### Legislative Summary

This summary was prepared by the Anne Arundel County Office of Law for use by members of the Anne Arundel County Council during consideration of Bill No. 18-20. The summary is intended to explain the purposes and legal effects of the bill.

Bill No. 18-20 revises § 4-2-312(g) to reflect that the application for the public safety officer tax credit is on a form provided by the Controller's office. This change reflects a change in the State law that moved the administration of the tax credit from the State Department of Assessments and Taxation to the local jurisdictions.

This office is happy to answer any other questions about this Bill.
