PUBLIC MEETING ANNOUNCEMENT

- WHO:** Anne Arundel County Department of Public Works (DPW)
- WHAT:** Crofton Wells 12 and 13 and Raw Water Transmission Main
Project# W778603 and W778604
- WHEN:** Wednesday, January 29, 2025 - 6:00PM-7:00PM
- WHERE:** Crofton Library
1681 Riedel Road
Crofton, MD 21114

A public meeting has been scheduled **from 6:00 PM-7:00 PM on January 29, 2025** at the **Crofton Library** to discuss plans to construct two new groundwater production wells and a new raw water transmission main. The wells will send water to the Crofton Meadows Water Treatment Plant using the new main. The well site is on the corner of Saint Stephens Church Road and Saint Stephens Woods Lane. The transmission main will be built between the site of the new wells and the existing main on Stoneham Farm Road, using John Hopkins and Underwood roads.

Residents near the two work sites might be temporarily impacted by construction noise and increased traffic from construction vehicles. One lane will be closed on Johns Hopkins and Underwood roads near the pipeline installation area. Flaggers will direct traffic.

The construction, which is expected to start in winter 2026 and end by winter 2027, will not impact water or wastewater services. The projects will provide additional water resources which will be used when other wells are out of service.

Anyone needing accommodations must contact DPW Customer Relations at 410-222-7582 or by email at pwcust00@aacounty.org at least seven days in advance of the event. TTY users please call via Maryland Relay 7-1-1. All materials are available in alternative formats upon request.

Las personas que necesitan servicios de interpretación de idiomas deben ponerse en contacto con el servicio de atención al cliente del DPW al 410-222-7582, o por correo electrónico a pwcust00@aacounty.org, al menos con siete días de antelación al evento. Todo el material escrito estará disponible en el idioma deseado si se solicita.
