## **Annual Special Tax Report Fiscal Year 2024-2025**

### **INTRODUCTION**

The Anne Arundel County, Maryland Special Tax District Bonds (Farmington Village Project), Series 1998A (the “Series 1998A Bonds”) were issued to finance certain public improvements benefitting the Farmington Village Special Taxing District (the “District”). Anne Arundel County, Maryland (the “County”) issued the \$18,165,000 Consolidated Special Tax Refunding Bonds (the Villages of Dorchester and Farmington Village Projects), Series 2013 (the “Series 2013 Bonds”), of which \$4,280,000 was allocated to the Farmington Village to refund and defease \$5,083,000 of outstanding Series 1998A Bonds. The Series 2013 Bonds were issued pursuant to Article 24, Section 9-1301 of the Annotated Code of Maryland, as amended, Section 4-8-101 through 4-8-106, inclusive, of the Anne Arundel County Code (2005, as amended), Section 24 of Article 31 of the Annotated Code of Maryland, as amended and Bill No. 81-12, passed by the County Council of the County on November 5, 2012, signed by the County Executive of the County on November 13, 2012, and effective on December 28, 2012 (the “Ordinance”), and pursuant to an Indenture of Trust by and between the County and Wilmington Trust (formerly Manufacturers and Traders Trust Company), as trustee (the “Trustee”), dated as of April 1, 2013 (the “Trust Indenture”). The Series 2013 Bonds are to be repaid from special taxes levied on the taxable property in the District.

Pursuant to the Rate and Method of Apportionment of Special Taxes for the District (the “Rate and Method”), commencing with Fiscal Year 1998-1999 and for each following fiscal year, the County Council shall determine the Special Tax Requirement (defined herein) for the applicable fiscal year and shall levy the special tax as provided for in the Rate and Method, until the aggregate amount of the levy equals the Special Tax Requirement for such fiscal year. Special taxes are to be levied and collected each fiscal year in the District pursuant to Resolution 2-98 adopted by the County Council of Anne Arundel County on February 17, 1998. The rates and method to be used in levying the special taxes are provided for in Exhibit C to the Resolution — the Rate and Method for the District. Capitalized terms not defined herein shall have the same meaning set forth in the Rate and Method.

This report has been prepared to explain the methodology used to calculate the special tax rates at which taxable property will be taxed in the District for Fiscal Year 2024-2025. The special tax rates for Fiscal Year 2024-2025 are shown in Appendix A, attached hereto. The special tax levied on each parcel in the District is shown in Appendix B, attached hereto. The special tax levied on each parcel is based on the parcel’s classification as of the Date of Classification (defined herein) and the special tax rates shown in Appendix A. The special tax has been prepaid for 13 parcels in the District. These parcels are shown to have a prepaid special tax in Appendix B.

**REDEMPTION OF THE SERIES 2013 BONDS**

The Series 2013 Bonds allocated to Farmington Village are scheduled to reach final maturity on July 1, 2025. As further described herein, available funds in the trust estate, together with special taxes billed and collected for Fiscal Year 2023-2024, are expected to be made available and sufficient to repay the Series 2013 Bonds in full on July 1, 2024. Accordingly, no special taxes are required to be billed for Fiscal Year 2024-2025. As further evidenced in this report and summarized below, based on the current balances and pending collections of Fiscal Year 2023-2024 special taxes, the Series 2013 Bonds allocated to Farmington Village could be redeemed in full on July 1, 2024. Such optional redemption of the 2013 Bonds is permitted in accordance with Section 3.01(a) of the Trust Indenture.

**2013 Bond Redemption Funding**

<b>Bond Expenses:</b>	
Interest Due 7/1/24	\$22,000.00
Principal Due 7/1/24	\$880,000.00
<b>Total Redemption</b>	<b>\$902,000.00</b>
<b>Funds on Hand:</b>	
Debt Service Account	(\$269,125.25)
Reserve Fund	(\$532,057.55)
<b>Available Credit</b>	<b>(\$801,182.80)</b>
<b>Funds to be Collected:</b>	
FY23-24 Special Taxes	(\$194,708.71)
<b>Pending Credit</b>	<b>(\$194,708.71)</b>
<b>Deficit / (Surplus)<sup>1</sup></b>	<b>(\$93,891.51)</b>

<sup>1</sup>Surplus following bond redemption available to the County.

If the County would like to realize interest savings by redeeming the 2013 Bonds on July 1, 2024, please provide the necessary direction to MuniCap to proceed as notice to the Trustee and bondholders will be required.

**SPECIALTAX REQUIREMENT**

Pursuant to the Rate and Method, the Special Tax Requirement for any fiscal year shall be estimated by the Administrator and determined by the County Council. The amount of the Special Tax Requirement shall be equal to:

- (A) the sum of the following: (1) debt service and other periodic costs (including deposits to any sinking funds) on the Series 2013 Bonds to be paid from the special taxes collected in such fiscal year, (2) administrative expenses, (3) any amount required to replenish any reserve fund established in association with any Series 2013 Bonds, (4) an amount equal to the estimated delinquencies expected in payment of the special tax not otherwise taken into account, as determined by the

Administrator, and (5) the costs of remarketing, credit enhancement and liquidity facility fees (including such fees for instruments that serve as the basis of a reserve fund related to any indebtedness in lieu of cash), minus (B) any credit such as capitalized interest or investment earnings on account balances pursuant to the Indenture.

Table A below provides a summary of the Special Tax Requirement for Fiscal Year 2024-2025. The components of the Special Tax Requirement are explained in the following subsections.

**Table A**  
**Special Tax Requirement**

<b>Expenses:</b>	
Debt service:	
Interest payment due on January 1, 2025	\$9,750
Interest payment due on July 1, 2025	\$9,750
Principal payment due on July 1, 2025 <sup>1</sup>	\$390,000
<i>Subtotal debt service</i>	<i>\$409,500</i>
Administrative expenses for Fiscal Year 2024-2025	\$33,750
Contingency	\$26,024
<b>Total expenses</b>	<b>\$469,274</b>
<b>Available Funds:</b>	
Surplus from prior year <sup>2</sup>	( <b>\$469,274</b> )
<b>Total available funds</b>	<b>(<b>\$469,274</b>)</b>
<b>Special Tax Requirement</b>	<b>\$0.00</b>

<sup>1</sup>The July 1, 2025 principal payment amount was included among the expenses in the Fiscal Year 2023-2024 assessment levy in preparation of the July 1, 2024 early redemption.

<sup>2</sup>Sources of the surplus from prior year are detailed in Table C. These sources include Fiscal Year 2023-2024 special taxes yet to be remitted, as well as the balances of the Debt Service Fund, Administrative Expense Fund, and Reserve Fund as of February 29, 2024.

#### *Debt Service*

Debt service on the Series 2013 Bonds includes interest payable on January 1, 2025 and July 1, 2025. The semi-annual interest payments are equal to six months of interest on the outstanding principal of \$390,000 are shown in Table B below.

**Table B**  
**Semi-Annual Interest Payments**

Term 2025 Bonds of \$390,000 at 5.00%	\$9,750
<b>Total</b>	<b>\$9,750</b>

As previously mentioned, the Series 2013 Bonds are scheduled to reach final maturity on July 1, 2025. The scheduled principal payment due on the Series 2013 Bonds on July 1, 2024 of \$490,000, together with the final scheduled principal payment due on the Series 2013 Bonds on

July 1, 2025 of \$390,000, are expected to be paid on July 1, 2024. Following these payments, the Series 2013 Bonds will be repaid in full.

### *Administrative Expenses*

Administrative expenses include the estimated annual expenses of the Trustee, the County and the Administrator. The annual charges of the Trustee are estimated to be \$3,750 and the annual expenses of the County are estimated to be \$10,000 for Fiscal Year 2024-2025.

According to the Agreement for Administrative Services between the Administrator and the County, the Administrator's maximum annual fee of \$10,500 may be increased annually after Fiscal Year 2000 to reflect changes in the Consumer Price Index, subject to the approval of the County. The maximum annual fee of the Administrator for Fiscal Year 2024-2025, as adjusted for inflation, is equal to \$20,000. Accordingly, total administrative expenses for Fiscal Year 2023-2024 are equal to \$33,750 ( $\$3,750 + \$10,000 + \$20,000 = \$33,750$ ).

### *Contingency*

A contingency of approximately 5.55% of annual expenses, has been added to the budget in the event that there are unanticipated expenses or special tax delinquencies. To the extent this amount isn't used, it is expected to be made available to pay the administrative expenses associated with the repayment of the Series 2013 Bonds, the satisfaction of any requirements under the Trust Indenture and the dissolution of the District.

### *Reserve Fund*

Pursuant to Section 1.01 of the Indenture, the Reserve Requirement is equal to the lessor of (i.) 10% of the original proceeds of the Series 2013 Bonds (ii.) 125% of the average annual debt service on the Series 2013 Bonds as the date of issuance, or (iii.) the maximum annual debt service on the outstanding Series 2013 Bonds. According to the Official Statement, at the time the Series 2013 Bonds were issued, the original proceeds of the Series 2013 Bonds were equal to \$4,868,631. As a result, the Reserve Requirement was equal to \$486,863 ( $\$4,868,631 \times 10\% = \$486,863$ ). However, in accordance with the Indenture, the Reserve Requirement was decreased by \$3,100 to account for the reserve fund credits provided as the result of homeowner prepayments. The current Reserve Requirement, as adjusted for the prepayment of special taxes, is equal to \$483,763 ( $\$486,863 - \$3,100 = \$483,763$ ).

Pursuant to Section 4.05(e) of the Indenture, if on any date the balance on deposit in the Reserve Fund is sufficient to pay the principal of and interest on all Series 2013 Bonds secured thereby until the maturity or redemption date of such Bonds, the Trustee shall transfer such amount to the Debt Service Fund and give notice to the County. The Series 2013 Bonds may be redeemed prior to maturity on or after July 1, 2023. As mentioned previously, the final scheduled principal payment due on the Series 2013 Bonds on July 1, 2025 is equal to \$390,000. Accordingly, the Reserve Requirement of \$483,763, along with the interest earnings of \$48,295, are expected to be transferred from the Reserve Fund to the Debt Service Fund and applied to redeem the then outstanding Series 2013 Bonds on July 1, 2024. This available balance of \$532,058 ( $\$483,763 + \$48,295$ ) is referenced in Table C.

*Surplus from Prior Year*

The estimated surplus that may be applied to pay debt service and administrative expenses in Fiscal Year 2024-2025 is shown in Table C on the following page. As shown in Table C, the estimated surplus from Fiscal Year 2023-2024 is equal to \$469,274.

Remaining expenses to be paid for Fiscal Year 2023-2024 include the debt service due on the Series 2013 Bonds on July 1, 2024 and the remaining administrative expenses. The debt service payment due on July 1, 2024 consists of an interest payment in the amount of \$22,000 and a principal payment in the amount of \$490,000.

Administrative expenses for Fiscal Year 2023-2024 were estimated to be equal to \$32,750. As of February 29, 2024, administrative expenses in the amount of \$3,456 have been paid by the Trustee. Accordingly, the remaining administrative expenses for Fiscal Year 2023-2024 are estimated to be equal to \$29,294 ( $\$32,750 - \$3,456 = \$29,294$ ).

**Table C**  
**Surplus from Prior Year**

<b>Remaining Expenses:</b>	
Debt service:	
Interest payment due on July 1, 2024	\$22,000
Principal payment due on July 1, 2024	\$490,000
<i>Subtotal debt service</i>	<i>\$512,000</i>
Remaining administrative expenses for Fiscal Year 2023-2024	\$29,294
<b>Total remaining expenses</b>	<b>\$541,294</b>
<b>Available Funds:</b>	
Fiscal Year 2023-2024 special taxes to be transferred to the Trustee	(\$194,709)
Available balance of the Debt Service Fund as of February 29, 2024	(\$269,125)
Available balance of the Administrative Expense Fund as of February 29, 2024	(\$14,677)
Available balance of the Reserve Fund as of February 29, 2024	(\$532,058)
<b>Total available funds</b>	<b>(\$1,010,568)</b>
<b>Surplus from prior year</b>	<b>(\$469,274)</b>

Special taxes in the amount of \$480,000 were billed in Fiscal Year 2023-2024. As of March 27, 2024, the County reports that special taxes in the amount of \$478,737 have been collected. Of this amount, \$284,028 has been transferred to the Trustee through February 29, 2024. The remaining collected special taxes of \$194,709 are anticipated to be transferred to the Trustee prior to the next debt service payment on July 1, 2024. As of the same date, the County reports that the uncollected balance of Fiscal Year 2023-2024 special taxes was equal to \$1,262. For purposes of calculating the surplus from the prior year, the uncollected balance of \$1,262 has been excluded.

As of February 29, 2024, the balance in the Debt Service Fund was equal to \$269,125 and the balance of the Administrative Expense Fund was equal to \$14,677.

As of February 29, 2024, the balance in the Reserve Fund was equal to \$532,058, which includes the Reserve Requirement of \$483,763 and \$48,295 in investment income previously posted to the fund. These funds will be made available on July 1, 2024 to assist in repaying the Series 2013 Bonds in full.

The funds available to pay remaining Fiscal Year 2022-2023 expenses exceed the remaining expenses by \$469,274 ( $\$1,010,568 - \$541,294 = \$469,274$ ). As a result, an aggregate surplus of \$469,274 is estimated to be available for Fiscal Year 2024-2025 expenses.

*Summary of the Special Tax Requirement*

Total District expenses to be paid from special taxes collected in Fiscal Year 2024-2025 are estimated to be \$469,274. Funds available to pay these expenses, other than special taxes, are estimated at \$469,274, resulting in a Special Tax Requirement of \$0 for Fiscal Year 2024-2025.

## **METHOD OF LEVYING THE SPECIAL TAX**

*Classification of Property*

Special taxes are to be levied each year based on the classification of property in the District. The Rate and Method specifies the following classifications for property in the District:

- I. Public Property
- II. Homeowner Association Property
- III. Taxable Property:
  - A. Developed Property:
    - 1. Town Homes
    - 2. Small Single Family
    - 3. Large Single Family
  - B. Undeveloped Property

According to the Rate and Method, public property and homeowner association property (*i.e.*, property owned by an association) are not subject to special taxes. Undeveloped property and developed property are subject to special taxes, as described in the balance of this report.

Property is classified for each fiscal year based on its status as of the Date of Classification. The Rate and Method defines developed property as property for which a building permit has been issued as of the Date of Classification. The Rate and Method defines undeveloped property to include all taxable property that is not classified as developed property.

As of the Date of Classification, building permits have been issued for all 448 parcels of taxable property in the District, 13 of which have been prepaid. As a result, there are no parcels of undeveloped property within the District. Appendix B, attached hereto, provides the special tax levy towards the 435 ( $448 - 13 = 435$ ) parcels of taxable developed property within the District for Fiscal Year 2024-2025. As previously explained, the special tax levy is \$0 for Fiscal Year 2024-2025.

### *Maximum Special Tax Rates*

The Rate and Method provides for special taxes to be levied proportionately on each parcel of developed property up to the maximum special tax for such property, to the extent necessary to fund the Special Tax Requirement.

Table D below shows the maximum special tax rates for Fiscal Year 2023-2024. The maximum special tax rates would generate an aggregate maximum special tax equal to \$787,674 for Fiscal Year 2024-2025. However, as described herein, no Special Tax Requirement has been calculated for Fiscal Year 2024-2025.

**Table D**  
**Maximum Special Tax Rates**

<b>Property Classification</b>	<b>Maximum Special Tax Rate</b>
Town Home	\$1,035.84 per unit
Small Single Family	\$1,917.74 per unit
Large Single Family	\$2,657.39 per unit

As outlined in the preceding section, the Special Tax Requirement for Fiscal Year 2024-2025 is equal to \$0. As a result, special taxes do not need to be levied for Fiscal Year 2024-2025.

### **SUMMARY**

Appendix A includes the special tax rates for each property classification in the District for Fiscal Year 2024-2025. Appendix B lists the parcels of taxable property in the District, the classification of each parcel, and the special taxes to be levied on each parcel for Fiscal Year 2024-2025. As previously mentioned, available funds in the trust estate, together with special taxes billed and collected for Fiscal Year 2023-2024, are expected to be made available to repay the Series 2013 Bonds in full on July 1, 2024. Accordingly, no special taxes are required to be billed for Fiscal Year 2024-2025, as enough funds are currently available to repay the Series 2013 Bonds in full on July 1, 2024.
