A public meeting has been scheduled for **Tuesday, May 7, 2024** from **6:00-7:00 pm** via the **ZOOM.US** platform to discuss the construction of a new park, including a playground and dog park, in the field at 5910 Deale Churchton Road. We will also be widening Deale Churchton Road to improve safety. This project will provide additional recreational facilities to the community, while improving local drainage with new stormwater facilities.

During construction, slated to begin in late May/early June, you can expect to see grading activities, tree removals, paving operations, construction of an open-air pavilion, playground, and dog park, as well as lane closures while the road is being widened. Work is expected to occur weekdays, 7am-5pm, although occasional weekend work may be required.
