Charting our course for a better future

What is the General Development Plan (GDP)?

- Anne Arundel County's comprehensive plan to **guide land use in the County, capitalize on its assets and conserve critical resources.**
- The GDP establishes policies and recommendations to guide land use decisions over a **20 year planning timeframe.**

Why Make a General Development Plan (GDP)?

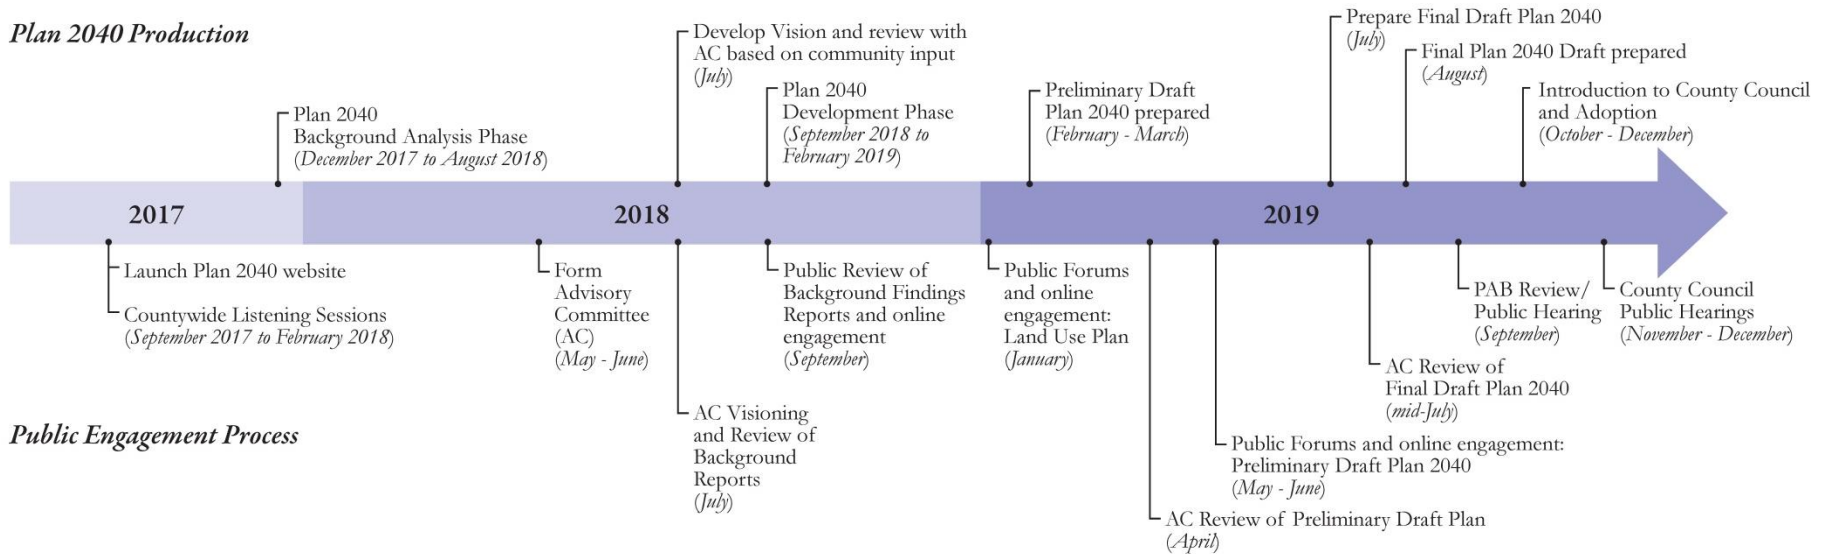

- Set Priorities and Use Public Money Wisely
- Inform County decisions, including but not limited to Legislation, County Council decisions, and County department operations
- Adapt to Anticipated Future Growth
- Maintain Our Quality of Life By Deciding Where and How We Grow
- Create Communities We Love
