Anne Arundel County, Maryland – Application # 2015-H2655-MD-DJ

ABSTRACT

Anne Arundel County, Maryland will administer the Edward Byrne Memorial Justice Assistance Grant: FY 2015 Local Solicitation with the goal of providing funding to organizations within the Criminal Justice Coordinating Council (CJCC) to promote efficient and effective processing of criminal and juvenile cases from arrest through ultimate disposition.

The CJCC Coordination Program seeks to break the criminal justice cycle through treatment and family intervention programs funded by the grant. This is primarily accomplished through the Adult and Juvenile Drug Court programs and the Teen Court Program. Costs funded by the grant related to these special courts include salary and fringe for treatment case managers, court coordinator, and paralegal staff. In addition, the CJCC Coordination Program includes funding a contract with the local mental health agency for treatment of incarcerated individuals with co-occurring disorders. The Partnership for Children Youth and Families will use their FY15 BJAG allotment for the Community Conferencing Program, a restorative justice juvenile diversion program. These programs will serve the citizens of Anne Arundel County and those who visit and work here as well.

FY 2015 Goals and Priorities of the CJCC:

Recidivism Reduction

- Mental Health and Co-Occurring Disorders
- Drug Courts – Assessment and Case Management
- Teen Court
- Restorative Justice Diversionary Program-Community Conferencing

The Anne Arundel County, Maryland FY 2015 Edward Byrne Memorial Justice Assistance Grant Program Allocation of \$170,982 will be used to support programs to assist with the implementation and funding the goals and objectives of the CJCC for the benefit of all citizens living and working within Anne Arundel County.

Recidivism Reduction

Each year approximately 5,000 offenders are released to the supervision of the State Division of Parole and Probation and Drug Court in the County. Few have regular jobs, about half have their high school diploma, many have spouses, and most have children. Numerous strategies are in place to assist these individuals, while still incarcerated, to prepare for re-entry and help them to learn the tools necessary to return to the community. Without the knowledge of available resources to make a difference in their behaviors and actions, these individuals may re-offend and repeat the cycle. Anne Arundel County's strategy to reduce recidivism includes the following projects.

The Anne Arundel County Health Department, in collaboration with the Anne Arundel County Mental Health Authority will continue to address those persons incarcerated who have existing co-occurring disorders, meaning that these individuals are in need of both substance abuse treatment, as well as assessment of mental health issues. The funding will be used to provide mental health services to approximately 75 incarcerated Anne Arundel County residents who are uninsured and have mental illness and substance dependence. The services are comprised of psychiatric evaluations and co-occurring mental health therapy. These services will coincide with substance abuse treatment provided by the health department. Funding will support programs for service improvements to stabilize incarcerated persons, followed with additional resources once released. The Anne Arundel County Mental Health Agency will receive funding via the Anne Arundel County Health Department.

Anne Arundel County has three Drug Court Programs in existence. The Circuit Court for Anne Arundel County operates the Circuit Court Juvenile Treatment Court and the Adult Drug Treatment Court. The Adult Drug Court's mission is to improve our community through enhanced public safety by providing judicially supervised treatment to substance abusing offenders, thereby reducing the social and economic cost of criminal

Edward Byrne Memorial Justice Assistance Grant Program FY 2015 Local Solicitation

Anne Arundel County, Maryland – Application # 2015-H2655-MD-DJ

activity. The mission of the Juvenile Treatment Court is to reduce substance abuse and delinquent conduct among juvenile offenders through individualized therapeutic interventions and intensive judicial supervision of children and families. The adult program has the capacity to serve 100 offenders and the juvenile program can accommodate 40 participants. Admissions are on a rolling schedule so participants are usually able to enter when referred and graduate at the time they complete the program requirements. The District Court operates an Adult Drug Court and a DWI Court.

The combined Drug Court Programs have established key partnerships with community stakeholders including the Department of Health, the States Attorney's Office, the Division of Parole and Probation, the Office of the Public Defender, the Department of Juvenile Services, and local law enforcement agencies. These partnerships have enabled the Drug Courts to be successful in the goals of providing alternatives to incarceration, reducing recidivism and increasing public safety.

The Anne Arundel County Police Department's portion of the award includes funding for the Teen Court. The Teen Court is a diversion program designed for juvenile first time, misdemeanor offenders. The juveniles undergo a trial process complete with a judge and jury and must comply with the court's decision. It is estimated that approximately 140 juveniles will use the Teen Court in a funding year.

All of these specialty courts have been operational for a number of years and have proven to be effective in providing community based treatment and supervision to the targeted populations. These programs require support to help with operational costs of salaries, education materials, graduation and office supplies, and communications expenses.

The Anne Arundel County Partnership for Children, Youth and Families will use their requested allotment of funds for a continuation of the Community Conferencing Program, a restorative justice juvenile diversion program that has been in operation for over a year. Community Conferencing aims to bring the victim, offender and interested community stakeholders, including parents, together with a trained facilitator.

Funding will provide a part time Community Conferencing Coordinator who works with the parties to assist them in responding to destructive behavior in constructive ways and to build connections that serves the well being of all. Community Conferencing adheres to Restorative Justice Principles that emphasize offender accountability and responsibility.

The Partnership chose the Community Conferencing Program to help with the Disproportionate Minority Contact Initiative in the Anne Arundel County. Outcomes after the first year are very positive; 250 youth have been diverted, of which 201 are minorities; 98% of the conferences resulted in an agreement with 95% of offenders in compliance with the agreement.

NARRATIVE – Salary and Fringe Benefits

Drug Courts:

The Adult Drug Court and the Juvenile Drug Court both operate under the Circuit Court for Anne Arundel County. The majority of the Drug Court expenses are funded through the Office of Problem Solving Court (OPSC) grants. The BJAG funding will support costs unfunded by the reduced OPSC grants in order to provide for the continued

operation of the Drug Court Programs. The BJAG grant will be used to fund approximately 45% of the Drug Court Coordinator's salary and related fringe cost.

Drug Court Coordinator's Salary @ 45% = \$38,860

Drug Court Coordinator's FICA @ 7.65% = \$2,973

Drug Court Coordinator's Benefits @ 45% = \$15,697

NARRATIVE – Salary and Fringe Benefits (continued)

Drug Courts (continued):

Also, included in the Health Department's portion of the BJAG grant is a subsidy (.20 FTE) of a Health Department Drug Treatment Case Manager that is assigned to the District Drug Court. The BJAG funds are required because a grant from the Office of Problem Solving Courts only funds about 60% of the case manager's salary. The BJAG grant funds will be used to fund the remaining portion of the full time case manager's salary and fringe costs, totaling \$16,000.

Case Manager Salary @ 20% = \$11,000

Case Manager FICA @ 7.65% = \$840

Case Manager Benefits @ 15% = \$4,160

In the State's Attorney Office (SAO), the grant funds the employment of a part-time (.5 FTE) Paralegal who vets participants for legal qualifications into the drug courts. This position is shared between the Adult and Juvenile Courts.

Paralegal Salary @ 50% = \$17,847

Paralegal FICA @ 7.65% = \$1,365

Paralegal Benefits @ 15% = \$788

Teen Court:

The Police Department's portion of the BJAG grant includes the funding support for the Teen Court. Teen Court is a diversion program designed for juvenile first time, misdemeanor offenders. It offers teenage offenders a chance to learn from their mistakes in lieu of obtaining a criminal record with the Department of Juvenile Services. The juveniles undergo a trial process complete with a judge and jury. Youth are required to respond to a series of questions from a jury of their peers and comply with sanctions as rendered by the judge.

The program requires a full time coordinator to screen cases for referral to this program. The program also uses an actual courtroom so there are uniform police officers present to complete entry screenings and provide security during the hearings. An estimated 140 juveniles will be seen in the Teen Court in a funding year. The BJAG grant

Edward Byrne Memorial Justice Assistance Grant Program FY 2015 Local Solicitation - Anne Arundel County, Maryland – Application #

will be used to fund 80% of the Teen Court Coordinator's salary and FICA, totaling \$28,900.

Teen Court Coordinator Salary @ 80% = \$26,845
Teen Court Coordinator FICA @ .0765 = \$2,055

Restorative Justice:

The Anne Arundel County Partnership for Children, Youth and Families is requesting a continuation of the Community Conferencing Program, a restorative justice juvenile diversion program that has been in operation for over a year. Community Conferencing aims to bring the victim, offender and interested community stakeholders, including parents, together with a trained facilitator.

Funding will provide a part time (40%) Community Conferencing Coordinator who works with the parties to assist them in responding to destructive behavior in constructive ways and to build connections that serves the well being of all. Community Conferencing adheres to Restorative Justice Principles that emphasize offender accountability and responsibility.

The Partnership chose the Community Conferencing Program to help with the Disproportionate Minority Contact Initiative in the Anne Arundel County. Outcomes after the first year are very positive; 118 youth have been diverted, of which 114 are minorities; 98% of the conferences resulted in an agreement with 98% of offenders in compliance with the agreement.
