PUBLIC MEETING ANNOUNCEMENT

WHO: Anne Arundel County Department of Public Works (DPW)

WHAT: Anne Arundel County Police Firing Range

WHEN: Tuesday, May 28, 2024 – 6pm-7pm

WHERE: Davidsonville Elementary School
962 W Central Avenue
Davidsonville, MD 21035

A public meeting has been scheduled for **Tuesday, May 28, 2024** from **6:00-7:00 pm** at **Davidsonville Elementary School** to discuss plans to construct a new Police Firing Range, which will include two separate indoor firing ranges with a 20 lane, 50-yard pistol range and a 4 lane, 100-yard rifle range. The support and office spaces will include restrooms, a weapons cleaning area, and storage. The Architect/Engineer will perform field surveys, design work, and construction contract administration for this project. The facility will be constructed at the Anne Arundel County Police Academy, located at 3737 Elmer F. Hagner Lane in Davidsonville.

The current firing range is out of date and poses a safety problem if not updated. In addition, the current range is located outdoors and creates noise pollution for surrounding residents. The new range will be an updated state-of-the-art indoor facility that will eliminate both problems. Construction is projected to start in summer 2025 and will take approximately 16 months to complete. We welcome your feedback on our proposed schedule.
