Should County and Union be unable to agree as to the inclusion or exclusion of any such re-titled or additional classification(s), the determination of such inclusion or exclusion shall be resolved in accord with the procedure set forth in §6-4-107(e) of the County Code and subject to the provisions of §6-4-107(d) of the County Code.

Union shall indemnify and save County harmless of any and all claims, grievances, actions, suits or other forms of liability or damages that arise out of, or by reason of, any action taken by County for the purpose of complying with the provisions of this Article.

Article 6

Grievance Procedure

Section 6.1 – Definition of a Grievance

A grievance is defined as an appeal dealing with: 1) any action pertaining to the methods of examination, certification, or preparation of eligibility lists for appointment or promotion or 2) disciplinary action including oral reprimand, written reprimand, suspension, demotion, or termination, and any other action designated by law. A grievance is also a dispute between an employee or the Union and the County regarding the meaning, interpretation or application of the express terms of this Agreement.

A grievance may be filed by the Union, an individual employee or by the Union on behalf of an individual, with that individual's consent, or a group of affected employees.

Section 6.2 – Grievance Procedure

Grievances shall be processed as follows:

Step I Written Grievance to the Fire Chief

A grievance shall be filed in writing to the Fire Chief in accordance with the requirements set forth in Section 6.4 of this Agreement, provided that such written grievance is received by the Fire Chief (or the Fire Chief's designated representative) within fifteen (15) work days following the event giving rise to the grievance or within fifteen (15) work days of the time that the employee knew of or should have reasonably gained knowledge of such event.

The grieving employee shall submit two (2) copies of the written grievance to the Fire Chief (or the Fire Chief's designated representative) who shall, upon receipt, date stamp both copies of the written grievance and return one (1) copy to the employee. The copy returned shall serve as both a receipt and as evidence should the issue of timely filing be raised.

Within ten (10) work days after receipt of the written grievance, the Fire Chief (or the Fire Chief's designated representative) shall hold a meeting with the grieving employee and the Union representative. In the event that no resolution of the written grievance is reached during such meeting, the Fire Chief (or the Fire Chief's designated representative) shall issue a written answer to the written grievance within ten (10) work days after the Step I meeting.

Upon the mutual agreement of the County and the grieving employee, the Step I meeting may be waived. In such event, the Fire Chief (or the Fire Chief's designated representative) shall issue a written answer to the written grievance within ten (10) work days after the mutual agreement to waive the Step I meeting.

The Step I written answer of the Fire Chief (or the Fire Chief's designated representative) shall contain the reasons for the Fire Chief's decision and be mailed by U.S. Certified Mail to the grieving employee's home address of record. In addition, the Step I written answer shall be mailed by U.S. First Class Mail to the Union representative.

Step II Written Appeal to the Personnel Officer

If the grievance is not resolved at Step I, the employee may file a written appeal with the County's Personnel Officer (or his/her designated representative) provided that such written appeal is received by County's Personnel Officer (or his/her designated representative) within ten (10) work days after the grievant's receipt of the Step I answer.

The appealing employee shall submit two (2) copies of the written appeal to the County's Personnel Officer (or his/her designated representative) who shall, upon receipt, date stamp both copies of the written appeal and return one (1) copy to the employee. The copy returned shall serve as both a receipt and as evidence should the issue of timely filing be raised.

Within twenty (20) work days of receipt of the employee's appeal, the County's Personnel Officer (or his/her designated representative) shall hold a meeting with the Fire Chief or his/her designee, the employee and the Union Representative.

The Personnel Officer (or his/her designated representative) will respond by U.S. Certified Mail to the employee's home address of record within twenty (20) work days after meeting with the employee. A copy of the response will be sent by way of U.S. First Class Mail to the Union Representative.

Upon mutual agreement of the County and the appealing employee, the Step II meeting may be waived. In such event, County's Personnel Officer (or his/her designated representative) shall issue a written answer to the written appeal within ten (10) work days after the mutual agreement to waive the Step II meeting. The written answer shall contain the reasons for the Personnel Officer's decision.

Step III Appeal to the Personnel Board or Binding Arbitration

Within ten (10) work days after receipt of County's Step II answer, either the Union or the employee may give notice of an intent to appeal by delivery of the notice, to the Office of Personnel, which notice shall satisfy the timeliness obligation. Within ten days after delivery of the notice, the County, Union or the employee may elect in writing to submit the appeal to Arbitration in lieu of an appeal to the Personnel Board and must then comply with the procedures currently set forth in §6-4-113 of the County Code. If no election is made, the appeal will proceed to the Personnel Board. The Personnel Board shall render a final and binding decision on the grievance as soon as possible after such hearing.

Notwithstanding any other provision in this Section, it is understood that the County will not select binding arbitration for a Step III appeal when: (1) the Step III grievance is being pursued by the employee(s); (2) the Union is not providing representation for the employee(s) at the Step III level; and (3) the Union is not a grievant to the Step III appeal.

In cases where the Union is not providing representation at Step III, it so shall notify the County in writing within five (5) work days after the Step III appeal notice is initially filed or within five (5) work days upon receiving inquiry from the County.

If at any point prior to or at the time of a Personnel Board hearing, the Union undertakes representation of the employee, the County will have five work (5) days to elect binding arbitration and must comply with the applicable procedures set forth in §6-4-113 of the County Code.

Section 6.3 – Time Limitations

No grievance shall be entertained or processed under this Article unless it is submitted within the time limits set forth in Section 6.2. It is understood, however, that County and Union may mutually agree in writing to extend any of the time limits provided in this Article.

If a grievance is not presented within the time limits set forth in Section 6.2 (or within the time limits mutually determined by County and Union), said grievance shall be deemed settled on the basis of County's last answer to such grievance. If County fails to hold a meeting or to provide an answer within the time limits set forth in Section 6.2 (or within the time limits mutually determined by County and Union), Union may elect to treat the grievance as denied and immediately appeal the grievance to the next step.

Section 6.4 – Written Presentation

Any written grievance presented under Section 6.2 of this Article shall be on an Anne Arundel County Office of Personnel Appeal of Personnel Practices grievance form and shall contain the name and address of the grievant, the exact nature of the grievance, the facts giving rise to the grievance; the specific provisions of this Agreement or of applicable law allegedly violated; and the remedy requested. Grievances that are not completed according to the Section will be returned, along with written direction with respect to the items that are not complete. The grievant will then be given five (5) work days in order to return a perfected grievance. Grievances that are not perfected and returned within five (5) work days shall be deemed to be withdrawn.

Section 6.5 – Grievance Meetings

Grievance meetings conducted under Section 6.2 of this Article shall be held at times mutually agreeable to the County and the Union provided that, insofar as is practicable, such meetings shall be held during scheduled work hours. The grieving employee and any other employee who the County and the Union mutually agree is necessary to the resolution of the grievance shall suffer no loss of pay or benefits for scheduled work hours lost while attending grievance meetings. The County or the Union may sequester any witness during any grievance meeting.

Article 7 **Union Business**

Section 7.1 – Union Representatives

The Union shall designate three (3) members to be recognized by the County as Shop Stewards for the purpose of presenting grievances under Article 6 of this Agreement. Shop Stewards may leave their jobs during working hours for the purpose of investigating alleged grievances arising under this Agreement which require immediate attention or to attend any scheduled grievance meeting, unless required on a call for service or otherwise directed by the Fire Chief. The Shop Steward must first receive permission from their supervisor prior to leaving their job. Such permission shall not be unreasonably withheld by County, but it may not be granted at times when it interferes with the efficient operation of County.

Section 7.2 – Union to Notify County

Union shall supply County with a roster of the Union Representatives recognized under this Article and shall immediately notify County of any changes in such roster.

Section 7.3 – Union Negotiations

Up to three (3) employees designated by Union shall be granted leave with pay for meetings at times mutually agreed to by County and Union for the purpose of negotiating a successor agreement to this Agreement.

Section 7.4 – Union Business Leave

The County shall grant up to an aggregate maximum of ninety-six (96) hours of leave with pay each fiscal year to employees for administration of the contract. Employees shall be granted leave for the following union related activities: to attend job steward trainings; State, national and/or local union conferences, seminars and conventions; union-sponsored labor relations training; leadership conferences; special regional, union Council, or union local meetings; and in

preparation for negotiations or labor/management meetings provided that the leave does not interfere with the efficient operation of the Fire Department. The above-mentioned list are examples and not intended to limit the reasons for the leave usage made by the Union.

An official request shall be made and approved in advance, in writing on the County's Union Leave Application Form, signed by the Union Shop Steward (or his/her designee in his or her absence), and shall state the purpose of the leave, the estimated duration of the meeting or event, and the estimated amount of leave time needed to accomplish this purpose. Union leave may not be used for a purpose that is personal in nature, granted for non-work hours, or for activities that could be accomplished during non-work hours, for political purposes or activities, or for fundraising events. Permission to use leave under this Section shall not be unreasonably withheld by the County, but shall not be granted at times when it would interfere with the efficient operation of the Department.

Section 7.5 – Union Visitation

With the permission of the Fire Chief or his/her designee, representatives of the Union will be granted reasonable access to County's premises for the purpose of administering this Agreement. While permission shall not be unreasonably withheld, it shall not be granted at times when it would interfere with the safe and efficient operation of the Fire Department.

Section 7.6 – Union Lapel Pin

County agrees to allow a reasonably sized insignia pin of the Teamsters Union, to be worn on uniforms of the Fire Department in accordance with Departmental uniform regulations.

Article 8
No Strikes or Lockouts

Section 8.1 – No Strikes or Lockouts

An employee or Union may not engage in, initiate, sponsor, support or direct a strike as that term is defined in §6-4-101 of the County Code. If an employee or Union violates this provision of the Agreement, the County Executive may, as the County Executive considers necessary in the public interest: (a) impose disciplinary action, including the removal from County service, of employees engaged in the illegal conduct; (b) terminate Union's dues deduction privilege; (c) revoke exclusive representation certification and disqualify an exclusive representative from participation in representation elections for a period of up to two (2) years.

In accordance with §6-4-112(b) of the County Code, during the term of this Agreement, neither County nor its agents will engage in, initiate or direct any lockout of employees covered by this Agreement as defined in §6-4-101 of the County Code.

Section 8.2 – Union Responsibility

Union agrees to notify its officers and representatives of their obligation and responsibility for maintaining compliance with this Article, including their responsibility to remain at work during any interruption which may be caused or initiated by others, and to encourage employees violating Section 8.1 to return to work.

Article 9

“Seniority” shall mean an employee’s length of continuous service since date of promotion to Battalion Chief (time in grade) with County’s Fire Department. Service with other County departments or in any classifications other than those listed in Section 2.2(a) of this Agreement shall not be credited toward service in County’s Fire Department. Except for leaves of absence authorized under either Article 13 (Leaves) or Article 7 (Union Business) of this Agreement, all leaves of absence shall be subtracted from an employee’s length of continuous service in County’s Fire Department.

Section 9.2 – Termination of Seniority An employee’s seniority shall be terminated for the following reasons: (a) Discharge for just cause, voluntary resignation or retirement; (b) Failure to return to work within fourteen (14) consecutive calendar days after due notification of recall from layoff by County; (c) Layoff in excess of eighteen (18) consecutive months since the employee’s last day worked for County as a Battalion Chief.

Section 9.3 – Seniority Roster

Section 9.4 – Layoff and Recall

Layoff and Recall in the classification of Battalion Chief shall be in accord with §6-1-109 of the Anne Arundel County Code including but not limited to §6-1-109(b)(2) which give employees the option to demote in lieu of layoff.

Article 10
Promotions, Transfers and Maintenance of Certification

Section 10.1 – Promotions

Promotions to a higher-level classification shall be considered conditional upon successful demonstration of proficiency in that classification only, for a maximum of six (6) months following the date of promotion. An employee who, within six (6) months of promotion, and after notice of deficiencies, fails to successfully demonstrate proficiency shall be returned to his/her former classification without other penalty or sanction, and the employee shall resume service time in that classification. An employee who is to be returned to his/her former classification may meet with the Fire Chief or designated representative.

Section 10.2 – Transfers

The request shall be made in writing to the Fire Chief. Approval to drop ALS certification is at the sole discretion of the Fire Chief and subject to the needs of the Department. Any denial of request will be accompanied by an explanation for the denial.
- (b) Battalion Chiefs to whom the Fire Chief has granted approval to drop their ALS certification must maintain a minimum level of medical certification as an EMT-B. A Battalion Chief who drops their ALS certification will be placed on the non-paramedic pay scale at the employee's same step effective the first full pay period after the certification is dropped.
- (c) Maintenance of certification is a responsibility shared by the Department and the member. No action will be taken against a member for lapses or errors resulting from administrative error.

Article 11 Schedules

Section 11.2 – Alternative Schedule

For day work employees, the schedule shall be between Monday and Friday, either on the basis of five 8 hour shifts or, upon agreement between the employee and Fire Chief, four 10 hour shifts. Start time shall be determined by the County. Additional work as required may be assigned.

Section 11.3 – Shift Schedule Deviation

For a period of up to and including 14 calendar days, the County may temporarily change its hours of work and shifts should the exigencies of operations, safety, or staffing warrant such a change. The decision as to whether said exigencies warrant such a change is at the sole discretion of the Fire Chief. The County may make or extend such changes beyond 14 calendar days in the event of the issuance of a federal, state or county emergency declaration, and until 14 calendar days beyond the end of the latest emergency order.

The County shall not effect any changes in shifts or hours for disciplinary purposes or for arbitrary or capricious reasons.

Section 11.4 – Shift Exchange

Employees shall have the right to exchange shift assignment, providing a request is made and approved, in accordance with the Rules and Regulations by the Fire Chief or his/her designated representative. Compensation for the above exchange shall rest exclusively with the two (2) employees agreeing to the exchange. County will not withhold such approval for disciplinary purposes or for arbitrary and capricious reasons. In general, approval of shift exchange requests

will not be unreasonably denied. Frequent shift exchanges having the effect of a change to the basic work week pattern will not be approved.

Article 12
Wages and Premiums

Section 12.1 – Purpose of Article

The sole purpose of this Article is to provide a basis for the computation and payment of straight-time and premium pays if applicable. County’s pay practices and procedures shall govern the calculation and computation of all wages.

Section 12.2 – Regular Rate

“Regular rate” of pay is defined as the straight-time rate of pay per hour for an employee’s pay rate within the pay grade assigned to such employee’s regular classification. It is agreed by the County and Union that employees classified as Battalion Chief are FLSA exempt, executive employees who receive an annual salary for hours as required unless otherwise provided in this Agreement. The salary shall be expressed in the form of a “regular rate” or “hourly rate” of pay solely for the purpose of payroll administration.

Section 12.3 – Pay Duplicating and Pyramiding

There shall be no duplicating and pyramiding in the computation of premium wages as is identified and defined in this Article 12.

Section 12.4 – Pay Schedule

Effective the first full pay period on or after July 1, 2024, employees covered by this Agreement shall be placed on Pay Schedule A of Appendix I at his/her same grade and step as of June 30, 2024, not to exceed the maximum step for the grade. Pay Schedule A represents an increase of three and a half percent (3.5%) to each step of the previous Pay Schedule.

Effective the first full pay period on or after January 1, 2025, compression will be reviewed with the intent of maintaining the 10% differential between a member of this bargaining unit and a comparable Fire Captain.

Employees who are promoted from Fire Captain to Fire Battalion Chief shall be placed on the appropriate pay schedule (i.e. non-paramedic, paramedic) at the step that provides for at least a ten percent (10%) increase above the employee’s current salary.

Section 12.5 – Merit Pay

Except as otherwise provided in this section, an employee shall receive merit pay advancements as provided in §6-1-207 of the County Code.

- (a) For Fiscal Year 2025, an eligible employee who receives an overall rating of satisfactory on his/her Performance Planning and Appraisal Report shall receive a merit/step pay advancement on their current pay schedule.
- (b) An employee who receives an Overall Rating of Unsatisfactory shall receive no merit pay advancement, but will be re-evaluated ninety (90) calendar days after his/her receipt of an Unsatisfactory rating. This ninety (90) day re-evaluation is meant to encourage the

employee to bring his/her performance up to a level that meets or exceeds the standards for his/her position. An employee who then meets or exceeds the standards for his/her position shall receive a merit pay advancement determined by his/her Overall Rating, effective on the closest pay period to the ninety (90) day re-evaluation.

If the employee fails to improve to a satisfactory level of performance, a second ninety (90) day review will be conducted. At the discretion of the Fire Chief, any employee who receives an Unsatisfactory rating on his/her second ninety (90) day re-evaluation may be given an additional ninety (90) day re-evaluation.

It is understood that any performance based pay advancements agreed to in this section, shall have the same contractual legal status as any across the board increases agreed to by the parties in this Agreement. The payment of all agreed upon increases shall not be circumvented by any action taken by the County Executive, including by budget or other legislative submittal.

For Fiscal Year 2025, employees at the maximum pay for the grade who receive an overall satisfactory performance evaluation shall receive a lump sum payment of \$2,850. Lump sum amounts are not added to an employee's base pay.

Section 12.6 – Acting Out of Class Pay

- (a) If an employee is assigned temporarily to a position in the classified service with a higher pay grade for a period of at least three (3) consecutive work days or one (1) 24 hour shift, the employee shall be paid for all hours worked in the higher pay grade at 5% above the employee's regular pay rate or at the minimum base pay for the position to which assigned, whichever is greater. The entitlement to and rate for payment of overtime shall be governed by the ordinances applicable to the position in the higher pay grade.
- (b) The appointing authority may approve the payment of out-of-class pay to an employee only if the position to which the employee is assigned is vacant or if the employee regularly assigned to the position is absent from duty, and if the position is an authorized, budgeted position. The temporary assignment and out-of-class pay may not be used as a substitute for reclassification or permanent appointment to a position.
- (c) An employee may be temporarily assigned to a position under this section only if the employee meets the minimum qualifications of the position and is qualified to perform all the duties of the position to which the employee is being temporarily assigned.

Section 12.7 – Extra Shift – Bonus Pay

In accordance with Fire Department Rules and Regulations Leave, Holdover Policy and Supplemental Pays, the Fire Chief or his/her designee may require a Fire Battalion Chief to work an additional tour of duty beyond his/her regularly assigned shift for the purpose of covering a field operations vacancy; providing instruction to emergency personnel; providing repair capability for emergency apparatus and facilities; responding to emergencies as part of a special tactical team, or attending mandatory training or meetings required by Chief. In such cases, the Fire Battalion Chief shall be paid bonus pay for the specified tasks pursuant to the following schedule:

Article 13
Leaves

Section 13.1 – Annual Leave

- (a) All full-time employees shall be entitled to receive paid annual leave accrued in accord with the following schedule:

<u>Years of Continuous Service</u>	<u>Accrual per Calendar Month</u>
Less than 3	13 days per year
3 to less than 15	20 days per year
15 or more	26 days per year

- (b) Procedures governing annual leave shall be in accord with §6-1-302 of the County Code and this Agreement. An employee may carry over forty (40) days of annual leave into a pay period calendar year. Annual leave accumulated which exceeds the maximum carry over limit of 40 days per calendar year will be converted to disability leave.
- (c) In addition to the annual leave provided in Section 13.1(a) above, all employees shall receive sixteen (16) days of paid annual leave in lieu of the holidays listed in §6-1-301 of the County Code.
- (d) Employees covered by this Agreement shall accrue annual leave hours each pay period during a calendar year. At the beginning of each calendar year, leave balances for employees in the classification of Battalion Chief will reflect the total amount of annual leave (including hours for the sixteen (16) days allotted for holiday pay), even though employees will continue to accrue the leave each pay period. In the event that an employee leaves County service prior to the end of a calendar year he/she will be responsible for repayment of any leave hours taken that exceed the hours the employee has not yet earned through an accrual method.
- (e) County shall continue to approve, deny, schedule and or cancel annual leave subject to the

safe and efficient operation of the Fire Department. The selection of annual leave for employees assigned to the 24 hour shifts will conform to the schedule published by the Operations Deputy Chief and outlined in Appendix II.

Requests for annual leave shall not be unreasonably denied once approved, but may be canceled in case of emergency or operational necessity.

- (f) Any proposed change to the Battalion Chief annual leave selection procedure shall be discussed with the union prior to implementation.

Section 13.2 – Disability Leave

- (a) Full-time employees shall be entitled to receive paid disability leave accrued at the rate of one and one-quarter (1.25) days per calendar month.
- (b) Procedures Governing Disability Leave. Procedures governing disability leave shall be as set forth in §6-1-303 of the County Code except as otherwise stated herein. For the purposes of this subsection “undocumented disability leave” shall mean any use of disability leave for which an employee does not provide a medical certification.

Except as set forth in §6-1-303(g), (h), and (i) of the County Code, employees will not be required to submit satisfactory documentation for use of disability leave unless the employee uses a total of more than three (3) shifts of undocumented disability leave during a consecutive twelve month period or a total of two (2) shifts of undocumented disability leave during a consecutive three (3) month period. Beginning with the fourth undocumented shift of disability leave use in a consecutive twelve (12) month period or third undocumented shift of disability leave use in a consecutive three (3) month period as appropriate, or portion thereof, employees must submit satisfactory documentation for the absence (e.g., medical certificate). Any disability leave use that an employee voluntarily provides medical certification does not count toward the limits set forth herein.

- (c) Procedures Governing Employees Injured in the Line of Duty. Upon approval of the County Office of Risk Management, an employee shall be entitled to the employee’s regular pay during a period of temporary total disability if the employee is absent from duty as provided in §6-1-312 of the County Code. In order to receive approval, the employee must first file an Employee’s Claim Form with the Worker’s Compensation Commission. If the County denies the Worker’s Compensation claim, the employee will be charged the appropriate accrued leave, or leave without pay in the absence of paid leave, during their absence from duty pending a decision by the Worker’s Compensation Commission. All such absences are governed by Section 13.2(b) above. In the event that the Worker’s Compensation Commission rules that the employee’s absence is compensable, the employee’s leave records shall be adjusted accordingly.

Effective July 1, 2016, an employee who is absent from work as a direct result of an injury compensable under the Worker’s Compensation laws is entitled to regular pay during the period of temporary total disability. If an employee is released to work a light duty assignment for at least eight (8) hours per day, the employee must contact the Department to receive an appropriate assignment. An employee who works light duty for a partial day will receive no reduction in their regular pay.

- (d) Any employee relieved from duty at the direction of the Fire Department or County, as a result of the wellness and fitness physicals, shall be placed on paid administrative leave for

the remainder of his/her shift and shall be entitled to paid administrative leave for his/her regularly scheduled shift, if needed, for the next six (6) calendar days in order to resolve the issue(s) raised during said physical. If the employee has not resolved the issue(s) within the period of paid administrative leave authorized above, the employee will have the option of using accrued paid leave or being placed in a restrictive duty assignment until he/she is able to return to full duty.

Section 13.3 – Jury Leave

An employee who serves as a member of a jury may be absent from work without loss of pay or benefits or charge of leave. Employees must present the summons to jury duty to their supervisor upon receipt. If an employee is excused and released by the court for a day or substantial portion of a day, the employee shall return to duty. Failure to return to duty when possible shall result in charge to annual leave.

If the employee's base pay with the County is more than the employee's military pay and allowances, the employee shall be paid the difference between the employee's base pay rate and the employee's military pay and allowances. Notwithstanding the above, such employees shall continue to receive any other County benefits being provided to employees covered by this Agreement. The employee shall furnish to the Personnel Officer a copy of the military orders calling the employee to active duty and include official verification of the military pay and allowances.

Section 13.7 – Bereavement Leave

An employee shall be entitled to leave at his or her regular rate for a maximum of three (3) regular scheduled work days (or one [1] 24 hour shift if assigned to the 24/72 platoon work schedule) lost in the event of the death of the following persons: spouse; child; stepchild; brother; step-brother, sister; step-sister; brother-in-law; sister-in-law; parent; step-parent; parent-in-law; guardian; grandparent-in-law, grandchild, and grandparent.

This does not preclude the County from taking appropriate disciplinary action up to and including termination.

This pre-discharge hearing shall not be considered part of the grievance procedure; shall be conducted in accord with legal requirements; and shall allow for Union representation for the subject employee.

Article 20
Appendices and Amendments

Section 20.1 – Identification of Appendices and Amendments

All appendices and amendments to this Agreement shall be numbered or lettered, dated and signed by the responsible parties and shall be subject to all the provisions of this Agreement.

Section 20.2 – Merger

Any merger of County services with the services of any other political subdivisions, which directly affects the Fire Department, shall be discussed with Union as it affects the terms and conditions of this Agreement.

Article 21
Duration of Agreement

Section 21.1 – Effective Period

This Agreement shall become effective on July 1, 2024, and shall continue in full force and effect through June 30, 2025. Except as otherwise provided, this Agreement shall automatically renew itself as of July 1, 2025 for a period of one (1) year and for one-year periods thereafter. However, if either party shall give the other party written notice of desire to terminate, modify or amend this Agreement prior to January 1, 2025 or January 1 of any subsequent year, then, in such event, the parties shall enter into negotiations for the purpose of amending, modifying or terminating this Agreement as provided by Article 6, Title 4 of the County Code. Until such time as this Agreement has been thus terminated, modified or amended, and such termination, modifications or amendments have been fully ratified, approved and effectuated, this Agreement shall remain in full force and effect.

Section 21.2 – Amendments

It is further understood that this Agreement can only be added to, amended or modified by a document in writing, signed on behalf of the parties hereto by their duly authorized officers and representatives, after negotiations mutually agreed to by County and Union.

Section 21.3 – Savings Clause

If any term or provision of this Agreement is at any time during the life of this Agreement in conflict with any law or court decision, County and Union shall meet as soon as possible to negotiate such term or provision. If any term or provision of this Agreement is or becomes invalid or unenforceable, such invalidity or unenforceability shall not affect or impair any other term or provision of this Agreement.

Section 21.4 – Ratification

Upon ratification by the membership of the Bargaining Unit, this Memorandum of Agreement shall be executed by the County Executive. Pending ratification, this Agreement shall be binding upon the parties as provided by Article 6, Title 4, of the Anne Arundel County Code. It is understood that agreements on issues requiring approval by the County Council are tentative pending approval by the County Council. Once ratified by the Union, executed by the County Executive and approved by the County Council on issues requiring Council approval, all terms of this Memorandum of Agreement shall be binding on the County and Union as a contract between them for the duration of this Memorandum of Agreement.

The County Executive, his/her Administration and the Union shall act expeditiously and in good faith to implement all terms and conditions of the Memorandum of Agreement. The procedures provided for in County Code Section 6-4-111 shall be suspended during the ratification process by operation of Section 6-4-111 (q), to allow for resumption of those procedures should ratification not occur.

Section 21.5 – Wage Re-Opener

The County Administration agrees to include funding in its proposed FY 2025 budget for all provisions contained in the FY 2025 Memorandum of Agreement (MOA). In the event that the County Council does not fund any part of the MOA with regard to wages or other economic terms, then, in that event, the economic provisions of the FY 2025 MOA shall be reopened and subject to the collective bargaining process including the impasse procedures set forth in County Code Section 6-4-111 (with alternative dates to be agreed upon by the parties).

Article 22
Entire Agreement

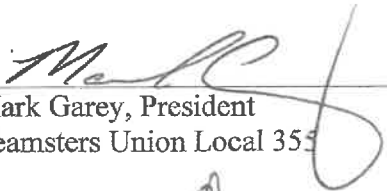

With regard to these subjects expressly addressed herein, this Agreement shall represent the final and entire Agreement between the parties and no other Agreements oral or written, which contradict the express terms of this Agreement shall be binding upon the parties unless such an Agreement is reduced to writing, executed by the parties and appended to this Agreement as an amendment.

In order for any "past practice" to be binding on County, it must be established that the "past practice" is of such a continued, well-known, and mutually concurred-in character that it is logical to assume that the parties in negotiating later collective Agreements, did so in the silent assumption that the "past practice" would continue on, into and through the life of such later Agreement. Furthermore, occasional and sporadic incidents will not constitute a "past practice." Lastly, it is specifically understood that a "past practice" cannot be used to change clear and unequivocal provisions of the Agreement (i.e., that a "past practice" is to be used only to interpret vague, unclear or ambiguous provisions of the Agreement).

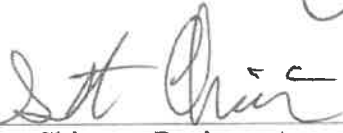

IN WITNESS WHEREOF, the parties hereto have caused their names to be subscribed hereto by their duly authorized officer and representative this 18th day of June, 2024.

E. Guidelines for Flexibility in Annual Leave Scheduling

- 1) An employee may move a future scheduled annual leave day as long as:

- a) The moving of the scheduled day may not cause the cap to be exceeded.
 - b) The employee uses the minimum required number of shifts in the quarter.
 - c) It is not less than 72 hours before the scheduled shift or it is less than 72 hours before the shift but it has not been already filled.
- 2) Personnel whose assignment changes at the Department's request or upon promotion/proficiency advancement shall be entitled to that leave previously requested, provided that leave is scheduled on the day before, the same day or the day after the originally scheduled day.
 - 3) Personnel whose assignment changes at their request shall be allowed unscheduled leave subject to the availability of slots within their new leave group. This leave will count toward the Cap.
 - 4) With the exception of the 24/72-hour work schedule, approved unscheduled annual leave shall be used in minimum increments of one-half ($\frac{1}{2}$) the regular scheduled workday except for situations approved by the Chief of the Department or his/her designated representative(s).
 - 5) Personnel assigned to the 24/72-hour shift shall be permitted to use carryover annual leave in four (4) hour segments. Leave requests of less than four (4) hours shall not be granted, except for situations approved by the Chief of the Department or his/her designated representative (including approved educational leave and union leave). Requests for a four (4) hour block of leave may be made for any four-hour block of time during the shift. These four (4) hour blocks may exceed the cap for the number of personnel permitted off in a leave group, provided the position can be filled.
 - 6) Leave requests for twelve (12) hours or greater shall only be permitted to be requested within the leave cap, and such that they start at the beginning of the shift or end at the conclusion of the shift. For example an employee requesting 12 hours of leave must request the leave starting at either 0700 or at 1900. An individual requesting eighteen (18) hours of leave must request the leave starting at either 0700 or 1300.
 - 7) Exceptions to leave scheduling rules may be granted by the Fire Chief or his or her designated representative in extraordinary circumstances. Requests for exceptions shall be made on a special report to the Fire Chief. Leave used by personnel granted an exception for extraordinary circumstances shall not count against the cap.

Details of the Plan:

- *This appendix summarizes the most important features of the DROP plan. Complete details are contained in the County Code (Article 5, Title 4), which governs the operation of the plan. If there is any conflict between this booklet and the County Code, the County Code will govern. This appendix does not extend any rights to benefits, which are not expressly provided under the terms of the County Code.*
- **Service Requirement:** Twenty (20) years of actual plan service.
- **Plan Participation:** Three (3) years, with four (4) one year renewals - seven (7) years total.
- **Entry Requirements:** When there are more than 35 employees participating in the DROP as of the first day of any subsequent month, no more than four additional employees may begin participating in the DROP on that day. A participant whose participation ends prior to the end of the DROP participation period (first three years) because of a termination of employment, ineligibility to participate in the plan for any reason or an election to withdraw from the plan, forfeits any entitlement to the DROP benefit. A DROP participant who terminates employment with the County after the first three year term of the DROP participation and before the completion of any additional one-year terms, is entitled to a DROP benefit only for each fully completed year of DROP participation. Upon termination, pension payment, adjusted for COLA, will be paid on the first of each month to the retiree. Status then officially changes from employee to retiree.
- ***Earnings on DROP Balance:*** For participants who enter DROP prior to July 1, 2010, an interest rate of 0.6434% which provides an effective annual yield of 8.0%. For participants who enter DROP after June 30, 2010, an interest rate of .34745% which provides an effective annual yield of 4.25%. Credited monthly and paid as of December 31 on the balance; pro-rated in first year and last year.
