A public meeting has been scheduled from 6 p.m. to 7 p.m. on Wednesday, February 12 via Zoom to discuss plans to raze and rebuild the Mayo Beach Day Camp Building, which will increase the number of programs and services available to children attending summer camp, as well as a more efficient storage space.

No road closures are anticipated and the work will be confined to the camp site. The park is located at 1451 Honeysuckle Lane. Construction, which will include the installation of a draft tank for additional fire coverage for the adjacent residential area, is expected to start in early spring 2025 and be completed in winter 2026.
