DPW has updated the webpage created for this project to present the Schematic (30% completion) Design of improvements for the intersection of Gambrills Road at Dicus Mill Road. The goal is to complete engineering design and construction of a roundabout, focused on improving traffic safety by improving sight lines, managing traffic speeds, and increasing motorist awareness.

The web page for this project can be accessed by visiting: <https://www.aacounty.org/public-works/engineering/capital-projects?projectNumber=H478855> or by scanning the QR code below.

The project page includes text descriptions, plans, graphics, and technical documentation. Our goal at this time is to solicit input from residents and stakeholders on the draft design. An open public meeting will be held at the **Odenton Public Library – 1325 Annapolis Road, Odenton, MD on Thursday, August 1, 2024, from 6-8pm.** Interested parties may also contact the Project Manager directly by phone or email – contact information is provided on the project webpage. Comments will be accepted until August 18, 2024.
