West County Elementary School Connector – C478362

WHEN: Thursday, March 21, 2024 – 6:00-7:00PM

Odenton, MD 21113

A public pre-construction meeting has been scheduled for Thursday, March 21, 2024 **from 6:00-7:00PM** at the Two Rivers at the Hamlet Clubhouse to discuss two Capital Improvement Projects:

- **West County Elementary School Bypass (H586803)** – the creation of a temporary bypass lane at the West County Elementary School to provide traffic relief during morning and afternoon drop-offs.
- **West County Elementary School Connector (C478362)** – the installation of sidewalk along the north side of Conway Road between the West County Elementary School (newly renamed “Two Rivers Elementary School”) and the WB&A Trail.

Meeting information is available at: <https://www.aacounty.org/departments/planning-and-zoning/development/community-meetings/community-meeting-calendar/>.

During construction, there may be temporary single lane closures with signs and flaggers for traffic maintenance during *off-peak* hours; construction will be restricted and only occur from 9:00am to 3:00pm. Both lanes of Conway will remain open during peak hours. We expect work to begin on the sidewalk in April 2024, with the bypass construction beginning in June 2024. Both projects are expected to be complete before the beginning of the school year. We welcome your input on the proposed schedule.
