis courts, please
- Natural settings & outdoor pickle ball courts are the best!
- Dog parks are never good for the community.
- N/a
- Yes
- I don't think that's a good area for a park right behind Ace Hardware
- We need indoor running areas surrounded by nature trails/dog trails.
- We need more parks
- Indoor fields
- No to dog park
- We need an indoor tennis court
- No consideration is being made in any proposals for young children. Where are the playgrounds or splash pad areas in the plans? There aren't enough parks in this area with playground and water play options for toddlers and young children. That should ab
- Ice rink
- A multi purpose area is a great idea. I worry about the security of basketball courts, tennis courts etc at night in such a location. That area is pretty desolate after dark.
- AA County really needs an indoor tennis facility.
- Love the 1st proposal! We need indoor sports facilities in our area! Tired of having to travel to Columbia!
- I prefer running or hiking paths. while it might be great for trail riding, I don't envision anyone willing to trailer into the area. It would also be great for the court sports.
- Please for the love of god, put in a disc golf course
- Love the idea of a park. Perfect. Prefer the indoor and outdoor combined pkan
- We need INDOOR tennis facilities here!
- I would want more information as to how close the facilities will be to the existing golf course which it will be adjacent. Also what is the proposal to change the traffic patterns at the intersections near the park.
- The last question is to leave the "pa
- If this area of land is developed, it should be for something that will not draw a hundred plus cars there, like indoor sports. The intersection at 214 and pike ridge is already dangerous enough, but to add people turning out from this park on 214 West wo
- If this is going to be developed, then the traffic pattern on 214 must also be updated to include a left turn into the park area from 214 W.
- More walking trails
- no comments
- None
- I would hope there would be significant changes to the nearby intersection at Central Avenue and Pike Ridge Road. In addition to the intersection, I feel the entrance/exit to the Ace Hardware would also need to be evaluated. That area tends to be very d
- would love to see this!

- Pool indoor
- Field hockey/tennis
- We need indoor courts for tennis and pickleball.
- Southern Anne Arundel Co desperately needs turf fields for our kids to play/practice. As someone who lives in South Co I would rather have practice in Edgewater at 5:30/6pm than have it Southern and not be able to start until 7:30/8pm with elementary aged
- Please consider adding a NICE playground for items for kids of all ages to play with. There are no nice playgrounds in the county in this area. We have to go to Dunkirk District Park or Watkins Glen for parks like this. It would be nice to have one of the
- County Community pool
- South county needs more sport fields. There arent enough softball fields to go around so we can't grow the program and we don't have enough fields for all teams to have adequate practice time. We have girls that leave SRYA for other programs because w
- Indoor is needed.
- Excited to have a new park
- Would love to see an indoor facility that was multi-sport. Including softball and field hockey.
- We don't need it fix the roads
- This section of rd is heavily traveled. County had to block left turns into Safeway b/c of high # of accidents. You will need to prohibit left turns out of park to prevent accidents. All proposals put the entrance past the traffic light. This creates a t
- None
- Turn the old Giant into an indoor facility.
- no park, leave undisturbed as a forest please!!
- This is already a busy high traffic area. Smaller amenities that preserve the natural areas is preferred.
- This area, especially where the entrance will be, is already too crowded!
- Paved walking trails for strollers
- Indoor tennis courts are much needed. There are no public indoor tennis facilities in AA County.
- We desperately need affordable indoor tennis court facilities within AAC. Please make this happen!
- Thoughts need to be given to 214 infrastructure. The intersections of Pike Ridge and 214 is already hazardous and increased high volume traffic squeezed into start/stop times of events will exacerbate the problem. Specifically a median should be put on 21
- Didn't even realize this is a park. How would one even access it?!
- Why?
- Any thoughts on community garden sites?
- If you change it make sure the roads can handle the entrance and exit to the park and prevent accidents.
- We desperately need more indoor courts for tennis!!!
- Na
- None

- We desperately need more ice rinks in the area and we have ZERO street hockey options for those on rollerblades in Maryland anywhere in Anne Arundel County that we have been able to find. Area ice hockey programs are always struggling to find ice time and
- It would be wonderful to see space for a community garden! Walking and biking trails, not ATV.
- This would benefit the area's youth rec programs significantly. This will trickle into the HS program and provide better prepared athletes. South River has always been competitive within their sports but with the loss of Crofton students, we need to rebuild
- Prefer concept 1
- Traffic will be a mess
- Would love to have a big playground for kids and nature trails like Quiet Waters.
- Please add a disc golf course
- As much natural space as possible.
- Disc Golf would be great!
- If you are going to develop two parks in this general area, I think they should offer different activities (one has a lot of ball fields, the other has the indoor ice rink, etc.) I object to ATV courses and skateboarding because of the noise accompanying
- Pitman is a fool
- A mix of trails, playing fields and an indoor facility would be most beneficial
- None
- I would love to see a bike track like Severn-Danza park. A splash pad playground combo would also be amazing. I often travel to Bowie to play at their amazing imagination playgrounds. Wish we had more playgrounds like that! If it can't be something like
- Splash pad, playground
- None
- pickle ball courts are a great idea
- If we keep bulldozing all the trees away, how is everyone going to breathe? Trees make oxygen.
- We need indoor and outdoor lit tennis courts!
- We need indoor tennis courts badly, our county tennis association has over 3000 members, which doesn't include all the kids that play, yet tennis only has one indoor option in the county, at the Navy Brigade which requires military personnel on the court
- Traffic at that proposed entry point will be terrible
- It would be great to have tennis courts
- ATV paths would be awesome!
- Indoor tennis please! I would love to play year round.
- That area is crowded enough.
- More nature/walking trails! This would be so fabulous And I would visit often!
- More soccer/baseball/multi-purpose use fields would be amazing for the number of youth athletes that are in this area.
- We have plenty of baseball hockey soccer fields we do not have plenty of pickle ball courts you have posted for courts it would be nice to have 6 to 10. pickleball is for all ages. you should check out Stevenson, Ville and Kent Island. They have 10 outdoor
- Indoor areas are the highest priority. Needed for local sports.

- Propose an entrance at the stoplight via the park lot next to the vet, increase the parking for option 1, option 1 is great but we don't need more baseball fields. The indoor is a must, I'd suggest changing the baseball into two outdoor pickleball/ten
- None
- This property is covered by forests and should be preserved as such. Infrastructure should be located on existing, cleared land instead.
- This is an unincorporated area of our county right now, and I think, leaving it to more natural types of activities would be best in preserving the beauty of the land as well as opening areas for people to enjoy nature in their sporting and adventure acti
- Keep that pickleball crap out of this park.
- We would like to see a supervised i.e. patrolled, tastefully done park geared to small children. We'd welcome a heavy concentration of walkways and gardens throughout. We assume that traffic studies will be done to ensure as little impact to vehicular f
- Indoor sports for sure!
- Consider converting little used basketball courts at Riva Park into outdoor tennis courts.
- I would love to see an indoor pool built somewhere. We only have 2 in this county and they are often used for swim teams. Very difficult for those of us who want to swim for exercise; we have no options available to us unless we take off work. We do no
- Would be great to have a place where kids can play lots of different activities (playground, turf fields, courts-pickleball) and families could spend a good quality of time outdoors.
- None
- Would love to see something come to the area for family's!
- Better make it easier to access 214 of its going be across from the Safeway
- No ATV
- Concerned about the traffic flow/entrance to proposed park. Would love to see some sort of light or traffic circle here to avoid accidents. Turning into/out of Ace Hardware and Animal Hospital is already scary.
- Please give the tennis community some indoor options! Our neighboring counties have 12 public indoor facilities. We have none. Residents travel to other counties for tennis programs and court time. Neither Chartwell County Club nor the Naval Academy cour
- let's leave this 100% forested parcel intact! Or if we must - minimal development. For large sports fields and such the WRF site a few miles down the road has lots of open land previously proposed by DRP for active recreation. Please see my additional att
- Mostly Interested in playground space and sports facilities. We have 3 young kids and love to be active
- We need more tennis courts. There are no public indoor tennis courts in AA county. Even just more outdoor tennis courts would be helpful. Pickleball is taking over the available tennis courts. These need to be tennis only courts.
- I was surprised to see so many indoor facilities in Concept 1. I was more surprised to be in favor of them after considering all 3 options. I think indoor facilities would be a great alternative for winter and in climate days.
- I question the need for an

- A spa that can be utilized by families and adults offering indoor and outdoor pools and various saunas. Different temperatures, traditional saunas, steam saunas, infrared etc. a wellness spa as they are offered throughout Europe. An example is the Korean
- Walking trails for the community to use would be great.
- We need more turf fields in south county!
- A gym and indoor tennis center would be great for this area. Concept 1 seems to focus on the indoor space.. I'd rather see 2 multi purpose fields than the baseball field. I'm glad to see a development plan for this space.
- I don't think we need any other park, leave it natural as protected land for the animals. Access to Saunders Piont has already been fucked to hell. But if you must fuck up another area, make it something the local sports can use and have to sign out tim
- I live in Harwood. There is nowhere close where I can go walk my dog and get some exercise. A trail surrounding any facilities you develop would be appreciated! I frequently go to PG county, where I can access park space more quickly than AA County (Patux
- N/a
- Indoor Pickleball courts
- Please add indoor tennis courts and outdoor tennis courts with lights. We need indoor tennis courts, so tennis players can continue to practice during winter months and rainy days. High school tennis teams have no place to practice during winter and spr
- Leave area undeveloped. There are schools with fields nearby.
- Ww lack dog parks and ziplines in the area
- More indoor recreational options are important for bad weather or air quality days. At present, my family and I go to the mall on those days and we would like more options.
- No comment
- More opportunities for people to be outside and active
- So many people in south county have atv bit no place to legally ride them. This is awesome
- Anne Arundel County needs an indoor tennis facility as there are none in the County.
- Adequate parking and restroom facilities would be much appreciated!
- Indoor tennis/pickleball court so needed!!
- N/A
- I would prefer a combination of a nature trail as well as some sports courts (Pickleball/tennis)
- Pickleball
- Indoor Tennis / Outdoor TENNIS!!!
- Please figure out a way to work out the intersection at Central Avenue. A no left median out of the park might be necessary. Thsnkd
- Exciting
- Affordable indoor tennis facilities are greatest need
- The county needs tennis facilities, including indoor. There are no public indoor facilities in the county, leaving residents to go elsewhere to play in the winter. While sports fields, etc for kids are important, adults have few options or programs.
- Please consider 2 designated pickleball courts with fencing and permanent nets.
- Thank you!
- None

- I like the idea of Community Facilities, Adventure Sports, and Natural Areas. I do not like ATV courses. It will leave the rest of the community nervous about going to the park because of their kids safety. ATVs can also be very loud. Additionally we need
- I raised my kids here and now my grandson lives here as well. They need indoor space to stay active in the colder and wetter months. This would be a great space to hold county athletic compels well.
- We recommend the Edgewater park includes two features: (1) a walking trail that is connected to sidewalks and other trails in Edgewater and a (2) creatively designed destination playground. ***For creative playground ideas, consider <https://upcparks.com/>.
- The proposed park is a great idea I am totally against ATV and equestrian sports. Would like to see an outdoor running track, a baseball field, playground, walking trails and maybe a pickle ball course. Keep it natural, as much a can be. Seems you are t
- Look at Centennial Park in Ellicott City, we should have something like that here in Edgewater
- I would love a playground!
- Traffic is an issue throughout the area. This development would only add to it. We would be in favor if the property is developed in a natural way with trails, gardens etc.
- Something for family- most children have school gyms
- Tennis courts
- You couldn't have picked a more dangerous location to access the proposed park. Even the shopping center across the street had to modify the Central Avenue entrance to prevent left turns. There are already too many entrances from Central Avenue to the e
- Traffic control?
- Indoor activities are most desirable to monitor ant outdoor vagrancy and destruction. Do not want to heat atvs . We have enough noise from route 2 and central avenue
- Plan #2 with some extras
- Dog park would be my choice!
- Indoor basketball, tennis, etc is needed.
- SoCo Rec center is too small and OLD.
- Why isn't there a Ym/wCA in the area?
- Edgewater currently has no parks or playgrounds. Please bring a park to the Central Ave location!!!
- We need tennis courts
- Na
- There is already a park with basketball baseball and soccer field within a 5 minute drive. Waste of tax dollars to put the exact same thing in again. No imagination. Everywhere you go woods are getting torn down for the same thing over and over again. Sad
- None
- The influx of traffic is concerning to me
- Tennis
- The county is lacking indoor tennis courts, Nov-April. The USNA Brigade facility provides tennis to an exclusive group and charges the public a very high rate to play. The tennis bubble at Watkins Glen is a long drive for many Annapolis/Arnold players.

- If something like this must be done, please make it the least amount of damage to nature as possible. I think that if fields and sports complexes are built, the traffic and negative impact to the surrounding community will be quite awful.
- Hoping for affordable indoor tennis courts in the area.
- None
- Would be great to have sports fields nearby.
- Indoor sports areas for winter activities
- Indoor options for athletic field sports would be nice for bad weather days
- I'm under the impression that if you provide areas for sanctioned ATV use, you'll have less issues on properties where they aren't permitted.
- Would love to see more adventure spor
- Thank you
- Competition Pool/Aquatics facility
- Ensure entrance is by light so limits accidents on Rt 214. Do the studies don't just jump and initiate.
- Sport courts would be a great addition as well as indoor facilities.
- None
- A water park play ground
- Indoor sports fields and courts are much needed in this area and of course have the advantage of year-round use. Concept 1 would be an amazing and much welcomed park!
- Tennis Courts please
- More pickleball
- Bmx, skate park, splash pad.
- My 4 year old races bmx at Severn Danza park on sundays. 3 days a week there are kids 2-18 doing very productive and healthy sports there. They come from all parts of the state for this. Build a bmx track for the kids to pra
- More for little kids!! A public park with jungle gym or splash pad
- I don't think anyone wants the noise or disruption of massive development of our county parks
- The access amd egress for this is unacceptable not to mention this green space should remain in its natural state. The impact on the environment and traffic doesn't warrant this forced kind of development.
- Pickleball courts in Edgewater!
- Indoor tennis courts!!
- I don't think we should have more athletic fields. We have them right down the road plus we need more non team courses in the area
- Outdoor Nature
- Trails, gardens get lots of use and cost/alter little. A court or two could be popular as well
- Public Disc golf in the area would be great. I have to travel a ways to get to a course and this would help drastically. However if Disc Golf isnt viable or highly sought after Concept 1 is my favorite.
- We desperately need some indoor sports facilities in this area. There also is a need for at trails. There's a lot of riders with limited trails in the area.
- No park. Leave the woods be. Too much industry growing

- I would welcome walking trails, ice skating rink, pickleball, activities that are not a abundance of in ANNE ARUNDEL COUNTY.
- Like sports field but needs walking path around perimeter
- Looking at these plans, there isn't a safe exit to make a left turn out of this park onto central avenue and will cause more traffic delays and accidents of which we have plenty in that area already. If anything changes it should be a nature park with a r
- Rock climbing!
- None
- Tennis courts would be ideal since there are none on the peninsula or anywhere this side of Annapolis except South River High School
- Please do not put pickleball courts next to tennis courts or anywhere close!!! The 2 sports are incompatible. Pickleball players are very noisy & their behavior drives tennis players away. Many pickleball players feel entitled o do as they please&d are
- Fun activities to keep kids busy and safe. A play to exercise and play baseball. Basketball courts, tennis courts, safe trails for kids to bike and walk.
- N/a
- Most desired - playground, trails, dog park, rock climbing wall, tennis courts.
- none
- Indoor basketball is very important to success of park. Very few exists in area.
- My Name is Tom Parlett Sr. I reside at 3336 Solomons Isl Rd. Along with my brother Don Parlett Sr. resides at 3340 Solomons Isl Rd. Our properties are adjacent to the proposed Central Ave park. We look forward to the park coming to the area and we have ce
- We need affordable indoor tennis courts!
- N/a
- Dont do anything, thid could cause more traffic and accidents
- It would be nice to see a splash pad for kids.
- I think there is enough athletic field space. Would be nice to have something different around.
- Love concept 1! Would be great to have indoor (or outdoor) pickleball, indoor soccer and a new multipurpose (hopefully turf?) field!
- None
- Area definitely needs indoor rec center. We have outdoor parks but right now everything indoors in completely depended on school gyms.
- Indoor/outdoor pickleball courts
- we need an indoor recreation center in this area. this would be such an asset to the community. we have many of the other types of fields already.
- I'd like to make sure traffic is considered getting in and out
- Concept 1 would serve a much needed population in Edgewater
- Would love things for kids
- N/a
- give us the park!!!
- Concept #3 looks amazing!
- no to this development until we correct the congestion
- Playground

- No indoor sports needed ; bathrooms available
- Traffic on this road is already INSANE with the school. Please figure that out. Peninsula living is less desirable when it takes 40+ minutes to get through there when school is out or has an event. Please please please don't do this with an exit on cent
- An ATV trail is very desirable in the county. there aren't any public access ATV trails within a reasonable distance to travel in AA County. It would be a great asset and benefit for many to utilize and enjoy the trail and have a nice place to ride.
- I currently rock climb at a gym in Columbia called Movement gym and it is absolutely packed during the week. I think a rock climbing gym in Edgewater would be a fantastic idea and draw a lot of attraction. I would be absolutely thrilled to see a climbing
- You're going to upset people no matter what you decide so just go with the most cost effective plan that provides the most value for the local community.
- Long overdue
- Dog parks and trails
- too much traffic with development
- We need indoor tennis courts!
- Absolutely not ATVs--no pollution-generating, no noise-generating devices that are likely to cause injuries and then non-insured people will clog up the hospital for those of us who might need medical treatment for illnesses or accidents that could not be
- Having an indoor facility for sports like basketball, Futsal, and street hockey courts would be a nice usage of that space. I know court time for basketball and Futsal are very limited in recent years for youth.
- None
- Leave as is- too much development more traffic is not a good thing.
- We need more natural areas in this location! Please don't pave over it with courts, buildings, and parking lots. I'd much rather walking trails, small playgrounds and picnic areas. If you must develop it beyond natural areas, I would like to see someth
- Edgewater already has multiple parks, and multiple fields. Don't waste our tax dollars.
- Indoor turf is necessary
- Not a resident of AA county but frequently combine recreational visits with shopping and dining.
- A really high quality playground that's actually a draw and unique amenities that make Edgewater a destination are needed more than sports fields. In Pittsburgh I saw work out equipment that faced a playground. Fix the drainage issues at Edgewater Park
- There is a glaring and desperate need for indoor tennis courts in the county.
- Leave it alone. The animals have no where to go as it. Traffic is already horrendous. We do not need more traffic. The county is building too much in our area. Enough!!
- We simple can NOT keep taking our natural areas and developing them. Leave them alone! Or, at most, put in a nature trail. Please note that the schools close by on Central Avenue on the eastern side of Rt 2 already have fields to accommodate sport activ
- none
- We need INDOOR tennis facilities here! I love to play and enjoy the community park however during the 4 months of the year when often it's too cold to play - and I can't afford to join a private club - I would love to still have my activity of choice (Ten

- A splash pad would be amazing as well! We have so many young children here
- build a skatepark
- We need an indoor court for tennis and pickleball!
- This would be a HUGE plus for our community!!!!
- Anne Arundel County needs more tennis and pickleball courts. These should be separate courts. Tennis and pickleball are different sports with different size surfaces. Tennis requires more space and it is dangerous when it is played next to a smaller pickl
- N/a
- We really don't need anymore developments, as it creates chaos, especially with traffic, and overall harms the environment.
- Na
- Indoor Field Hockey and LaCrosse fields
- I like concept 1 the most of the 3 here. More ball fields and courts for kids to play is always wonderful. Love the idea of an area with adventure sports- I can't think of anything like that around here.
- N/A
- An ice rink is needed in the area
- Pickleball courts would be awesome!!
- Youth athletics are in desperate need of outdoor and indoor facilities. We have plenty of pickleball options.
- Indoor pool or indoor tennis courts would be amazing
- I prefer Concept 1. None of them show any kind of walking path which would be nice.
- No
- Looking forward to fields and parks
- We need more affordable options for indoor tennis where you do not need to be military affiliate.
- Splash pad
- Hiking/equestrian use trails please!!!
- None
- Great idea. Multi-purpose fields and walking/hiking trails would provide the most utility, in my opinion.
- Outdoor and indoor basketball, soccer and outdoor baseball would be great!
- Not enough parking shown in any of the concepts.
- We don't want to see the nice natural and green environment disappear for more traffic, pollution and noise
- Riva Area Park is 2 miles away plus a traffic light would have to be added therefore I'm opposed to a park at the Central Avenue location.
- As a varsity and club volleyball coach, I am familiar with a lack of indoor court space. There are several clubs that operate out of private facilities in Anne Arundel County that do not meet their needs. The MD Juniors Sports Center is in Howard county a
- This county is desperate for soccer fields! Please make them turf & grass. The grass fields at schools don't get mowed in August & not often enough. Annapolis needs to take better care of its kids & families. Less focus on the retired population.

- There is enough traffic there now!
- I'm sure another traffic light would be necessary. UGGG!!!
- With 5 parks on the peninsula can we develop one that doesn't significantly contribute to more traffic and non-county residents?
- Need indoor tennis courts
- Indoor TENNIS courts, please! Four indoor tennis courts, minimum.
- The only adventure sport I care about is archery.
- it would be great to have trails for biking/e-biking/dirt bikes and ATV-
- Ice skating, biking trails would be nice
- We desperately need Indoor recreational facilities for kids!
- None
- There are so many great sports complexes that we visit during SRYA seasons. Having a beautiful one that we can call home sounds wonderful.
- Concept 1/3
- ATV should include dirt bikes
- We need indoor sports facility
- Create more open, nature-filled spaces.
- Public hiking trails and bicycling trails are suggested
- Playground for older kids
- Skate park would be good
- very interested in pickleball courts, multi-purpose fields, and track (indoor/outdoor)
- Our town could really use some indoor sports facilities and additional outdoor sports fields. I think concept 1 looks like a really great option.
- I
- Indoor sports facilities are so needed!
- Indoor Football Field
- Interested in more running/walking trails
- Na
- More affordable indoor tennis courts are needed.
- Indoor sports and recreational center
- We need more indoor tennis facilities
- I have run into the intersection to help car crash victims NUMEROUS times, including an officer involved. The light at 214/Pike Ridge needs fixing before enticing more traffic. A circle there instead of a light would be a great solution. & Edgewater has n
- Need to consider a new traffic pattern there. Anne Arundel is also a dearth of playgrounds compared to other nearby counties.
- Turf please
- We would love a nice, new updated playground like the ones they have in PG County! I.e Watkins Park. There are no good parks for kids in Edgewater. If we could have a fun playground with something for parents like a basketball court that would be wonderfu
- Having affordable indoor tennis court options in the county, especially nearby, would be great.
- Be mindful of the impact to traffic in that area
- Indoor winter sports like volleyball

- Indoor tennis would be great
- Need a light on 214 at Riva Road for traffic control!
- While the county does need more developed park space and activities, every administration FAILS to address the infrastructure needed to support this growth. You are improving the quality of experience with activity options, while decreasing overall quality
- Please no ATV trails. Too loud and dangerous!
- Very much like Concept 1 for Central Ave Park
- What about a park or giant garden around food with vegetables, fruits, herbs and bees where young and old can come together to learn about where healthy foods come from and how to grow it on a small scale in your own back yard. A park where every single
- Splash pad
- Dog park would be fantastic!
- None at this time.
- Would love pickle ball courts indoor or outdoor. Walking trails.
- Add a playing area for toddlers
- Indoor courts
- Football, baseball/softball and basketball are the most popular sports in this area
- The entrance and exit to the area needs to be revisited.
- Na
- Indoor tennis courts!!
- More indoor tennis
- If there is demand for indoor space, it would be much more environmentally sound as well as safer, traffic wise, for the county to purchase and renovate the old Giant just a mile down the road.
- There is a desperate need for indoor tennis in Anne Arundel county. Many people have petitioned for years to get our county to the same level of those around us, but our requests have been denied. Tennis is played by thousands of people in AA Co, yet there
- There are no indoor fields around here- this is a big advantage to bring to edgewater for our sports teams
- This area should be lightly developed to preserve the wildlife habitat.
- Traffic safety concerns. Congested area makes it hard to turn (left) on to 214 Central Ave.
- The Edgewater area (especially Lodontowne) really needs an indoor or partial outdoor place that has activities for pre teens/adolescents!. The South County Rec Center does not offer activities for teens and is not close.
- Traffic patterns must be addressed to insure safety exiting the park onto Central Avenue.
- None
- Skatepark! A dog park and some trails would also be nice but I just need the skatepark
- None except that security considerations should be of high priority. And adding appropriate parking for anticipated sports. Indoor facilities will cost more to build and maintain.
- It would be wonderful to have a developed park with unique options for the community! Archery, zip lines, playgrounds, mini golf! things we don't have near us. Ice skating rink would be great as well! Throw in a few running trails around it with a path
- None

- More baseball fields with lights
- We need trails for one wheeling and mountain bikes!
- Please keep in mind environmental impacts when planning, concept 2 has a great deal of paved surfaces and building structures that I feel defeats the purpose of preserving green space, that said I would love to see one indoor turf/multi sport pavilion bu
- None
- Would love additional turf fields, as well as indoor facilities for field hockey
- No matter what this will create more traffic than the infrastructure can handle I'll never get to Safeway without a traffic cluster
- More dedicated pickleball courts are needed in anne arundel county. This serves all ages unlike many of the other sports defined here. There are currently minimal dedicated pickleball courts in anne arundel county much less than neighboring counties. The
- We do not need any more parks with tennis courts, no one hardly uses the one in the area now! Every time I drive by no one there at the courts. We need a dirt bike track, rock climbing, parkour areas, things kids can do by themselves or with friends.
- Concept #1 is my favorite.
- Affordable indoor and outdoor tennis
- Thank you for offering this survey!
- The county really needs affordable indoor tennis courts. I always have to leave the county to play in inclement weather.
- None
- Please include softball.
- Mountain Biking Trails, Hiking Trails. Makes the land accessible to people but does not push out the flora and fauna living there.
- This would be a better location for indoor sports facilities than the Riva Area Park, which should emphasize outdoor activities.
- Leave as natural as possible
- This park will be immensely helpful!
- Love this!
- Love concept 1
- Activities for all are important
- Lighting for use in evening/night
- This is a fabulous piece of property and I pray AACO puts in to great use for the community. We raised our kids (now in their twenties) here and all 3 were VERY involved in sports, playing team sports all year long. I served on the Athletic Association's
- More bmx or atv tracks
- We don't have any local indoor gyms where we can go play basketball amongst other indoor things without having to drive through annapolis to get to truxton park! The people of mayo, exgewater, Riva, davidsonville, southern, and even crofton need a plac
- Needs to be fenced for younger child.
- Traffic survey
- County desperately needs indoor Pickleball/tennis courts.
- Area should be used to provide more activities for young people.

- Tennis and Pickle Ball courts are mostly needed.
- Would like indoor and outdoor tennis facilities!
- We like to go walking and there aren't very good walking trails close by. A trail or outdoor fields not far from our home, where we can walk around would be welcomed.
- Once roads are fixed and sidewalks are completed around the middle schools and high schools.. this would be a great addition to the community
- Looking forward to it!
- Concept 3 with the street hockey court is my favorite option.
- Pickleball Indoor and Outdoor . Concept 2
- Traffic is too bad already on that road.
- Edgewater has seen a large population growth, with minimal increase in recreational areas. A park in Edgewater would be a great resource for the community to get outside and enjoy what the area has to offer
- Leave the place undeveloped. No one wants more traffic there and the county already wastes too much money on parks. There's no shortage of ball fields in the area, any shortage is due to BS rules about who can use the fields at public schools
- None
- Indoor would be best option for season round use
- ATV trails are preferable here as they could also be used for biking.
- We desperately need affordable indoor tennis. We also need biking activity areas such as a pump track and jump trails like at Rockburn in Howard county and Getmantown in Montgomery county.
- This area of the county is in dire need of recreation facilities that its tax paying citizens can enjoy. This type of daily would benefit both the young and older populations.
- Fantastic plan and so needed in this area!!
- N/a
- Indoor pickleball facilities are needed in south county.
- Undeveloped is best
- Traffic is too heavy on this road to support this.
- Any park works be a great addition. However turning left on to 214 could be dangerous with out a light.
- Strongly object to any plans for motor sports.
- NA
- Combine All together
- Please do this.
- Just add 1 tennis/pb court
- Concept 2 for the win
- Our Edgewater area athletes are desperate for more turf field space! We have 7 year olds practicing until 8:30 pm and 10 year olds until close to 9!
- No other comments
- If you enclose a turf field, would it be open to public/individuals or just organizations?
- Splash pad
- Fishing pond

- Indoor tennis courts are a must. None in the county.
- More indoor tennis courts
- We desperately need affordable indoor tennis.
- none
- Indoor pool/aquatic center
- Indoor/outdoor basketball
- Rather than ATV trails I think BMX/mountain bike trails would be much better. ATVs destroy everything
- All these look great but every park in Anne Arundel County needs to add a skatepark. It is now an Olympic Sport and youth need opportunities to practice. Some children prefer to do individual sports and this would give them an opportunity and still get out
- I like the idea of mixed indoor and outdoor courts, but would also appreciate a playground and pavilion for younger children/families.
- We need more indoor tennis courts. Tennis cannot be played in the rain or outside in cold weather. Also need street hockey rink. The only facility with indoor tennis courts is Navy Brigade which requires military personnel on the court.
- It will be nice to have something done sooner rather than later with that space
- Dirt bike course would be great here
- N/a
- Pickleball courts are a must.
- Splash pad.
- Very needed and appreciated
- The county should build an indoor tennis court.
- So many great options! Multiuse-sports fields/dog park/playground/indoor sports facilities
- Edgewater does not have the infrastructure to sustain such an increase of traffic
- We need more indoor tennis courts with bathrooms!
- I don't see a parking area. It's not easy to walk there so there would need to be a parking area.
- Please put in a pump track and jump trail (see Rockburn in Howard County and Germantown South in Montgomery County for other examples)
- Anne Arundel County certainly doesn't need to see any more baseball and soccer fields. I would love to see ice skating and street hockey be more accessible in this county.
- b
- Anything seems nice!
- None
- Indoor sports complex should have ice rink, pool, etc. things that have to be inside. Athletic fields can always be outside. Dog park and playground should be an absolute with such a young population in Edgewater.
- Side note: I love this idea, but can we
- I think it would be nice to have facilities for sporting events like soccer and basketball.
- Consider playgrounds and trails for all concepts
- We just need a place kids can go indoors during bad weather & winter time. There is nothing like that here in Edgewater.
- Need indoor tennis facilities

- Concept 1
- We are in such need for tennis courts in AACO. Especially indoor courts as fees for indoor courts are so high and making tennis not available to many over the winter.
- This would be a great addition to our area!!
- This area needs walkable park trails and a safe place to skateboard and skate, with Soccer fields A track And playgrounds.
- Better entrance very congested area
- Atv parks are miles away from us forcing us to travel to enjoy this, it would also help get the atv's fourwheelers off the streets. We have tons of sports fields within walking distance and even schools who hold those fields. Let's do something recrea
- We desperately need indoor spaces for activities. I think the traffic is already bad with many accidents and a survey would need to be completed before building starts. Maybe adding indoor batting cages/ mini golf would be nice. It would also be nice to h
- - Indoor baseball field.
- - Add a playground next to the skate park; Concept #2.
- Ice hockey rink needed!!!!
- We need more sport fields and out door activity's in southern Anne Arundel. Especially Harwood and Lothian. We also need more ice rinks in the area like City of Bowie has. We need a Allen's Pond style area in SOCO.
- Hopefully if this moves forward an important to traffic control will be implemented.
- Ok
- Given the hotter summers the People of Edgewater need more tree cover and less development. If you have to do something make a public pool or indoor cooling area. Make it walkable. Edgewater doesn't need another parking lot. If you want a parking lot, use
- A Mountain bike skills park would be another option. I feel like we have a lot of athletic fields and nature areas already in the area so something different would be a nice alternative. Large playgrounds like the one at Blandair in Howard county is anoth
- Indoor sports plex is what the zip code needs and deserves.
- Leave as much as possible natural!
- Take care of this place once it is built
- What happened to the new fire station? Develop them jointly. Double the value for the same engineering costs.
- I would enjoy a walking/running trail.
- None
- South River (Edgewater area) already has more traffic/cars on the roads. Bringing more people to this area will create terrible backups. etc. Especially drive on Route 2 (West or Eastbound) anytime - terrible traffic problems.
- Indoor tennis, more than one court.
- Concept 1 of this area would be most beneficial to our surrounding area and community. This would bring more opportunities for our youth to participate in a wider range of sports than what is currently being offered. The closest option for something of th
- Indoor sports courts are so needed. Only have Pip Moyer as an option. Athletic fields too too that can be used year round. Thank you.

- We desperately need more pickleball courts in Edgewater
- The proposed site access location should be studied for an alternative, the Safeway site is constantly used illegally and we should not perpetuate additional issues at this access. Trying to gain access thru existing property owners or ask state for cha
- We need to have more year-round tennis courts
- Atv/mountain biking trails systems are needed.
- Preferably I would like to keep the woods untouched- the traffic is horrible enough. If something had to be built I would love to see a splash pad for kids. I really like the idea of modeling it like the Chesapeake Sensory Plaza at Rockfield Park in Bel A
- THe south county needs an ice skating rink, as well as some indoor tennis courts.
- We are in desperate need of an indoor rec center in this area!
- Please make the playground fenced in :)
- Skate park
- I'm up for anything that will make activities more accessible to large groups of kids. I'm not a skateboarder, but we definitely lack a proper facility for that activity in the south county area
- Parking must be adequate.
- Need indoor activities for kids in this area.
- Natural area would be awesome, I think anything else is going to be risky for the wetlands around.
- Traffic flow and safe entry & exit is critical
- The entrance placement is awful across from a right in right out shopping center entrance. Use the signal controlled intersection and either buy out or swap 214 fronting parcel equivalent areas with the junky area that's there to allow for the ROW for t
- Having an ice rink would be huge for our county. The few ice rinks in the area are booked mornings and after school into the late night every day. During the day the rinks are used for open skate and other activities Currently many many Anne Arunde
- Make enough parking. Trails/walkways to nearby communities are helpful.
- Thank you for your consideration! It would be so exciting to have a park here.
- Protect the few remaining areas of green and leave nature undisruped
- Playground outdoors and safe play space for families with young children indoors. Thank you!!
- Entrance will be a problem unless it is a right turn only or you place a roundabout at the proposed entrance (no stoplight please) Accidents occur at the current light on a good day. If not, maybe work out something with the vet to give them a little m
- Put a sidewalk in along Londontown road please!!
- Love the idea of a new area for county sports plus indoor facility.
- We're not opposed to developing this area, although tree loss hurts! Indoor tennis courts/fields would be useful, as would athletic fields, and the course sports would add a nice variety of things to do in the area. I would NOT like ATV trails, that only
- A little bit of everything. Additional baseball fields, a little skate park, pavilion, playground. And some type of indoor complex for indoor sport during winter.
- Option 1 looks good. Might also recommend using that small piece of frontage on the west side of the auto repair uses as a second entrance. ATV uses seem noisy and could be a nuisance.
- An wonderful addition to Edgewater.

- I like concept 1. Having more things to do during the winter would be nice so I like having indoor options. But I also feel the area does not have much of nature trails, not sure this would be the place for that however.
- I like the idea of an indoor track and a dog park.
- N-
- None
- NO tennis options, only pickleball?! I'd like to see more tennis courts, indoor courts as well.
- Leave the land alone. We don't need any of this. I don't want to pay extra taxes to maintain.
- Where is the funding coming for this?
- What will Anne Arundel county do to ensure the area is safe for kids and residents? Since I've lived in the community I have seen several instances in that area of businesses being ransacked (organized shoplifting)
- Would love tennis courts!
- Indoor tennis and/or Pickleball courts
- We need more for kids to do! Skatepark, BMX and playground to get our kids moving! We have enough sports fields.
- Would love a family friendly park for a public space and gathering! Anything is a win. A PLAYGROUND would be amazing. All the playgrounds around here are private or no parking allowed. It would be nice to have something in a public space!
- There are NO indoor tennis courts in AA County. Please build a separate facility that does not include pickleball or blended lines for both.
- Even better, look at underutilized impervious land where indoor/outdoor tennis courts could be built. Look at t
- Playground and paved walking paths
- Prefer to have a park with walking trails & nature center.
- Providing more amenities for citizens to engage in physical activities is crucial to residents overall well being. Please select amenities that are not already provided locally. Work with the veterinary property to gain access to the traffic signal for
- We need more indoor fields for our kids in this area.
- I don't want to leave a comment
- Do not develop that land. We don't need any more traffic
- na
- Great ideas, but unfortunately we already have too much traffic in Edgewater.
