

## **LEGISLATIVE SUMMARY**

To: All Councilmembers of the Anne Arundel County Council

From: Linda M. Schuett, Legislative Counsel

Date: September 16, 2019

Subject: Bill No. 78-19

Subsection (b) of §13-2-301 prohibits the Director of Public Works from installing or using more than five traffic control signal monitoring systems, sometimes referred to as red light cameras, to monitor or enforce the prohibition against a vehicle entering an intersection when the light is red. Bill No. 78-19 repeals subsection (b), thereby eliminating the restriction that there may be no more than five red light cameras.
