7  
8 SECTION 1. *Be it enacted by the County Council of Anne Arundel County, Maryland,*  
9 That in connection with the issuance by Anne Arundel County, Maryland (the “County”)  
10 of the bonds hereinafter authorized, (i) the STATEMENT OF POLICY adopted by Bill  
11 No. 70-66 is hereby reaffirmed as it applies to the issuance of the bonds authorized hereby,  
12 and as clarified herein, and restated below as so clarified, for the information of the public  
13 and for the guidance of the County Executive of the County (the “County Executive”) or  
14 the Chief Administrative Officer of the County (the “Chief Administrative Officer”), as the  
15 case may be, in exercising the authority hereby conferred on him, and (ii) the following  
16 FINDINGS OF FACT are hereby adopted for the purpose of demonstrating compliance  
17 with the requirements and limitations of The Anne Arundel County Charter (the “County  
18 Charter”) on the borrowing of money and the issuance of bonds by the County, in evidence  
19 thereof:

#### 20 21 **STATEMENT OF POLICY**

22  
23 (1) It is essential that the County continue to provide, in timely fashion, the public  
24 facilities necessary to serve its population, which has increased significantly in recent  
25 years, while at the same time retaining and supporting substantial rural and agricultural  
26 elements of the County’s economy which enable the County to enjoy the benefits of a  
27 balanced and diverse economy. All or a portion of the cost of such facilities will have to  
28 be financed through the borrowing of money by the County on a reasonably long-term  
29 basis in order that the burden of such cost may be equitably apportioned among present  
30 and future taxpayers. However, it is equally essential that the credit standing of the County  
31 be preserved and, if possible, improved to the end that the cost of borrowing money by the  
32 County will not be unduly burdensome. To aid in achieving these basic objectives, the  
33 County Executive or the Chief Administrative Officer, as the case may be, shall, to the  
34 maximum extent possible, exercise the authority hereby conferred upon him within the  
35 following guidelines as well as within the fixed limitations prescribed herein and in the  
36 County Charter.

37  
38 (2) Sales of bonds hereunder shall be spaced at least six (6) months apart when  
39 practicable; provided, however, that bonds may be sold hereunder at such other intervals  
40 as the County Executive, or the Chief Administrative Officer, as the case may be, may  
41 deem advisable due to financial or market conditions prevailing at the time.

42  
43 (3) To provide an adequate flow of funds for capital projects, to limit amounts borrowed  
44 to the costs incurred for such projects, and to facilitate the selection of the most  
45 advantageous times for the sale of bonds, bond anticipation notes may be sold for such  
46 projects from time to time, repayable from the proceeds of the appropriate series of such  
47 bonds, when issued.

1 (4) The authority hereby conferred shall be so exercised that the estimated maximum  
2 annual debt service obligation resulting therefrom plus current debt service payable by the  
3 County on outstanding obligations does not exceed an amount equal to twenty percent  
4 (20%) of the estimated net amount of all direct and indirect revenues of the County for the  
5 current fiscal year, including utility revenues, calculated by subtracting from gross  
6 revenues all debt service withheld or to be withheld by the State or any agency thereof  
7 during such fiscal year.

8  
9 (5) All bonds issued and sold by the County hereunder shall be unconditional general  
10 obligation bonds of the County within the limitations of indebtedness set forth below as  
11 prescribed by the County Charter and the ordinances enacted pursuant thereto. Before any  
12 such bonds are issued for revenue producing projects of water or wastewater utilities, the  
13 County Executive, or the Chief Administrative Officer if authorized by the County  
14 Executive, shall determine that the estimated revenues of such projects, or the actual and  
15 estimated revenues of such projects and the utilities of which they are a part, are, or will  
16 be, sufficient to pay the cost of operation and maintenance of such projects and the  
17 maturing principal of and interest on all indebtedness incurred with respect thereto,  
18 including such bonds. The authorization herein of general obligation bonds of the County  
19 for revenue producing projects shall not be construed to preclude the County Council from  
20 authorizing in the future the issuance of bonds payable solely from the revenues of similar  
21 projects or utilities.

22  
23 (6) Pursuant to resolutions adopted by the County Council from time to time, as the  
24 same may be amended and supplemented, the County has adopted a debt management  
25 policy (the "Debt Management Policy") that shall constitute the local debt policy of the  
26 County required by Section 17-207 of the Local Government Article of the Annotated Code  
27 of Maryland (2013 Replacement Volume and 2023 Supplement). The validity of any  
28 proceedings or action taken pursuant to this Ordinance shall not be limited by or otherwise  
29 impaired by the Debt Management Policy.

3 (1) The bond anticipation notes authorized by Section 6 hereof and bonds authorized  
4 by Section 2 hereof are to be issued to finance in whole or in part certain of the capital  
5 projects or classes of projects included in the capital budget for the fiscal year 2024, or in  
6 capital budgets for prior fiscal years. With respect to such projects, the amount of borrowed  
7 funds to be expended thereon, together with the funds shown as available from other  
8 sources, are estimated to be sufficient to complete usable portions thereof, but if any such  
9 funds from other sources, intended to defray in part the cost of any such project, shall  
10 become unavailable, the County Executive shall either (i) direct the abandonment of any  
11 such project if, in his judgment, the unavailability of funds from other sources would render  
12 any such project unusable or (ii) recommend an appropriate amendment of the Capital  
13 Budget, as provided in Sections 711 and 716 of the County Charter. The balances  
14 remaining to the credit of a completed or abandoned capital project for which bond  
15 anticipation notes or bonds have been issued shall be available for appropriation by the  
16 County Council in a subsequent capital budget, as provided in the County Charter.

17  
18 (2) No series of bond anticipation notes authorized by Section 6 hereof or bonds  
19 authorized by Section 2 hereof shall be issued hereunder with a final maturity date  
20 extending beyond the expiration of the probable useful life, or the average probable useful  
21 lives, of the capital project or projects for which such series of bond anticipation notes or  
22 bonds are issued, accounting from the date of issue of such series of bond anticipation notes  
23 or bonds. The provisions of Section 2(5) hereof shall apply to the consolidation of series  
24 of bonds as permitted therein.

25  
26 (3) No series of Refunding Bonds authorized by Section 3 hereof shall be issued  
27 hereunder with a final maturity date extending beyond the earliest to occur of (i) the  
28 thirtieth (30<sup>th</sup>) anniversary of the date of issuance of the bonds to be refunded from the  
29 proceeds of the Refunding Bonds being issued and (ii) the latest maturity date that would  
30 have been permitted for the Refunded Bonds (hereinafter defined). Prior to the delivery of  
31 any Refunding Bonds hereunder, the County Executive, or the Chief Administrative  
32 Officer if authorized by the County Executive, shall deliver a written certificate stating that  
33 the maturity schedule of any series of Refunding Bonds issued hereunder complies with

35 conclusion is based.

36  
37 (4) The table attached to this Ordinance as Exhibit I and incorporated herein by this  
38 reference lists (a) the capital projects, which appear in the capital budget of the County for  
39 fiscal year 2025, or in the capital budgets for prior fiscal years, which are to be financed in  
40 whole or in part with the proceeds of bond anticipation notes authorized by Section 6  
41 hereof, bonds authorized by Section 2 hereof, with the reallocation of balances remaining  
42 to the credit of completed or abandoned capital projects for which bond anticipation notes  
43 or bonds were previously issued or for which funds were previously provided from other  
44 sources or bond premium, consisting of net bond proceeds from the sale of bonds sold at a  
45 price above par, (b) the estimated cost of a usable portion of each project or class of  
46 projects, including capitalized interest on borrowed funds as herein authorized, (c) the  
47 portion of such costs of each such project or class of projects to be financed hereunder, (d)  
48 the source or sources of funds to finance the balance of the cost of each such project or  
49 class of projects, (e) and the probable useful life of each such project or the average of the

1 probable useful lives of each such class of projects. Totals listed in Exhibit I may not foot  
2 due to rounding. Further, the first group of projects included in Exhibit I are those which  
3 are not revenue producing, and the second group of projects are those which it is estimated  
4 will generate or have available net revenues sufficient to pay all or a portion of the debt  
5 service on the borrowing therefor. In lieu of issuing all or any part of the bonds or bond  
6 anticipation notes authorized to be issued by Sections 2 and 6, respectively, of this  
7 Ordinance to finance all or part of a capital project, the County Executive, or the Chief  
8 Administrative Officer if authorized by the County Executive, may, at his discretion apply  
9 to such project balances remaining to the credit of any completed or abandoned capital  
10 projects for which bond anticipation notes or bonds were previously issued or for which  
11 funds were previously provided from other sources, but only to the extent that bond  
12 anticipation notes or bonds are authorized to be issued therefor in this Ordinance, such  
13 expenditure of such balances or bond premium being within the appropriation established  
14 for such project in the applicable capital budget or budgets; provided, however, that such  
15 balances or bond premium shall not be applied in a manner that would adversely affect the  
16 exemption from federal income taxation of the interest on any bond anticipation notes or  
17 bonds to which such balances are attributable.

18  
19 (5) Bond premium generated from the issuance of any County bonds shall be expended  
20 on capital improvements in accordance with Section 720(b) of the County Charter and as  
21 otherwise prescribed by law.

22  
23 (6) Participation by the County in any county transportation bonds issued by the  
24 Maryland Department of Transportation shall not result in any reduction in the amount of  
25 bonds or bond anticipation notes authorized and deemed to be unissued under this  
26 Ordinance.

27  
28 SECTION 2. *And be it further enacted*, That for the purpose of paying the portion of  
29 the cost of the capital projects described in Section 1 hereof and Exhibit I hereto, to be paid  
30 from borrowed funds, or for the purpose of redeeming outstanding bond anticipation notes  
31 or bond anticipation notes issued hereunder, the issuance and sale by the County, of not  
32 exceeding One Billion Five Hundred Eighteen Million Seven Hundred Five Thousand One  
33 Hundred Eleven Dollars (\$1,518,705,111) aggregate principal amount of general  
34 obligation bonds of the County is hereby authorized. To the extent required for such  
35 purposes, the bonds hereby authorized shall be sold prior to June 30, 2027, in accordance  
36 with the guides and standards set forth in Section 1 hereof, except that any such bonds may  
37 be sold subsequent to such date if required to redeem, prepay or pay at maturity bond  
38 anticipation notes. Such bonds shall be issued as registered bonds without coupons in the  
39 denomination of five thousand dollars (\$5,000) or any integral multiple thereof within the  
40 limits of specified serial maturities.

41  
42 (1) Except as otherwise provided in this Ordinance, the bonds authorized by this  
43 Section 2 shall be sold at a sale price at, above, or below par, plus accrued interest to the  
44 date of delivery, and only after first soliciting competitive bids at public sale in accordance  
45 with the provisions of Section 5 hereof. Such bonds are hereby specifically exempted from  
46 the provisions of Sections 19-205 and 19-206 of the Local Government Article of the  
47 Annotated Code of Maryland (2013 Replacement Volume and 2023 Supplement).

1 (2) Subject to the provisions of subsection (5) of this Section, such bonds shall be issued  
2 in series intended to identify the public purpose or purposes for which each series is issued.  
3 On each bond, there shall appear the words “\_\_\_\_\_ Series, 20\_\_” and in the blank  
4 space preceding the word “Series,” there shall be inserted the par amount of the series plus  
5 the public purpose of such series, e.g., “Board of Education,” “Library,” “Recreation and  
6 Parks,” “Water and Sewer” and “Watershed Protection and Restoration.” The County  
7 Executive, or the Chief Administrative Officer if authorized by the County Executive, may  
8 incorporate such additional designations in the name of the series as he deems necessary  
9 or convenient to distinguish two or more series issued for the same purpose within the same  
10 calendar year.

11  
12 (3) The bonds of each series shall be dated on or prior to the date of the delivery of  
13 such series and shall be numbered as determined by the County Executive, or the Chief  
14 Administrative Officer if authorized by the County Executive. The bonds of each series,  
15 or of successive series for the same public purpose, shall mature and be payable under an  
16 annual installment plan which may be implemented by the issuance of serial maturity bonds  
17 or term bonds having mandatory sinking fund requirements, beginning not later than the  
18 second anniversary of the date of issuance of such series, and concluding on or before (a)  
19 the 30th anniversary thereof or (b) such anniversary next prior to or on the 30th anniversary  
20 of the first bond anticipation note of such series, whichever shall be earlier, or (c) the  
21 anniversary of such series representing the end of the probable useful life, or the average  
22 of the probable useful lives of the project or projects to be financed with the proceeds of  
23 such series, if such life or average lives shall be less than the maximum term authorized in  
24 (a) or (b) of this subsection.

25  
26 (4) Prior to the issue of any series of bonds authorized by this Section 2, the County  
27 Executive, or the Chief Administrative Officer if authorized by the County Executive, shall  
28 cause to be prepared a statement showing the annual debt service requirements of the  
29 County and a proposed schedule of annual maturities for the series or several series of  
30 bonds then to be issued and sold and an estimate of the annual interest charges to be  
31 incurred with respect to such bonds, based on then-prevailing interest costs. Such debt  
32 service schedule shall be so prepared with a view of achieving reasonably equal annual  
33 debt service payments for the entire outstanding bonded indebtedness of the County and,  
34 in order to achieve this result, the consecutive annual debt service payments on account of  
35 any series of such bonds need not be equal. Notwithstanding the foregoing, the debt service  
36 schedule for the entire outstanding bonded indebtedness of the County may be structured  
37 to retire debt at a rate faster than would be utilized to achieve reasonably equal annual debt  
38 service payments. As hereinafter provided, the County Executive, or the Chief  
39 Administrative Officer if authorized by the County Executive, is vested with the discretion  
40 to accept such schedule of maturities or to make such variations therein as to him may seem  
41 in the best interests of the County.

42  
43 (5) The County Executive, or the Chief Administrative Officer if authorized by the  
44 County Executive, may provide that all or any portion of bonds sold pursuant to the  
45 authority of this Section 2 at any one time to finance capital projects may be consolidated  
46 for sale and issued, sold and delivered as a single issue or consolidated series of bonds to  
47 be designated “Consolidated General Improvements Series, 20\_\_,” without identifying by  
48 separate series each public purpose for which the bonds are issued as elsewhere provided  
49 in this Ordinance; provided that: (a) the provisions of this Ordinance requiring the

1 identification of each group or series of bonds by the public purpose for which it is issued  
2 (e.g., “Board of Education,” “Libraries,” etc.) shall be fully complied with for accounting  
3 purposes, (b) bonds issued to finance water and wastewater projects shall be issued as a  
4 separate consolidated issue, (c) bonds issued to finance solid waste projects, identified on  
5 Exhibit I as Self-Liquidating Bonds—Solid Waste, and bonds issued to evidence a loan  
6 from the Maryland Water Infrastructure Financing Administration may be issued as  
7 separate issues and (d) prior to the delivery of the bonds, the County Executive, or the  
8 Chief Administrative Officer if authorized by the County Executive, shall deliver a written  
9 certificate stating (i) the public purpose of each series of bonds included in the consolidated  
10 issue, (ii) the maturity schedule for each series of bonds so identified as a separate public  
11 purpose, (iii) the consolidated maturity schedule and (iv) that the maximum maturity of the  
12 bonds consolidated for issue as a single consolidated issue is not greater than the end of the  
13 probable useful life or the average of the probable useful lives, as the case may be, of the  
14 project or projects to be financed with the proceeds of such consolidated issue. A  
15 “Consolidated General Improvements Series” shall be treated as a separate series of bonds  
16 for purposes of numbering pursuant to this Ordinance. In the event that all or any portion  
17 of any bonds issued pursuant to this Section at the same time are consolidated, the title or  
18 designation of the remaining series of bonds issued at the same time may also be designated  
19 as a “consolidated” issue (e.g. “Consolidated Water and Sewer Series, 20\_\_,”  
20 “Consolidated Solid Waste Projects Series, 20\_\_”). Before any bonds are issued as part of  
21 a separate series to finance solid waste projects identified on Exhibit I as Self-Liquidating  
22 Bonds—Solid Waste, a determination must be made regarding such projects or the utility  
23 of which they are a part similar to the determination required in Paragraph (5) of the  
24 STATEMENT OF POLICY in Section 1 with regard to bonds issued for revenue projects  
25 of water or wastewater utilities. The County Executive, or the Chief Administrative Officer  
26 if authorized by the County Executive, is hereby authorized to make such changes in the  
27 forms of bonds, notice of sale, proposal and other documents in connection with any issue  
28 of bonds pursuant to this Section 2 as the County Executive or Chief Administrative  
29 Officer, as the case may be, may deem necessary or desirable in order to effect the  
30 consolidation and naming of bonds authorized hereby.

31  
32 (6) All of the (a) bonds authorized by this Section 2 hereof, (b) bond anticipation notes  
33 authorized by Section 6 hereof and (c) Refunding Bonds authorized by Section 3 hereof  
34 which are issued to refund Refunded Bonds secured as unconditional general obligations  
35 of the County shall all be deemed and shall constitute unconditional general obligations of  
36 the County, to the payment of which, both principal and interest, its full faith and credit are  
37 pledged. Subject to the following provisions, the County hereby covenants that, in each  
38 fiscal year during which any such bonds are outstanding, it will appropriate sufficient funds  
39 in each Current Expense Budget to pay the principal of such bonds and the interest thereon  
40 due in such fiscal year. The County hereby further covenants that, to the extent any such  
41 appropriation is not offset by funds from other sources or by project revenues, it will,  
42 subject to the limitation on the tax levy set out in Section 710(d) of the County Charter,  
43 fund any such appropriation by the levy of ad valorem taxes on real estate, tangible personal  
44 property and intangible personal property subject to taxation by the County, and in  
45 addition, on such other intangible property as may be subject to taxation by the County  
46 within limitations prescribed by law.

47  
48 In the case of any series of bonds issued to finance self-liquidating projects of the  
49 County or of any Refunding Bonds issued to refund Refunded Bonds for water and

1 wastewater projects or solid waste projects, the proceeds of which were used to finance  
2 self-liquidating projects of the County, the principal of and interest on any such bonds shall  
3 be payable primarily from the net revenues and receipts from such projects, or the utilities  
4 of which they form a part. If any such series of bonds shall be issued to finance such  
5 self-liquidating projects, then the County covenants to fix such rates and charges for the  
6 use of any such project, or the utility of which it forms a part, as will generate sufficient  
7 revenues to pay the annual cost of maintenance and operation thereof and to pay the  
8 maturing principal of and interest on such series of bonds when due, and the County further  
9 covenants and agrees to apply such revenues against appropriations for such maintenance,  
10 operation and debt service in each Current Expense Budget. Interest on any bonds  
11 authorized by this Section 2 and bond anticipation notes authorized by Section 6 hereof  
12 falling due during the fiscal year ending June 30, 2025, may be capitalized and paid from  
13 the proceeds of sale, and in the annual Current Expense Budgets of the County for the fiscal  
14 years ending June 30, 2026 and June 30, 2027, there shall be appropriated amounts  
15 sufficient to pay the interest accruing on any such bonds and notes then outstanding, or to  
16 be issued during such fiscal years, less the amount of interest capitalized, which, as to any  
17 such series of bonds and notes, shall not exceed twelve (12) months interest on such bonds  
18 and notes, respectively, or the amount of interest included in the cost of the capital projects  
19 to be financed with such series, whichever is smaller.  
20

21 Notwithstanding the foregoing, in accordance with Section 19-207 of the Local  
22 Government Article of the Annotated Code of Maryland (2013 Replacement Volume and  
23 2023 Supplement), in the case of any Refunding Bonds issued to refund Refunded Bonds  
24 secured as unconditional general obligations with a pledge of the full faith and credit and  
25 unlimited taxing power of the County, the County covenants that, to the extent any such  
26 appropriation to pay principal of or interest on such Refunding Bonds is not offset by funds  
27 from other sources or by project revenues, it will fund any such appropriations by the levy  
28 of ad valorem taxes on real estate, tangible personal property and intangible personal  
29 property subject to taxation by the County without limitation as to rate or amount, and in  
30 addition upon such other intangible property as may be subject to taxation by the County  
31 within limitations prescribed by law.  
32

33 (7) The rate or rates of interest payable on any series of bonds sold pursuant to this  
34 Section 2 shall not exceed the maximum interest rate, if any, specified by the County  
35 Council by public local law to be payable on obligations of the County, and, except with  
36 respect to the first interest payment, which may be longer or shorter than six months, and  
37 except as provided in Section 7 of this Ordinance in connection with the issuance and sale  
38 of Variable Rate Demand Obligations, such interest rate shall be payable in semi-annual  
39 installments, accounting from the date of issue of any such series of bonds. Interest on the  
40 bonds shall be payable by checks mailed by the paying agent therein named to the  
41 registered holder or holders of such bonds or, if such bonds shall be issued in the form of  
42 Variable Rate Demand Obligations, interest thereon may be payable by wire transfer at the  
43 discretion of the County Executive, or the Chief Administrative Officer if authorized by  
44 the County Executive. If the bonds are issued and sold in book-entry form, alternative  
45 payment arrangements may be provided at the discretion of the County Executive, or the  
46 Chief Administrative Officer if authorized by the County Executive.  
47

48 (8) The principal of the bonds authorized by this Section 2 shall be payable at the  
49 principal office of the paying agent therein named, unless the bonds are issued and sold in

1 book-entry form, in which event alternative payment arrangements may be provided at the  
2 discretion of the County Executive, or the Chief Administrative Officer if authorized by  
3 the County Executive.

4  
5 (9) With respect to each series of bonds sold pursuant to this Section 2, authority is  
6 hereby conferred on the County Executive, or the Chief Administrative Officer if  
7 authorized by the County Executive, to take the following actions and make the following  
8 commitments on behalf of the County:

9  
10 (a) to determine the date, time and place when proposals for the purchase of such  
11 series of bonds will be received, to publish and otherwise distribute, as prescribed in  
12 Section 5 hereof, a suitable notice of sale of such bonds and to award any series of bonds  
13 for which a legally sufficient proposal has been received to the best bidder therefor,  
14 determined as provided in such Section 5; provided, however, that the County Executive,  
15 or the Chief Administrative Officer if authorized by the County Executive, may by written  
16 statement appoint a designee who may conduct the sale on his behalf and accept bids and  
17 award bonds to the best bidder;

18  
19 (b) to appoint a bank having trust powers, or a trust company, as paying agent for  
20 any such series of bonds, notwithstanding the fact that such bank or trust company may  
21 have neither its principal office nor any branch office within the County or the State of  
22 Maryland, and to appoint a similarly qualified bank or trust company as alternate paying  
23 agent, such authority to include the power to agree with respect to the compensation of  
24 such paying agent and alternate paying agent for the services to be rendered by them and  
25 to appoint one or more of such banks or trust companies as Bond Registrars and also to  
26 confer on the manager of the syndicate purchasing such series of bonds the right to  
27 designate an alternate paying agent so to be appointed;

28  
29 (c) to fix the schedule of annual maturities of such series of bonds and the maximum  
30 rate of interest payable thereon, both within the limitations prescribed above;

31  
32 (d) to employ, as financial advisor with respect to the sale of such series of bonds,  
33 a firm or corporation that is registered as a municipal advisor pursuant to the Securities  
34 Exchange Act of 1934, as amended; to arrange, together with such financial advisor, for  
35 the preparation and distribution of an appropriate Offering Circular, Official Statement or  
36 Official Circular with respect to the sale of such series of bonds, including (without  
37 limitation) the employment of a qualified financial printer to print such Offering Circular,  
38 Official Statement or Official Circular; and to allocate in his discretion the costs of  
39 employing such financial advisor and financial printer and the other costs of preparing and  
40 distributing such Offering Circular, Official Statement or Official Circular among the  
41 projects to be financed with the proceeds of such series of bonds, as part of the costs  
42 thereof, all such costs of employing such financial advisor and financial printer and all  
43 other costs of preparing and distributing such Offering Circular, Official Statement or  
44 Official Circular to be regarded as costs of specialized services of an unusual nature and  
45 not susceptible of being obtained through competitive bidding;

46  
47 (e) after considering any recommendations of such financial advisor, to reserve to  
48 the County the option to redeem such series of bonds in whole or in part, at such times and  
49 upon payment of such premiums as such financial advisor may recommend;

1 (f) to retain qualified bond counsel (such qualifications to be subject to approval by  
2 the County Attorney) to handle all legal proceedings with respect to the issue and sale of  
3 such series of bonds and to pass on the validity thereof and to employ, if bonds are not  
4 issued and sold in book-entry form, or if otherwise deemed necessary by the County  
5 Executive, a qualified banknote company to print or engrave such bonds in accordance  
6 with established standards, and to allocate in his discretion the costs of retaining such  
7 counsel and employing such banknote company among the projects to be financed with the  
8 proceeds of such series of bonds, as part of the costs thereof, all such costs of retaining  
9 such counsel and employing such banknote company to be regarded as costs of specialized  
10 services of an unusual nature and not susceptible of being obtained through competitive  
11 bidding; and

12  
13 (g) to provide for the issuance of bonds in book-entry form, to provide for the  
14 manner of payment of principal of and interest on bonds issued in book-entry form and to  
15 enter into appropriate agreements regarding the custody of bonds issued in book-entry  
16 form.

17  
18 SECTION 3. *And be it further enacted*, That acting pursuant to the authority of Section  
19 10-203 of the Local Government Article of the Annotated Code of Maryland (2013  
20 Replacement Volume and 2023 Supplement), the County Charter and Section 19-207 of  
21 the Local Government Article of the Annotated Code of Maryland (2013 Replacement  
22 Volume and 2023 Supplement) (the “Refunding Act”), the issuance and sale of bonds of  
23 the County (the “Refunding Bonds”) is hereby authorized for the purpose of refunding  
24 some or all of the outstanding issues of bonds of the County listed on Exhibit II attached  
25 hereto, as follows:

26  
27 (a) Refunding Bonds are hereby authorized to be issued to refund in whole or in part  
28 the several series of Anne Arundel County Consolidated General Improvements Series,  
29 Anne Arundel County Consolidated Water and Sewer Series and Anne Arundel County  
30 Water Infrastructure Bonds identified as to designation, date and aggregate outstanding  
31 principal amount on Exhibit II attached hereto (to the extent refunded as provided herein,  
32 the “Refunded Series” or “Refunded Bonds”). The amount of any Refunding Bonds shall  
33 be reduced to take account of any principal payments made on such Refunded Series prior  
34 to such refunding. With respect to each Refunded Series, Refunding Bonds may be issued  
35 pursuant to this Ordinance in an aggregate principal amount sufficient to provide funds (i)  
36 to purchase direct obligations of, or obligations the timely payment of the principal of and  
37 interest on which is unconditionally guaranteed by, the United States of America  
38 (“Government Obligations”), the principal of and interest on which will be sufficient  
39 without reinvestment, or to provide cash sufficient, in either case, to pay in a timely manner  
40 all or any part of the principal of and redemption premium, if any, and interest on the  
41 portion of the bonds of such Refunded Series refunded hereby and, if so provided by the  
42 County Executive, or Chief Administrative Officer if authorized by the County Executive,  
43 pursuant to Section 3(b)(6) of this Ordinance, a portion of the interest on the Refunding  
44 Bonds, and (ii) to pay any and all other costs permitted to be paid from the proceeds of  
45 such bonds under the Refunding Act, including (without limitation) the costs of issuance  
46 of such Refunding Bonds and applicable underwriting fees; provided, however, that the  
47 aggregate principal amount of Refunding Bonds issued to refund one or more Refunded  
48 Series shall not exceed 120% of the principal amount of bonds of the Refunded Series so  
49 refunded. Proceeds of Refunding Bonds, including bond premium, consisting of net bond

1 proceeds from the sale of bonds sold at a price above par, shall be applied for the purposes  
2 set forth above and as prescribed in the Refunding Act. Accordingly, bond premium, if  
3 any, derived from the sale of Refunding Bonds shall be applied as described above and  
4 shall not be subject to any requirement for expenditure on capital improvements.

5  
6 (b) The Refunding Bonds shall be issued and sold in the same manner as Bonds  
7 authorized by Section 2 hereof with the following exceptions and additions:

8  
9 (1) Refunding Bonds shall be sold at private (negotiated) sale, and such procedure  
10 is hereby determined to be in the public interest. Notwithstanding the foregoing, if the  
11 County Executive, or the Chief Administrative Officer if authorized by the County  
12 Executive, subsequently determines that it is in the best interests of the County to sell any  
13 or all of the Refunding Bonds after first soliciting competitive bids at public sale, then the  
14 County Executive or the Chief Administrative Officer, as the case may be, may sell such  
15 Refunding Bonds in such manner in accordance with such procedures as he shall deem  
16 appropriate; provided, however, that such procedures shall be substantially similar to the  
17 procedures set forth in Section 5 hereof.

18  
19 (2) Refunding Bonds issued hereunder are hereby specifically exempted from the  
20 provisions of Sections 19-205 and 19-206 of the Local Government Article of the  
21 Annotated Code of Maryland (2013 Replacement Volume and 2023 Supplement).

22  
23 (3) Refunding Bonds authorized to be issued for the purposes specified above may  
24 be issued in series from time to time. Each such series shall identify the public purpose for  
25 which it is issued, by the printing on each bond of the words “Consolidated General  
26 Improvements Series, 20\_\_ Refunding Series,” “Consolidated Water and Sewer Series, 20\_\_  
27 Refunding Series” or “Consolidated Solid Waste Projects Series, 20\_\_ Refunding Series,”  
28 as the case may be. The County Executive, or the Chief Administrative Officer if  
29 authorized by the County Executive, may incorporate such additional designations in the  
30 name of the series as he deems necessary or convenient to distinguish two or more series  
31 issued for the same purpose within the same calendar year.

32  
33 (4) The Refunding Bonds of each series, or of successive series for the same public  
34 purpose, shall mature and be payable under an annual installment plan (“Installment Plan”)  
35 which may be implemented by the issuance of serial maturity bonds or term bonds having  
36 mandatory sinking fund requirements, beginning not later than the second anniversary of  
37 the date of issuance of such series and concluding on or before (a) the thirtieth (30th)  
38 anniversary of the Refunded Bonds to be refunded from the proceeds of such Series or (b)  
39 the final maturity date permitted for such series under Paragraph (3) of Section II of the  
40 FINDINGS OF FACT set forth in Section 1 of this Ordinance, whichever shall be earlier.  
41 In the event that bonds of more than one series of Refunded Bonds are refunded by a single  
42 series of Refunding Bonds, compliance with the maturity limits contained herein shall be  
43 established with respect to each series of Refunded Bonds in a certificate of the County  
44 Executive, or the Chief Administrative Officer if authorized by the County Executive,  
45 delivered in connection with the issuance of such Refunding Bonds.

46  
47 (5) The County Executive, or the Chief Administrative Officer if authorized by the  
48 County Executive, shall determine the portions of each series of Refunded Bonds to be  
49 refunded with the proceeds of each series of Refunding Bonds; provided, however, that

1 such refunding will effectuate and accomplish the public purpose of realizing savings to  
2 the County in the aggregate cost of debt service on either a direct comparison or a present  
3 value basis with respect to the portion of any series of Refunded Bonds being refunded.  
4

5 (6) With respect to each series of Refunding Bonds sold pursuant to this Ordinance,  
6 authority is hereby conferred on the County Executive, or the Chief Administrative Officer  
7 if authorized by the County Executive, in addition to the authority conferred by Section 2  
8 hereof, to take the following actions and make the following commitments on behalf of the  
9 County:

10  
11 (a) to sell any series of Refunding Bonds upon such terms he deems favorable  
12 under the existing market conditions to a bank, investment banking firm or other financial  
13 institution as, in his judgment, offers to purchase such series of bonds on terms he deems  
14 favorable to the County under the existing market conditions;

15  
16 (b) to execute and deliver, as a binding and enforceable obligation of the  
17 County, an underwriting or purchase agreement for any series of Refunding Bonds;

18  
19 (c) to determine whether the principal of Refunded Bonds shall be paid at  
20 maturity, at the earliest redemption date pertaining thereto, or at some later redemption  
21 date; and

22  
23 (d) to select a trust company or other banking institution as trustee, to hold the  
24 trust fund into which the proceeds of the sale of any Refunding Bonds may be deposited  
25 under the Refunding Act, to determine the terms of any such trust fund, including any  
26 provisions relating to the payment of costs or the payment of a portion of the interest on  
27 such series of Refunding Bonds therefrom, and to deliver, as a binding commitment of the  
28 County, a trust or escrow agreement pursuant to which such trust fund is established.

29  
30 SECTION 4. *And be it further enacted,* That the several series of bonds to be issued  
31 pursuant to the authority of this Ordinance shall be executed on behalf of the County by  
32 the manual or facsimile signature of the County Executive and the seal or a facsimile of  
33 the seal of the County shall be impressed or imprinted thereon, attested by the manual or  
34 facsimile signature of the County Executive, the secretary to the County Executive, the  
35 Administrative Officer to the County Council or such other officer as may be specified by  
36 ordinance of the County Council. Each such bond shall be authenticated by the manual or  
37 facsimile signature of the Chief Administrative Officer or his authorized deputy and by the  
38 manual signature of an authorized officer of the Bond Registrar. Notwithstanding the  
39 foregoing, in the event bonds are issued in book-entry form the County Executive or the  
40 Chief Administrative Officer if authorized by the County Executive, may provide that  
41 bonds issued in such form need not be authenticated by a Bond Registrar. No bonds issued  
42 hereunder shall be valid for any purpose or constitute an obligation of the County unless  
43 so authenticated.  
44

45 Each series of bonds shall be in the form set forth in Exhibit III attached hereto and  
46 incorporated herein by this reference, and bonds issued substantially in compliance with  
47 such forms, with such insertions, alterations, additions or deletions as are herein permitted,  
48 when properly executed and authenticated as described above, shall be deemed to  
49 constitute unconditional general obligations of the County, to the payment of which, in

1 accordance with the terms thereof, its full faith and credit are pledged, subject to the  
2 limitation on the taxing power set forth in Section 710(d) of the County Charter, and all  
3 the covenants and conditions contained in such bonds shall be deemed to be binding upon  
4 the County in accordance therewith.

5  
6 In case any official of the County whose signature shall appear on any such bonds shall  
7 cease to be such official prior to the delivery of such bonds, or in the case that any such  
8 official shall take office subsequent to the date of issue of any such bonds, his signature, in  
9 either event, shall nevertheless be valid for the purposes herein intended.

10  
11 The County Executive, or the Chief Administrative Officer if authorized by the County  
12 Executive, may make arrangements to make the approving legal opinion available to the  
13 holder of such bonds.

14  
15 Authority is hereby conferred on the County Executive, or the Chief Administrative  
16 Officer if authorized by the County Executive, to complete the blanks in such forms with  
17 the required information, to insert applicable paragraphs as indicated and to make such  
18 additions, deletions and substitutions in such forms, not inconsistent herewith, as may be  
19 necessary or desirable in the sale of any such series of bonds or to provide for the sale of  
20 any such series of bonds in book-entry form, including (without limitation) modifications  
21 in the form of bonds to provide for Refunding Bonds issued to refund Refunded Bonds  
22 meeting the requirements of Section 19-207 of the Local Government Article of the  
23 Annotated Code of Maryland (2013 Replacement Volume and 2023 Supplement) to be  
24 secured by a pledge of the full faith and credit and unlimited taxing power of the County,  
25 or, with respect to bonds sold in book-entry form, to provide for payment of the redemption  
26 price of such bonds without presentation thereof to the County or to the Bond Registrar.  
27 Without limiting the generality of the foregoing, the County Executive, or the Chief  
28 Administrative Officer if authorized by the County Executive, is hereby specifically  
29 authorized to make such additions, deletions and substitutions in such forms, not  
30 inconsistent herewith, as he may deem necessary or desirable in the event that any series  
31 of bonds issued hereunder (i) is not made subject to redemption prior to their respective  
32 maturities or (ii) is issued as Variable Rate Demand Obligations in accordance with the  
33 provisions of Section 7 of this Ordinance.

34  
35 SECTION 5. *And be it further enacted*, That any bonds hereafter sold pursuant to the  
36 authority of Section 2 of this Ordinance shall first be offered at public sale to the best bidder  
37 therefor and only after the solicitation of competitive bids on a sealed basis pursuant to a  
38 notice of sale substantially in the form set forth in Exhibit IV attached hereto and  
39 incorporated herein by this reference, with such insertions, alterations, additions or  
40 deletions as are permitted by this Ordinance.

41  
42 The best bidder for such bonds shall be determined in accordance with a formula and  
43 subject to such bid constraints as shall be determined by the County Executive, or the Chief  
44 Administrative Officer if authorized by the County Executive, upon the recommendation  
45 of the financial advisor selected pursuant to Section 2 hereof, to be appropriate for the  
46 solicitation or determination of the best bid for the bonds. The notice or summary thereof  
47 shall be published at least once preceding the date of sale in a newspaper published and of  
48 general circulation in the County. The first publication of any such notice or summary  
49 shall be not less than 10 days prior to the date of sale. At the discretion of the County

1 Executive, or the Chief Administrative Officer if authorized by the County Executive, such  
2 notice or a summary thereof may also be inserted one or more times in financial journals  
3 published elsewhere in the United States. If more than one series or issue of bonds are  
4 offered together, they may be sold as a unit or by receipt of separate bids. Following any  
5 such sale, the County Executive, or the Controller of the County (the "Controller") if  
6 authorized by the County Executive, shall report the results thereof in writing at the next  
7 meeting of the County Council.

8  
9 The County may in such notice of sale reserve unto itself the right to reject any or all  
10 of the bids made pursuant to such notice and if, pursuant to the power so reserved, all of  
11 such bids are so rejected at the public sale of any of the bonds, then the County may, within  
12 30 days, but not thereafter, offer to sell or sell all or any part of such bonds by private sale  
13 for a price not less than the best bid received by the County from an acceptable bidder at  
14 the public sale thereof, and if such bonds are not sold either at such public sale or at private  
15 sale within such 30 day period, then they may not be sold in any manner except upon a  
16 subsequent public sale duly advertised in the manner herein specified.

17  
18 The County may in such notice of sale reserve the right to adjust the principal amount  
19 of each maturity of bonds of any series after publication of the notice of sale as provided  
20 herein, provided that any such adjustment shall be made in accordance with the procedures  
21 set forth in the notice of sale.

22  
23 The form of such notice of sale shall be substantially as set forth in Exhibit IV, with  
24 the insertions therein indicated, and subject to such insertions, alterations, additions or  
25 deletions as the County Executive, or the Chief Administrative Officer if authorized by the  
26 County Executive, may deem advisable due to financial or market conditions prevailing at  
27 the time or, in the event that bonds are issued as Variable Rate Demand Obligations in  
28 accordance with Section 7 of this Ordinance or constitute Refunding Bonds meeting the  
29 requirements of Section 19-207 of the Local Government Article of the Annotated Code  
30 of Maryland (2013 Replacement Volume and 2023 Supplement), due to the particular  
31 characteristics of such bonds or the security therefor. Without limiting the generality of  
32 the foregoing, the County Executive, or the Chief Administrative Officer if authorized by  
33 the County Executive, is hereby specifically authorized, upon recommendation of the  
34 financial advisor and bond counsel, to make such insertions, alterations, additions or  
35 deletions as he may deem necessary or desirable (a) in the event that the bonds of any series  
36 issued hereunder (i) are not made subject to redemption prior to their respective maturities,  
37 (ii) are issued as Variable Rate Demand Obligations in accordance with the provisions of  
38 Section 7 of this Ordinance or (iii) constitute Refunding Bonds meeting the requirements  
39 of Section 19-207 of the Local Government Article of the Annotated Code of Maryland  
40 (2013 Replacement Volume and 2023 Supplement), (b) to provide for receipt of bids  
41 submitted electronically or (c) to reflect use of a book-entry only system.

42  
43 SECTION 6. *And be it further enacted*, That in order to avoid the issuance of a greater  
44 amount of bonds for the capital projects listed in Exhibit I than is needed therefor, and in  
45 order to permit the construction of such projects to proceed prior to the issuance of such  
46 bonds and at the same time afford the County maximum flexibility in selecting the most  
47 advantageous times for such issuance, the County may provide needed capital funds by the  
48 issue and sale of its bond anticipation notes pursuant to the authority of Section 19-212 of  
49 the Local Government Article of the Annotated Code of Maryland (2013 Replacement

1 Volume and 2023 Supplement) (the “Bond Anticipation Note Act”). Such notes shall bear  
2 the same series identification as the bonds authorized in Section 2 hereof.

3  
4 (1) The maximum principal amount of such notes issued pursuant to this Section which  
5 may be outstanding at any time shall be Nine Hundred Million Dollars (\$900,000,000)  
6 unless and until otherwise provided by the County Council by ordinance. The notes may  
7 be paid at or prior to maturity from the proceeds of the issuance and sale of the bonds in  
8 anticipation of which such notes were issued or from the proceeds of refunding bond  
9 anticipation notes. Except as otherwise provided herein, in the event of such an advance  
10 refunding, the proceeds of such refunding bonds or notes shall be held in escrow, to the  
11 extent and in the amount necessary to refund the outstanding series of notes, for the benefit  
12 of the holders of the outstanding series of notes. Such refunding bond anticipation notes,  
13 if issued, will constitute a reissuance of the bond anticipation notes authorized by this  
14 Ordinance and shall not constitute additional indebtedness under such authorization.

15  
16 (2) The notes shall be issued in registered form without coupons or in bearer form  
17 without coupons, in the denomination of \$5,000 each or any integral multiple thereof, as  
18 may be determined by the County Executive, or the Chief Administrative Officer if  
19 authorized by the County Executive. Each such note shall be dated (i) as of the first or  
20 fifteenth day of the month in which it is sold, and accrued interest shall be adjusted to such  
21 date or (ii) as of the date of the initial sale and delivery of such note, all as may be  
22 determined by the County Executive, or the Chief Administrative Officer if authorized by  
23 the County Executive. All of the notes authorized hereby shall mature and be payable on  
24 such date as may be determined by the County Executive, or the Chief Administrative  
25 Officer if authorized by the County Executive, within the limitations of this Ordinance and  
26 the Bond Anticipation Note Act. The County Executive, or the Chief Administrative  
27 Officer if authorized by the County Executive, may also provide for (a) the extension of  
28 maturity of such notes, at the option of the County exercised by the County Executive or  
29 the Chief Administrative Officer if authorized by the County Executive, for an additional  
30 period not in excess of six months, upon such terms and conditions as the County  
31 Executive, or the Chief Administrative Officer if authorized by the County Executive, shall  
32 prescribe and (b) the redemption of such notes prior to their maturity, with or without  
33 premium or penalty.

34  
35 (3) All or any part of such notes may be issued in series as funds are required. Authority  
36 is hereby conferred on the County Executive, or the Chief Administrative Officer if  
37 authorized by the County Executive, to determine whether such notes will be issued in such  
38 series and, if so, when each such series of notes will be delivered to the purchaser thereof.

39  
40 (4) The County Executive, or the Chief Administrative Officer if authorized by the  
41 County Executive, shall provide for the establishment and maintenance of books for the  
42 registration and transfer of registered notes, which books may be maintained by a Note  
43 Registrar appointed by the County Executive, or the Chief Administrative Officer if  
44 authorized by the County Executive.

45  
46 (5) Notes to be issued pursuant to the authority of this Ordinance shall be executed on  
47 behalf of the County by the manual or facsimile signature of the County Executive and the  
48 seal of the County or a facsimile thereof shall be impressed or imprinted thereon, attested  
49 by the manual or facsimile signature of the County Executive, the secretary to the County

1 Executive, the Administrative Officer to the County Council or such other officer as may  
2 be specified by ordinance of the County Council. Each note shall be authenticated by the  
3 manual or facsimile signature of the Chief Administrative Officer or his authorized deputy.  
4 In the event that registered notes are issued, the County Executive, or the Chief  
5 Administrative Officer if authorized by the County Executive, may provide for  
6 authentication of such registered notes by a Note Registrar in such form as he shall deem  
7 appropriate. In the event that Program Notes (hereinafter defined) are issued, or in the  
8 event that the notes are issued as Variable Rate Demand Obligations, the County Executive,  
9 or the Chief Administrative Officer if authorized by the County Executive, may provide  
10 for authentication of such Program Notes or Variable Rate Demand Obligations by such  
11 agents or entities and in such form as he shall deem appropriate.  
12

13 (6) The notes shall bear interest at such rate or rates as shall be established by the  
14 County Executive, or the Chief Administrative Officer if authorized by the County  
15 Executive, which rate or rates may vary according to an established index. Interest on the  
16 notes shall be payable on such dates and in such manner as shall be established by the  
17 County Executive, or the Chief Administrative Officer if authorized by the County  
18 Executive.  
19

20 (7) Unless otherwise provided by an ordinance of the County Council prior to the  
21 issuance of any of such notes, authority is hereby conferred on the County Executive, or  
22 the Chief Administrative Officer if authorized by the County Executive, to sell such notes  
23 on the most favorable terms available from time to time, without solicitation of competitive  
24 bids, at private (negotiated) sale, and such method of sale is hereby found and determined  
25 to be in the best interests of the County. If the County Executive, or the Chief  
26 Administrative Officer if authorized by the County Executive, shall determine that the best  
27 interests of the County will be served by the sale of all or part of the notes at a public sale  
28 with the solicitation of competitive bids, the County Executive or the Chief Administrative  
29 Officer, as the case may be, is hereby authorized to sell such notes in such manner. Except  
30 as hereinafter provided with respect to Commercial Paper Notes (hereinafter defined), (a)  
31 such notes shall be sold at a price equal to the par value thereof plus accrued interest to the  
32 date of delivery, or (b) upon written recommendation of the financial advisor selected  
33 pursuant to subsection (9) of Section 2 that a discount bid would be expected to provide a  
34 more favorable interest rate to the County by facilitating the underwriting of the County's  
35 notes in then-current market conditions, the County Executive, or the Chief Administrative  
36 Officer if authorized by the County Executive, may authorize such notes to be sold at a  
37 price not less than 99% of par plus accrued interest to date of delivery. None of such notes  
38 shall bear interest at a rate in excess of the maximum interest rate, if any, specified by the  
39 County Council by Public Local Law to be payable on obligations of the County.  
40

41 In the event that such notes are sold at private (negotiated) sale, the County Executive,  
42 or the Chief Administrative Officer if authorized by the County Executive, is hereby  
43 authorized to negotiate with any bank, banker or other financial institution for a loan  
44 commitment and to deliver to such bank, banker or other financial institution such notes at  
45 one time or from time to time, as funds are required, pursuant to the terms of such  
46 commitment, and to execute and deliver any and all documents necessary or deemed  
47 appropriate by the County Executive or the Chief Administrative Officer, as the case may  
48 be, to consummate the sale of such notes at private (negotiated) sale and to accomplish any  
49 and all actions necessary or deemed appropriate by the County Executive or the Chief

1 Administrative Officer, as the case may be, to issue and deliver such notes to the purchaser  
2 thereof in accordance with the provisions of this Ordinance and any such commitment.

3  
4 In the event that such notes are sold at public sale, the County Executive, or the Chief  
5 Administrative Officer if authorized by the County Executive, is hereby authorized (i) to  
6 determine the timing, terms and conditions thereof, (ii) to publish an appropriate notice of  
7 sale, such notice of sale to be in the general form of the form of the notice of sale included  
8 herein in Section 5 for the sale of bonds authorized by Section 2 hereof, with such  
9 alterations, deletions, substitutions and additions as the County Executive, or the Chief  
10 Administrative Officer if authorized by the County Executive, shall deem necessary or  
11 appropriate to provide for proper notice of the sale of notes, (iii) to determine the date, time  
12 and place when proposals will be accepted for such notes, such proposals to specify the  
13 interest rate or rates to be paid on such notes, the price to be paid for such notes and such  
14 other matters as the County Executive or the Chief Administrative Officer, as the case may  
15 be, may deem necessary or desirable in order to sell and deliver such notes and to award  
16 such notes at public sale to the successful bidder for such notes, and (iv) to execute and  
17 deliver any and all documents necessary or deemed appropriate by the County Executive  
18 or the Chief Administrative Officer, as the case may be, to consummate the sale of such  
19 notes at public sale and to accomplish any and all actions necessary or deemed appropriate  
20 by the County Executive or the Chief Administrative Officer, as the case may be, to issue  
21 and deliver such notes to such underwriters or purchasers in accordance with the provisions  
22 of this Ordinance and any contract of sale with the successful bidder for the notes.

23  
24 Following each such sale, or the negotiation of each such commitment, including the  
25 execution of any agreements in connection with the issuance of Program Notes or Variable  
26 Rate Demand Obligations, the County Executive, or the Controller if authorized by the  
27 County Executive, shall report the same at the next meeting of the County Council and  
28 shall accompany such report with the data upon which he had relied to satisfy himself that  
29 he had obtained terms favorable to the County in the then-prevailing market for comparable  
30 obligations.

31  
32 (8) The authority conferred on the County Executive, or the Chief Administrative  
33 Officer if authorized by the County Executive, in paragraph (9) of Section 2 of this  
34 Ordinance in connection with the issuance of bonds hereunder, with respect to the  
35 appointment of paying agents and a registrar, the employment of a financial advisor, a  
36 financial printer and a securities printer, retaining bond counsel and the preparation and  
37 distribution of an appropriate Offering Circular, Official Statement or Official Circular,  
38 may also be exercised with respect to the issuance and sale of bond anticipation notes  
39 hereunder.

40  
41 (9) With respect to any notes issued, the County hereby covenants and agrees with the  
42 holder or holders thereof to issue, upon its full faith and credit, the bonds in anticipation of  
43 the sale of which such notes are issued when, and as soon as, the reason for deferring the  
44 issuance thereof no longer exists and to pay the principal of and interest on (to the extent  
45 such interest has not been capitalized, or otherwise paid, by appropriations from current  
46 revenues as hereinbefore authorized) such notes from the proceeds of such bonds. This  
47 covenant shall be binding upon the County notwithstanding any limitation set forth in this  
48 Ordinance, including (without limitation) any limitation with respect to the interest rate or  
49 rates that the bonds may bear. If the County shall be unable, for reasons beyond its control,

1 to issue and sell its bonds as described above, or if the proceeds from the sale of such bonds  
2 shall be insufficient to pay the principal of and interest on any notes issued, then the  
3 revenues from taxes and other sources intended for application to debt service on such  
4 bonds shall be applied to the payment of the interest on and principal of the notes. The  
5 foregoing provisions shall not be construed so as to prohibit the County from paying the  
6 principal or redemption price of and interest on any note issued hereunder from the  
7 proceeds of the sale of any other note issued hereunder, or from any other funds legally  
8 available for that purpose.

9  
10 If the County shall be unable, for reasons beyond its control, to issue and sell its bonds,  
11 or if the proceeds from the sale of such bonds shall be insufficient to pay the principal of  
12 or interest on any notes issued, then the County hereby covenants that, in each fiscal year  
13 during which any such bond anticipation notes are outstanding, it will appropriate sufficient  
14 funds in each Current Expense Budget to pay the principal of such bond anticipation notes  
15 and the interest thereon due in such fiscal year. The County hereby further covenants that,  
16 to the extent any such appropriation is not offset by funds from other sources or by project  
17 revenues, it will, subject to the limitation on the tax levy set out in Section 710(d) of the  
18 County Charter, fund any such appropriation by the levy of ad valorem taxes on real estate,  
19 tangible personal property and intangible personal property subject to taxation by the  
20 County, and in addition, on such other intangible property as may be subject to taxation by  
21 the County within limitations prescribed by law. In such event, in the case of any series of  
22 bond anticipation notes issued to finance self-liquidating projects of the County, the  
23 principal of and interest on any such notes shall be payable primarily from the net revenues  
24 and receipts from such projects, or the utilities of which they form a part. If any such series  
25 of bond anticipation notes shall be issued to finance such self-liquidating projects and the  
26 County shall be unable for reasons beyond its control to issue and sell the bonds in  
27 anticipation of the sale of which such notes are issued, or if the proceeds from the sale of  
28 such bonds shall be insufficient to pay the principal of and interest on such notes, then the  
29 County covenants to fix such rates and charges for the use of any such project, or the utility  
30 of which it forms a part, as will generate sufficient revenues to pay the annual cost of  
31 maintenance and operation thereof and to pay the maturing principal of and interest on such  
32 series of bond anticipation notes when due, and the County further covenants and agrees  
33 to apply such revenues against appropriations for such maintenance, operation and debt  
34 service in each Current Expense Budget. The County may apply to the payment of the  
35 principal of and interest on the aforementioned notes any funds granted or otherwise  
36 obtained and legally available for the payment of the principal of and interest on the notes;  
37 and to the extent that any such funds received or receivable in any fiscal year are applied  
38 to such purposes, the taxes, rates and charges required to be levied or assessed pursuant to  
39 this paragraph shall be reduced proportionately.

40  
41 (10) In the event that any notes (the "Outstanding Notes") issued hereunder are  
42 outstanding on the date that the bonds in anticipation of which such notes are issued are  
43 delivered in exchange for the purchase price thereof (the "Delivery Date"), the Controller  
44 shall deposit with the paying agent for the notes, or a trustee or escrow agent, on the  
45 Delivery Date (i) cash in an amount equal to the principal of the Outstanding Notes or (ii)  
46 direct obligations of, or obligations the payment of which is unconditionally guaranteed  
47 by, the United States of America, the principal of and interest on which will be sufficient  
48 without reinvestment to pay in a timely manner the principal of the Outstanding Notes  
49 when due. Such paying agent or trustee or escrow agent is hereby irrevocably directed to

1 apply such cash or the proceeds of such obligations to the payment of the principal of the  
2 Outstanding Notes when due. The County may provide such cash or obligations from the  
3 proceeds of the sale of such bonds or from any other funds legally available for such  
4 purpose. On the Delivery Date, the Controller shall also deposit with the paying agent for  
5 the Outstanding Notes, or a trustee or escrow agent (i) cash in an amount sufficient to pay  
6 the interest on the Outstanding Notes when due or (ii) direct obligations of, or obligations  
7 the payment of which is unconditionally guaranteed by, the United States of America, the  
8 principal of and interest on which will be sufficient without reinvestment to pay in a timely  
9 manner interest on the Outstanding Notes when due. The County may provide such cash  
10 or obligations from the proceeds of the sale of bonds available for that purpose or from any  
11 other funds legally available for such purpose. Notwithstanding the foregoing, if the  
12 Delivery Date and the date on which the Outstanding Notes mature are in different fiscal  
13 years, and money for the payment of the interest on the Outstanding Notes has not been  
14 finally appropriated in the fiscal year in which the bonds are delivered, and if the Delivery  
15 Date is after the date on which the budget for the succeeding fiscal year has been submitted  
16 to the County Council and provision for the payment of the interest on such Outstanding  
17 Notes has been made in such budget, in lieu of the deposit of such cash or obligations for  
18 the payment of interest on the Outstanding Notes, the County Executive, the Controller and  
19 the Chief Administrative Officer may deliver a certificate on the Delivery Date of the bonds  
20 stating that funds sufficient to pay the interest on the Outstanding Notes have been included  
21 in the budget for the next succeeding fiscal year (it being provided by the Bond  
22 Anticipation Note Act that the notes shall be payable from the first proceeds of the sale of  
23 the bonds, or from the tax or other revenue which the County shall have previously  
24 determined to apply to the payment of the bonds and the interest thereon). Upon the deposit  
25 with the paying agent for the Outstanding Notes, or a trustee or escrow agent, of cash or  
26 obligations sufficient to provide for the payment of the principal of and interest on such  
27 notes when due, as described above, such notes shall be deemed to be paid and no longer  
28 outstanding hereunder.

29  
30 (11) Pursuant to the Bond Anticipation Note Act, the County is hereby authorized to  
31 issue the aforementioned bond anticipation notes as notes in the nature of commercial paper  
32 and to establish a commercial paper program. Accordingly, the County is hereby  
33 authorized to issue two or more separate and distinct series of its bond anticipation notes,  
34 which may include (1) a series of its bond anticipation notes in the nature of commercial  
35 paper (the "Commercial Paper Notes") and (2) a series of its bond anticipation notes in  
36 connection with a liquidity facility, such as a revolving loan agreement, or a credit facility,  
37 such as a letter of credit and related agreements (collectively, the "Revolving Loan Notes")  
38 (the Commercial Paper Notes and the Revolving Loan Notes being collectively referred to  
39 herein as the "Program Notes"). The words "bond anticipation notes," as used in this  
40 Ordinance, include Program Notes, and it is intended that the provisions of this Ordinance  
41 applying to bond anticipation notes shall include Program Notes unless the context clearly  
42 requires a contrary meaning.

43  
44 For the purposes of this Ordinance, the term "principal amount," when used with  
45 respect to the Program Notes, shall mean (i) in the case of Commercial Paper Notes, the  
46 face amount of any such Commercial Paper Note, less any original issue discount on such  
47 Commercial Paper Note, and (ii) in the case of Revolving Loan Notes, the principal amount  
48 actually advanced under the applicable liquidity facility or credit facility that is evidenced  
49 by such Revolving Loan Note. Accordingly, it is contemplated by this Ordinance that the

1 aggregate face amount of the Program Notes that may be outstanding from time to time  
2 hereunder, together with other bond anticipation notes issued hereunder and outstanding  
3 from time to time, may exceed the aggregate principal amount of bond anticipation notes  
4 authorized to be outstanding hereunder at any one time.  
5

6 It is recognized that the procedures necessary or desirable to implement a commercial  
7 paper program within the framework of existing commercial practices in the commercial  
8 paper market may require the County to prescribe procedures to facilitate the prompt  
9 determination and approval of certain matters in connection with the authorization,  
10 issuance, execution, sale, delivery and payment of and for Program Notes. Accordingly,  
11 the County Executive, by or pursuant to executive order or other appropriate action or  
12 proceedings, is hereby authorized (1) to establish such procedures, including (without  
13 limitation) procedures for (a) the determination of the dates and maturities of any Program  
14 Notes, or the method by which the same shall be determined, (b) the determination of the  
15 interest rate to be borne by any Program Notes, which may be separately stated by rate or  
16 amount or which may be in an amount equal to the discount thereon, or the method by  
17 which the same shall be determined, and (c) the determination of the price or prices at  
18 which Commercial Paper Notes may be sold, which may be at, above or below the face  
19 value thereof, or the method by which the same shall be determined; and (2) to determine  
20 any and all other matters relating to the terms, specifications and form of such Program  
21 Notes, including (without limitation) any modification required in the forms of bond  
22 anticipation note set forth herein to accommodate the needs of the commercial paper  
23 program. Any such procedures may include provisions for telephonic approval and  
24 subsequent electronic mail or written confirmation of one or more of such matters by the  
25 Chief Administrative Officer, the Controller or such other officers or employees of the  
26 County as the County Executive shall designate within guidelines or parameters prescribed  
27 by the County Executive. The establishment of such procedures and all such  
28 determinations and actions shall be deemed to be of an administrative nature.  
29

30 In connection with the establishment of a commercial paper program, the County  
31 Executive is hereby authorized, by or pursuant to executive order or other appropriate  
32 action or proceedings (i) to approve the form of any indenture necessary or appropriate in  
33 connection with the issuance of any Program Notes (the "Indenture") and to appoint a  
34 trustee (the "Trustee") thereunder, (ii) to approve the form of any dealer agreement relating  
35 to any Commercial Paper Notes (the "Dealer Agreement") and to select a dealer to act  
36 thereunder, (iii) to approve the form of a liquidity facility, such as a revolving loan  
37 agreement, or a credit facility, such as a letter of credit and related agreements (each a  
38 "Liquidity Facility") and to select one or more financial institutions to provide loans or  
39 otherwise to act thereunder, and (iv) to approve the form of any issuing and paying agency  
40 agreement (the "Issuing and Paying Agency Agreement") and to appoint an issuing and  
41 paying agent of the County for the purpose of completing, authenticating and delivering  
42 the Program Notes from time to time.  
43

44 The County Executive is hereby authorized, pursuant to executive order or other  
45 appropriate action or proceedings, to execute and deliver on behalf of the County the  
46 Indenture, the Issuing and Paying Agency Agreement, one or more Liquidity Facilities, the  
47 Dealer Agreement, and all and any other documents that he may deem necessary or  
48 appropriate to implement the commercial paper program contemplated by this Ordinance  
49 and, in each case, to cause the seal of the County to be impressed thereon, attested by the

1 County Executive, the secretary to the County Executive, the Administrative Officer to the  
2 County Council or such other officer as may be specified by ordinance of the County  
3 Council.

4  
5 (12) All of such notes shall be in such form as the County Executive, or the Chief  
6 Administrative Officer if authorized by the County Executive, shall deem appropriate and  
7 shall be binding on the County when and as such notes are issued and sold hereunder.

8  
9 SECTION 7. *And be it further enacted*, That it is hereby found and determined as  
10 follows: (i) general economic conditions are extremely unsettled and require sensitive and  
11 careful debt management in order to reduce to the extent practicable the cost of borrowing  
12 to the County and it is in the best interests of the County to be able to implement a flexible  
13 approach to borrowing (that is, one which provides the ability to utilize variable rate  
14 demand obligations, commercial paper and short-term municipal obligations referred to  
15 herein collectively as “Variable Rate Demand Obligations”); (ii) there is an expanding  
16 market for Variable Rate Demand Obligations, which have varying and flexible maturities  
17 or redemption features and tender or purchase dates and bear interest at variable rates  
18 established by a remarketing agent on the basis of current market conditions, or  
19 combinations of such maturities or redemption dates, tender or purchase dates and rates  
20 and to access this market, the County must establish procedures consistent with market  
21 practices for Variable Rate Demand Obligations; and (iii) existing practices in the market  
22 for Variable Rate Demand Obligations and existing requirements of nationally recognized  
23 rating agencies require that there be available to the issuer of Variable Rate Demand  
24 Obligations a supporting liquidity arrangement, such as a letter of credit, line of credit or  
25 revolving loan agreement, pursuant to which an alternate source of borrowing will be  
26 available during any period in which such obligations cannot be remarketed.

27  
28 The County Executive, or the Chief Administrative Officer if authorized by the County  
29 Executive, may determine that bond anticipation notes authorized by Section 6 hereof or  
30 bonds authorized by Section 2 hereof shall be issued as short-term or demand obligations  
31 or commercial paper, defined above as Variable Rate Demand Obligations, including  
32 obligations that are required to be purchased or redeemed prior to stated maturity dates,  
33 and bear interest at variable rates established from time to time by a remarketing agent on  
34 the basis of current market conditions. The County Executive, or the Chief Administrative  
35 Officer if authorized by the County Executive, is hereby authorized to establish procedures  
36 for the determination of the interest rates, the interest payment dates and any mandatory  
37 redemption, tender or purchase dates of bonds or notes described in this Section 7 in order  
38 to implement the financing authorized hereby. If any bonds or notes issued in accordance  
39 with this Section 7 provide for the mandatory redemption, tender or purchase thereof prior  
40 to stated maturity dates, the form of bond or note (as the case may be) may provide, to the  
41 extent permitted by law and deemed advisable by the County Executive, or the Chief  
42 Administrative Officer if authorized by the County Executive, that the full faith and credit  
43 and, subject to the limitations set forth in Section 710(d) of the County Charter, taxing  
44 power of the County are pledged to the payment of the purchase or redemption price on  
45 the due dates for such payments.

46  
47 In connection with the issuance of such obligations, the County Executive is hereby  
48 authorized, by executive order or other appropriate action or proceeding (i) to approve the  
49 form of any indenture necessary or appropriate in connection with the issuance of such

1 obligations (the “Demand Indenture”) and to appoint a trustee thereunder, (ii) to approve  
2 the form of a remarketing agreement relating to such obligations (the “Demand  
3 Remarketing Agreement”) and to select a remarketing agent to act thereunder, (iii) to  
4 approve the form of a credit or liquidity facility, such as a letter of credit, line of credit,  
5 revolving loan agreement or other similar agreement (a “Demand Liquidity Facility”) and  
6 to enter into a reimbursement agreement or other similar agreement (a “Demand Liquidity  
7 Facility Agreement”) with one or more financial institutions in connection therewith and  
8 (iv) to approve the form of a registrar and paying agency agreement (the “Demand  
9 Registrar and Paying Agency Agreement”) and to appoint a registrar and paying agent for  
10 the purpose of completing, authenticating and delivering such obligations from time to  
11 time.

12  
13 The County Executive is hereby authorized pursuant to executive order or other  
14 appropriate action or proceeding, to execute and deliver on behalf of the County a Demand  
15 Indenture, a Demand Remarketing Agreement, one or more Demand Liquidity Facility  
16 Agreements and a Demand Registrar and Paying Agency Agreement and any and all other  
17 documents that he may deem necessary or appropriate in connection with the issuance of  
18 obligations authorized by this Section 7, and, in each case, to cause the seal of the County  
19 to be impressed thereon, attested by the County Executive, the secretary to the County  
20 Executive, the Administrative Officer to the County Council or such other officers as may  
21 be specified by ordinance of the County Council.

22  
23 SECTION 8. *And be it further enacted*, That the provisions hereinafter set forth in  
24 Sections 8(1), (2), (3), (4) and (5) shall be applicable with respect to bonds (including  
25 Refunding Bonds) or bond anticipation notes issued and sold hereunder on the basis that  
26 the interest on such bonds or notes will be excludable from gross income for federal income  
27 tax purposes and the provisions hereinafter set forth in Section 8(7) shall be applicable with  
28 respect to any bonds or bond anticipation notes issued and sold hereunder on the basis that  
29 such bonds or notes are allowed a tax credit, that the County is entitled to a subsidy from  
30 the United States of America or any agency or instrumentality thereof with respect to such  
31 bonds or notes or the interest payable thereon, or that any such bond or note or the interest  
32 thereon is entitled to any other available benefits under the Internal Revenue Code of 1986,  
33 as amended (“the Code”) (any such bonds or notes being referred to herein as “Tax  
34 Advantaged Obligations”).

35  
36 (1) The County Executive, the Chief Administrative Officer or the Controller (the  
37 “Section 148 Certifying Official”) shall be the officer of the County responsible for the  
38 issuance of any bonds or bond anticipation notes hereunder within the meaning of the  
39 Arbitrage Regulations (defined herein). The Section 148 Certifying Official shall also be  
40 the officer of the County responsible for the execution and delivery (on the date of each  
41 issuance of the bonds or bond anticipation notes) of a certificate of the County (the “Section  
42 148 Certificate”) which complies with the requirements of Section 148 of the Code  
43 (“Section 148”), and the applicable regulations thereunder (the “Arbitrage Regulations”),  
44 and the Section 148 Certifying Official is hereby directed to execute the Section 148  
45 Certificate and to deliver the same to bond counsel on the date of the issuance of the bonds  
46 or bond anticipation notes.

47  
48 (2) The County shall set forth in the Section 148 Certificate its reasonable expectations  
49 as to relevant facts, estimates and circumstances relating to the use of the proceeds of the

1 bonds or bond anticipation notes, or of any money, securities or other obligations to the  
2 credit of any account of the County which may be deemed to be proceeds of the bonds or  
3 bond anticipation notes pursuant to Section 148 or the Arbitrage Regulations (collectively,  
4 “Bond Proceeds”). The County covenants that the facts, estimates and circumstances set  
5 forth in the Section 148 Certificate will be based on the County’s reasonable expectations  
6 on the date of issuance of the bonds or bond anticipation notes and will be, to the best of  
7 the certifying officials’ knowledge, true and correct as of that date.  
8

9 (3) The County covenants and agrees with each of the holders of any of the bonds or  
10 bond anticipation notes that it will not make, or (to the extent that it exercises control or  
11 direction) permit to be made, any use of the Bond Proceeds which would cause the bonds  
12 or bond anticipation notes to be “arbitrage bonds” within the meaning of Section 148 and  
13 the Arbitrage Regulations. The County further covenants that it will comply with Section  
14 148 and the Arbitrage Regulations which are applicable to the bonds or bond anticipation  
15 notes on the date of issuance of the bonds or bond anticipation notes and which may  
16 subsequently lawfully be made applicable to the bonds or bond anticipation notes.  
17

18 (4) The County further covenants that it shall make such use of the proceeds of the  
19 bonds or bond anticipation notes, regulate the investment of the proceeds thereof, and take  
20 such other and further actions as may be required to maintain the excludability from gross  
21 income for federal income tax purposes of interest on the bonds or bond anticipation notes.  
22 All officers, employees and agents of the County are hereby authorized and directed to take  
23 such actions, and to provide such certifications of facts and estimates regarding the amount  
24 and use of the proceeds of the bonds or bond anticipation notes, as may be necessary or  
25 appropriate from time to time to comply with, or to evidence the County’s compliance  
26 with, the covenants set forth in this Section.  
27

28 (5) The County Executive, or the Chief Administrative Officer if authorized by the  
29 County Executive, on behalf of the County, may make such covenants or agreements in  
30 connection with the issuance of bonds or bond anticipation notes issued hereunder as he or  
31 she shall deem advisable in order to assure the registered owners of such bonds or notes  
32 that interest thereon shall be and remain excludable from gross income for federal income  
33 tax purposes, and such covenants or agreements shall be binding on the County so long as  
34 the observance by the County of any such covenants or agreements is necessary in  
35 connection with the maintenance of the exclusion of the interest on such bonds or notes  
36 from gross income for federal income tax purposes. The foregoing covenants and  
37 agreements may include such covenants or agreements on behalf of the County regarding  
38 compliance with the provisions of the Code as the County Executive, or the Chief  
39 Administrative Officer if authorized by the County Executive, shall deem advisable in  
40 order to assure the registered owners of such bonds or notes that the interest thereon shall  
41 be and remain excludable from gross income for federal income tax purposes, including  
42 (without limitation) covenants or agreements relating to the investment of the proceeds of  
43 such bonds or notes, the rebate of certain earnings resulting from such investment to the  
44 United States of America (or the payment of penalties in lieu of rebate) to the United States,  
45 limitations on the times within which, and the purposes for which, such proceeds may be  
46 expended, or the use of specified procedures for accounting for and segregating such  
47 proceeds.

1 (6) Notwithstanding anything in this Ordinance to the contrary, bonds or bond  
2 anticipation notes issued and sold hereunder may be issued and sold on the basis that the  
3 interest on such bonds or notes will not be excludable from gross income for federal income  
4 tax purposes.  
5

6 (7) With respect to Tax Advantaged Obligations, the County Executive, or the Chief  
7 Administrative Officer if authorized by the County Executive, is hereby authorized to make  
8 such covenants or agreements in connection with the issuance thereof as he shall deem  
9 advisable in order to assure (i) the holders of any such Tax Advantaged Obligations that  
10 such Tax Advantaged Obligations will be entitled to federal tax benefits of such Tax  
11 Advantaged Obligations, and (ii) that the County is entitled to any subsidy available for  
12 any such Tax Advantaged Obligations. Such covenants or agreements shall be binding on  
13 the County so long as the observance by the County of any such covenants or agreements  
14 is necessary in connection with the entitlement of such Tax Advantaged Obligations to  
15 applicable federal tax benefits. The foregoing covenants and agreements may include  
16 (without limitation) covenants or agreements on behalf of the County relating to the  
17 investment of proceeds of such Tax Advantaged Obligations, the rebate of certain earnings  
18 resulting from such investment to the United States of America (or the payment of penalties  
19 in lieu of such rebate), limitations on the times within which, and the purposes for which,  
20 such proceeds may be expended or the utilization of specified procedures for accounting  
21 for and segregating such proceeds. Any covenant or agreement made by the County  
22 Executive, or the Chief Administrative Officer if authorized by the County Executive,  
23 pursuant to this paragraph may be authorized by an order or certificate of the County  
24 Executive, or the Chief Administrative Officer if authorized by the County Executive, and  
25 such covenant or agreement shall be binding on the County.  
26

27 In furtherance of the foregoing, in order to qualify for the benefits inuring with respect  
28 to any Tax Advantaged Obligation, the County Executive, or the Chief Administrative  
29 Officer if authorized by the County Executive, shall be authorized to make any elections  
30 or designations permitted or required under the Code to apply for an allocation from the  
31 State of Maryland or the federal government in the case of bonds or notes subject to any  
32 volume limitation and to apply for any tax credit, to take such actions as shall be necessary  
33 to permit any tax credit to be stripped and sold separately from the ownership interest in  
34 any Tax Advantaged Obligations and to claim any cash subsidy with respect to any Tax  
35 Advantaged Obligation.  
36

37 For purposes of establishing compliance with Sections 148 and 150 of the Code  
38 regarding the expenditure of proceeds of bonds or bond anticipation note, the proceeds of  
39 County debt issuances may be allocated to reimbursement of County funds advanced on  
40 an interim basis for expenditures authorized to be financed by such indebtedness.  
41

42 Notwithstanding anything in this Ordinance to the contrary, Tax Advantaged  
43 Obligations may be issued pursuant to Section 19-208 of the Local Government Article of  
44 the Annotated Code of Maryland (2013 Replacement Volume and 2023 Supplement) or  
45 any other laws of the State of Maryland authorizing the issuance thereof and may be sold  
46 for a price at, above or below par, plus accrued interest to the date of delivery. Authority  
47 is hereby conferred on the County Executive, or the Chief Administrative Officer if  
48 authorized by the County Executive, to sell any such Tax Advantaged Obligations through  
49 a public sale or through a private (negotiated) sale, without solicitation of competitive bids,

1 as the County Executive, or the Chief Administrative Officer if authorized by the County  
2 Executive, upon consultation with the Controller and the County's financial advisor, shall  
3 determine to be in the best interests of the County. Any sale of Tax Advantaged  
4 Obligations hereunder by private negotiation is hereby determined to be in the County's  
5 best interest. Tax Advantaged Obligations issued hereunder are hereby specifically  
6 exempted from the provisions of Sections 19-205 and 19-206 of the Local Government  
7 Article of the Annotated Code of Maryland (2013 Replacement Volume and 2023  
8 Supplement).

9  
10 It is recognized that the market for Tax Advantaged Obligations is evolving and that  
11 the issuance and sale from time to time of Tax Advantaged Obligations with one stated  
12 maturity may be the most practicable method for successfully accomplishing the sale of  
13 Tax Advantaged Obligations by the County. Accordingly, the County is hereby authorized  
14 to issue Tax Advantaged Obligations with a single stated maturity and to provide for an  
15 Installment Plan with respect to the payment of Tax Advantaged Obligations, such  
16 Installment Plan to be approved by an order of the County Executive. The Installment Plan  
17 shall provide for annual payments to a sinking fund account (the "Escrow Account") to be  
18 pledged or otherwise applied to the payment of the Tax Advantaged Obligations and to be  
19 held by a trust company or other banking institution, as trustee or escrow agent, such annual  
20 payments to commence not later than two years from the date of issuance of the Tax  
21 Advantaged Obligations. Amounts so deposited to the Escrow Account shall be invested  
22 and reinvested in direct obligations of, or obligations the principal of, and the interest on  
23 which, are guaranteed by, the United States of America, or in certificates of deposit or time  
24 deposits secured by direct obligations or obligations the principal of, and the interest on  
25 which, are guaranteed by, the United States of America. Each annual payment deposited  
26 to the Escrow Account under the Installment Plan shall be invested and reinvested in a  
27 manner determined by the County so as to provide for the payment of a portion of the stated  
28 principal amount of such Tax Advantaged Obligations and related interest, if any. The  
29 issuance and sale of Tax Advantaged Obligations as a single bond with one stated maturity  
30 and the establishment of an Installment Plan as herein described are hereby authorized  
31 notwithstanding the requirement in Section 2 of this Ordinance that bonds be issued as  
32 serial maturity bonds or term bonds having mandatory sinking fund requirements,  
33 beginning not later than the second anniversary of the date of issuance of such series.

34  
35 (8) Notwithstanding anything in this Ordinance to the contrary, it is confirmed that  
36 bond premium, consisting of net bond proceeds from the sale of bonds sold at a price above  
37 par, may be allocated for expenditure purposes permitted under provisions of federal  
38 income tax law pertaining to excludability of interest on the bonds from gross income or  
39 the tax status of Tax Advantaged Obligations, as applicable.

40  
41 SECTION 9. *And be it further enacted*, That, notwithstanding any other provisions of  
42 this Ordinance, in order (i) to comply with the bond registration requirements of, and to  
43 conform with, developing practices in the municipal bond market, including practices of  
44 bond registrars and paying agents, (ii) to facilitate generally the issuance and sale of general  
45 obligation bonds and bond anticipation notes by the County, including compliance with  
46 disclosure and similar requirements and (iii) insofar as possible, to simplify issuance  
47 procedures, the County Executive, or the Chief Administrative Officer if authorized by the  
48 County Executive, is hereby authorized (a) to apply the provisions of this Ordinance, (b)  
49 to make determinations and decisions required by this Ordinance, (c) to make such

1 insertions, modifications and corrections to the form of bonds, the form of notes and the  
2 form of notice of sale authorized hereby, including modifications to the method of  
3 publication in connection with the redemption of any bonds and whether to require a good  
4 faith deposit with respect to any award of any general obligation bonds and bond  
5 anticipation notes, (d) to enter into agreements on behalf of the County and (e) to take all  
6 and any other actions under this Ordinance in the manner and to the extent that the County  
7 Executive or the Chief Administrative Officer, as the case may be, may deem necessary or  
8 appropriate to accomplish the stated purposes, taking into account the recommendations of  
9 bond counsel and the financial advisor to the County, including the making of agreements  
10 to facilitate the foregoing.

11  
12 SECTION 10. *And be it further enacted*, That, the Budget Officer and the Controller  
13 are hereby designated as the authorized deputies of the Chief Administrative Officer for  
14 the purpose of authenticating any bonds or bond anticipation notes issued hereunder. In  
15 addition, the County Executive may deliver a written certificate at or prior to the time of  
16 the issuance of any bonds or bond anticipation notes issued hereunder designating such  
17 other person or persons as he shall deem appropriate as an authorized deputy or deputies  
18 of the Chief Administrative Officer for the purpose of authenticating any bonds or bond  
19 anticipation note issued hereunder.

20  
21 SECTION 11. *And be it further enacted*, That the County is hereby authorized to  
22 borrow money and incur indebtedness otherwise authorized to be borrowed and incurred  
23 hereunder in the form of bonds or bond anticipation notes by obtaining a loan (a “Water  
24 Infrastructure Loan”) from the Maryland Water Infrastructure Financing Administration  
25 (the “Administration”) pursuant to and in accordance with Sections 9-1601 through  
26 9-1622, inclusive, of the Environment Article of the Annotated Code of Maryland (2014  
27 Replacement Volume and 2023 Supplement) (the “Act”). Such Water Infrastructure Loans  
28 may be obtained by the County hereunder from time to time. Any such Water  
29 Infrastructure Loan shall be evidenced by a loan agreement (a “Water Infrastructure Loan  
30 Agreement”) between the County and the Administration and a bond issued by the County  
31 (a “Water Infrastructure Bond”).

32  
33 It is acknowledged that the proceeds of any Water Infrastructure Loan will be used for  
34 the public purposes of financing a portion of the costs of acquiring, constructing and  
35 equipping certain wastewater facilities or water supply systems, each as defined in the Act  
36 (collectively, the “Water Infrastructure Facilities”), including the development of property,  
37 the acquisition and installation of equipment and furnishings and any architectural,  
38 financial, legal, planning and engineering expenses. It is intended that the proceeds of any  
39 Water Infrastructure Loan undertaken by the County pursuant to this Section 11 may be  
40 expended on the applicable Water Infrastructure Facility and any related costs, including  
41 costs of the Administration and the funding of reserves, to the extent permitted by the Act  
42 and to the extent provided in the applicable Water Infrastructure Loan Agreement or Water  
43 Infrastructure Bond. It is acknowledged that Water Infrastructure Facilities as defined  
44 above may include projects that the County classifies as wastewater projects, water projects  
45 or under some other classification.

46  
47 Unless otherwise provided in this Section 11, limitations, procedures or requirements  
48 set forth in this Ordinance for the issuance, sale and delivery of bonds or bond anticipation  
49 notes, as applicable, to the extent practicable, shall apply to obtaining any Water

1 Infrastructure Loan and to the execution and delivery of any Water Infrastructure Loan  
2 Agreement or Water Infrastructure Bond.

3  
4 The County Executive, or the Chief Administrative Officer if authorized by the County  
5 Executive, is hereby authorized to approve the form of any Water Infrastructure Loan  
6 Agreement or Water Infrastructure Bond, the terms thereof, including the interest rate,  
7 maturity schedule, redemption provisions and covenants to be set forth therein, and the  
8 manner of executing and authenticating the same. The form of Water Infrastructure Bond  
9 need not conform to the forms otherwise provided in this Ordinance.

10  
11 Notwithstanding any other provision to the contrary in this Ordinance:

12  
13 (a) Any Water Infrastructure Loans (including any Water Infrastructure Loan  
14 Agreements and Water Infrastructure Bonds) need not be in denominations of \$5,000 or  
15 any integral multiple thereof, nor in a serial maturity format, provided, however,  
16 borrowings and evidences thereof shall be on an installment basis with annual principal  
17 payments beginning not more than two years from the date of issue;

18  
19 (b) Any Water Infrastructure Loan (including any Water Infrastructure Loan  
20 Agreement and Water Infrastructure Bond) may be sold at less than par and without regard  
21 to any limitation set forth in Section 2(1) hereof or Section 6(7) hereof, as applicable;

22  
23 (c) Any Water Infrastructure Loan (including any Water Infrastructure Loan  
24 Agreement and Water Infrastructure Bond) may provide for interest payments on other  
25 than a semiannual basis;

26  
27 (d) Paying agents and registrars may be provided for in the discretion of the County  
28 Executive, or the Chief Administrative Officer if authorized by the County Executive;

29  
30 (e) The County is hereby authorized to sell any Water Infrastructure Loan (including  
31 any Water Infrastructure Loan Agreement and Water Infrastructure Bond) at private  
32 (negotiated) sale to the Administration, public advertisement and sale of the same not being  
33 required by the terms of the Act and the best interests of the County being hereby declared  
34 to be served by such private sale;

35  
36 (f) Provisions for the redemption of any Water Infrastructure Loan (including any  
37 Water Infrastructure Loan Agreement and Water Infrastructure Bond) may be provided for  
38 in the discretion of the County Executive, or the Chief Administrative Officer if authorized  
39 by the County Executive; and

40  
41 (g) Any signature required in connection with the issuance and sale of any Water  
42 Infrastructure Loan (including any Water Infrastructure Loan Agreement and Water  
43 Infrastructure Bond) may be manual and any affixing of the County Seal may be  
44 accomplished by impressing the same on the applicable document.

45  
46 The County Executive, or the Chief Administrative Officer if authorized by the County  
47 Executive, is hereby authorized to take any and all actions in the manner and to the extent  
48 that the County Executive or the Chief Administrative Officer, as the case may be, may  
49 deem necessary or appropriate to accomplish the purposes of this Section.

1 Any Water Infrastructure Loan (including any Water Infrastructure Loan Agreement  
2 and Water Infrastructure Bond) shall be secured as provided in Section 2(6) of this  
3 Ordinance.

4  
5 With respect to any Water Infrastructure Loan authorized by this Section or by similar  
6 authority contained in a prior ordinance of the County, the County Executive, or the Chief  
7 Administrative Officer if authorized by the County Executive, may, in accordance with  
8 Paragraph (4) of Section II of the FINDINGS OF FACT, apply to any project authorized  
9 to be financed with a Water Infrastructure Loan the balance remaining to the credit of any  
10 completed or abandoned project previously financed with the proceeds of a Water  
11 Infrastructure Loan. In exercising such authority, the County Executive, or the Chief  
12 Administrative Officer if authorized by the County Executive, may enter into such  
13 amendments of Water Infrastructure Loan Agreements and related documents as he deems  
14 necessary or appropriate in the exercise of the authority granted hereby. In lieu of applying  
15 the balance of remaining to the credit of any completed or abandoned project financed with  
16 a Water Infrastructure Loan to new or additional projects, the County Executive, or the  
17 Chief Administrative Officer if authorized by the County Executive, may determine to  
18 prepay or otherwise effect a reduction in the stated principal amount or permitted maximum  
19 principal amount of any such Water Infrastructure Loan as permitted in the Water  
20 Infrastructure Loan Agreement and the Water Infrastructure Bond or as otherwise  
21 permitted and, in connection therewith, may take such action and make such amendments  
22 to the Water Infrastructure Loan Agreement and Water Infrastructure Bond as he deems  
23 necessary or appropriate to permit the reamortization of the principal amount outstanding  
24 and to effect such prepayment or reduction in stated principal amount.

25  
26 Following the execution and delivery of any written commitment specifying the  
27 material terms of any Water Infrastructure Loan, or if no such written commitment is  
28 entered into, following the execution and delivery of any Water Infrastructure Loan  
29 (including any Water Infrastructure Loan Agreement and Water Infrastructure Bond), the  
30 County Executive, or the Comptroller, if authorized by the County Executive, shall report  
31 the terms thereof in writing at the next meeting of the County Council.

32  
33 SECTION 12. *And be it further enacted*, That the County is hereby authorized to  
34 borrow money and incur indebtedness for shore erosion control projects hereinafter  
35 specified by obtaining a loan (a “Shore Erosion Control Construction Loan”) from the  
36 Shore Erosion Control Construction Loan Fund pursuant to and in accordance with  
37 Sections 8-1001 through 8-1008, inclusive, of the Natural Resources Article of the  
38 Annotated Code of Maryland (2023 Replacement Volume and 2023 Supplement) (the “Soil  
39 Erosion Control Act”). Each Shore Erosion Control Construction Loan shall be evidenced  
40 by a loan agreement (a “Shore Erosion Control Construction Loan Agreement”) between  
41 the County and the Department of Natural Resources (“DNR”) in a form determined by  
42 order of the County Executive, or the Chief Administrative Officer if authorized by the  
43 County Executive, as hereinafter provided. The authorization to borrow money and incur  
44 indebtedness pursuant to this Section 12 shall not be exercised unless and until  
45 appropriation is made for the expenditure of the proceeds of any such loan for the project  
46 to be financed thereby.

47  
48 Shore Erosion Control Construction Loans may be repaid from benefit charges levied  
49 on benefited property and may be further secured by a pledge of the full faith and credit of

1 the County, as determined by order of the County Executive, or the Chief Administrative  
2 Officer if authorized by the County Executive, as hereinafter provided. It is acknowledged  
3 and declared that the levy of any ad valorem taxes by the County to provide for repayment  
4 of the Shore Erosion Control Construction Loans shall be subject to the limitation on the  
5 tax levy set out in Section 710(d) of the County Charter.

6  
7 Pursuant to and in accordance with requirements of this Ordinance and the Shore  
8 Erosion Control Act, the County Executive by order is hereby authorized to approve the  
9 form of any Shore Erosion Control Construction Loan Agreement, the terms thereof,  
10 including the source or sources of and security for repayment, the repayment schedule and  
11 covenants to be set forth therein, and the manner of executing and authenticating the same.  
12 Pursuant to Section 8-1005(f) of the Soil Erosion Control Act, the County may borrow  
13 interest-free funds and repay the funds at a uniform rate over a period not exceeding 25  
14 years.

15  
16 The County Executive, or the Chief Administrative Officer if authorized by the County  
17 Executive, is hereby authorized to take any and all actions in the manner and to the extent  
18 that the County Executive or the Chief Administrative Officer, as the case may be, may  
19 deem necessary or appropriate to accomplish the purposes of this Section.

20  
21 Without limitation, Shore Erosion Control Construction Loan Agreements by and  
22 between the County and DNR heretofore approved are hereby approved and ratified,  
23 subject to reductions in loan amounts made in accordance with the respective loan  
24 agreements, as obligations of the County without further action.

25  
26 SECTION 13. *And be it further enacted,* That pursuant to the authority granted by  
27 Section 19-103 of the Local Government Article of the Annotated Code of Maryland (2013  
28 Replacement Volume and 2023 Supplement), the County Executive, or the Chief  
29 Administrative Officer if authorized by the County Executive, is hereby authorized in  
30 connection with the issuance of any bonds or notes hereunder to (i) provide, covenant or  
31 agree that, in the event that sufficient funds for the timely payment when due of principal  
32 of or interest on bonds or notes issued pursuant to the authority of this Ordinance are not  
33 available or in the event of a default in the payment of the principal of or interest on such  
34 bonds or notes, the first general fund revenues of the County received thereafter shall be  
35 applied to the payment when due of such principal or interest or to cure such default, as the  
36 case may be, and (ii) pledge any of the County's revenues to the payment of the principal  
37 of and interest on the bonds and notes issued pursuant to the authority of this Ordinance.  
38 In the event that the County Executive, or the Chief Administrative Officer if authorized  
39 by the County Executive, determines to exercise all or any part of the authority granted  
40 under this Section, the County Executive, or the Chief Administrative Officer if authorized

42 certificate, agreement or related documents as he shall deem necessary or appropriate to  
43 evidence any agreement or pledge authorized hereby, including (without limitation) terms  
44 and provisions regarding the application of such pledge or agreement to borrowings of the  
45 County other than bonds or notes issued pursuant to the authority of this Ordinance. Any  
46 such order, certificate, agreement or related document shall be executed by the County  
47 Executive and the seal of the County shall be impressed thereon, attested by the County  
48 Executive, the Secretary to the County Executive, the Administrative Officer to the County  
49 Council or such other officer as may be specified by ordinance of the County Council.

1 SECTION 14. *And be it further enacted*, That, as determined and specified in a  
2 certificate of the County Executive, or of the Chief Administrative Officer if authorized by  
3 the County Executive, executed and delivered prior to the issuance of bonds or notes, such  
4 bonds or notes may be issued to provide for the financing of one or more projects included  
5 within a specified class of projects set forth in Exhibit I. In addition, the amount of  
6 proceeds allocated to projects included within a specified class of projects financed by any  
7 issuance of bonds or notes may be amended after the issuance of such bonds or notes, as  
8 determined and specified in a certificate of the County Executive, or of the Chief  
9 Administrative Officer if authorized by the County Executive.

10  
11 In connection with the foregoing, the County Executive, or the Chief Administrative  
12 Officer if authorized by the County Executive, shall execute a certificate demonstrating  
13 or determining, as applicable:

14  
15 (a) That all bonds or notes are payable within the probable useful life of the  
16 improvement or undertaking being financed or, if the bonds or notes are to be issued for  
17 several improvements or undertakings, then within the average probable useful life of all  
18 such improvements or undertakings being financed;

19  
20 (b) That the amount of bonds or notes to be applied to any project to be financed  
21 shall not exceed the maximum amount set forth in Exhibit I authorized for such project;  
22 and

23  
24 (c) Such other matters as the County Executive or the Chief Administrative Officer  
25 (as the case may be) deems appropriate to establish compliance with the provisions of the  
26 County Charter and this Ordinance in connection with the issuance of bonds and notes to  
27 provide for the financing of one or more projects included within a specified class or to  
28 provide for the amendment of the list of projects from the specified class of projects  
29 financed by an issuance of bonds or notes, as described above.

30  
31 SECTION 15. *And be it further enacted*, That, subject to the following paragraphs of  
32 this Section 15, the authority to issue bonds under Bill No. 51-23, as amended, effective  
33 September 11, 2023 (“Bill No. 51-23”) is hereby canceled, rescinded and repealed, but  
34 only to the extent that such authority has not been exercised prior to the effective date of  
35 this Ordinance.

36  
37 Appropriate reductions shall be recognized in the amounts of bonds authorized for  
38 issuance under this Ordinance for bonds issued after May 31, 2024, under the authority of  
39 Bill No. 51-23, for projects authorized to be financed by Bill No. 51-23 and also authorized  
40 to be financed under this Ordinance.

41  
42 Nothing contained in this Ordinance shall be construed as impairing the validity of any  
43 proceedings or action taken, or the validity of any bonds or bond anticipation notes issued,  
44 or Shore Erosion Control Construction Loan Agreements executed, prior to the effective  
45 date of this Ordinance, under the provisions of Bill No. 51-23, or under prior bond  
46 authorization ordinances, and the authorization, sale and issuance of all bonds and bond  
47 anticipation notes issued prior to the effective date of this Ordinance pursuant to the  
48 authority of such ordinances, including (without limitation) the various series of general

Anne Arundel County, Maryland, a body politic and corporate of the State of Maryland (the "County"), hereby acknowledges itself indebted for value received, and promises to pay to the Registered Holder shown above or his registered assigns or legal representatives, on the date specified above (unless this bond shall be redeemable, shall have been called for prior redemption and payment of the redemption price made or provided for), upon presentation and surrender of this bond at the principal corporate trust office of \_\_\_\_\_, \_\_\_\_\_, (the "Bond Registrar"), the Principal Amount shown above in any coin or currency which, at the time of payment, is legal tender for the payment of public and private debts and to pay to the registered owner hereof by check or draft, mailed to such registered owner at his address as it appears on the bond registration books kept by the Bond Registrar, interest on such principal sum at the rate per annum shown above until payment of such principal amount upon maturity or until the prior redemption hereof, such interest being payable on \_\_\_\_\_ and \_\_\_\_\_ in each year, in like coin or currency, accounting from the most recent date to which interest has been paid or, if no interest has been paid, from the Dated Date shown above.

All interest due on this bond shall be payable to the registered owner in whose name this bond is registered on such bond registration books as of the close of business on the Regular Record Date for such interest payment, which shall be the \_\_\_\_\_. Any such interest not so punctually paid or duly provided for shall forthwith cease to be payable to the registered owner on such Regular Record Date, and may be paid to the person in whose name this bond is registered as of the close of business on a Special Record Date for the payment of such defaulted interest to be fixed by the Bond Registrar, notice whereof being given by letter mailed first class, postage prepaid, to the holders of bonds not less than 30 days prior to such Special Record Date, at the addresses of such holders appearing on the registration books kept by the Bond Registrar, or may be paid at any time in any other

lawful manner not inconsistent with the requirements of any securities exchange on which the bonds of this series may be listed and upon such notice as may be required by such exchange. The County and the Registered Holder shown above may agree in writing that the payment of the Principal Amount shown above or any portion thereof, or interest on such Principal Amount shall be paid by a method other than as described herein and any payment of such Principal Amount and interest thereon in accordance with such written agreement shall discharge the County's obligation hereunder with respect to such payment.

This bond is one of a duly authorized issue of general obligation bonds of the County, designated “ \_\_\_\_\_,” all dated \_\_\_\_\_, all issued in fully registered form in the denomination of \$5,000 each or any integral multiple thereof, and all of like tenor and effect, except as to numbers, interest rates, denominations, maturities and option of redemption. Such bonds are issued pursuant to the authority of Sections 10-203 and 19-207, respectively, of the Local Government Article of the Annotated Code of Maryland, as amended, and The Anne Arundel County Charter (the “Charter”), and in accordance with Bill No. \_\_\_\_\_, passed by the County Council of the County on \_\_\_\_\_, approved by the County Executive of the County on \_\_\_\_\_ and effective on \_\_\_\_\_ (the “Ordinance”).

The bonds of such issue mature and are payable on \_\_\_\_\_ in each of the years \_\_\_\_\_ to \_\_\_\_\_, inclusive, [and the year \_\_\_\_\_] in the following amounts, and bear interest at the following rates per annum:

<u>Year of</u> <u>Maturity</u>	<u>Principal</u> <u>Amount</u>	<u>Interest</u> <u>Rate</u>	<u>Year of</u> <u>Maturity</u>	<u>Principal</u> <u>Amount</u>	<u>Interest</u> <u>Rate</u>
-----------------------------------	-----------------------------------	--------------------------------	-----------------------------------	-----------------------------------	--------------------------------

[The bonds maturing on or after \_\_\_\_\_, are subject to redemption, at the option of the County, on or after \_\_\_\_\_, as a whole or in part at any time, in any order of maturities, after at least 20 days' notice, [at par (100% of principal), plus accrued and unpaid interest to the date fixed for redemption] [at the following redemption prices expressed as percentages of the principal amount of bonds to be redeemed plus accrued interest thereon to the date fixed for redemption:

<u>Period During Which Redeemed</u> <u>(both dates inclusive)</u>	<u>Redemption</u> <u>Price</u>
_____, ____, to _____, ____	_____%
_____, ____, to _____, ____.	_____
On or after _____, ____	_____ ]

If, in accordance with the foregoing option, the County elects to redeem all outstanding bonds, or less than all, it will give a redemption notice by letter mailed first class, postage prepaid, to the holders of such bonds at least 20 days prior to the redemption date, at the addresses of such holders appearing on the registration books kept by the Bond Registrar; provided, however, that the failure to mail such notice or any defect in the notice so mailed, or in the mailing thereof shall not affect the validity of the redemption proceedings relating to any other bonds. Such notice shall state whether such bonds are redeemed in whole or in part and, if in part, the maturities and numbers of the bonds called, shall state that the interest on the bonds so called shall cease on the date fixed for redemption, shall state the redemption date and the redemption price, and shall require that the bonds redeemed be then presented for redemption and payment at the principal corporate trust office of the Bond Registrar. From and after the date fixed for redemption, if notice has been given as herein provided, and the funds sufficient for payment of the redemption price and accrued interest shall be available therefor on such date, the bonds so designated for redemption shall cease to bear interest. Upon presentation and surrender in compliance with such notice, the bonds so called for redemption shall be paid by the Bond Registrar at the redemption price. If not so paid on presentation thereof, such bonds so called shall continue to bear interest at the rates expressed therein until paid.]

[The bonds maturing on \_\_\_\_\_, are subject to mandatory sinking fund redemption, at a price equal to the principal amount thereof plus accrued interest thereon, on \_\_\_\_\_ each of the following years and in the following amounts:

<u>Year</u>	<u>Sinking Fund Installments</u>
-------------	----------------------------------

If the County redeems or otherwise discharges the bonds maturing on \_\_\_\_\_ before the applicable scheduled maturity or payment date, an amount equal to the principal amount of such redeemed or discharged bonds shall be credited to the applicable sinking fund installment amounts in any manner determined by the County.]

[So long as the bonds are registered in book-entry only form, if less than all of the bonds of a series shall be called for redemption, the principal amount of bonds so called for redemption shall be an integral multiple of \$5,000 and the particular bonds or portions of bonds to be redeemed shall be selected by lot by the Bond Registrar, except that so long as DTC or its nominee is the sole registered owner of the Bonds, the particular bond or portion thereof to be redeemed shall be selected by lot by DTC, in accordance with its normal and customary procedures (so long as the bonds are in book-entry form). When less than all of a bond in a denomination in excess of \$5,000 shall be so redeemed, then, upon the surrender of such bond, there shall be issued to the registered owner thereof, without charges, for the unredeemed balance of the principal amount of such bond, at the option of such owner, bonds in any of the authorized denominations, the aggregate face amount of such bonds not to exceed the unredeemed balance of the bond so surrendered,

and to bear the same interest rate and to mature on the same date as such unredeemed balance.]

[If the bonds are not registered in book-entry form, any redemption of less than all of a maturity of any tax-exempt Bond shall be selected as set forth in the preceding paragraph and any redemption of less than all of a maturity of any Bond shall be allocated among the registered owners of such bonds as nearly as practicable in proportion to the principal amounts of such bonds owned by each registered owner, subject to the authorized denominations applicable to such bonds. This will be calculated based on the following formula:

$$\frac{(\text{principal to be redeemed}) \times (\text{principal amount owned by owner})}{(\text{principal amount outstanding})}]$$

The County has appointed \_\_\_\_\_, as Bond Registrar to open books for the registration and for the transfer of bonds. This bond will be transferable only upon such registration books kept at the principal corporate trust office of the Bond Registrar, by the registered owner hereof in person, or by his attorney duly authorized in writing, upon surrender hereof together with a written instrument of transfer in the form attached hereto and satisfactory to the Bond Registrar and duly executed by the registered owner or his duly authorized attorney.

This bond may be transferred or exchanged at the principal corporate trust office of the Bond Registrar. Upon any such transfer or exchange, the County shall issue a new registered bond or bonds without coupons of any of the authorized denominations in an aggregate principal amount equal to the principal amount of the bond exchanged or transferred, and maturing on the same date and bearing interest at the same rate. In each case, the Bond Registrar may require payment by the holder of this bond requesting exchange or transfer hereof of any tax, fee, or other governmental charge, shipping fees, and insurance that may be required to be paid with respect to such exchange or transfer, but otherwise no charge shall be made to the holder hereof for such exchange or transfer. The Bond Registrar shall not be required to transfer or exchange this bond after the mailing of notice calling this bond or portion hereof for redemption as hereinabove described; provided, however, that the foregoing limitation shall not apply to that portion of a bond in excess of \$5,000 which is not being called for redemption.

The full faith and credit and taxing power of Anne Arundel County, Maryland, are hereby irrevocably pledged to the payment of this bond and the interest payable hereon, subject to the limitation set forth in Section 710(d) of the Charter.

[The principal of and interest on this bond (to the extent not provided from other sources) are payable from annual appropriations of the proceeds of ad valorem taxes which the County is empowered to levy, subject to the limitation set forth in Section 710(d) of the Charter, on real estate, tangible personal property and certain intangible personal property within its territorial limits subject to County taxation.]

[The principal of and interest on this bond are payable primarily from the net revenues and receipts from certain projects, or the utilities of which they form a part, for the use and benefit of which the County has covenanted to fix and collect rates, charges or assessments sufficient to operate and maintain such projects and to pay such principal and interest, when due. Such projects are certain of those water and sewer facilities set forth in the Ordinance.]

[In the event, in any fiscal year, such net revenues and receipts shall be insufficient to pay the principal of and interest on this bond falling due in such year, the County will make up such deficiency by the appropriation from its general revenues of an amount sufficient for the purpose, and will fund such appropriation by the levy of ad valorem taxes, which it is empowered to levy on real estate, tangible personal property and certain intangible personal property within its territorial limits subject to County taxation, subject to the limitation on the taxing power set forth in Section 710(d) of the Charter.]

It is hereby certified and recited that each and every act, condition and thing required to exist, to be done, to have happened, and to be performed precedent to and in the issuance of this bond, does exist, has been done, has happened and has been performed in full and strict compliance with the Constitution and laws of the State of Maryland and the Charter and Ordinance of the County referred to above, and that the issue of bonds, of which this bond is one, together with all other indebtedness of the County, is within every debt and other limit prescribed by the Constitution and laws of the State of Maryland and such Charter.

This bond shall not become obligatory for any purpose or be entitled to any benefit under the above-mentioned laws, Charter or Ordinance until the Certificate of Authentication hereon shall have been signed by the Chief Administrative Officer of the County in office as of the date hereof or his authorized deputy and until this bond shall have been authenticated by an authorized officer of the Bond Registrar.

IN WITNESS WHEREOF, Anne Arundel County, Maryland, has caused this bond to be signed in its name by the [manual] [facsimile] signature of its County Executive and by its corporate seal [imprinted] [impressed] hereon [in facsimile], attested by the [[manual] [facsimile] signature of the County Executive, the secretary to the County Executive, the Administrative Officer to the County Council or such other officer as may be specified by ordinance of the County Council]; it has caused this bond to be authenticated by the [manual] [facsimile] signature of its Chief Administrative Officer or his authorized deputy, all as of the \_\_\_\_ day of \_\_\_\_, 20\_.

*General Information*

The Bonds are authorized by Section 10-203 of the Local Government Article of the Annotated Code of Maryland (2013 Replacement Volume and 2023 Supplement), The Charter of Anne Arundel County, Maryland (the “County Charter”), and Bill No. \_\_\_\_, passed by the County Council of the County on \_\_\_\_\_, approved by the County Executive on \_\_\_\_\_, and effective on \_\_\_\_\_, as amended.

The proceeds of the several Series of bonds for which proposals are solicited herein will be expended on the following public purposes: [Insert Public Purposes]

The full faith and credit and taxing power of the County are pledged to the payment of the Bonds and of the interest to accrue thereon. Such taxing power is subject, however, to the limitation set forth on Section 710(d) of the County Charter which provides, in part, that “[f]rom and after July 1, 1993, revenues derived from taxes on properties existing on County property tax rolls at the commencement of the County fiscal year shall not increase, compared with the previous year, more than the Consumer Price Index percentage of change, or 4.5 percent, whichever is the lesser.”

[The principal of and interest on the above-described Series of bonds are payable from annual appropriations of the proceeds of ad valorem taxes which the County is empowered to levy on real and personal property and certain intangible personal property subject to assessment for County taxation, subject to the limitations set forth in Section 710(d) of the County Charter.]

[The principal of and interest on the above-described Series of bonds are payable primarily from the net revenues of the above-described projects or the utilities of which they are a part, for the use and benefit of which the County has covenanted to fix and collect rates, charges and assessments sufficient to pay costs of operation, maintenance and debt service. In the event of a deficiency in such net revenues, the County is obligated to make up the same by an appropriation of the proceeds of ad valorem taxes which it is empowered to levy on real and personal property and certain intangible personal property subject to assessment for County taxation, subject to the limitations set forth in Section 710(d) of the County Charter.]

[The sources of revenue for the payment of the principal of and interest on the above-described bonds are as follows. Bonds of the \_\_\_\_\_ Series, 20\_\_\_\_, \_\_\_\_\_ Series, 20\_\_\_\_, and \_\_\_\_\_ Series, 20\_\_\_\_, are payable from annual appropriations of the proceeds of ad valorem taxes which the County is empowered to levy on real and personal property and certain intangible personal property subject to assessment for County taxation, subject to the limitations set forth in Section 710(d) of the County Charter. Bonds

of the \_\_\_\_\_ Series, 20\_\_, \_\_\_\_\_ Series, 20\_\_, and \_\_\_\_\_ Series 20\_\_, are likewise payable from such appropriations in the event of any deficiency in the primary sources of payment. For bonds of the \_\_\_\_\_ Series, 20\_\_, \_\_\_\_\_ Series, 20\_\_, and \_\_\_\_\_ Series, 20\_\_, such primary sources of payment are the net revenues of the projects for which such bonds are to be issued, or the utilities of which they are a part, for the use and benefit of which the County has covenanted to fix and collect rates, charges and assessments sufficient to pay the costs of operation, maintenance and debt service.]

*[Optional Redemption]*

The bonds of each Series, respectively, maturing on \_\_\_\_\_, 20\_\_, and thereafter are subject to redemption prior to their respective maturities, at the option of the County, as a whole or in part at any time in any order of their maturities, on or after \_\_\_\_\_, 20\_\_, at [a redemption price equal to the principal amount thereof, plus accrued interest thereon to the date fixed for redemption.] [the following redemption prices expressed as percentages of the principal amount of bonds to be redeemed plus accrued interest thereon to the date fixed for redemption:

*[Mandatory Sinking Fund Redemption]*

The Deposit of the successful bidder will be collected and the proceeds thereof retained by the County to be applied in partial payment for the Bonds and no interest will be allowed or paid upon the amount thereof, but in the event the successful bidder shall fail to comply with the terms of the respective bid, the proceeds thereof will be retained as and for full liquidated damages.

The County will distribute wiring instructions for the Deposit to the successful bidder upon verification of the bids submitted by the bidders and prior to the Wire Transfer Deadline. If the Deposit is not received by the Wire Transfer Deadline, the award of the sale of the Bonds to the successful bidder may be cancelled by the County in its discretion without any financial liability of the County to the successful bidder or any limitation whatsoever on the County’s right to sell the Bonds to a different purchaser upon such terms and conditions as the County shall deem appropriate.]

*Bid Specifications*

Bidders shall state in their proposals the rate or rates of interest to be paid on all the Bonds, on which rate or rates their proposals are based and submitted. The rates so named must be in multiples of  $\frac{1}{8}$  or  $\frac{1}{20}$  of 1% [, shall not exceed \_\_\_\_\_% per annum,] and the highest rate named may not exceed the lowest by more than \_\_\_\_\_%. Bidders may specify more than one rate of interest to be borne by the bonds but may not specify more than one rate for the bonds of any single maturity of all Series[, nor may the rate named for the bonds of any one maturity be less than the rate named for the bonds of any earlier maturity]. [Bidders may designate in their proposal two or more consecutive annual principal payments as a term bond, in either series of bonds, which matures on the maturity date of the last annual principal payment of the sequence. Any term bond so designated shall be subject to mandatory sinking fund redemption in each year on the principal payment date and in the entire principal amount for each annual principal payment designated for inclusion in such term bond. There is no limitation on the number of term bonds in either series of bonds.]

*Procedures for Principal Amount Changes and Other Changes to Notice of Sale*

The preliminary aggregate principal amount of the bonds and the preliminary principal amount of each annual payment on the bonds as set forth in this Notice of Sale (the “Preliminary Aggregate Principal Amount” and the “Preliminary Annual Principal Amount,” respectively; collectively the “Preliminary Amounts”) may be revised before the receipt and opening of the bids for their purchase. **ANY SUCH REVISIONS** (the “Revised Aggregate Principal Amount” and the “Revised Annual Principal Amount,”

respectively; collectively, the “Revised Amounts”) **WILL BE PUBLISHED ON THE MUNICIPAL MARKET MONITOR (TM3) SERVICES OF THOMSON REUTERS GLOBAL MARKETS, INC. (“TM3”) ([www.tm3.com](http://www.tm3.com)) NOT LATER THAN [TIME] [A.M./P.M.] (LOCAL BALTIMORE, MARYLAND TIME) ON THE ANNOUNCED DATE FOR RECEIPT OF BIDS.** In the event that no such revisions are made, the Preliminary Amounts will constitute the Revised Amounts. Bidders shall submit bids based on the Revised Amounts and the Revised Amounts will be used to compare bids and select a winning bidder.

*Award of Bonds*

[The County expects and intends that the bid for the Bonds will satisfy the federal tax requirements for a qualified competitive sale of bonds, including, among other things, receipt of bids for the Bonds from at least three underwriters, who have established industry reputations for underwriting new issuances of municipal bonds (a “Qualified Competitive Bid”). The Designated Officer will advise the successful bidder[s] as promptly as possible after the bids are opened whether the bid constitutes a Qualified Competitive Bid, or, in the alternative a bid that fails to satisfy such requirements (a “Nonqualified Competitive Bid”).]

[As promptly as reasonably practicable after the bids are received, if the bid for the Bonds is a Qualified Competitive Bid, and is accepted by the County, the Designated Officer will notify the bidder to whom the bonds will be awarded. If the bid for the bond is a Nonqualified Competitive Bid, the award of the Bonds, if made, will be made promptly as possible after the bids are opened to the bidder offering the lowest interest rate to the County among the bidder or bidders that have confirmed to the County, not later than [TIME, DATE], that the bidder or bidders will proceed with the bid for the Bonds following the procedures for a Nonqualified Competitive Sale described below, which are provided to establish the initial sale prices or initial offering prices, as applicable, of the Bonds. **It is noted that such procedures for a Nonqualified Competitive Bid may require the winning bidder and, if applicable, other underwriters of the Bonds, to hold the initial offering prices for certain maturities of the Bonds for up to 5 business days after the sale date, as further specified in form of required certification described below.**]

If and when such award is made, and such bidder, upon such notice, shall advise the Designated Officer of the [initial sale prices or the initial offering prices] to the public of each maturity of the bonds [of each Series]. Such initial sale prices or the initial offering prices, as applicable, among other things, will be used by the County to calculate the final aggregate principal amount of the bonds and the final principal amount of each annual payment on the bonds (the “Final Aggregate Principal Amount” and the “Final Annual Principal Amount”, respectively; collectively, the “Final Amounts”). In determining the Final Amounts, the County expects that the Revised Amounts will be changed as necessary to effect the greatest economic advantage, or to accommodate other objectives of the County, but the County will not reduce or increase the Revised Aggregate Principal Amount by more than [ ]% from the amount bid upon. **THE SUCCESSFUL BIDDER MAY NOT WITHDRAW ITS BID OR CHANGE THE INTEREST RATES BID OR THE INITIAL REOFFERING PRICES AS A RESULT OF ANY CHANGES**

MADE TO THE REVISED AMOUNTS WITHIN THESE LIMITS. The dollar amount bid by the successful bidder will be adjusted to reflect any adjustments in the aggregate principal amount of the bonds. Such adjusted bid price will reflect changes in the dollar amount of the underwriter's discount and original issue discount/premium, if any, but will not change the underwriter's discount per \$1,000 of par amount of bonds from the underwriter's discount that would have been received based on the purchase price in the winning bid and the initial public offering prices. The interest rates specified by the successful bidder for each maturity of each series in its bid for the bonds will not change. ALL BIDS SHALL REMAIN FIRM FOR FIVE (5) HOURS AFTER THE TIME SPECIFIED FOR THE OPENING OF THE BIDS. An award of the Bonds, if made, will be made by the Designated Officer within such five (5) hour period of time. The Final Amounts will be communicated to the successful bidder as soon as possible, but not later than [TIME] the day after awarding the bonds.

The award, if made, will be made as promptly as possible after the bids are opened to the bidder naming the lowest interest cost for all the bonds in any legally acceptable proposal [and offering to pay not less than [\_\_ % of] par and accrued interest]. The lowest interest cost will be determined with respect to each proposal by [here insert the formula for determining the best bid]. Where the proposals of two or more bidders result in the same lowest interest cost, the Bonds may be apportioned between such bidders, but if this shall not be acceptable to the County, the Designated Officer shall have the right to award all of such bonds to one bidder. THE RIGHT IS RESERVED TO THE DESIGNATED OFFICER TO RECEIVE BIDS,] TO REJECT ANY OR ALL PROPOSALS AND TO WAIVE ANY IRREGULARITIES IN ANY OF THE PROPOSALS. The judgment of the Designated Officer shall be final and binding upon all bidders with respect to the form and adequacy of any proposal received and as to its conformity to the terms of this Notice of Sale.

[If the Designated Officer advises the bidders that the bid for the Bonds constitutes a Qualified Competitive Bid, the winning bidder shall be required to provide to the County information to establish the initial expected offering prices for each maturity of the bonds [of each Series] for federal income tax purposes by completing a certificate acceptable to Bond Counsel in substantially the form set forth in Appendix [\_\_] to the Preliminary Official Statement, with appropriate completions, amendments and attachments.]

[If the Designated Officer advises the bidders that the bid for the bonds [of each Series] constitutes a Nonqualified Competitive Bid, the winning bidder shall be required to provide to the County information and assurances to establish the initial sale prices or the initial offering prices, as applicable, for each maturity of the bonds [of each Series] for federal income tax purposes by completing a certification acceptable to Bond Counsel in substantially the form set forth in Appendix [\_\_] to the Preliminary Official Statement, with appropriate completions, omissions and attachments. **It is noted that procedures for a Nonqualified Competitive Bid may require the winning bidder and, if applicable, other underwriters of the Bonds, to hold the initial offering prices for certain maturities of a series of the bonds for up to five business days after the sale date, as further specified in the form of such certification.**]

*Legal Opinions*

The bonds of each Series described above will be issued and sold subject to approval as to legality by \_\_\_\_\_, of \_\_\_\_\_, \_\_\_\_\_ Bond Counsel, whose approving opinions will be delivered, upon request, to the purchaser or purchasers of the bonds, without charge; [the text of the applicable opinion will also be printed on each bond]. Such opinions shall be substantially in the forms included in Appendix [ ] to the Preliminary Official Statement referred to below.

*[Continuing Disclosure*

In order to assist bidders in complying with SEC Rule 15c2-12(b)(5), the County will execute and deliver a continuing disclosure agreement on or before the date of issuance of the Bonds pursuant to which it will undertake to provide or cause to be provided certain information annually and notices of certain events. A form of this agreement is set forth in the Preliminary Official Statement and will also be set forth in the Official Statement.]

*Delivery of the Bonds*

When delivered, the bonds shall be duly executed and authenticated and registered in such names and in such denominations as the successful bidder shall have requested in writing not less than \_\_\_business days prior to the closing; and the remaining aggregate principal amount of the bonds of each maturity of each Series for which no instructions have been received by such date will be issued as one bond of such maturity of such Series in the denomination of such remaining aggregate principal amount or as bonds in such denominations as shall be mutually agreed upon by the successful bidder and the County and registered in the name of the successful bidder.

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the successful bidder to accept delivery of and pay for the Bonds in accordance with the terms of this Notice of Sale.

[As soon as practicable after the award of the Bonds to the successful bidder on the day of sale, the County, by its County Executive and Chief Administrative Officer, will authorize an Official Statement, which is expected to be substantially in the form of the Preliminary Official Statement referred to below. If so requested by the purchaser or purchasers at or before the close of business on the date of the sale, the County will include in the Official Statement such pricing and other information with respect to the terms of the reoffering of the bonds by the successful bidder (“Reoffering Information”), if any, as may be specified and furnished in writing by such bidder. If no Reoffering Information is specified and furnished by the successful bidder, the Official Statement will include the interest rates on the bonds resulting from the bid of the successful bidder and the other statements with respect to reoffering contained in the Preliminary Official Statement. The successful bidder shall be responsible to the County and its officials for the Reoffering Information, and for all decisions made by such bidder with respect to the use or omission

of the Reoffering Information in any reoffering of the Bonds, including the presentation or exclusion of any Reoffering Information in any documents, including the Official Statement. The successful bidder will also be furnished, without cost, with up to \_\_\_ copies of the Official Statement (and any amendments or supplements thereto).]

Delivery of such bonds, without expense, will be made by the Designated Officer to the purchaser or purchasers on \_\_\_\_, 20 \_\_, or as soon as practicable thereafter, at \_\_\_\_\_, and, thereupon, such purchaser or purchasers will be required to accept delivery of the bonds purchased and pay, in \_\_\_\_\_ funds, the balance of the purchase price due. Such bonds will be accompanied by the customary closing documents, including a no-litigation certificate, effective as of the date of delivery, stating that there is no litigation pending affecting the validity if any of the bonds included in this issue. [It shall be a condition to the obligation of such purchaser or purchasers to accept delivery of and pay for the bonds that, simultaneously with or before delivery and payment for the bonds, such purchaser or purchasers shall be furnished a certificate or certificates of the authorized officers of the County to the effect that, to the best of their knowledge and belief, the Official Statement and any amendment or supplement thereto (except for the Reoffering Information, as to which no view will be expressed), as of the date of sale and as of the date of delivery of the bonds, does not contain any untrue statement of a material fact and does not omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, and that between the date of sale and the date of delivery of the bonds there has been no material adverse change in the financial position or revenues of the County, except as reflected or contemplated in the Official Statement.]

#### *Postponement of Sale*

The County reserves the right to postpone the date established for the receipt of bids at any time before the bids are open. In the event of a postponement, the new date and time of sale will be announced on [TM3]. Any new date and time of sale will be announced at least 24 hours prior to the time proposals are to be submitted. On any such alternative sale date, bidders may submit bids for the purchase of the Bonds in conformity with the provisions of this Notice of Sale, except for any changes to this Notice of Sale, the change of the date of sale and the changes described in the next sentence. If the date fixed for receipt of bids is postponed, the expected date of delivery of Bonds also may be postponed; if the sale is postponed to a later date, then the date of the Bonds, the dates of the semiannual interest payments and annual principal payments, and the optional redemption dates also may be changed. Such changes, if any, will be announced via [TM3] at the time any alternative sale date is announced.

The Preliminary Official Statement, together with this Notice of Sale [and the required form of proposal], may be obtained from the Office of Finance, Anne Arundel County, Arundel Center, Annapolis, Maryland 21404 or from the County's financial advisor, \_\_\_\_\_. [Such Preliminary Official Statement is deemed final by the County as of its date for purposes of SEC Rule 15c2-12, but is subject to revision, amendment and completion in the Official Statement referred to above.]
