Between
Anne Arundel County
(Maryland)
And
Local 582
Of The
American Federation Of State, County And Municipal Employees
AFL-CIO
(Affiliated with Maryland Public Employees' Council 3)**

This Memorandum of Agreement is made and entered into by Anne Arundel County, Maryland (hereinafter referred to as County) and Local 582 of the American Federation of State, County and Municipal Employees, AFL-CIO, affiliated with the Maryland Public Employees' Council 3 (hereinafter referred to as Union).

Witnesseth

In consideration of the mutual promises contained in this Memorandum of Agreement, and for other good and valuable consideration, County and Union agree as follows:

**Article 1
Recognition and Unit**

Section 1.1 – Recognition

County recognizes Union as the exclusive representative of the employees listed in Section 1.2 of this Article for the purpose of collective negotiations regarding wages, hours, and other terms and conditions of employment.

Section 1.2 – Unit Description

- (a) **Current Classifications.** The terms “employee” and “employees” shall refer to all permanent, i.e., “non-probationary”, employees occupying the classifications listed in Appendix I of this Agreement.

The terms “employee” and “employees” shall not include temporary employees and employees employed in any other classification(s) than those listed in Appendix I of this Agreement.

- (b) **Re-Titled or Additional Classifications.** In the event(s) that the classifications referenced in Section 1.2(a) are re-titled or that the County service is increased by the addition of any new classification(s) which, in accord with §6-4-107 of the County Code, would be eligible for inclusion in the unit description in Section 1.2(a) of this Agreement, such classification(s) shall be included in this Article upon the mutual agreement of County and Union. Should County and Union be unable to agree as to the inclusion or exclusion of any such re-titled or additional classification(s), the determination of such inclusion or exclusion shall be resolved in accord with the procedure set forth in §6-4-107(e) of the County Code and subject to the provisions of §6-4-107(d) of the County Code.

Section 1.3 – Probationary Employees

- (a) All new or re-hired employees shall be considered probationary employees for six (6) months. Moreover, at the order of the Personnel Officer, the probationary period may be extended by one (1) additional six (6) month period (thereby allowing for a maximum probationary period of twelve (12) months).
- (b) The discharge of a probationary employee shall not be subject to Article 6 (Grievance Procedure) of this Agreement, except that a probationary employee may grieve his/her discharge on the basis that such discharge is in violation of Article 2 (Non-Discrimination) of this Agreement.

Article 2
Non-Discrimination

Section 2.1 – Non-Discrimination

County and Union shall apply the provisions of this Agreement to all employees without discrimination because of age (in accord with applicable law), sex, race, color, religion, national origin, disability, sexual orientation, marital status, or political or Union affiliation.

Article 3
Management Functions

Section 3.1 – Management Functions

Union hereby recognizes the right and responsibility of County to determine the mission of government and to take any and all actions, except those expressly restricted by a specific provision of this Agreement, to carry out such mission.

All management functions and rights including, but not limited to, those set forth in §6-4-106 of the County Code are hereby retained and vested exclusively in County, except as expressly restricted by a specific provision of this Agreement.

Article 4
No Strikes or Lockouts

Section 4.1 – No Strikes or Lockouts

During the duration of this Agreement, neither Union nor its agents or any employee will authorize, institute, aid, condone or engage in a slowdown, work stoppage, strike, “sick-out” or any other interference with the work and statutory functions or obligations of County. During the duration of this Agreement, neither County nor its agents will authorize, institute, aid, or promote any lockout of employees covered by this Agreement.

Section 4.2 – Union Responsibility

Union agrees to notify its officers and representatives of their obligation and responsibility for maintaining compliance with this Article, including their responsibility to remain at work during any interruption which may be caused or initiated by others, and to encourage employees violating Section 4.1 to return to work.

Section 4.3 – Judicial Relief

Nothing contained herein shall preclude County or Union from obtaining judicial restraint and damages in the event of a violation of this Article.

Article 5
Maintenance of Membership and Dues Deduction

Section 5.1 – Payroll Deduction Authorization

For those employees who properly execute payroll deduction authorization cards, the County agrees to deduct from each pay check the regular Union dues, P.E.O.P.L.E. deductions, or other Union endorsed deductions authorized by the employee in the amount certified to the County by the Union. Such withholdings are to be transmitted via electronic transfer upon successful enrollment with the County's ACH service provider, Paymode-X. If the Comptroller of AFSCME Council 3 fails to enroll in Paymode-X, the ACH payment will not occur. All funds will be transferred to the account authorized by the Comptroller of AFSCME Council 3, no later than the 15th day following the first day of the succeeding month. The Union will notify the Employer at least 30 days prior to any change in such dues or fees.

Membership lists and bargaining unit lists, including employees name, classification, pay grade, and rate of pay shall be remitted monthly via email, in excel format, to an email authorized by the Comptroller of AFSCME Council 3.

Payroll deduction authorization for regular Union dues shall be irrevocable for a period of one (1) year from the date thereof, and shall automatically renew itself for successive twelve (12) month periods unless revoked in writing to both the Union and the County during the fifteen (15) calendar day period prior to the anniversary date of said authorization.

Section 5.2 – Union to Indemnify County

Union shall indemnify and save County harmless of any and all claims, grievances, actions, suits or other forms of liability or damages that arise out of, or by reason of, any action taken by County for the purpose of complying with the provisions of this Article. Union assumes full responsibility for the disposition of the funds deducted under Section 5.1 of this Article as soon as they have been remitted by County to the Maryland Public Employees' Council 3.

Article 6
Grievance Procedure

Section 6.1 – Definition of Grievance

A grievance is a difference or dispute between an employee and County or between the Union and the County regarding the meaning, interpretation or application of the express terms of the Agreement; or an alleged violation of the County Charter, County Code or other law regarding employment applicable to this Agreement.

Section 6.2 – Grievance Procedure

A grievance must be initiated within ten (10) work days following the event giving rise to the grievance or within ten (10) work days of the time that the employee should have reasonably gained knowledge of such event. Grievances dealing with individual paycheck issues must be initiated within twenty (20) work days following the date of the first paycheck received by the employee which included or did not include the pay change that is the subject of the grievance.

Grievances shall be processed as follows:

Step I

Notice to Immediate Supervisor

The grievant, along with his/her Union Steward if the grievant is an employee, shall discuss the grievance with the grieving employee's most immediate non-unit Supervisor (i.e., the first Supervisor not included in the bargaining unit covered by this Agreement), provided that the grieving employee completes and signs a Step I Grievance Documentation Form (contained in this Agreement as Appendix II) and delivers said form to the Supervisor within the appropriate initiation period provided above. Thereafter, the Supervisor shall attempt to resolve the grievance and shall orally respond to the grievance within five (5) work days after the documented discussion at Step I.

Step II

Written Grievance to Department Head

If the grievance is not resolved at Step I, a written grievance shall be filed with the Department Head, provided that such written grievance is received by the Department Head (or his/her designated representative) within ten (10) work days after the grievant's receipt of the Step I oral answer.

The grievant shall be responsible for documenting the timely receipt of his/her written grievance at Step II.

The Step II written grievance must be signed by the grievant, and must be accompanied by a copy of the Step I Grievance Documentation Form that is contained in this Agreement as Appendix II.

Within ten (10) work days after receipt of the written grievance, the Department Head (or his/her designated representative) shall hold a meeting with the grievant, his/her Union steward if the grievant is an employee and the Local Union President (or his/her designated representative). In the event that no resolution of the written grievance is reached during such meeting, the Department Head (or his/her designated representative) shall issue a written answer to the written grievance within ten (10) work days after the Step II meeting.

Upon the mutual agreement of County and Union, the Step II meeting may be waived. In such event, the Department Head (or his/her designated representative) shall issue a written answer to the written grievance within ten (10) work days after the mutual agreement to waive the Step II meeting.

The Step II written answer of the Department Head (or his/her designated representative) shall be either mailed by U.S. Certified Mail to the grieving employee's home address of record as identified in the County Personnel System, or emailed to the grieving employee's County email address, if one has been assigned, or delivered in-person to the employee. If the grievant is the Union, the Step II written answer shall be mailed to the Union's address of record. In addition, all

Step II written answers shall be emailed to the Local Union President and to the Council Representative, if identified by the Union.

Step III
Written Appeal to Personnel Officer

If the grievance is not resolved at Step II, a written appeal shall be filed with County's Personnel Officer, provided that such written appeal is received by County's Personnel Officer (or his/her designated representative) within ten (10) work days after the grievant's receipt of the Step II written answer.

The grievant shall be responsible for documenting the timely receipt of his/her written appeal at Step III.

Within twenty (20) work days after receipt of the written appeal, County's Personnel Officer (or his/her designated representative) shall hold a meeting with the grievant, the Local Union President (or his/her designated representative) which may include the Council Representative. In the event that no resolution of the written appeal is reached during such meeting, County's Personnel Officer (or his/her designated representative) shall issue a written answer to the written appeal within twenty (20) work days after the Step III meeting.

Upon the mutual agreement of County and Union, the Step III meeting may be waived. In such event, County's Personnel Officer (or his/her designated representative) shall issue a written answer to the written appeal within twenty (20) work days after the mutual agreement to waive the Step III meeting.

The Step III written answer of County's Personnel Officer (or his/her designated representative) shall be mailed by U.S. Certified Mail to the appealing employee's home address of record or the Union's address of record if the grievant is the Union. In addition, the Step III written answer shall be emailed to the Local Union President and to the Council Representative.

Step IV
Appeals

At Step IV of the grievance procedure a grievant may elect to either file a written appeal with the County Personnel Board or proceed to binding arbitration as currently set forth in §6-4-113 of the County Code.

Within ten (10) work days after the grievant's receipt of the County's Step III answer the grievant shall provide the County Personnel Officer with written notice of whether he/she intends to proceed to Step IV of the grievance procedure. The grievant shall have an additional thirty (30) days in which to actually file a written appeal with the County Personnel Board or proceed to binding arbitration in lieu of such an appeal by complying with the procedures currently set forth in §6-4-113 of the County Code.

Upon either filing a written appeal with the Personnel Board or electing binding arbitration, the grievant shall simultaneously provide the County Personnel Officer with written notice of which method of resolution, written appeal or binding arbitration, has been elected.

The grievant shall be responsible for documenting his/her timely filing of a written appeal with the County Personnel Board or initiation of binding arbitration.

If the grievant elects to file a written appeal, the County Personnel Board shall hold a hearing on the written appeal and shall render a final and binding decision on the grievance as soon as possible after the hearing. The Step IV written decision of the County's Personnel Board shall be mailed U.S. Certified Mail to the appealing employee's home address of record or the Union's address of record if the grievant is the Union. In addition, the Step IV written decision shall be mailed by U.S. First Class Mail to the Local Union president and to the Council representative.

If the grievant elects binding arbitration, the arbitration will be conducted in accordance with the procedures currently set forth in §6-4-113 of the County Code.

Section 6.3 – Union Stewards

Union shall have the right to appoint or elect Union Stewards from the employees of County. In no event, however, shall the number of Union Stewards exceed a ratio of one (1) Union Steward per thirty (30) County employees.

Union shall immediately supply County with a list of the Union Stewards appointed under this Section and, thereafter, shall immediately notify County in writing of any changes to such list.

Union Stewards shall have the right to leave their jobs during working hours for the purpose of investigating alleged grievances: (a) that involve the department, section or work area they represent; and (b) that require immediate attention. Union Stewards shall also have the right to leave their jobs during working hours for the purpose of attending scheduled grievance meetings. In any such event, Union Stewards shall first receive permission to leave their jobs from their immediate non-unit Supervisor (i.e., the first Supervisor not included in the bargaining unit covered by this Agreement). Such permission shall not be unreasonably withheld by County; but it shall not be granted at times when it would interfere with the efficient operation of County.

However, nothing contained in this Agreement shall be deemed to deny any individual employee the right to present grievances to County without representation and to have grievances resolved, provided that such resolution is not inconsistent with the express provisions of this Agreement.

Section 6.4 – Time Limitations

No grievance shall be entertained or processed under this Article unless it is submitted within the time limits set forth in Section 6.2. It is understood, however, that County and Union may mutually agree to extend any of the time limits provided in this Article.

If a grievance is not presented within the time limits set forth in Section 6.2 (or within the time limits mutually determined by County and Union), said grievance shall be deemed settled on the basis of County's last answer to such grievance. If County fails to hold a meeting or to provide an answer within the time limits set forth in Section 6.2 (or within the time limits mutually determined by County and Union), Union may elect to treat the grievance as denied and immediately appeal the grievance to the next step.

The term "work days" shall refer to the days Monday through Friday, inclusive. Saturdays, Sundays and holidays (as detailed in Section 12.1(a) of this Agreement) shall not be considered "work days" for any purposes under this Article.

Section 6.5 – Written Presentations

Any written grievance submitted under this Article shall include the exact nature of the grievance; the facts giving rise to the grievance; the specific provisions of the Agreement or applicable law allegedly violated; and the desired corrective action.

Section 6.6 – Grievance Meetings

Grievance meetings conducted under Section 6.2 shall be held at times mutually agreeable to County and Union, provided that, insofar as practicable, such meetings shall be held during scheduled work hours. The grieving employee, appropriate Union representatives and any other employee who County and Union mutually agree is necessary to the resolution of the grievance shall suffer no loss of pay for scheduled work hours lost while attending grievance meetings. Failure of the grievant to appear for any scheduled grievance meetings under Section 6.2 of this Article shall be grounds for dismissal of the grievance, unless the grievant is able to evidence sufficiently extenuating circumstances that prevented his/her appearance at the grievance meeting. In a grievance filed by or on behalf of more than one employee, at least one employee who is party to the grievance must be present at the grievance meeting to prevent dismissal of the grievance as described in this section.

Section 6.7 – Order of Presentation

It is the intent of the parties that grievances be resolved in an informal manner at the lowest step possible. However, in the event a hearing pursuant to Section 6.2 becomes necessary, the County shall present evidence first if the grievance is based on discipline or discharge. In all other cases, in which a grievant alleges a breach of the Memorandum of Agreement other than a breach relating to discipline or discharge, the Union shall present evidence first.

Article 7

Discipline and Discharge

Section 7.1 – Discipline

Disciplinary actions for “just cause” shall be limited to oral reprimands, written reprimands, suspension, demotion and discharge.

Any employee who reasonably believes that an interview or meeting with supervisory personnel is deliberately planned or likely to lead to disciplinary action may request the presence of a Shop Steward at any such meeting.

Disciplinary suspensions must commence no later than the end of the next work day after notice of such disciplinary suspension is served.

Section 7.2 – Suspension and Discharge

- (a) No employee, except a probationary employee, shall be discharged without first being suspended from work for a period of not less than five (5) work days. It is specifically understood that this provision requires a five (5) work day suspension immediately prior to discharge (as opposed to a separate five (5) work day suspension as a requirement of progressive discipline).

Employees who have been suspended pending discharge shall have a pre-discharge hearing conducted by their Department Head (or his/her designated representative). This pre-

discharge hearing shall not be considered part of the grievance procedure; shall be conducted in accord with legal requirements; and shall allow for Union representation for the suspended employee.

The results of the pre-discharge hearing shall be mailed by U.S. Certified Mail to the suspended employee's home address of record. In addition, the results of the pre-discharge hearing shall be emailed to the Local Union President and the Council Representative.

- (b) Written notice of disciplinary suspension shall be furnished in a timely fashion to the affected employee, the Local Union President and the Council Representative.
- (c) Any grievance regarding disciplinary suspension or discharge may be submitted directly to Step II of the grievance procedure, provided that it is raised within ten (10) work days of receipt of the written notice of disciplinary suspension or discharge. Such grievances shall thereafter be processed in accord with the procedures set forth in Article 6 (Grievance Procedure) of the Agreement.

If the affected employee, Union, Department Head and County Personnel Officer are all in agreement, grievances involving discharge may be submitted directly to Step III of the grievance procedure, provided that such grievances are raised within ten (10) work days of receipt of the written notice of discharge. Such grievances shall thereafter be processed in accord with the procedures set forth in Article 6 (Grievance Procedure) of this Agreement.

Article 8 **Seniority**

Section 8.1 – Definition

As used in this Agreement, the term "seniority" shall mean an employee's length of continuous service with County since his/her last date of hire. No employee shall acquire seniority until completing his/her probationary period. Upon completion of the probationary period, an employee shall accrue seniority computed from the date of hire.

Section 8.2 – Termination of Seniority

An employee's seniority shall be terminated for the following reasons: (a) discharge for just cause, voluntary resignation or retirement; (b) failure to return to work within seven (7) consecutive scheduled work days after due notification of recall from layoff by County; and (c) layoff in excess of twenty-four (24) consecutive months since the employee's last day worked for County or a period exceeding the length of the employee's seniority, whichever is less.

In addition, any employee who is absent from work for more than three (3) consecutive work days without notifying County shall be deemed discharged for just cause, unless such employee is able to evidence sufficiently extenuating circumstances that prevented notification.

Section 8.3 – Seniority Roster

County shall maintain and furnish AFSCME Council 3 and Local 582 with a seniority roster with addresses on a quarterly basis, noting date of hire and job classification. County also shall furnish a list of new hires at least every five months.

Section 8.4 – Vacancies/Eligibility Lists

- (a) Vacancies shall be filled in accordance with §6-1-106 of the Anne Arundel County Code and Section B-1 of the Employee Relations Manual.
- (b) In the event there is a vacancy for a permanent position within the bargaining unit for which there is no eligibility list, or in the event County determines that an eligibility list must be established, County will post notice of such event(s) for a period of no less than fourteen (14) calendar days on all bulletin boards referenced in Section 13.2 of the Agreement. Such postings shall also be furnished to the President of the Local Union to which the posting applies.
- (c) Any employee who wishes to be considered for a posting must complete and submit an on-line application through the County’s website (www.aacounty.org) or submit a completed written application, including responses to the appropriate supplemental questions to the County’s Office of Personnel during the posting period.
- (d) Any bargaining unit employee may apply for a posting. As it deems appropriate, however, County may also fill a posting from outside the bargaining unit, provided that an outside applicant possesses greater skill and ability than any current employees of County who applied for the posting.
- (e) In determining eligibility and in selecting individuals for a posting, County will consider minimum qualifications and experience, relative qualifications and experience, skills, abilities, any requirements which must be met by an applicant prior to appointment, and work and performance records.
- (f) In order to be selected for a vacancy, a current employee of County must have completed his/her probationary period.

However, an employee who has not completed his/her probationary period shall be allowed to apply for a posting and, if qualified, shall be placed on the eligibility list. An employee so placed on the eligibility list shall not be placed on any certification list or considered for any vacancy until such employee has completed his/her probationary period.
- (g) In order to be selected for a vacancy, a current employee of County must have a Satisfactory Overall Rating on his/her most recent Performance Planning and Appraisal Form.

An employee who has a Unsatisfactory Overall Rating on his/her most recent Performance Planning and Appraisal Form, but who has grieved such appraisal pursuant to Article 6 (Grievance Procedure) of this Agreement, shall be considered for a posting pending the final disposition of his/her grievance.

Employees and probationary employees who have not received a Performance Planning and Appraisal Form that is due shall be deemed to have received a Satisfactory Overall Rating until the overdue Performance Planning and Appraisal is completed.
- (h) The eligibility list for vacancies shall afford employees who are on the priority employment list as defined in Section 8.7 with medical priority placement. Classified employees, contractual employees, and external applicants shall be considered equally only after the priority employment requirements of Section 8.7 and § 6-1-106 of the County Code are applied.

- (i) If requested by an employee participating in a promotional interview, management may allow the Union President or a mutually agreed upon designee to observe the promotional interview for the employee. Management's decision regarding the union's observance is not subject to the grievance process under this Agreement.

Section 8.5 – Transfers

County shall retain the right to transfer and reassign employees and to select the employee(s) to be transferred and reassigned. A transfer is the competitive or non-competitive administrative movement of an employee to a different classification in the same grade, to a different position with the same classification, or to a position on a different pay scale that has the same level of job responsibility as determined by the Personnel Officer. A reassignment is the non-competitive, intra- or inter-departmental movement of a position and its incumbent from one work location or assignment to another work location or assignment. County shall not transfer employees to avoid the payment of premium pay. Employees who request and are denied an intradepartmental transfer to a vacant position will receive a written explanation for the denial from the employee's Appointing Authority within seven (7) work days from the date of the denial.

In determining who shall be transferred, County shall take the following into consideration: (a) the training, skills and abilities required for the position(s) to be filled; (b) the written request of any employees (within the same classification and department) seeking to voluntarily transfer.

For an involuntary transfer other than 808 (b), (c), (d) or (e), if there are no volunteers to transfer, then reverse seniority (within the same classification and department/bureau) shall prevail when choosing an employee to fill the vacant position; unless, management deems such transfer would result in the inefficient operation of the department/bureau. Final decisions regarding transfers shall be at the discretion of the Appointing Authority or designee.

In the case of an involuntary transfer resulting in an employee's loss of any economic benefit arising from his/her employment with County, Union and County shall discuss the transfer in advance of its implementation.

Section 8.6 – Layoff and Recall

- (a) In the event it becomes necessary to layoff employees for any reason, employees in an affected classification with the least County seniority shall be laid off first. Seniority shall be measured by the length of an employee's continuous service with the County since the employee's last date of hire. The County shall meet and confer with the union prior to implementing any layoffs.
- (b) Any employee who is scheduled to be laid off shall be entitled, by virtue of his or her seniority alone, to displace the most junior employee within the County who occupies the same job classification.

Employees on the FW Pay Schedules as defined in Appendix V and VI shall receive pay increases in accordance with the criteria set forth in the Excel and Maintenance Career Path Programs. However, if an employee on the FW Pay Schedule receives an overall unsatisfactory rating on his/her performance planning appraisal, the employee shall be permitted to progress to the next skill block or level but shall not receive a pay increase until the overall unsatisfactory rating is resolved and the employee is rated as satisfactory overall. When an employee receives an overall rating of unsatisfactory, he/she will be re-evaluated ninety (90) calendar days after receipt of an unsatisfactory rating. This ninety (90) day re-evaluation is meant to encourage the employee to bring his/her performance up to a level that meets the standards for his/her position. However, a second ninety (90) day review will be conducted if an employee fails to improve to a satisfactory level of performance. Any employee who receives an unsatisfactory rating on his/her second ninety (90) day re-evaluation may be given an additional ninety (90) day re-evaluation at the discretion of the Appointing Authority. An employee who received an overall satisfactory rating for his/her position shall receive the appropriate pay advancement effective as of the applicable ninety (90) day re-evaluation. The pay advancement shall not be retroactive to the employee's original evaluation date. Employees shall receive the next performance planning appraisal twelve (12) months after receipt of an overall satisfactory rating.

APPENDIX IV

Office of Personnel
Post Office Box 6675 - MS 9101
Annapolis, Maryland 21401

June 28, 2002

Mr. Michael Akers, President
AFSCME Local 582
7320 Ritchie Highway
Glen Burnie, Maryland 21061

Dear Mr. Akers:

Section 18.6 of the Memorandum of Agreement between Anne Arundel County and AFSCME, Local 582 provides for the continuation of the "EXCEL" Program, which began as a pilot project in Fiscal Year 1998. The purpose of this letter is to memorialize the terms of the agreement reached between Anne Arundel County and AFSCME, Local 582 regarding the components of the Program and the classification and compensation elements of the Program. It is considered a "Side Letter" to the Memorandum of Agreement. References to the Competitive Excellence Rollout Plan refer to the document so named and distributed in May 2001. Only those specific provisions enumerated herein are incorporated as part of the parties' agreement.

AFSCME 582 employees who have joined and remain in the EXCEL Program as described in the Competitive Excellence Rollout Plan and in Appendix V of the current Memorandum of Agreement shall be known as "Flexible Workers" for the purpose of this Program and this Side Letter agreement. Flexible Workers will be subject to the provisions agreed to by the County and the Union and contained in this Agreement, as well as, all County, State and Federal laws regarding employment.

An employee may choose or not choose to participate in the Flexible Worker Program. If an employee chooses not to participate in the Flexible Worker Program, this, in and of itself, will not change the employee's classification or compensation, nor be the determining factor for continuing employment with the County. All provisions of the Memorandum of Agreement shall apply to an employee who chooses not to participate in the Flexible Worker Program.

Elements of the Program

I. Steering Team:

A Steering Team will be established which will be composed of fifty percent (50%) union members and fifty percent (50%) management employees. AFSCME Local 582 shall select union members for representation on the Steering Team. Management employees on the Steering Team shall be selected by the Deputy Director of the Bureau of Utility Operations, Department of Public Works. The Steering Team shall set the broad vision necessary to achieve the objectives of the EXCEL Program as described in the Competitive Excellence Rollout Plan document. Management will continue to be responsible for decisions that affect the safe and efficient

operation and regulatory responsibility of the Bureau of Utility Operations, Department of Public Works. All management and union functions and rights are retained pursuant to the parties' Memorandum of Agreement.

II. Work Team Selection:

For those Work Teams not already established as of the date of this Side Letter agreement, team selection will be in accordance with Section 6, "Team Member Selection Process," of the Competitive Excellence Rollout Plan document.

III. Flexible Worker Class Series:

The class titles and specifications for the Flexible Worker positions will be Water/Wastewater Systems Technician I, Water/Wastewater Systems Technician II, and Water/Wastewater Systems Technician III. These three classes will comprise the Flexible Worker Class Series. Flexible Workers participating in the EXCEL Program will become skilled workers in these classifications after completing a certification process. This classification series is a modified, skill-based, structured pay system, designed to compensate employees for the acquisition of greater skills for which they have been trained and are then certified.

IV. Compensation Plan

Flexible Workers will receive incremental pay increases after the Department of Public Works certifies that the Flexible Worker is fully competent to independently perform various skills

There are twelve skill blocks with incremental pay increases that a Flexible Worker may master. Each class title has a set number of skill blocks assigned as follows:

- Water/Wastewater Systems Technician I (WT-1) - 5 skill blocks
- Water/Wastewater Systems Technician II (WT-2) - WT-2 base plus 5 skill blocks
- Water/Wastewater Systems Technician III (WT-3) - 2 skill blocks

The skill blocks are linked to the Flexible Worker Pay Scale which is attached to this letter and described below, and the Pay Scale shall be used only to compensate Flexible Workers in the Water/Wastewater Systems Technician class series.

The Flexible Worker Pay Scale provides for movement through the Scale based on acquisition of skills and certifications. It is designed to compensate Flexible Workers in the EXCEL Program on the basis of the number of skill blocks for which the employee becomes certified as fully competent. It is the number of skills learned, demonstrated skill competency, and certification, by means of the certification process, which will determine a Flexible Worker's rate of pay.

A. Compensation for Current Employees:

Current employees who volunteer to participate in the EXCEL Program will be placed on the Flexible Worker Pay Scale under the following conditions:

1. Employees whose current pay is above the base pay of the attached Flexible Worker Pay Scale will not be placed on the Flexible Worker Pay Scale until they achieve the skill blocks necessary to earn a pay rate on the Flexible Worker Pay Scale that is at

least equal to or greater than their current pay rate. Employees whose current pay is above the WT-1 Base wage and who meet the minimum qualifications for the Water/Wastewater Systems Technician I/II/III, but who have not yet achieved the number of skills necessary to receive pay under the Flexible Worker Pay Scale, will remain classified and compensated in their current county classification title and pay rate until they have obtained a sufficient number of skill blocks through the certification process to place them on the pay scale and will be entitled to the pay provisions as outlined in the current Memorandum of Agreement.

Example: Employee currently makes \$19.47/hour (excluding longevity). In order to be placed on the scale, the employee would need to obtain Skill 1 through Skill 9 for a wage rate of \$19.82.

2. Employees who are not eligible to be placed on the Flexible Worker Pay Scale immediately, will receive incentive pay under the Incentive Bonus Program as follows:
 - An employee's current wage at the time he/she becomes eligible for the Incentive Bonus Program will determine the number of movements necessary to be placed on the scale.
 - The number of movements will then be multiplied by \$240 to determine the incentive pay amount.
 - An employee will receive one third of the incentive pay upon obtaining the first skill and two-thirds of the incentive pay upon placement on the scale.
 - The Incentive Bonus Plan will be effective on the date this side letter is fully executed by the parties.

Example: Employee currently makes \$19.47/hour (excluding longevity). In order to be placed on the scale, the employee would need to obtain Skill 1 through Skill 9 for a wage rate of \$19.82. Skill 9 requires 10 movements on the scale (9 skills and WT-2 Base). Ten movements times \$240 equals \$2400. Employee would receive one-third or an \$800 one-time incentive pay upon certification for first skill. Employee would receive the balance or a \$1600 one-time incentive pay upon certification for Skill 9 and placement on the scale.

3. Employees whose current pay and certified skill level permit immediate placement on the pay scale will be placed on the scale as follows:
 - Any employee below or at the WT-1 Base level will be placed at the WT-1 Base wage assuming he/she meets the minimum qualifications.
 - After being certified for the first skill, employees at the WT-1 Base pay rate will be entitled to Skill 1 pay rate.

B. Compensation Plan For Newly Hired Employees:

For new County employees selected for hire from a certification list established for Water/Wastewater Systems Technician I, the Pay Scale shall be implemented as follows:

1. The newly hired employee will be placed at the WT-1 Base pay rate.
2. When the employee is certified for his/her first skill, he/she will be entitled to receive pay at the Skill 1 rate.

Newly hired employees will be required to serve the normal probationary period as defined by the County Code, County Policies, and the Memorandum of Agreement.

V. Other Conditions and Rules of the Program:

1. Skills for each Flexible Worker level can be obtained in any order that the employee selects.
2. All participants are required to be certified for all skills regardless of past experience. Verified self-assessments of a skill are permitted in accordance with the Personal Qualifications Standard Manual or any subsequent revisions or addenda to the Personal Qualifications Standard Manual.
3. Movement from WT-1, Skill 5 to WT-2 Base will require a comprehensive oral, written and/or practical test in addition to the achievement of a passing score on the Maryland Department of the Environment licensing test.
4. Movement from WT-2, Skill 10 to WT-3, Skill 11 will require a comprehensive oral, written and/or practical test in addition to the possession of a valid permanent Maryland Department of the Environment license.
5. At any time before the time the employee is placed on the Flexible Worker Pay Scale, he/she may voluntarily withdraw from the EXCEL Program and remain in his/her current classification provided that the employee will continue to participate in the EXCEL Program as a team member, working in a team environment.
6. Once an employee is placed on the Flexible Worker Pay Scale, he/she may not voluntarily withdraw from the EXCEL Program to return to his/her former classification except through the normal competitive process in accord with Article 8, Section 1-106 of the Anne Arundel County Code and Article 8, Section 8.4 of the Memorandum of Agreement.
7. While it is hoped additional skills will be achieved through this Program, once qualified by skill acquisition and placed on the scale, the employee will remain at that Skill Level, and be expected to readily perform at that level.
8. A current employee who fails to obtain certification for Skill 5 at the Flexible Worker I level by July 1, 2003, for Wastewater Operations, and a current employee who fails to obtain certification for Skill 5 at the Flexible Worker I level one year from the date of creation of the certification criteria for Water Operations, will render the employee ineligible for Flexible Worker status. Individuals who are making satisfactory progress toward completing the Flexible Worker 1 skills, but are having difficulty attaining the skills required within the allotted time frame, may be given an extension on a case by case basis. An ineligible employee will be placed or remain, whichever applies, in the former classification he/she held prior to joining the EXCEL Program and would be entitled to the pay provisions as outlined in the Memorandum of Agreement for employees who are not in the EXCEL Program and will

continue to be subject to all other provisions of the Memorandum of Agreement, County, State and Federal Laws regarding employment.

9. If County determines overtime work is required, distribution of overtime assignment within the Team will be managed in accordance with the Memorandum of Agreement.
10. The County and the Union agree to form facilitated team(s) for the purpose of recommending a career path for certain specialists' positions in Water and Wastewater Maintenance. 3. Employees holding positions listed in B.2 will be given an initial 30-day enrollment period to volunteer for the Maintenance Career Path Program.
 - a. For the Pumping Station Operator position and the seven (7) Trades Helper positions as identified in B.2, eligibility for participation will be determined by a review of the employee's current job duties and skill levels compared to the job duties and skill requirements of FW-1, Skill 1 through Skill 5 to ensure that the tasks performed by employees in their current assignment require all five (5) of those skills. This determination will be made by the County prior to the initial 30-day enrollment period. Once it is determined if current job duties match the FW-1, Skill 1 through Skill 5, the employees occupying matching positions will be permitted to volunteer to transfer on to the Flexible Worker Schedule during the initial enrollment period and will follow the same rules that apply to all other positions listed in B.2.
 - b. For employees in all other positions listed in B.2 that wish to volunteer for the Maintenance Career Path, Team Managers and other qualified certifiers will determine through performance testing, resume verification, and other assessment means if the employee has any skill deficiencies for all skill levels up to and including the FW pay scale point of entry. An employee will be informed of his/her skill deficiencies prior to the initial 30-day enrollment period.

4. Volunteering employees will be non-competitively transferred to a classification within the appropriate proficiency series/Maintenance Career Path listed in A.3 on the FW pay scale at the pay that is closest to, but not less than, their current pay.
 - a. The employee will sign an agreement documenting the transfer in classification to the Maintenance Career Path and the employee's entry on to the FW pay scale (see attachment). Per this Agreement, any requirements are to be completed within one year of entering the FW pay scale. Two calendar ninety-day extension periods are provided to each employee who does not complete the necessary missing requirements within one year of entering the FW pay scale. Employees must satisfactorily complete all of the knowledge and skill requirements set forth on the Maintenance Career Path Agreement as it exists at the time the employee signs the Maintenance Career Path Agreement.
 - b. After the employee has satisfactorily completed all of the knowledge and skill requirements set forth on the Maintenance Career Path Agreement as described in B.4.a above and has successfully completed the certification requirements as described in Section C below for those same knowledge and skill requirements, he/she is eligible to proceed and advance through the Maintenance Career Path skill sets of their class series in accordance with Section C below.
 - c. If an employee has not completed the needed requirements from transitioning into the Maintenance Career Path within the one year and the two calendar ninety-day extension periods, his/her pay will be reduced by the number of incomplete skill sets up to a limit of 15 percent. The employee will be retained in the Maintenance Career Path Program but at a lower FW pay rate or classification commensurate with the appropriate skill and knowledge the individual possesses.

5. The Maintenance Career Path Program enrollment period may be extended or re-opened at the County's discretion.

C. Certification Process

1. To advance through the pay rates of the Flexible Worker Schedule and the classifications of his or her proficiency class series/Maintenance Career Path, employees must satisfactorily complete all of the knowledge and skill requirements of each ascending skill set that is listed on the Skill Set Qualifications Forms currently in place or as amended.
2. After an employee successfully completes the licensing, knowledge, and skill requirements listed on the Skill Set Qualifications Form currently in place or as amended for a skill set and the employee's Team Manager has endorsed that the employee is prepared to be board certified in that skill set, he/she is assessed, examined and certified for the Skill Set by a Skill Set Certification Board composed of managers, employees, and/or subject matter experts designated to certify knowledge and skill requirements in that specific skill set.
3. An employee may be reclassified to the next higher level classification within a proficiency class series/Maintenance Career Path in accordance with the Anne Arundel County Code and the Office of Personnel policies and procedures.
4. If an employee fails the Skill Set Certification Examination, retesting cannot occur earlier than 30 days from the date of failure.

 - b. Successful completion of all knowledge requirements;
 - c. Successful completion of all skill requirements; and
 - d. Endorsement by the employee's Team Manager that the employee is prepared to appear before the Board.
6. Employees in the Maintenance Career Path are required to maintain certified skills and knowledge.

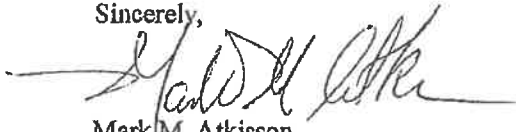

D. Compensation

1. After placement on the FW pay scale, completion of each ascending Skill Set in the career path as described in Section C above will result in a pay increase. Pay raises associated with successfully completing the skill set certification process are effective the first day of the pay period closest to the date that the employee successfully completes the Skill Set Certification Test that is administered by the Skill Set Certification Board.
2. An employee successfully completing some or all of a higher skill set will not receive a pay increase until he/she has satisfactorily completed the requirements of all lower skill sets.
3. In order to move from one classification to the next higher classification, an employee must complete the requirements of D.1 and D.2 and be reclassified within a proficiency class series/Maintenance Career Path in accordance with the Anne Arundel County Code and the Office of Personnel policies and procedures.
4. A \$1,000.00 certification allowance will be paid one time, and will not be added to an employee's base pay, as an incentive to current employees occupying the positions listed in B.2 on the closest pay period after all of the following conditions are met:
 - a. The employee volunteers to transfer into a proficiency class series/Maintenance Career Path classification on the FW pay schedule during the initial 30-day enrollment period;

- b. The employee is transferred on to the FW pay scale at a higher pay level than his/her pay level prior to placement; and
- c. The employee is certified in all of the Maintenance Career Path skills up to and including the skill at the placement pay level on the FW scale.

The County agrees to introduce and support legislation to effect the classification and compensation changes as described herein promptly after the execution of this Letter of Understanding. The items set forth in this Letter of Understanding are contingent upon any legislative action (including funding) needed to implement its provisions. It is understood that to the extent that there may be substantive changes proposed that have not been addressed herein, additional Letters of Understanding to the Agreement may be required.

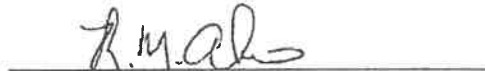

Sincerely,

Mark M. Atkisson
