We are so pleased to serve you and your family! If you have any comments, concerns or suggestions for our programs, please email us at sacc@aacounty.org, inform your Center Director, or feel free to contact our Child Care Administrative Office to speak with one of our Child Care Program Specialists at 410-222-7856, ext. 0.

ADDITIONAL CHILD CARE ACHIEVEMENTS

The Anne Arundel County Department of Recreation and Parks is very pleased to inform you that our Center Directors and staff have worked very hard to provide even higher levels of quality child care in our pre-k and school-age locations. This has resulted in the recognition of the Maryland EXCELS program.

MARYLAND EXCELS

We are pleased to share with you that all SACC programs have achieved a Maryland EXCELS certificate from the Maryland State Department of Education (MSDE). Maryland EXCELS is the state's Quality Rating and Improvement System that awards ratings to child care programs that meet increasingly higher standards in key areas that are identified nationally as contributing to high quality.

Through a process of continuous quality improvement, Maryland EXCELS programs like ours meet rigorous quality standards over and above those required by State licensing regulations. The Maryland EXCELS standards include Licensing and Compliance, Staffing and Professional Development, Rating Scales and Accreditation, Developmentally Appropriate Learning and Practice, and Administrative Policies and Practices.

We are pleased you have chosen our program for your child and we invite you to see how choosing high quality care and education makes a difference by visiting the Maryland EXCELS website at www.MarylandExcels.org. There you can view your program's rating and learn about the importance of choosing quality for your child's success in school and in life.

ADDITIONAL BADGE

We are also very proud to announce our achievement of an additional badge for all of our programs:

- Asthma-Friendly Child Care Badge (*indicates our staff have received additional advanced Asthma training, and that they work to reduce asthma triggers in their center environments*)

OUR GOALS FOR THE FUTURE

The Anne Arundel County Department of Recreation and Parks has more wonderful goals for the future of the School Age Child Care programs, such as:

- Expanding the number of spaces offered where we have the qualified staff and space available to do so.
- Providing care in low-income areas such as Title I locations, like our newest Child Enrichment Centers
- Maintaining our Maryland EXCELS Check Level status, which requires continual professional development for our centers and staff.

REGISTRATION INFORMATION

ELIGIBILITY

- Children in Kindergarten through grade 5 are eligible to attend the CEC programs located at Belle Grove, Brooklyn Park, Glen Burnie Park, Maryland City, and Park Elementary Schools. Children must be 5 years old by their first day of attendance.
- Children that are 3 or 4 years old by their first day of attendance are eligible to attend the Carrie Weedon Early Education Center CEC program.
- Children must be toilet trained. Your child must be able to be *self-directed* and *self-sufficient* in the restroom and to be able to care for their own hygiene needs. Reasonable accommodations to this policy may be requested for children with a medical diagnosis and are outlined in the Toileting section of this Manual.
- At the end of each school year, your child's attendance in the program will be evaluated. If your child attends less than 80% of the time (less than 145 school days), your space for the coming 2025-2026 school year will be denied. You will be notified of this information by July 1, 2025.
- Please also be aware that on a site-specific basis, the school office may be involved in the registration process and may contact you to meet certain income and/or employment eligibility requirements. If this is the case at your location, Anne Arundel County Public Schools has the right to approve or deny your registration based upon these site-specific requirements.
- **Every child must have all of the State mandated forms completed and on file at the center prior to their first day.** Forms for admission are available on our website at www.aacounty.org/recparks > Child Care > Forms & Publications. ***No one will be permitted to attend without this information on file***

REGISTRATION PROCEDURES

- Prior to your child's first day, the Child Care Administrative Office must receive a completed registration, registration fee, and the first month's payment. Depending upon the date of registration, you may also be charged a pro-rated fee for the month.
- Please be aware that online registration does not complete the registration process. You will immediately receive an email that your online registration was received. You must keep this for your records to verify the date of your registration.
 - After completing the online registration, the next step is to download the Required Forms for Admission. Go to: <http://www.aacounty.org/departments/recreation-parks/child-care/forms-and-publications/>.
 - Your child's enrollment will not be considered complete until all required forms and the fee have been received by the Child Care Division.
- If you are registering for a CEC program at a school other than your child's home school, contact the school office for the *Out of Area Request Form*. The CEC program is not responsible for the school's decision regarding your child's acceptance to attend that school. The Recreation & Parks' Child Care Division does NOT provide transportation to/from the program. Parents must work with the school to request permission for outside transportation. See the *Transportation* section of this Manual for additional information.

With your written permission, staff may assist children with applying sunscreen to hard-to-reach areas.

CUSTODY

- Anne Arundel County Department of Recreation and Park's Child Care Division is responsible for the safety of all the children at the center.
 - Parents/guardians who have court awarded custody of their child must have the custody papers, along with any updates, on file at the center. Please be aware that the SACC programs operate as a separate entity within the school building; therefore, the school does not typically share this information with our staff. It is the parents' responsibility to provide this information to our staff.
 - SACC staff **must release** a child to his/her natural parent unless custody papers are on file stating otherwise.
 - Once the custody papers are on file, staff must follow those orders, until either the order has expired or new papers are on file. **Staff cannot accept verbal notification of changes.** Any and all changes **MUST** be submitted in writing and signed.

WAIT LIST

- Some of our locations may have a wait list prior to and/or during the school year. When an opening occurs, the Child Care Administrative Office will contact the next person on the wait list via the email address on file in their account. The parent/guardian will have 48 hours to accept or decline the space. If you allow your offer to expire, your child will be removed from the wait list and the space will be offered to the next family on the wait list.
- Please be aware that if your child is still on the wait list when registration opens for the 2025-2026 school year, your family will be given an opportunity to remain on the wait list for the following school year ahead of the general public. An email with instructions on how to do so will be sent to the email address on file in your account. If your family has not responded during the "wait list rollover registration" period, your child will be removed from the coming school year's wait list.
- Please note that if you choose to roll over your child from one school year to the next on the wait list, the number order of your space may change depending upon if there are any session or sibling requests from currently registered families at your chosen location. Families currently registered in our programs receive priority over those on the wait list and the general public.
- It is crucial that parents review the email address on file regularly for updates/changes to this policy each year. Please add sacc@aaacounty.org to your email "contacts" and/or "favorites" list to ensure our important emails do not go to your Junk or Spam folders. Please also make sure to update your online account if your email changes.

CARE ON AACPS PROFESSIONAL DEVELOPMENT DAYS

- In answer to families' requests for additional care when schools are closed, our Department will also be extending the "School Break Fun Days" concept to include the 4 professional development days in the school calendar at select locations.
- The Department of Recreation & Parks will now offer one-day recreational program care on the 4 professional development days in the school calendar (11/01, 11/25, 11/26, 01/21).
- The Department will also continue to provide School Break Fun Days opportunities at the two aquatic centers in Anne Arundel County. Our Department is currently working with Anne Arundel County Public Schools on access to school locations for these new programs. Pre-registration information for these programs will be shared separately the month prior to the program. Spaces will be available on a first come, first serve basis. There **will be an additional cost** for these programs offered on days schools are closed, and registration will be on a first-come, first-served basis.

WITHDRAWAL FROM SCHOOL YEAR PROGRAM

- We recognize that a family's needs may change during the course of the school year. **We require written notification to the Child Care Administrative Office that you will be withdrawing your child from the program.**
- Please be aware that if you choose to withdraw your child at any point during the school year, they will also be withdrawn from any future school year sessions and that your family will lose priority status for future programs.
- If you no longer require child care services, please visit our website at <http://www.aacounty.org/RecParks> > Child Care to submit an online *Withdrawal Request*. You must log in to your account and select the "Manage Your Account" tab to access the link to the *Withdrawal Request*.
- Due to its special funding and reduced fees for families, there are **no refunds** issued for the Child Enrichment Center (CEC) PM programs.
- At Brooklyn Park AM only, the following applies:
 - If you have already made payment and are requesting a refund the following must be adhered to:
 - A \$25 processing fee will be assessed on all withdrawals.
 - When you enroll in the program, you are reserving the time, space, staffing, and provisions whether or not your child attends.
 - **All refund requests for medical reasons must be accompanied with a physician's note and are handled on a case by case basis.**
 - If payment was made with a credit card, your refund will be credited to the card used for payment.
 - If your payment was made with a check, checking account, money order, or cash, your refund will be a check mailed directly to you from the Anne Arundel County Office of Finance. Refund checks are mailed to the primary account holder at the mailing address listed in your online account. Please ensure the name and address are up to date.
 - Please allow 4-8 weeks for the processing of refunds.

SUMMER

- The Department of Recreation and Parks also offers a wide variety of summer program options at selected elementary schools, middle schools, and recreation center locations. Locations and dates of operation are determined on an annual basis.
- A separate registration for the summer program is required. Information regarding the summer programs is typically distributed through the centers and schools, and to registered school year parents via email, during the month of January.
- If you have already made payment and are requesting a refund the following must be adhered to:
 - A \$25 processing fee will be assessed on all withdrawals:
 - When you enroll in the program, you are reserving the time, space, staffing, and provisions whether or not your child attends.
 - 10-business days' notice is required for all summer refunds.
 - All refund requests for medical reasons must be accompanied with a physician's note and are handled on a case by case basis.
 - 10-business days' notice is also required for all requests to transfer fees between summer weeks. Weekly payments may be transferred between summer weeks ONE time ONLY.

- At this time, all refunds must be processed via a check mailed directly to the primary account holder from the Anne Arundel County Office of Finance. Please allow 4-8 weeks for processing.
- Refund checks are mailed to the primary account holder at the mailing address listed in your online account. Please ensure the name and address are up to date.
- *A separate Summer Parent's Manual & site-specific Newsletter that contains information unique to Summer Programs will be distributed to all parents on/before the first day of summer.*

REGISTRATION FOR UPCOMING (2025-2026) SCHOOL YEAR

- Once your family is registered for a school year space, your child retains their same exact space at the same location from one school year to the next as long as your child remains registered, and your account is paid and up-to-date.
- If your family withdraws at any point during the 2024-2025 School Year (including after the "rollover" of your registration occurs in the spring for the coming 2025-2026 school year), you will lose your same space/priority for coming school years as well.
- In the spring each year, registration information is provided to current families via the email address on file. Current families will be asked at that time if they are withdrawing any children graduating out of the program, or if their family has any additional requests for the coming school year (e.g. changing locations, requesting additional sessions, etc.).
- Please ensure the email address in your online account is up-to-date so that you receive this important information.
- Incoming siblings of current families registered in our programs receive priority wait list registration over those on the wait list and the general public each year. There are special registration days set aside for siblings of current families that parents must utilize. Again, this information will be made available to all parents of children who are currently registered via the email address on file.
- Once our current families have an opportunity to make their requests on our wait list, priority then goes to those currently on our school year wait list. Current wait list participants have the option to accept or decline the roll over to next school year's wait list. If we do not receive a response from current wait list participants by the deadline given via email, those that have declined or not responded will be removed from the wait list. Then, the wait list will open to the general public.
- After the public registration closes, any available spaces will then be offered to the families on the wait list in the following priority order:
 - Current family requests (e.g. those who currently have spaces are able to request different locations, or the opposite session such as AM or PM)
 - Siblings of current families requests
 - Wait list rollover families who requested to remain on the wait list for the coming school year
 - New families to the wait list from the general public
- Once the wait list offers go out, families have 48 hours to accept the space. The offer will be emailed to the email address on file on the online account. If the parent declines or does not respond, we move to the next family on the wait list.
- Every single child and family on our wait list is precious and each has a story and a need. We do not deviate from the priority order laid out above, regardless of the family's personal request, as each family has a need for care for their child.

BILLING INFORMATION

ELECTRONIC STATEMENTS

- Please be aware that all communication from the Child Care Administrative Office will be automatically sent to the primary email address attached to your account. This includes, but is not limited to: the monthly newsletter, monthly billing reminders, late payment notices, registration information, waitlist offers, etc. It is crucial that your email address be kept up to date. It is also recommended that you add sacc@aacounty.org to your email "contacts" and/or "favorites" so that our emails do not go to your spam or junk folders.
- If you would like to receive a paper billing statement, you may request this via e-mail at sacc@aacounty.org. If you do not have access to e-mail, please contact the Child Care Administrative Office at 410-222-7856 ext. 0 for further assistance.
- You can also manage your account online by going to our website at <http://www.aacounty.org/departments/recreation-parks/> >Child Care >Log in> Manage Your Account.

FEES

- The fees for child care are established on a yearly basis and are determined by program costs. These program costs include the expenditures for staffing, administration, snacks, supplies, special events, and building usage.
- The annual expense is then divided into ten equal payments. There is no reduction in fees for months with a relatively few number of school days, just as there is no increase in fees for months with a greater number of days. There is no additional fee for the scheduled early dismissal days.
 - We cannot deduct days missed from your fee.
 - When you enroll in the program, you are reserving the time, space, staffing, and provisions whether or not your child attends.
- We cannot deduct days missed from your fee. When you enroll in the program, you are reserving the time, space, staffing, and provisions whether or not your child attends the entire week/month/school year.
- The Child Enrichment Center (CEC) programs provided by the Anne Arundel County Department of Recreation & Parks receive special funding which allows us to offer a discounted rate for families at these locations in the following sessions only: Belle Grove PM CEC, Brooklyn Park PM CEC, Carrie Weedon Pre-K CEC, Glen Burnie Park PM CEC, Maryland City PM CEC, North Glen PM CEC, Park PM CEC and Woodside PM CEC. This may include weekly co-pays, the difference between our cost and the scholarship rate, unpaid absence days, failed attendance audits, late pick-up fees, scholarship termination or any other reason your child care balance is not fully paid. This includes programs such as scouts, sports and enrichment activities that meet during the normal operating hours of the child care program.
- **Pet Policy**
 - You may not bring your family pet to visit the center.
 - Some centers have implemented a “CEC Pet” (*typically fish*) as part of their Science Station at the center and/or may schedule an enrichment – such as ZooMobile – that includes animals. If your child has pet allergies, please alert the center staff so we may take the appropriate precautions.
- **Facility Policy**
 - All Rec & Parks Child Care locations utilize school buildings. Therefore, we must abide by Anne Arundel County Public Schools’ policies.
 - Please be aware there is no smoking, vaping, drug or alcohol use allowed on school grounds or in/around the child care centers.
 - Please also be aware that many AACPS buildings have recording devices in/around school grounds for safety monitoring purposes. This means that you/your children may be monitored during the program and when picking up/dropping off at CEC locations.
- **Student Attire**
 - The CEC programs observe and heed the Student Attire policy listed within the Student Code of Conduct for Anne Arundel County Public Schools:
 - “Students are to dress in clothes that promote a safe and respectful learning environment. Clothes that create a disruptive environment or cause a health or safety hazard are not appropriate and not acceptable at school.”
 - “Headwear: Only for health, safety or religious reasons”
 - “Shoes: No bare feet”
 - “Clothing:
 - Cannot show profanity, obscenity, violence or symbols of hate
 - Cannot promote alcohol, tobacco or drugs

- Cannot promote gang colors or gang-related signs

- Cannot show bare skin between upper chest and mid-thigh”
- Further, the CEC programs are recreationally-oriented and require shoes secured at the heel in order to participate in organized gym/outdoor games, and on the playground equipment. (Preferred Attire = Pants/Shorts & Sneakers)
- Children must also be appropriately dressed for the weather. Maryland child care regulations require child care facilities to utilize outdoor play areas even during colder weather. Your child must be sent with a coat, hat and gloves as necessary.
- If, in the opinion of the Center Director or designee, the child is not appropriately attired, the parent/guardian will be notified. ***Please be aware that your child’s attire may limit their participation in certain activities (i.e. gym/outdoor time).***

 - For your child’s safety, children are NOT permitted to sign themselves in and out of the program for any reason.
- Children will be released only to the individuals (13 years and older) authorized to pick up the child.
 - No child will be released to a person other than the authorized individual without prior written permission from the child’s parent or guardian. This policy must be strictly adhered to for the protection and safety of your child.
 - Please be advised that any person unknown to the staff will be asked to provide a photo ID before your child is released to their care.
- Notify the SACC staff of any changes in pick up schedules.
- SACC staff will not accept children into the program in the morning if the building is inaccessible, utilities not available, etc. Parents may be requested to stay with their child until building access status is determined.

The Center Director at each CEC location is responsible for maintaining an accurate attendance record for the children. We need your assistance in this endeavor!

- **ILLNESS:** MSDE-OCC regulations mandate that children who are absent from the program due to illness for three (3) days or more must have a written statement from a parent or physician that the child may return to a regular schedule. A copy of the note sent to the school is sufficient. See *Illness* section of this Manual for additional guidance.
- **MORNING ATTENDANCE:** During the morning program, it is *not* necessary to contact the center staff on a daily basis to report if they are not attending the program *unless* your child has tested positive for a communicable disease or COVID-19. Parents are required to report this information to the Center Director or to sacc@aacounty.org as soon as they become aware.
 - It is your child’s responsibility to walk from the child care space to their classroom each morning when the dismissal bell rings.
- **AFTERNOON ATTENDANCE:** During the afternoon program, knowledge of your child’s whereabouts is ***crucial.***
 - Please assist us by informing the center staff of the occasions that your child will not be attending their regular afternoon program. You may leave a voicemail at the center phone number (the center staff checks voicemail when they arrive each day to prepare the afternoon program). Please do **not** rely upon a note to your child’s teacher to inform CEC of an afternoon absence. *Due to the fact that the CEC programs operate as a separate entity within the school building, the note may never reach our staff.*
 - It is your child’s responsibility to walk to the child care space each day when the dismissal bell rings. It is crucial that parents communicate with their child’s teacher (i.e. send a note) when your child begins attending CEC in the afternoons so that the teacher does not place them in the bus line.

- MSTG students must report to the program to sign in before going to any school program or other activity.
 - Please also be aware that the center staff must follow the dismissal procedures their individual school has in place.
 - If a child does not report to CEC, attempts will be made through the school office to see if the child attended school that day, was dismissed early or is attending another after school activity.
 - If the absence from the program is unexplained, an effort will be made to contact the parents or the specified adult(s) listed on the *Emergency Form*.
 - If you do not respond to our calls, the school office will be contacted and we will follow our emergency plan in conjunction with the school. *Please be aware that this may necessitate contacting 911 in order to locate your child.*
 - If your child is suspended from school, he/she is not permitted to attend CEC.
- **Please make sure that the information on your child's Emergency Form is kept current. This is the contact information we will be using to report a concern or emergency to you, so it is crucial that the phone numbers are up-to-date.**
 - *The Parental Permission Slip for Children Participating in School Clubs and/or a Parental Permission Slip for Assisting/Receiving Assistance From Teachers* (available at the center) must be completed if your child will be attending a regularly scheduled activity such as scouts, gymnastics, etc., or if your child will be assisting/receiving assistance from a teacher during CEC hours, which will cause their absence from the CEC program.
 - The activity sponsor/teacher is responsible for accompanying your child to the location where CEC is currently meeting at the end of the activity and signing your child back into the CEC program. Staff will notify the parent if this is not occurring and the parent must address this with the activity sponsor/teacher. If this continues to be a concern, your child will no longer be able to participate in the school club or with the teacher.
 - MSTG students are expected to report directly to the program upon the conclusion of their after school activity.

LATE PICK-UP OF CHILDREN

- **All CEC centers close promptly at 5:30 PM.**
- **The center/school clock is the official time.**
 - The staff person on duty will have the individual picking up the child sign a *Late Pick Up* form.
 - That form will be submitted to the Child Care Administrative Office.
- **Recurring lateness offenses in one school year will result in suspension/dismissal from the program. You will be notified by the center staff/supervisor if your next late pick up will result in the suspension of your child. If your child is suspended, the suspension will take place the next day that school is in session for students.** Therefore, please make other emergency arrangements in the event you will be delayed.
- You are still responsible for the late pick up consequences if you arrive after closing time and you called the center to inform them that you would be late.
- If your child is not picked up by 30 minutes after closing time, the staff will contact the appropriate agency that will then take the required action.
- See **Incident Weather and Emergency Closings** section for further information regarding Late Pick-Up fees/consequences in those situations.

TRANSPORTATION

- ***Under no circumstances is staff permitted to provide transportation to or from a program for unrelated participants.***
- Parents need to make alternative arrangements in the event they will not be able to pick up their child.
- Recreation & Parks' Child Care Division does NOT provide transportation to/from the program. Parents must work with the school to request permission for outside transportation. Once permission is received from Anne Arundel County Public Schools for other forms of transportation to pick up or drop off at the

school (i.e. bus, car, van, etc.), then the Child Care Administrative Office must be contacted for an additional form of approval through the Anne Arundel County Department of Recreation and Parks.

SCHOOL CALENDAR

- Due to the fact that we utilize space in the school buildings, the CEC programs follow the school calendar for openings and closures. Visit the Anne Arundel County Board of Education's website for the most up-to-date school calendar: www.aacps.org.
- **SCHEDULED LATE ARRIVAL DAYS:** The Anne Arundel County Public Schools schedule days each year for the late arrival of students into the school calendar. On these days the Brooklyn Park AM SACC program will be open from 6:30 AM to the start of the school day, as normal. There will be no additional fee for this service.
- **SCHEDULED EARLY DISMISSAL DAYS:** The Anne Arundel County Public Schools schedule several days each year for early dismissal for students into the school calendar. On these days the CEC program will be open from the end of the school day (early dismissal time) until 6:00 PM. There will be no additional fee for this service.
- **SCHEDULED SCHOOL HOLIDAYS:** There will be **NO** state-licensed CEC programs available on school holidays. However, please be aware that the Anne Arundel County Department of Recreation and Parks will offer some recreational programs titled "School Break Fun Days" at limited locations throughout the county during the school year. These programs are open to all children in Kindergarten through Fifth Grade. The Department of Recreation & Parks will share registration information with you during the school year in regard to the fees, dates, times, locations, and registration process for these additional care opportunities offered through our Department. Please be aware that any changes to the "School Break Fun Days" offered due to inclement weather will be noted on the main page of the Rec & Parks website at www.aacounty.org/recparks.

INCLEMENT WEATHER AND EMERGENCY CLOSINGS

- Anne Arundel County Department of Recreation and Parks CEC programs follow the policies and schedule of the Anne Arundel County Public School System.
 - Please tune to local radio stations if you have a question about the closing or opening of schools.
 - Parents may also call the Board of Education's Cancellation Hotline at 1-800-893-7080, check their website at www.aacps.org or check our website at www.aacounty.org.
 - **Rec & Parks Child Care Text & Email Alert System:**
 - In cases of emergency notices/reminders, every effort will be made to send a text alert to all cell phones noted in your online child care account. (If the Child Care Administrative Office is open at the time of the emergency notification, and email will also be sent to the email address on file in your account.)
 - If you do not want someone in your account to receive a text alert, please log into your child's account and toggle the switch by that specific cell phone from "Yes" to "No".
 - Go to: <https://aacoprod.aacounty.org/ChildCare/Login> to make any changes.
 - Parents will be responsible for all text charges from their mobile phone carrier.
- **EMERGENCY CLOSINGS FOR THE ENTIRE DAY:** There will be **NO** AM or PM CEC in the event schools are closed for the day. The emergency closing is determined by the Board of Education and may be related to inclement weather, mechanical malfunction, or other emergency situation.
- **UNSCHEDULED LATE OPENINGS:** If schools open late due to inclement weather/emergency, the Brooklyn Park AM program will open an equivalent number of hours late. (*For example, if schools open 2 hours late, the program will begin at 9:00 AM.*) The PM program will operate as usual unless weather conditions deteriorate and the snow emergency plan goes into effect necessitating early dismissal.
- **EARLY DISMISSALS DUE TO EMERGENCY CLOSINGS:** In the event of an early emergency school closing (due to weather, mechanical malfunction or other emergency situation) there will be **NO** PM program.
 - CEC staff will **not** be on site to assist teachers with emergency pick up information. Therefore, updated rosters and emergency information will be shared with the school in advance (see *Acknowledgment of Policies* form).

- **Parents need to make alternative child care arrangements in advance to cover emergencies.** Make sure your child knows the plan.
- Please make sure that both the **CEC Emergency Form** and the **school's Emergency Notification Card** are updated as needed throughout the school year.
- **CEC cannot be listed as your alternate care in an emergency situation on the school's Emergency Notification Card.**
- **REGULAR DISMISSAL TIME DURING EMERGENCY:** If schools dismiss at their regular time during an emergency (due to weather, mechanical malfunction, or other emergency situation) the PM program will remain open. Depending on the situation parents may be notified requesting an earlier pick up of your child. Please ensure that the center has a phone number where you can be reached in an emergency.
- **AFTERSCHOOL ACTIVITIES ARE CANCELLED:** Please be aware that if Anne Arundel County Public Schools announce that "Afterschool Activities are Cancelled", the CEC program ***will close promptly at 5:00 PM.*** This is for the safety of our families, children and center staff. Typically, when this announcement is made it is due to a forecast of inclement weather or a county-wide emergency. ***Late Pick-Up fees will be assessed beginning at 5:00 PM.***
- **UNUSUAL EMERGENCY CIRCUMSTANCES:** The Child Care & Recreation Divisions reserve the right to close child care and School Break Fun Days programs independently of an AACPS decision in the event of an unusual emergency or large-scale weather event for the safety of staff, participants, and families.
- Please listen to the radio, television, or check the following: www.aacounty.org or www.aacps.org to get updated information of closings.
- Please be aware that the Child Care Administrative Office follows the holidays, service reduction days, and emergency closings schedule of Anne Arundel County Government.

EMERGENCY INFORMATION

- It is essential that all emergency telephone numbers and change of address be **kept current.**
- **Parents are responsible for this information, which is pertinent to the protection of their child.**
- You must inform the Child Care Administrative Office and the Center Director of any changes. *Change of Information* forms are available at the center for your convenience. Your on-line registration account information also needs to be updated at our website. Go to www.aacounty.org/recparks >Child Care > Manage Your Account.
- Please also make sure the emergency numbers of your other authorized individuals are accurate in case they need to be contacted.
 - If your child is not picked up by **closing time** the Center Director will begin calling the persons listed as emergency contacts. **Individuals listed as emergency contacts must be willing to pick up the child and be within 15 minutes of the center.**
 - If the staff has been unsuccessful in personally speaking with an emergency contact and your child has not been picked up by 30 minutes after closing time, the staff will then contact the appropriate agency. That agency will then take the required action.

EMERGENCY DRILLS

- Center staff receives Emergency Preparedness training along with a manual that outlines the steps to be followed in various emergency situations.
- Each center also has a designated nearby location in the event a center is required to be evacuated. The location is posted at the Parent Information Center.
- The centers will practice monthly fire drills. To maintain consistency with the children, the CEC programs follow the same emergency code terminology as the Board of Education.
- Please be aware that the MSDE Office of Child Care also requires full-fledged emergency code drills of all Maryland child care centers twice per year.
 - Each individual child care center will notify parents in advance of the date and time of the drill. Parents that do not wish their child(ren) to participate in the following drills must provide alternative child care arrangements for the day.:
 - **Emergency Evacuation Drill** – Staff will practice evacuating the children to their meeting location(s) outside the building on school grounds.

- Shelter-in-Place Drill – Staff will evacuate children to their designated shelter-in-place location within the school building.
- If you should arrive to pick-up your child in the midst of a drill, please allow the staff time to account for all of the children prior to signing your child out for the day.
- If there is an actual emergency occurring in the area, the school and/or center may be required to go into “Shelter in Place” or “Lockdown” mode. If this is the case, staff will attempt to communicate this to parents by placing a sign on the parent door (if the emergency situation allows staff the ability to do so). Please be aware that you may not be able to gain entry to the building during these types of situations as staff may be unable to answer the door. For your own safety, please seek shelter. Staff will communicate the “All Clear” and release your child to you as soon as it is safe to do so.

ILLNESS

- Children who are ill are not permitted to attend the program. Children who are considered too ill to attend school are also too ill to attend the CEC program.
- The following Maryland Department of Health Guidance for licensed Child Care Centers in the State of Maryland can be found at: <https://www.cdc.gov/respiratory-viruses/guidance/respiratory-virus-guidance.html> This guidance outlines the specific procedures families and child care providers must follow for children in child care, specifically as relates to respiratory viruses (such a COVID-19, influenza and RSV) and other communicable diseases.
- Staying Home When Sick –
 - Children who have symptoms of respiratory or gastrointestinal infections, such as cough, fever, sore throat, vomiting or diarrhea must stay home.
 - Testing is recommended for children with symptoms of respiratory viruses (such as COVID-19, influenza, or RSV) as soon as possible after symptoms begin.
- Positive Communicable Disease Test Results:
 - Parents/guardians are **REQUIRED** to report all positive Communicable Disease test results to their Center Director and/or to our Child Care Administrative Office to our central email address at sacc@aacounty.org. As soon as our office reopens, this email is checked and the appropriate actions taken.
 - Please be aware that we are required to report positive cases of certain Communicable Diseases, particularly when meeting the criteria of an “outbreak” to our local Health Department.
 - The Health Department will inform us of next steps, which may include an email alerting families that there were positive cases in the facility and that parents/staff must monitor their children for symptoms.
- Please note that parents will *not* receive a credit to their account for time missed if the center remains open but only their own child is unable to attend. Your payment reserves your space in the program whether your child attends or not.
- In the event your child becomes ill during our program, every attempt will be made to contact you or the person listed as the emergency contact. Until picked up, your child will be kept away from the other children.
- Children with special medical needs must have a plan (i.e. *Asthma Action Plan, Allergy Action Plan, Seizure Plan, etc.*) on file with the Center Director.
- If a staff member contacts you to inform you that your child is ill and that your child must be picked up, you must make arrangements for your child to be picked up from the Center in a timely manner. Refusal to pick up your child when they are ill or injured, or not providing accurate contact information to be used in an emergency, may result in your child being dismissed from our program. Please assist us in keeping your child safe.

INJURY

- The staff is required to complete a *First Aid and Accident Report* in the event a child is injured. Parents will receive a copy of this report.
- You will be contacted by phone if your child sustains any type of injury requiring possible additional **medical** attention during our program.
- A parent must be available in case of emergency. Please provide us with accurate contact information.

- In the event of a serious injury, 911 will be called and then parents or other authorized individuals will be contacted.
- Refusal to pick up your child when they are ill or injured, or not providing accurate contact information to be used in an emergency, may result in your child being dismissed from our program. Please assist us in keeping your child safe.

CONCUSSION AWARENESS

The Department of Recreation & Parks is committed to your child's safety. Since your child will be involved in active play & health, fitness, sports & game activities as a part of any of our Child Care programs, we want you to be informed of the signs & symptoms of a concussion. It is a Departmental requirement that this be provided to all parents participating in Recreation & Parks programming.

- **What is a concussion?** A concussion is a type of brain injury that changes the way the brain normally works. A concussion is caused by a bump, blow, or jolt to the head. Concussions can also occur from a blow to the body that causes the head and brain to move rapidly back and forth. Even what seems to be a mild blow to the head can be serious.
- **What are some warning signs of a concussion?** – For Immediate Action, call 911.

Signs Observed by a Parent/Guardian	Signs Reported by the Participant/Child
<ul style="list-style-type: none"> • Appears dazed or stunned • Is confused about assignment or position • Forgets sports plays/activities • Moves clumsily • Answers questions slowly • Loses consciousness (even briefly) • Shows behavior or personality changes • Can't recall events prior to hit or fall • Can't recall events after hit or fall 	<ul style="list-style-type: none"> • Headache or "pressure" in the head • Nausea or vomiting • Balance problems or dizziness • Double or blurry vision • Sensitivity to light • Sensitivity to noise • Feeling sluggish, hazy, or groggy • Concentration or memory problems • Confusion • Does not "feel right"

- **What should you do if you think a concussion has occurred?**
 1. **Seek medical attention right away.** A health care professional will be able to decide how serious the concussion is and when it is safe to return to play.
 2. **Keep your child out of play/activity until medically cleared.** Concussions take time to heal. Don't let your child return to play/activity until a health care professional says it's okay. Children, who return to play/activity too soon, while the brain is still healing, risk a greater chance of having a second concussion. Second or later concussions can be very serious. They can cause permanent brain damage, affecting your child for a lifetime.
 3. **Inform all coaches/instructors/staff members about any recent concussions.** Coaches/Instructors/Staff should know if your child has a recent concussion. Your child's coach/instructor/staff member may not know about a concussion your child received in another sport or activity unless you tell them.
 4. **Helping your child return to sports/activities safely after a concussion.** As your child's symptoms decrease, the extra help or support can be removed gradually. Children and teens who return to activities after a concussion may need to: 1) Take rest breaks as needed, 2) Spend fewer hours at activities, and 3) If in doubt, sit it out!

MEDICATION

- The following Medical Forms are available for ALL Participants at our website. Medical Forms, signed by a health practitioner, are required prior to your child receiving prescription or non-prescription medication during the child care program.
- These forms must be renewed on an annual basis or one year after the health provider has signed it (*as indicated by the expiration dates your health provider has noted on the forms*).
- The below-listed forms are available at: <https://www.aacounty.org/departments/recreation-parks/child-care/forms-and-publications/>:

We cannot share medications with the school or accept expired medication.
- If your child has a life threatening medical condition, and the necessary intervention and/or medication is not provided to the CEC program, your child may be removed from the program until the requirements are met.

 - The first dose must be administered at home prior to CEC staff administering the medication.
 - A pharmacy label must accompany any prescription medication and match the form exactly.

- Topical Basic Care Product Application Approval (MSDE OCC Form 1216E)
 - REQUIRED if your child will be applying over the counter creams or ointments, such as sunscreen, insect repellent or lip moisturizers, during the child care program
 - Please be aware that *aerosol* sunscreen or insect repellent, or *combination* sunscreen/insect repellent, or oil infused products are NOT permitted in the child care program per the MSDE Office of Child Care's policy.
 - Please provide a separate bottle of lotion for each individual child (child's name must be marked on the container). Siblings may not share.
 - Please apply sunscreen to your child before dropping them off in the morning to our summer programs. Opportunities will be provided during outdoor play to re-apply sunscreen during the Summer SACC/Summer Fun N' Play/Summer Pre-K day. With your written permission, staff may assist children with applying sunscreen to hard-to-reach areas.
- Please be aware that the County assumes no liability and the parent(s), on behalf of themselves and their minor child, hereby holds the County harmless and waives any and all claims for personal injury to the minor child as the result of the application/administration or failure to apply/administer any ointment/medication for the minor child by any County employee or volunteer.
- **All prescription medications must be in the original pharmacy labeled container.** Medication shall be administered according to this label or a licensed health care practitioner's written instructions, whichever are more recently dated.
- Medication must be received from a parent or adult (18 years or older). Children may not carry medication to the CEC program.

- Please check the expiration date of medications prior to giving to the staff. We are unable to accept/keep expired medications.
- Staff will not accept forms that have been obviously altered (i.e. White Out used) or are incomplete. If the center staff has any doubts or the forms are incomplete the medication will not be given.
- CEC staff may not be involved in the use of catheterizations; however, they may be involved with the general use of g-tubes with training provided in conjunction with the child's parent/guardian.
- **The parent must pick up medications that have been discontinued immediately. When your child has been withdrawn from the program all medications must be picked up.** Likewise, all medications must be picked up on the last day of school.
- Following their MSDE-OCC Medication Administration training, the staff is required to properly dispose of any medications not picked up.

TOILETING

- Children must be toilet trained to attend all Department of Recreation and Parks child care and recreation programs. Your child must be able to be **self-directed** and **self-sufficient** in the restroom and able to care for their own hygiene needs. Reasonable accommodations to this policy may be requested and are outlined below.
- Toileting accommodations must be requested at the time of registration (or at the time of a new medical diagnosis while attending the program) and require a medical diagnosis in order to be accommodated.
 - Reasonable toileting accommodations in our recreational child care programs may include but are not limited to:
 - Training provided for center staff
 - Staff assistance with pulling up/down a pull-up
 - Staff training and assistance with wheelchair to toilet transfers
 - Toileting schedule reminders
 - Working with a private companion (1:1 Aide) hired by your family for your child's use during the child care program (**see further instructions regarding private 1:1 Aides in the Accommodation Requests & Inclusion section of this Manual*)
 - Reasonable accommodations do *not* include:
 - Exemptions of program safety rules and regulations regardless of ability or disability for the safety of all program participants and staff
 - Guarantee of specific staff assigned to your child
 - Purchasing of personal custom devices
 - Hiring of a 1:1 Aide by the Department of Recreation & Parks to diaper your child
- In the event your child, who does NOT have a medical diagnosis or plan in place, has a toileting accident during our program:
 - Upon the first occurrence: Your child will be directed to clean up as best as possible. You will be notified and asked to arrange for pick-up of your child within 20-30 minutes. You will be asked to send an extra set of clothing and necessary supplies (i.e. wipes) the very next day that your child attends in case another toileting accident occurs.
 - Upon the second occurrence: Your child will once again be directed to clean up as best as possible and instructed to change into their extra set of clothing. The center staff will bag up the soiled clothing and send it home with your child. You must send in a new set of clean clothes for the center the very next day of your child's attendance. After the second occurrence, the Child Care Administrative Office staff will be reaching out for your availability for a parent meeting. The purpose of this parent meeting is to gain a better understanding of the toileting occurrences and to further assess the need to implement accommodations and strategies in the center that may assist your child and prevent future toileting occurrences.
- Your child may be suspended or dismissed from the program until another parent meeting can be arranged if:
 - You are unwilling to participate in necessary parent meetings,
 - Your child continues to have recurring toileting occurrences and the center staff is not being supplied with the needed items (i.e. extra clothing, wipes, etc.),
 - Despite the implementation of accommodations and strategies, your child is continuing to have toileting occurrences, or

- You are not arranging for pick-up of your child within 20-30 minutes of the accident when no supplies (change of clothes, etc.) have been provided.
- The Center Director, program staff, and Child Care Administrative Office will always work together with you and your child to promote a comfortable and successful experience. Every child's safety, health and well-being are our top priorities.

PROGRAM EXPECTATIONS OF CHILDREN AND PARENTS

INTRODUCTION & WELCOME

- The Department of Recreation & Parks is excited to welcome your family to the 2024-2025 School Year. In order for us to have a safe and successful year together, the Department would like to remind children and families of the behavior that is expected from all participants.
- The Child Care staff strives to maintain a positive environment in which children, families, and staff can enjoy the center environment and treat one another with mutual respect.
- The Child Care staff believe that all students have the potential for making good choices and behaving in a positive manner. To this end, we have developed the following behavior expectations and disciplinary policies. We encourage your family to review this policy so that we consistently work together to show everyone respect, kindness and courtesy in order to maintain a safe, welcoming environment for all.

STRUCTURE OF CHILD CARE PROGRAM & USE OF AACPS SPACE

- Please be aware that the Anne Arundel County Department of Recreation and Parks permits the use of space as a *vendor* in Anne Arundel County Public Schools (AACPS) facilities. Although we strive to maintain a good working relationship in each of the schools in which we utilize space as a guest, our Child Care and Recreation programs are *not* managed or operated by Anne Arundel County Public Schools.
- Our program's primary function is to provide a safe space for children during before and after school hours. The programs are not intended to meet your child's academic/educational needs. Therefore, accommodations that are provided by Anne Arundel County Public Schools may not be able to be provided in Rec & Parks Child Care or Recreation programs.
- Since Rec & Parks programs operate as a separate entity from AACPS, the Child Care staff **do not** have access to AACPS documents or forms (such as health forms, IEPs, 504 Plans, custody documents, etc.). Therefore, it is the parent's responsibility to communicate with both entities on behalf of their child, and to share any documents with both parties upon enrollment and throughout the year.
- Our behavior, suspension, expulsion, and documentation policies are also separate from AACPS policies. *However*, there are certain instances in which a child's behavior requires that we report to the AACPS School Principal, Custodian, or school staff since we are on the grounds of a school building, such as: property damage, threats, bullying that may spill over into the school day, theft, use of alcohol/drugs, weapons, or instances in which the police must be notified of an incident.

EXPECTATIONS OF CHILDREN ENROLLED IN CHILD CARE/RECREATION PROGRAMS

- Every child has the opportunity to be successful in our child care programs with the safety of all of the children and staff being our primary concern. However, we also recognize that the SACC/CEC/Pre-K program may not always be the appropriate size or type of environment for your child's needs.
- Children of all abilities are expected to show respect for staff, program property, and all other children in the program.
- The following list of expectations is not an all-inclusive listing. There may be some additional site-specific expectations:
 1. Children will be kind and respectful to everyone.
 2. Children are expected to keep all body parts to themselves (e.g. no hitting, spitting, stomping, biting, pushing, kicking or other rough contact).
 3. Children will treat everyone as they would like to be treated and will not threaten to do physical harm (verbally or physically) to another child or to center staff.
 4. Children will not bring, or threaten to bring, any real or toy weapons, alcohol or drugs to the program.
 5. Children must use language that is appropriate for a child care center.
 6. If a child is hit, intimidated or harassed for any reason, they are to report the incident to center staff so proper disciplinary action can be taken.

7. Children will not leave their group for any reason without permission. Staff are responsible for the children's safety and must always know their whereabouts. Elopement is not acceptable and must not occur. All children must always be escorted when leaving the designated activity area.
8. Children will follow the schedule and participate in daily activities.
9. Children will comply with staff requests and instructions.
10. Children will function without disruptive behavior in a supervised environment of 1 staff to 15 children (*1 staff to 10 children for Pre-K programs*).

CHILD CARE POSITIVE BEHAVIOR MANAGEMENT PROGRAM COMPONENTS

- All Child Care staff are trained in positive behavior management techniques and receive an annual refresher of behavior policies.
- A core part of our discipline policy focuses on *positive* behavior techniques to help eliminate or prevent inappropriate behavior. These techniques include:
 - **Providing choices:** As a part of our regular classroom design, each Center Director employs the use of choices for children throughout the program day. This encourages a more positive environment for children, giving them the opportunity to select activities they wish to engage in for the majority of the program day.
 - **Redirection:** A child may be redirected to another activity in the room or to the cool down/quiet area, and when appropriate to the situation, the child is given an actual choice between two other appropriate activities (i.e. cars vs. legos).
 - **Rules & Reminders:** At the start of each school year, the children and staff gather together to review the site's rules (which mimic the expectations noted in the Parent's Manual). In this way, the children are made aware of the expectations of the program before negative behavior is displayed.
 - **Reflection & Problem Solving:** Program staff teaches children to use reflection (i.e. to think about their choice) and problem-solving skills. Parents can expect to see some of the following examples of staff encouraging problem solving among children: 1) Adults modeling problem solving techniques & offering suggestions, 2) Adults encouraging children to work amongst themselves to solve their problem, and 3) Adults encouraging the children to solve their problems with the assistance of an adult.
 - **Zones of Regulation:** The school-age child care programs have adopted the Zones of Regulation framework for all centers. This framework helps children and adults identify their emotions and ways to regulate their emotions. Center staff will use Zones of Regulation language and prompt children to determine what zone (blue, green, yellow, red) they are in and what tool will help them at that time.
 - **Kids at Hope (or other similar) Program:** Child care center staff are permitted to utilize other positive behavior programs that accompany this policy or are in keeping with the school/facility/developmental levels in which their program is located. An example of such a program is Kids at Hope, which include pledges and uplifting language to help build children's self-esteem and help each child grow in the direction of self-reliance, self-control, and self-worth.

CHILD DISCIPLINE POLICY

- The Anne Arundel County Department of Recreation and Parks reserves the right to limit, deny or expel a participant when the health and/or safety of the individual, other participants, staff, volunteers, and/or the public is threatened, regardless of abilities. Any child (or parent) observed acting in an aggressive manner toward others, or in a physical altercation with another person, will automatically be suspended from the program.

- If inappropriate behavior is witnessed, reported or persists, the following steps will be taken. *Please be aware that if a child or parent's behavior is deemed egregious (harmful to self or others), the steps outlined below may not necessarily be followed in the order given and steps may be skipped:*
 - Child Care staff will attempt to utilize the positive behavior management techniques outlined above (i.e. providing choices when appropriate, redirecting, rules reminders, warning, reflection time, etc.)
 - Documentation of the behaviors will be completed by center staff and parents/guardians/ caregivers will be notified if inappropriate behavior persists. We need your assistance to ensure that your child adheres to the rules and regulations of the program by reinforcing appropriate behaviors at home.
 - Child Care staff will schedule a Parent Conference to discuss the behavior concerns, and to develop a plan together to assist your child in their success in the program.
 - Behavior concerns that will result in program suspension and/or expulsion include, but are not limited to:
 - Behavior presenting a danger to the participant, other participants or staff,
 - Elopement from the program and/or
 - Action that persists after a behavior modification plan has been implemented.
- Children of all abilities are expected to show respect for staff, program property and all children in the program.

ACCOMMODATION REQUESTS & INCLUSION

- The Rec & Parks Child Care program strives to meet the needs of every child enrolled in our program.
- Please be aware that our child care programs operate as a separate entity from Anne Arundel County Public Schools; therefore, the school system does not automatically provide health or special needs information to Rec & Parks staff. We must rely on parents to share this information at the time of enrollment and throughout the year, as well as, any requested accommodations on behalf of your child.
- In order to assist us in meeting your child's needs, it is vitally important that you complete the online registration form in as much detail as possible. The responses that you provide will assist us in meeting your child's needs.
 - If a parent/guardian or health care provider discloses that your child has a special medical or behavioral need, the parent/guardian must participate in a conference with the Child Care Administrative Office before your child can attend the program.
 - Please utilize this conference as an opportunity to share with us your child's health forms, IEP, 504 Plan, or any other specialized education plan they may have on file with the school. This information will be used to help create an accommodation plan appropriate to a recreational program environment.
 - With your written permission, we are also able to speak with early intervention, special education, or other outside agencies in order to meet your child's needs in our program.
 - An American with Disabilities Act (ADA) accommodation request can be made at the time of registration or at any time while registered in our programs. Please be aware that, upon receipt of your request, the Department of Recreation and Parks requires a parent conference followed by a minimum of two-weeks to implement any approved requests. This may affect the start date of your child attending our program.
 - Please also be aware that if the Child Care Administrative Office is not notified in advance of your child's special needs or accommodation requests, your child's start date may be delayed until a conference can be held and the needed accommodations can be put in place.
- Our program's primary function is to provide a safe space for children during before and after school hours. The programs are not intended to meet your child's academic/educational needs. Therefore, accommodations that are provided by Anne Arundel County Public Schools, such as school staffing ratios, may not be able to be provided in Rec & Parks Child Care or Recreation programs.
- Accommodations can be made to meet the needs of an individual child in many cases; however, all children will be required to meet our safety standards and refrain from behaviors that threaten the safety of themselves, other children or staff members. Please note that any such behavior that

jeopardizes the safety of your child or others may result in suspension, additional meetings, and/or removal from the program.

- Accommodations are designed with the intent to help make your child's experience in our child care and recreation programs as successful as possible.
 - Reasonable accommodations in our recreational child care programs may include but are not limited to:
 - Training provided for center staff
 - Adaptive supplies for the child care center
 - Assistance in the provision of health services which do not require medical training
 - Working with a private companion (1:1 Aide) hired by your family for your child's use during the child care program (*(*see further instructions below)*)
 - Reasonable accommodations do *not* include:
 - Exemptions of program rules and regulations regardless of ability or disability for the safety of all program participants and staff
 - Guarantee of specific staff assigned to your child
 - Purchasing of personal custom devices
 - Hiring of a 1:1 Aide by the Department of Recreation & Parks
- *If a private companion (1:1 Aide) is hired by a family for their child's use during the child care program, this information must be shared with the Child Care Administrative Office prior to implementation. Before the private aide (or other therapeutic services) can attend the program, per the MSDE Office of Child Care, the following must be on file: emergency card, medical report, and the results of FBI & Maryland state background checks. The background check must be completed by the Department of Recreation & Parks so that the results are submitted directly to the MSDE Office of Child Care. A training and expectations meeting must also occur between the Department of Recreation & Parks, the private aide, the parents, and the Center Director.

PARENT/GUARDIAN COMMUNICATIONS & CODE OF CONDUCT

- We are so pleased to serve you and your family! If you have any comments, concerns or suggestions for our programs, please email us at sacc@aacounty.org, inform your Center Director, or feel free to contact our Child Care Administrative Office to speak with one of our Child Care Program Specialists at 410-222-7856, ext. 0.
- Communication between parents and the center staff is a key ingredient to the success of our programs. This is accomplished through regular communication with the parents and parental participation in scheduled events. See the *Family Communication & Participation* section of this manual for a full listing of the many wonderful opportunities available to families to participate in our programs throughout the year.
- Please feel free to contact the Center Director on site or our Child Care Administrative Office if you need to share additional information concerning your child. Parents are requested not to contact their child by telephone at the center unless it is an emergency situation.
- While parents are welcome to come into the center to pick up or drop off their children, and on occasion observe the activities in the center, it is the role of our staff (rather than parents) to direct the activities of the center and to address the needs of children attending the program. The center staff will carry out all discipline and all concerns must be brought to the attention of the Center Director.
- Parents are not permitted to have physical contact with or discipline children other than their own, nor are they permitted to verbally threaten, intimidate or harass staff or other children in the program. Parents that do so will receive consequences of their actions, up to and including suspension or expulsion from the program.
- There is no smoking/vaping (tobacco, tobacco products, or marijuana), drug or alcohol use permitted on school/child care facility grounds. If parents/caregivers appear to be incoherent or inebriated at the time of pick-up, child care staff is unable to release your child. The Center Director/staff will offer to contact another pick-up person on the Emergency Form in your place. If the parent/caregiver refuses and takes the child anyhow, 911 will be contacted.
- Parents must:
 - Read and comply with the full contents of this manual.
 - Be courteous and respectful to center & administrative office staff, children, and other parents.

- Make their own arrangements for the pick-up and drop-off of their children. Under no circumstances is staff permitted to provide transportation to or from a program for unrelated participants.
- Keep current all phone numbers, email addresses, and health information.
- Your child/family may be suspended or dismissed from the program in the following instances:
 - Parent/guardian's unreasonable treatment of the staff/children/parents, including inappropriate airing of complaints, use of language that is inappropriate for SACC, and/or intimidation/harassment (physical, sexual or verbal) of the center or office staff, other parents or children,
 - Parent/guardian corrects any child other than their own during the program,
 - Parent/guardian refuses to pick up (or send someone to pick up) their child in cases of illness, injury, or behavioral emergency,
 - Parent/guardian repeatedly picks up after the closing time of the child care center,
 - Parent/guardian refuses to respond or participate in requested parent meetings regarding behavior concerns, toileting concerns, and/or medical concerns,
 - Parent/guardian does not provide accurate contact information in order to contact them in an emergency situation,
 - Despite the implementation of accommodations and strategies, your child is continuing to have behavioral occurrences and/or the center staff is not being supplied with the needed items outlined in your parent meeting, or
 - You are not arranging for pick-up of your child within 20-30 minutes of behavioral emergencies (such as, repeated harm to self or others, behavior necessitating 1:1 intervention for more than 10 minutes, or elopement).

FIELD TRIP CHAPERONES (SUMMER MONTHS)

- During the summer months, if it is deemed necessary that your child needs one-on-one interaction/instruction during a field trip (this may include special medical needs, wandering from the group, behavior presenting a physical danger to themselves or others and/or failure to comply with staff requests and instructions), parents may be required to provide an adult (over the age of 18) chaperone for field trips.
- The chaperone provided must be able to remain 1:1 with your child for the entirety of the field trip, directing their activities, and managing their physical, medical, or behavioral needs.
- If the Child Care Administrative Office indicates this is required, our office will pay for the field trip entry fees and provide the necessary bus transportation for both the child and their chaperone.
- If your family chooses to keep your child home on the day of the field trip rather than providing the requested chaperone, your family will receive a refund for the field trip day.
