### Background

Pursuant to Title 2, Subtitle 5 of the Agriculture Article of the State Code, an owner of agricultural land may apply to sell an easement to the Maryland Agricultural Land Preservation Foundation (“Foundation”) on contiguous acreage of the agricultural land, subject to certain Code requirements and regulations established by the Foundation.

State law requires the local governing body to advise the Foundation as to its approval or disapproval of an application to sell an easement. In deciding whether to approve an application, the local governing body is to receive the recommendation of the Office of Planning and Zoning and the County Agricultural Preservation Advisory Board (“Advisory Board”) based on criteria and standards identified in Title 2, Subtitle 5 of the Agriculture Article of the State Code, as well as regulations adopted by the Foundation.

Pursuant to Section 1014 of the County Charter, when action is required of the “local governing body”, the action shall be taken by the County Executive and confirmed by the County Council.

### Purpose

The purpose of this resolution is to confirm the County Executive’s approval of an application by Virginia R. Garretson, Dean C. Garretson, and Dean C. Garretson, Jr. (collectively “Garretson”) to sell an agricultural land preservation easement to the Foundation on property
