The proposed Biomedical Waste Services facility is planned to be sited at 7610 Energy Parkway, Baltimore, Maryland 21230, located within Anne Arundel County. The proposed operation involves the acceptance, processing and transfer of special medical waste. The processing component will involve the use of an autoclave for the purpose of sterilization and compaction of the medical waste prior to transfer.

The County's Office of Planning and Zoning has reviewed Biomedical Waste Services Inc.'s proposed operation and determined that it is allowed in the Zoning Code as a permitted use in the W2-Industrial District."

SECTION 3. *And be it further enacted*, That the Anne Arundel County Solid Waste Management Plan 2013, as amended by this Ordinance, is incorporated herein by reference as if fully set forth. A copy of the Anne Arundel County Solid Waste Management Plan 2013, as amended by this Ordinance, shall be permanently kept on file with the Administrative Officer to the County Council, the Office of Planning and Zoning, and the Department of Public Works.

SECTION 4. *And be it further enacted*, That this Ordinance shall take effect 45 days from the date it becomes law.
