A public meeting has been scheduled from 6 p.m. to 7 p.m. on Thursday, November 14 via Zoom to discuss plans to develop Tanyard Springs Park at 7180 Heritage Crossing in Glen Burnie. We will be building two athletic fields, a playground, pavilion and parking, as well as installing fencing, making stormwater management improvements and doing landscaping.

During the meeting, DPW will discuss details of construction, which will occur within the jobsite. Traffic may be impacted by deliveries and dump trucks, but no closures are expected on the road to the Tanyard Springs neighborhood. However, work across the roadway is required to install the new water line connection and will require closing one lane at a time during construction of the new water line connection.

Construction is projected to start in Winter 2024/2025 and will take about one year.
