A public meeting has been scheduled from 6:00 PM to 7:00 PM on Thursday, April 24 via Zoom to discuss plans to upgrade the structural and architectural aspects of Wilson House at Hot Sox Park to allow visitors to view the home and get historic information. The building is not currently accessible to the public.

A few spaces in the parking lot in front of the house might be closed during construction, which will run from mid-May through September, but won't impact field activities or the rest of the parking lot. The project includes restoration and renovation of the interior of the home to its original design, as well as construction of a walkway to the house and a viewing platform.

There are no planned lane closures on Galesville Road during construction, but residents will see an increase in construction and delivery vehicles.
