### Legislative Summary

This summary was prepared by the Anne Arundel County Office of Law for use by members of the Anne Arundel County (“County”) Council during consideration of Resolution No. 36-20, which approves the County Executive’s determination of County-owned property as surplus property.

**Background.** Section 8-3-202 of the County Code (“Code”) authorizes the County Executive to dispose of real property owned by the County when the County Executive, with the approval of the County Council by resolution, has determined that the real property is surplus property. In determining whether property is surplus property, the County Executive inquired whether any office, department, or agency of the County has a present need, or reasonably anticipates a future need, for the property, and no such current or future need has been identified. Prior to the introduction of this Resolution, notice was mailed to each adjacent property owner and to the community association representing the area in which the property is located.

**Purpose.** The purpose of the resolution is to approve the County Executive's determination that certain County-owned property consisting of 4,482 square feet or 0.1029 acres and part of property formerly known as Old Admiral Court, is surplus. The County-owned property is described in Exhibit A to the Resolution and is depicted in Exhibit B to the Resolution.

The Office of Law is available to answer any additional questions regarding this Resolution. Thank you.

**Note: This Legislative Summary provides a synopsis of the bill as introduced. It does not address subsequent amendments to the bill.**
