RESOLUTION NO. 11-19
DATE: March 18, 2019

FISCAL NOTE

RESOLUTION: APPROVING THE APPLICATION TO ESTABLISH A BRAC REVITALIZATION AND INCENTIVE ZONE WITHIN THE BOUNDARIES OF ODENTON TOWN CENTER

SUMMARY OF LEGISLATION

The Base Realignment and Closure (BRAC) Community Enhancement Act which was passed during the State's 2008 legislative session created a fund of \$5 million to be directed to certain Priority Funding Areas throughout the state to provide infrastructure improvements supporting development / redevelopment within these designated areas. The establishment of this BRAC Zone within the boundaries of the Odenton Town Center, a Priority Funding Area recognized by the State, is necessary in order for the County to receive funding through the BRAC Community Enhancement Act. This resolution meets the State's requirement that the County Council support the County's application to establish this BRAC Zone.

FISCAL IMPACT

There is no fiscal impact directly related to this resolution. Appropriation authority to spend any eventual funding through the BRAC Community Enhancement Act will require separate and subsequent legislation be approved by the County Council.
