Home Fire Escape Plan

- Draw a map of your proposed space(s). Show all doors and windows.
- Visit each room. Find two ways out.
- All windows and doors should open easily. You should be able to use them to get outside.
- Make sure your home has smoke alarms. Push the test button to make sure each alarm is working.
- Pick a meeting place outside. It should be in front of your home. Everyone will meet at the meeting place.
- Make sure your house or building number can be seen from the street.
- Talk about your plan with everyone in your home.
- Ensure everyone in your home knows how to dial 911 or your local emergency number.
- Practice your home fire drill!!
- Make your home fire escape plan using the grid provided on page 2.

***The items listed above shall comply with the requirements of NFPA 1 and NFPA 101 for use as a Family Daycare Home.*
