<b>Bill No. 75-24</b>											
2024-12-12 8:14:28	Scott	Raynor	linthicum	md	21090	Yes		Bill No. 75-24 As Amended: AN ORDINANCE concerning: Boards, Commissions, and Similar Bodies – Subdivision and Development – Zoning – Development – Mixed Use Districts	Oppose	<p>I oppose Bill No. 75-24 because it will give unbridled and unchecked power to the Anne Arundel County Executive for planning and zoning decisions that should be reviewed, commented on and approved by residents and their representatives on the County Council.</p> <p>I view this bill as a back-door attempt to allow unpopular development or redevelopment of any parcel of land in Anne Arundel County, bypassing the rights of those who will be most affected -- the current residents of the area. It would allow development without regard to infrastructure and existing community quality of life.</p> <p>Yes, we need more affordable housing in our County, and yes, we even need more spaces for small, local businesses to grow, but we DO NOT need to have this occur under the vision of only ONE individual and his/her planning department. You might as well rename this bill the Authoritarian Planning Decision Initiative.</p>

Building additional housing Anne Arundel County will be detrimental to the education of our children.</p> <p>Additionally, traffic is already congested on the local roads due to overdevelopment.</p>

Comments needed before Monday, Dec. 16.</p> <p>We all need to comment on a horrible County Council bill that would take away OUR rights to participate in Planning &amp; Zoning decisions on Mixed Use Districts, such as our beloved Linthicum shopping area on Camp Meade Rd.!</p> <p>The bill would allow our current (and any future) County Executive to rezone property anywhere in the County through an "administrative" process...as in, no community input, no County Council vote. It would basically allow developers to get whatever they want by donating to a County Executive candidate...quid pro quo!</p> <p>Our input and our County Council representative are the only protections we have, so we can't lose them. If you want to attend the County Council hearing on this bill, it is Monday, Dec. 16, at 7 PM, in the Arundel Center in Annapolis. However, if you cannot attend, please consider commenting online (see how below).</p> <p>Here are the comments I submitted just now online:</p> <p>"I oppose Bill No. 75-24.</p> <p>I view this bill as a back-door attempt to allow unpopular development or redevelopment of any parcel of land in Anne Arundel County, bypassing the rights of those who will be most affected -- the current residents of the area. The lightrail has already left us with crime and gate crossings that continue to not work properly. Schools are overcrowded neighborhoods are overcrowded we do not need any more development in the county. If anything does need built the residence should have a say so and not just the county executive who is getting kickbacks from the builders to allow them to build. Not only does it affect our neighborhoods and property values but it affects our daily lives and we should have a choice!</p>

We as citizens of the county deserve to be a part of the discussion, not pushed around and forced into possible detrimental decisions. I do not want to live within a dictatorship where one only thinks of themselves, the bottom line and profits. I totally oppose this legislation completely!!!!

A day spent at this shopping center will show you how bad the influx of non-resident loitering has become, thanks to the Linthicum light rail stop. This bill cannot be passed, a mass exodus of AA co. will occur should it come to fruition.

The light rail access has already caused a huge influx of violence, burglary, and loitering going on. We already have drug users and deals going on in our park right next to our elementary school. At this point, it seems like you don't care at all about the community, just lining your own pockets. This bill will be the beginning of the downfall of AA county. Disgraceful

Increase in crime in the area since the light rail has been functional at camp Meade road in Linthicum. This will further worsen the issue and continue to bring crime to Linthicum and the surrounding schools.

If you look at just the Royal Farms right next to the light rail stop it gets held up weekly. It's gotten to the point where the people who were stimulating the economy and purchasing from those businesses and enjoying a safe neighborhood are no longer able to do that. All that to say, if you open mixed use properties above the stores there - where are the jobs for those people? to get back ON the unsafe light rail and commute back into the city? Linthicum elementary school is already turning away families for their children because there are not enough slots for students, if you add more housing, especially for folks who cannot afford to send their children to other school, who is this helping? This solution is not viable for the current residents or for the low income families to thrive here. This bill should NOT be passed.

This directly impacts Linthicum Heights in a way most of our neighbors oppose. North county is being ruined by the county executive's decisions. Please we the voter oppose these takeovers. I thought we are a democracy. Voters must decide!</p>

We, the citizens, have a right to be heard and to have our opinions counted on zoning issues that affect us directly. This county does not take us and our quality of life into consideration on issues like this; they are more concerned about getting a larger tax base and getting re-elected! That has to stop.</p>	
2024-12-13 16:21:49	Melissa	Church	Linthicum Hts	MD	21090	Yes		Bill No. 75-24 As Amended: AN ORDINANCE concerning: Boards, Commissions, and Similar Bodies – Subdivision and Development – Zoning – Development – Mixed Use Districts	Oppose	<p>Urgent! Comments needed before Monday, Dec. 16.</p> <p>We all need to comment on a horrible County Council bill that would take away OUR rights to participate in Planning &amp; Zoning decisions on Mixed Use Districts, such as our beloved Linthicum shopping area on Camp Meade Rd.!</p> <p>The bill would allow our current (and any future) County Executive to rezone property anywhere in the County through an "administrative" process...as in, no community input, no County Council vote. It would basically allow developers to get whatever they want by donating to a County Executive candidate...quid pro quo!</p> <p>Our input and our County Council representative are the only protections we have, so we can't lose them. If you want to attend the County Council hearing on this bill, it is Monday, Dec. 16, at 7 PM, in the Arundel Center in Annapolis. However, if you cannot attend, please consider commenting online (see how below).</p> <p>Here are the comments I submitted just now online:</p> <p>"I oppose Bill No. 75-24 because it will give unbridled and unchecked power to the Anne Arundel County Executive for planning and zoning decisions that should be reviewed, commented on and approved by residents and their representatives on the County Council.</p> <p>I view this bill as a back-door attempt to allow unpopular development or redevelopment of any parcel of land in Anne Arundel County, bypassing the rights of those who will be most affected -- the current residents of the area. Our buses regularly run into your areas, helping disadvantaged families and bringing children and adults to our programs every week—a ministry we have faithfully maintained for many years.</p> <p>Passing this bill would greatly enhance our ability to expand our children’s ministry, which is in urgent need of additional space. By allowing us to place a small, modular building on our property, we could better accommodate the growing number of young people we serve and continue making a positive impact on our shared community.</p>	<a href="https://www.aacounty.org/system/files/webform/cc_legislative_testimony/43878/img_1371.jpg">https://www.aacounty.org/system/files/webform/cc_legislative_testimony/43878/img_1371.jpg</a>

This bill would be greatly beneficial to growing churches such as mine; Lighthouse Baptist Church on Ritchie Hwy in Severna Park, in our efforts to expand our outreach programs and youth activities while we research and develop more long-term solutions to our growing needs. I can imagine there are many educational facilities as well as other churches in the county who are in a similar position, and this short-term and extremely unobtrusive option is an appropriate and reasonable approach for a blossoming community. And that’s certainly something to be excited about!</p> <p>Kindest Regards and Very Respectfully, Heather Whitaker</p>
