

## **Riedel Road Community Responses**

### **Pedestrian Crossing on Riedel Rd north of Vineyard Ln:**

Select your preferred pedestrian crossing improvement:

Option 1	Signage improvements: Upgrade warning signs, remove extra signs and install "Stop Here to Cross" signs
Option 2	Pavement marking improvements: On-pavement warning markings, rumble strips
Option 3	Beacons and flashing signs: Pedestrian activated warning signs/beacons
Option 4	All the above

		Percent
Option 1	19	7.1%
Option 2	6	2.2%
Option 3	48	18.0%
Option 4	193	72.3%
Blank	1	0.4%
	267	100.0%

### **Bike Symbols/Bike Lane Implementation:**

*Riedel Road is scheduled for road resurfacing this coming construction season (2024). The extent of the resurfacing project is from Hamden Ct to MD 3. The resurfacing project provides an excellent opportunity to implement pavement marking changes. One change being considered is the installation of bike symbols on shoulders, thus creating bike lanes.*

Option 1	Do you support the creation of bike lanes? Yes, No
Option 2	Do you support the elimination of parking along Riedel Road? Yes, No
Option 3	Do you support the creation of wider parking lanes? Yes, No
Option 4	Do you support the use of wider white lines? Yes, No
Option 5	Do you support the reduction of the travel lanes? Yes, No
Option 6	Do you support the elimination of the center turn lane? Yes, No
