

LEGISLATIVE SUMMARY

To: All Councilmembers of the Anne Arundel County Council

From: Linda M. Schuett, Legislative Counsel

Date: August 29, 2019

Subject: Bill No. 71-19

In 2015, the County Council adopted a provision that exempted structures for nonprofit veterans and military service organizations from the need to pay capital facility connection charges. *See* Section 13-5-813 (1) of the Code. The bill provided that the ordinance was to remain in effect for five years, after which time the exemption would have no further force or effect.

Bill No. 71-19 repeals the provision that the ordinance was to remain in effect for five years, thereby making the exemption for structures for nonprofit veterans and military service organizations permanent.
