Re: Variance # Case No. 2024-0216-V

Dear Holly Colby,

We want to convey support of our next door neighbors, Dan and Ginger Clark, who are applying for a variance. We understand that they would like to add a 1 story screen porch and a deck on either side of their covered deck with new step access. We stand in favor of the proposed construction of these additions.

Sincerely,

Ron and Margie Register
