A public meeting has been scheduled on Tuesday, June 11 to discuss plans to build a sidewalk to connect two spurs along Old Mill Road.

During the meeting, DPW will discuss construction of the sidewalk, as well signals and pedestrian ramps at the intersections of Old Mill Road and Old Mill Boulevard, and Old Mill Road and Kenora Drive. This will complete the network of pedestrian access to the new school and provide safe crossings of Old Mill Road. No road closures are anticipated, but there will be single lane closures with flagging operations when needed. Construction is expected to start in June and be completed by August. This meeting will be audio recorded.
