REFLECT

Reflect on ways that you may be able to reduce the amount of waste that you create throughout the day.

REFILL

Avoid using disposable single-use items, and choose reusable items when possible.

REGROW

Give composting a try and compost your food scraps and food-soiled paper at home or drop them off at a County Recycling Center.

REHOME

Donate edible food and unwanted clothes, furniture, toys and other household items to local charitable organizations.

REPAIR

Repair before you replace items. Give old or worn items a new life by repairing the item or repurposing the item for a new use.

RELAY

Share waste reduction tips and tricks with your family and friends!
