A public meeting has been scheduled for Wednesday, November 6, 2024 to discuss plans to reconstruct Jumpers Hole Road from MD 2 (Ritchie Highway) to MD 177 (Mountain Road) to improve traffic safety, mobility and accessibility for all road users. Pedestrian and bicycle facilities (sidewalks, paths, crosswalks) would be constructed along the entire corridor, along with curb-and-gutter and median islands to manage motorist travel speeds. A new traffic signal at Evening Star Drive would be installed as well. Meeting information is available at: <https://www.aacounty.org/departments/planning-and-zoning/development/community-meetings/community-meeting-calendar/>.

The project is currently at the completion of the 30% (Schematic) Design phase, and we're seeking input from residents and stakeholders on the draft design. Plans, graphics, and technical documents are available on the project webpage, accessible by using the link <https://shorturl.at/BUnW4> or scanning the QR code below. Comments will be accepted until November 17 2024.
