

ANNE ARUNDEL COUNTY, MARYLAND
OFFICE OF THE BUDGET

BILL NO. 17-19

DATE: March 15, 2019

FISCAL NOTE

**BILL: AN ORDINANCE CONCERNING: PUBLIC WORKS – UTILITIES – ALLOCATION
OF WATER AND WASTEWATER CAPACITY**

SUMMARY OF LEGISLATION

The primary purpose of this Bill is to clarify language and require payment of interest assessed under the Code on the capital facility connection charge already accumulated in situations in which an allocation for a development project is reduced or lapses by operation of law.

FISCAL IMPACT

This bill has a significant fiscal impact as without this clarifying legislation, we are not able to collect the revenue earned. Interest lost to date due to County Code not being clear is about \$1,000,000.
