## **Annual Special Tax Report Fiscal Year 2024-2025**

### **INTRODUCTION**

The Anne Arundel County, Maryland Special Taxing District Bonds (the Villages of Dorchester Project), Series 2003A and Series 2003B (the “Prior Bonds”) were issued to fund certain public improvements benefitting the Dorchester Special Taxing District (the “District”). Anne Arundel County, Maryland (the “County”) issued the \$18,165,000 Consolidated Special Tax Refunding Bonds (the Villages of Dorchester and Farmington Village Projects), Series 2013 (the “Series 2013 Bonds”), of which \$13,885,000 was allocated to the Village of Dorchester to refund and defease the Prior Bonds. The Series 2013 Bonds were issued pursuant to Article 24, Section 9-1301 of the Annotated Code of Maryland, as amended, Section 4-8-101 through 4-8-106, inclusive, of the Anne Arundel County Code (2005, as amended), Section 24 of Article 31 of the Annotated Code of Maryland, as amended and Bill No. 81-12, passed by the County Council of the County on November 5, 2012, signed by the County Executive of the County on November 13, 2012, and effective on December 28, 2012 (the “Ordinance”), and pursuant to an Indenture of Trust by and between the County and Wilmington Trust (formerly Manufacturers and Traders Trust Company), as trustee (the “Trustee”), dated as of April 1, 2013 (the “Indenture”).

The Series 2013 Bonds are to be repaid from special taxes levied on the taxable property in the District. A special tax is to be levied and collected each fiscal year in the District pursuant to Resolution 44-97 adopted by the County Council of Anne Arundel County on December 1, 1997. The rates and method to be used in levying the special tax are provided for in Exhibit C to the Resolution — the Rate and Method of Apportionment of Special Taxes (the “Rate and Method”) for the District.

Pursuant to the Rate and Method, commencing with Fiscal Year 1998-1999 and for each following fiscal year, the County Council shall determine the Special Tax Requirement (defined herein) for the applicable fiscal year and shall levy the special tax as provided for in the Rate and Method, until the aggregate amount of the levy equals the Special Tax Requirement for such fiscal year.

This report has been prepared to explain the methodology used to calculate the special tax rates at which taxable property will be taxed in the District for Fiscal Year 2024-2025. The special tax rates for Fiscal Year 2024-2025 are shown in Appendix A, attached hereto. The special tax levied on each parcel in the District is shown in Appendix B, attached hereto. The special tax levied on each parcel is based on the parcel’s classification as of the Date of Classification and the special tax rates shown in Appendix A. Capitalized terms not defined herein have the same meaning set forth in the Rate and Method.

## **REFUNDING AND REDEMPTION OPPORTUNITIES**

An optional redemption of the Series 2013 Bonds in the amount of \$115,000 was executed on July 1, 2023 through direction by the County. The source of the funds used towards the redemption was an accumulation of surplus revenues, earnings and the excess balance within the Administrative Expense Fund. In accordance with terms of the Indenture, the Administrator will continue to monitor opportunities for optional redemption of the Series 2013 Bonds.

MuniCap, Inc. (the “Administrator”) completed an analysis of refunding options for the Series 2013 Bonds during Fiscal Year 2021-2022. Based on that analysis and the interest rate environment at that time, a refunding of the Series 2013 Bonds was not deemed to be prudent. Should the County wish for the Administrator to complete an updated analysis of the refunding options for the Series 2013 Bonds, please provide such authorization.

## **SPECIAL TAX REQUIREMENT**

Pursuant to the Rate and Method, the Special Tax Requirement for any fiscal year shall be estimated by the Administrator and determined by the County Council. The amount of the Special Tax Requirement shall be equal to:

(A) the sum of the following: (1) debt service and other periodic costs (including deposits to any sinking funds) on the Series 2013 Bonds due in the calendar year commencing in such fiscal year, (2) administrative expenses, (3) any amount required to replenish any reserve fund established in association with any Series 2013 Bonds, (4) an amount equal to the estimated delinquencies expected in payment of the special tax not otherwise taken into account, as determined by the Administrator, and (5) the costs of remarketing, credit enhancement and liquidity facility fees (including such fees for instruments that serve as the basis of a reserve fund related to any indebtedness in lieu of cash), minus (B) any credit such as capitalized interest or investment earnings on account balances pursuant to the Indenture.

Table A on the following page provides a summary of the Special Tax Requirement for Fiscal Year 2024-2025. The Special Tax Requirement is explained in the following sections.

**Table A**

*Debt Service*

Debt service on the Series 2013 Bonds includes interest payable on January 1, 2025 and July 1, 2025. Each interest payment is in the amount of \$204,500, which is equal to six months of interest on the bonds shown in Table B below.

**Table B**  
**Semi-Annual Interest Payments**

|   |                  |
|---|------------------|
| Serial 2025 Bonds of \$810,000 at 5.00% | \$20,250         |
| Term 2032 Bonds of \$7,370,000 at 5.00% | \$184,250        |
| <b>Total</b>                            | <b>\$204,500</b> |

A principal payment in the amount of \$810,000 is due on July 1, 2025. As a result, total debt service due on the Series 2013 Bonds for Fiscal Year 2024-2025 is equal to \$1,219,000 (\$204,500 + \$204,500 + \$745,000 = \$1,219,000).

*Administrative Expenses*

Administrative expenses include the estimated expenses of the Trustee, the County, and the Administrator. The annual charges of the Trustee are estimated to be \$3,750 and the annual expenses of the County are estimated to be \$10,000 for Fiscal Year 2024-2025.

According to the Agreement for Administrative Services between the Administrator and the County, the Administrator’s maximum annual fee of \$10,500 may be increased annually after Fiscal Year 2003 to reflect changes in the Consumer Price Index (CPI), subject to the approval of the County. The maximum annual fee of the Administrator for Fiscal Year 2024-2025, as adjusted for inflation, is \$17,700. Accordingly, total administrative expenses for Fiscal Year 2023-2024 are equal to \$31,450 (\$3,750 + \$10,000 + \$17,700 = \$31,450).

### *Contingency*

A contingency of approximately 3.55% of annual expenses has been added to the budget in the event that there are unanticipated expenses or special tax delinquencies.

### *Reserve Fund Investment Income*

Pursuant to Section 1.01 of the Indenture, the Reserve Requirement equals the lesser of (i.) 10% of the original proceeds of the Series 2013 Bonds (ii.) 125% of the average annual debt service on the Series 2013 Bonds as the date of issuance, or (iii.) the maximum annual debt service on the outstanding Series 2013 Bonds. According to the Official Statement, at the time the Series 2013 Bonds were issued, the average annual debt service on the Series 2013 Bonds was equal to \$1,166,287. As a result, the Reserve Requirement is equal to \$1,457,858 ( $\$1,166,287 \times 125\% = \$1,457,858$ ).

As of February 29, 2024, the balance in the Reserve Fund was equal to \$1,550,192, which includes the Reserve Requirement of \$1,457,858 and \$92,334 in investment income previously posted to the account.

### *Surplus from Prior Year*

The estimated surplus that may be applied to pay debt service and administrative expenses in Fiscal Year 2024-2025 is shown in Table C on the following page. As shown in Table C, the estimate surplus from Fiscal Year 2023-2024 is equal to \$149,868.

Remaining expenses to be paid for Fiscal Year 2023-2024 include the debt service due on the Series 2013 Bonds on July 1, 2024 and remaining administrative expenses. The debt service payment due on July 1, 2024 includes an interest payment in the amount of \$223,125 and a principal payment in the amount of \$745,000. As a result, total debt service due on the Series 2013 Bonds on July 1, 2024 is equal to \$968,125 ( $\$223,125 + \$745,000 = \$968,125$ ).

As of February 29, 2024, the balance in the Administrative Expense Fund was equal to \$20,586. Administrative expenses for Fiscal Year 2023-2024 were estimated to be equal to \$30,850. As of February 29, 2024, Fiscal Year 2023-2024 administrative expenses totaling \$4,281 have been paid by the Trustee, resulting in remaining prior year administrative expenses in the amount of \$26,569 ( $\$30,850 - \$4,281 = \$26,569$ .) As a result, the current balance in the Administrative Expense Fund of \$20,586 will be made available to pay the remaining prior year administrative expenses.

| Available balance of Debt Service Fund as of February 29, 2024               | (\$592,593)          |
| Available balance of the Administrative Expense Fund as of February 29, 2024 | (\$20,586)           |
| Available balance of the Reserve Fund as of February 29, 2024                | (\$92,334)           |
| <b>Total available funds</b>   | <b>(\$1,144,561)</b> |
| <b>Surplus from prior year</b>   | <b>(\$149,868)</b>   |

Special taxes in the amount of \$1,197,002 were billed in Fiscal Year 2023-2024. The County reports that as of March 27, 2024, special taxes in the amount of \$1,189,041 have been collected. Of this amount, \$749,992 has been transferred to the Trustee as of February 29, 2024 and the remaining collected special taxes of \$439,049 are anticipated to be transferred to the Trustee prior to the next debt service payment on July 1, 2024. As of March 27, 2024, the County reports that the uncollected balance of Fiscal Year 2023-2024 special taxes was equal to \$7,961. For purposes of calculating the surplus from the prior year, the uncollected balance of \$7,961 has been excluded.

As of February 29, 2024, the balance in the Debt Service Fund was equal to \$592,593. As previously stated, there is \$92,334 in investment income in the Reserve Fund that may be used for the payment of debt service on the Series 2013 Bonds. These funds will be made available to pay a portion of the debt service on July 1, 2024.

The funds available to pay remaining Fiscal Year 2023-2024 expenses exceed the remaining expenses by \$149,868 ( $\$1,144,561 - \$994,694 = \$149,868$ ) for Fiscal Year 2023-2024. As a result, an aggregate surplus of \$149,868 is estimated to be available for the payment of a portion of the Fiscal Year 2024-2025 expenses.

#### *Summary of the Special Tax Requirement*

Total expenses for the Series 2013 Bonds are estimated to be \$1,294,868 for Fiscal Year 2024-2025. Funds available to pay these expenses, other than special taxes, are estimated to be \$149,868, resulting in a Special Tax Requirement of \$1,145,000 ( $\$1,294,868 - \$149,868 = \$1,145,000$ ) for Fiscal Year 2024-2025.

## METHOD OF LEVYING THE SPECIAL TAX

### *Classification of Property*

Special taxes are to be levied each year based on the classification of property in the District. The Rate and Method specifies the following classifications for property in the District:

- I. Public Property
- II. Homeowner Association Property
- III. Taxable Property:
  - A. Developed Property:
    - 1. Townhouse
    - 2. Single-family
  - B. Undeveloped Property

Public property and homeowner association property (*i.e.*, property owned by an association) are not subject to special taxes. Undeveloped and developed property are subject to special taxes, as described in the balance of this report.

Pursuant to the Rate and Method, property is classified for each fiscal year based on its status as of the Date of Classification. The Rate and Method defines developed property as property for which a building permit has been issued as of the Date of Classification. The Rate and Method defines undeveloped property to include all taxable property that is not classified as developed property.

As of the Date of Classification, building permits have been issued for all 784 parcels of taxable property in the District. As a result, 784 parcels will be classified as developed property for Fiscal Year 2024-2025.

### *Maximum Special Tax Rates*

Pursuant to the Rate and Method, the Maximum Special Tax for any fiscal year for each parcel of developed property shall be the greater of (i) the assigned special tax and (ii) the backup special tax for the parcel. Prior to the completion of construction, the Rate and Method provides for special taxes to be levied on each parcel of developed property at the assigned special tax rate for each class of property. Per the Certificates of Completion for the Prior Bonds, dated June 29, 2006, and filed with the Trustee, the public improvements are complete. Accordingly, the Maximum Special Tax for Fiscal Year 2024-2025 shall be equal to the greater of the assigned special tax and the backup special tax. The aggregate assigned special tax for Fiscal Year 2024-2025 is equal to \$1,553,694. The aggregate backup special tax for Fiscal Year 2023-2024 is equal to approximately \$1,401,556. As a result, the Maximum Special Tax for Fiscal Year 2024-2025 shall be the assigned special tax.

Pursuant to Section I of the Rate and Method, the assigned special tax rates were reduced to \$1,117 for townhouse units and \$1,816 for single-family units for Fiscal Year 2004-2005 by an Executive Order signed by the County Executive. According to Section B of the Rate and Method, the assigned special tax rates are to increase by two percent each year. Therefore, the assigned special tax rates in effect for Fiscal Year 2024-2025 are equal to 102% of the special tax rates for Fiscal Year 2023-2024. Accordingly, as shown in Table D below, the assigned special tax rates for Fiscal Year 2024-2025 are \$1,660 for townhouse units and \$2,698 for single-family units.

**Table D**  
**Assigned Special Tax Rates**

| <b>Property Classification</b> | <b>Assigned Special Tax Rates</b> |
|--------------------------------|-----------------------------------|
| Townhouse                      | \$1,659.83                        |
| Single-family                  | \$2,698.46                        |

*Undeveloped Property Special Tax Rates*

Special taxes are levied on undeveloped property up to the Maximum Special Tax for such property, to the extent necessary to fund the Special Tax Requirement after taking into account the special taxes levied on developed property. There are no parcels of undeveloped property within the District. As a result, special taxes will not be levied on parcels of undeveloped property for Fiscal Year 2024-2025.

*Special Tax Roll*

The Special Tax Requirement for Fiscal Year 2024-2025 is equal to \$1,145,000. Special taxes will be levied proportionately on each parcel of developed property at a proportionate rate of 73.6953441296132% of the assigned special tax rates for developed property. The proportionate rate is calculated by dividing the Special Tax Requirement (\$1,145,000) by the total assigned special tax (\$1,553,694). As shown in Appendix A, this results in a special tax per unit of \$1,223.22 ( $\$1,659.83 \times 73.6953441296132 = \$1,223.22$ ) for townhouse units and \$1,988.64 ( $\$2,698.46 \times 73.6953441296132\% = \$1,988.64$ ) for single-family units.

As shown in Appendix B, there are a total of 813 parcels in the District, of which 29 are classified as either Public Property or Homeowner Association Property. As a result, there are 784 parcels of taxable property. According to the offering documents, the developer planned to build 784 units in the District. Final plats of subdivision have been recorded for all 784 parcels of taxable property to be built in the District. Table E below summarizes the special taxes levied on the 784 parcels of taxable property by unit type and property class for Fiscal Year 2024-2025.
