A pre-construction public meeting has been scheduled **from 6:00-7:00pm** via Zoom to discuss the upcoming construction at Spriggs Farm Park. A living shoreland will be constructed to reduce erosion along the actively eroding banks of Spriggs Farm Park, located at 965 Bayberry Drive in Arnold.

During the meeting, DPW will update residents about the upcoming construction and what to expect. Within the next couple of weeks, Shoreline Design LLC will begin the necessary stakeouts and preparation for construction. The parking area closest to the water will be closed during construction, but the parking area outside the locked gate should not be impacted. Portions of the trails may be closed during construction and access to the water will also be impacted. The project is anticipated to be completed by May 2025.

Anyone needing accommodations must contact DPW Customer Relations at 410-222-7582 or by email at pwcust00@aacounty.org at least seven days in advance of the event. TTY users please call via Maryland Relay 7-1-1. All materials are available in alternative formats upon request.
