## **PUBLIC MEETING ANNOUNCEMENT FOR ELVATON DRIVE RESIDENTS**

- WHO:** Anne Arundel County Department of Public Works (DPW)
- WHAT:** East/West Transmission Main Phase I – W803601
- WHEN:** Wednesday, November 29, 2023- 6:00 pm - 7:00 pm
- WHERE:** Pasadena Elementary School  
401 East Pasadena Road  
Pasadena, MD 21122

A public meeting is scheduled on **Wednesday, November 29, 2023** from **6:00 pm - 7:00 pm** at **Pasadena Elementary School** to discuss the planned construction of a water transmission main to move water from the east side of the County to the west side, which has a more limited water production capability. The project will be done in multiple phases with the current phase being the section between Waterford Road and the Old Mill elevated water storage tank. **This meeting will focus on impacts specific to Elvaton Drive residents; a second meeting for the surrounding community will be scheduled shortly thereafter.**

We anticipate traffic disruption during construction, which will be mitigated by daily flagging operations, possible street closures, and detours. Most work will take place between 9am-3pm, weekdays. We welcome your input on the proposed project and schedule.
