

Crownsville Hospital Memorial Park  
Structure Removal List

As of: 3/5/25

Note: The structures listed below have been evaluated and identified for removal due to collapse, very poor condition, and/or non-contributing status. Representatives from the Anne Arundel County Planning & Zoning Cultural Resources Section have been through the accessible structures and collected any potential artifacts. If additional artifacts are discovered during removal they will be turned over to Cultural Resources for documentation and storage.

Structure #	Structure Name	Image	Update	Removal Date Scheduled
7	Employee Cafeteria		Removal approved by the Maryland Historical Trust (MHT) on 3/3/25, procurement and final permitting in process.	TBD

### 2.3 SITE ANALYSIS

#### Building Identification Plan

This plan depicts the existing buildings and other structures on site. The building color on the plan and in the key differentiate between historic and non historic structures, as well as currently leased buildings. Buildings 73 and 75 are no longer existing. Building 67 was not able to be identified or found.
