Edward Byrne Memorial Justice Assistance Grant Program FY 2022 Local Solicitation, Anne Arundel County, Maryland
O-BJA-2022-171368

ABSTRACT

Anne Arundel County, Maryland will administer the Edward Byrne Memorial Justice Assistance Grant: FY 2022 Local Solicitation with the goal of providing funding to organizations within the Criminal Justice Coordinating Council (CJCC) to promote efficient and effective processing of criminal cases from arrest through ultimate disposition. Within Anne Arundel County, areas served include zip codes 21401, 21060, 21403, 20742, 21409, 21225.

The CJCC Coordination Program seeks to break the criminal justice cycle through treatment and family intervention programs funded by the grant. This is primarily accomplished through the Adult Drug Court programs. Costs funded by the grant related to these special courts include salary and fringe for a treatment case manager and paralegal staff. In addition, the CJCC Coordination Program includes funding a contract with the local mental health agency for treatment of incarcerated individuals with co-occurring disorders. The Partnership for Children Youth and Families will use their FY22 BJAG allotment to fund a Juvenile Re-entry Coordinator and to fund Violence Intervention strategies through the Peer Violence Interruption Health Ambassador program. The Sheriff's Office allocation will fund a mobile app that increases transparency and information sharing among law enforcement and communities. These programs will serve the citizens of Anne Arundel County and those who visit and work here as well.

FY 2022 Goals and Priorities of the CJCC:

Recidivism Reduction

- Mental Health and Co-Occurring Disorders
- Drug Courts – Assessment and Case Management
- Juvenile Re-entry Program
- Community Violence Intervention - Peer Violence Interruption Ambassador Program
- Enhanced information sharing between law enforcement and communities – Sheriff’s Office mobile app

The Anne Arundel County, Maryland FY 2022 Edward Byrne Memorial Justice Assistance Grant Program Allocation of \$145,557 will be used to support programs to assist with the implementation and funding of the goals and objectives of the CJCC for the benefit of all citizens living and working within Anne Arundel County.

Recidivism Reduction

Each year approximately 5,000 offenders are released to the supervision of the State Division of Parole and Probation and Drug Court in the County. Few have regular jobs, about half have their high school diploma, many have spouses, and most have children. Numerous strategies are in place to assist these individuals, while still incarcerated, to prepare for re-entry and help them to learn the tools necessary to return to the community. Without the knowledge of available resources to make a difference in their behaviors and actions, these individuals may re-offend and repeat the cycle. Anne Arundel County’s strategy to reduce recidivism includes the following projects.

The Anne Arundel County Health Department, in collaboration with the Anne Arundel County Mental Health Authority will continue to address residents incarcerated who have existing co-occurring disorders - those individuals in need of both substance abuse treatment, as well as assessment of mental health issues. The funding will be used to provide mental health services to approximately 75 incarcerated Anne Arundel County residents who are uninsured and have mental illness and substance dependence. The services are comprised of psychiatric evaluations and co-occurring mental health therapy. These services will coincide with substance abuse treatment provided by the health department. Funding will support programs for service improvements to stabilize incarcerated persons, followed with additional resources once released. The Anne Arundel County Mental Health Agency will receive funding via the Anne Arundel County Health Department.

Anne Arundel County has two Drug Court Programs in existence. The Circuit Court for Anne Arundel County operates the Adult Drug Treatment Court. The Adult

Drug Court's mission is to improve our community through enhanced public safety by providing judicially supervised treatment to substance abusing offenders, thereby reducing the social and economic cost of criminal activity. The adult program has the capacity to serve 100 offenders. Admissions are on a rolling schedule so participants are usually able to enter when referred and graduate at the time they complete the program requirements. The District Court operates an Adult Drug Court and a DWI Court.

The combined Drug Court Programs have established key partnerships with community stakeholders including the Department of Health, the States Attorney's Office, the Division of Parole and Probation, the Office of the Public Defender, the Department of Juvenile Services, and local law enforcement agencies. These partnerships have enabled the Drug Courts to be successful in the goals of providing alternatives to incarceration, reducing recidivism and increasing public safety.

These specialty courts have been operational for a number of years and have proven to be effective in providing community-based treatment and supervision to the targeted populations. These programs require support to help with operational costs of salaries, education materials, graduation and office supplies, and communications expenses.

The Anne Arundel County Partnership for Children, Youth and Families will use their requested allotment of funds for the continuation of the Juvenile Re-entry program and a new initiative, the Pilot Violence Interruption Ambassadors program.

Juvenile Re-entry Navigator

Program Purpose:

According to the Koch Institute (2020) a successful reentry program is one which helps individuals overcome one or more barriers and collaborates with other community resources to supplement its own program with other services. Additionally, reentry interventions should consider juveniles' unique life experiences and address the effects of past trauma, fear of stigma, and need for trusting relationships with adults (Fox, 2015.)

The Juvenile Re-entry Navigator will coordinate between the DJS Re-entry specialist, school system, workforce development and other programming and systems to ensure each youth's successful reentry to the neighborhood.

Target Population

African American Youth who have been committed to out-of-home care by the Department of Juvenile Services and are within six months of re-entry.

Detailed Program Description

The Re-Entry Navigator is attached to the Partnership's Systems of Care Initiative. The purpose of Systems of Care is to offer a no wrong door approach to basic needs for youth and their families. We offer a 1-800 number so families can access resources and services in the county, specialized navigators to help residents' access what they need, and four interdisciplinary teams (CRICT, EC CRICT, SILVER CRICT and BRICKIT) to partner with youth and families in action planning.

The employee hired for this position will have lived experience of the barriers to a successful future for low and very low-income youth in Anne Arundel County. The navigator will act as a mentor and will be trained through the Partnership's mentoring program in trauma responsive approaches and the importance of ACES.

Components of the Program

- The Re-entry Navigator will receive referrals from the Department of Juvenile Services at least 2 months prior to exit. The navigator will meet with the youth and carry out an assessment using the CANS tool developed by the University of Maryland. Each youth will work in partnership with the re-entry navigator to develop short- and long-term goals for their re-entry to the neighborhood.
- The Navigator will meet with the youth weekly, in coordination with the DJS re-entry specialist, to update the youth on progress and referrals.
- Referrals to programming will include; family mediation, therapy, workforce development, place-based GED programming in the neighborhood (funded by the Partnership,) college preparation etc. Some youth may need referrals and help accessing disability programming.
- The Re-entry Navigator will continue to work with the youth through the first year of release with visits weekly for the first month then gradual decline to phone calls and texts as goals are met.

Pilot Violence Interruption Ambassadors (Annapolis)

The Heal Violence Community Violence Intervention program currently works with 15 Latinx youth in the communities identified as having the highest rates of gang involvement (or risk for gang involvement) given the presence of high-profile international gangs like MS-13 and Latin Kings in Annapolis. Youth are referred by credible members of the community who are well-respected by individuals at a high risk of violence. Working with bi-lingual staff, these high risk for violence youth – who have dubbed themselves “The Invisibles” – meet bi-weekly to:

- Resolve potentially violent disputes before they occur
- Use peer mentoring, trauma-informed services, and culturally responsive mental health tools to support individuals impacted by daily gun violence
- Build tools and life-skills that enable them to be resilient, manage their emotions, and deal with conflict – both in their homes and in the community – without resorting to violence.

Edward Byrne Memorial Justice Assistance Grant Program FY 2022 Local Solicitation - Anne Arundel County, Maryland – O-BJA-2022-171368 Page No. 31

We will recruit five members of the cohort to become Youth Advisors for our youth gun and gang violence intervention work in Annapolis. The youth will be jointly supervised by our Spanish speaking and Peer Navigators. They will be paid stipends of \$12 per hour, 8 hours per week for 52 weeks for the following activities:

- Racial and Ethnic Disparities Youth Committee – founding members
- Peer mentors for Latinx youth
- Latinx youth presence in the Annapolis Hub
- Latinx arts at Maryland Hall

Sheriff's Office Mobile App to increase transparency and information sharing between law enforcement and communities

The Sheriff's Office mobile application is a new tool which went live in March 2021 and became available for free through app stores in May 2021. This new app is designed to deliver a host of information to individuals and communities at a single point, an individual's smartphone. This is an outreach effort never before attempted by the Sheriff's Office and significantly increases access to information by citizens, access to alerts from the office, and access to agency employees. The mobile app is also the location of newly available information regarding outstanding criminal and traffic warrants in Anne Arundel County. The app gives access to victim resources, the VINELink inmate search tool, sex offender database, and court information. The app also has a portal for citizen complaints and concerns. This is a great method of communication with communities that cost nearly \$25,000 to construct. The annual recurring cost is \$7,995, which will allow the Sheriff's Office to continue to expand community relations and get timely information into the hands of our citizens

Grant Administration

The Criminal Justice Coordinating Council will be assisted by the Anne Arundel County Department of Health, Deputy Director of Finance Mary Lynn Bobbitt in the administration of this grant. Ms. Bobbitt will coordinate expenditures for each participating agency's financial department and will compile an accurate quarterly financial report including all expenditures for the grant. Each agency will be required by the Chair of the CJCC, to supply Ms. Bobbitt with quarterly financial reports, including documentation for audit purposes. These reports will be due from the participating agencies by the 15th of the month following the close of the quarter in order for adequate time to compile the financial report to USDOJ prior to the submission deadline.

Ms. Bobbitt is proficient in the use of the Federal on-line reporting system and will assure that all reports are submitted as required and that the paperless request for reimbursement is also completed to assure that the funds are reimbursed to Anne Arundel County by wire transfer.

Edward Byrne Memorial Justice Assistance Grant Program FY 2022 Local Solicitation - Anne Arundel County, Maryland – O-BJA-2022-171368 Page No. 32

The BJAG funding will support costs unfunded by the OPSC grants in order to provide for the continued operation of the Drug Court Programs. These costs include office and educational supplies and cell phone expenses for staff to communicate with program participants. These costs are detailed in section E.

In the State's Attorney Office (SAO), the grant funds the employment of a contractual (.90 FTE) Paralegal who vets participants for legal qualifications into the drug courts. The BJAG funds will fund 90% of the paralegal's salary with a subsidiary to fringe costs for a total of \$44,957

The \$23,059 allotment will support assessment and up to 12 visits to assist this population and arrange for referrals to other programs to provide services to up to 75 individuals so they will not become an additional burden on the criminal justice system. This contractor will invoice Anne Arundel County through the Anne Arundel County Mental Health Agency who will provide the financial and programmatic reporting.

Violence Interruption Ambassadors

The Heal Violence Community Violence Intervention program currently works with 15 Latinx youth in the communities identified as having the highest rates of gang involvement (or risk for gang involvement) given the presence of high-profile international gangs like MS-13 and Latin Kings in Annapolis. Youth are referred by credible members of the community who are well-respected by individuals at a high risk of violence.

The first Heal Violence cohort will be graduating in July 2021. The Partnership will recruit five members of the cohort to become Youth Advisors/Ambassadors for our youth gun and gang violence intervention work in Annapolis. The youth will be jointly supervised by our Spanish speaking and Peer Navigators. They will be paid stipends of \$12 per hour, 8 hours per week for 52 weeks.
